

Welcome to Premium Value Investing Group by NISM CERTIFIED RESEARCH ANALYST (SEBI)

Please note the following points before starting trading journey with us-

- We basically Believe in Swing trading with expectation of around minimum **5%** per month on your portfolio.
- We personally guide on how to create a strong portfolio of Fundamentally + Technically strong shares.
- We will share **5-6 Stocks** every week for creating good portfolio.
- Keep eye on breakout of entry levels don't buy before that by expecting that it is at low so we should buy.
- Always **Follow our Target & SL levels** that will surely help you to get edge in trading.
- Always aim for Re-investment of your profits and increase your capital with the same.
- Lastly Always **Believe in Value Investing** and not blindly investing in any stocks.
- Remember it's just our analysis and experience that we share with you, so make your analysis as well before investing.
- Make investment based on your own risk and responsibilities we will not be responsible for your Gains & Losses.
- Contact - +91 7905440194 for any help regarding stock market and other investment service guidance for free.

Thanks & Regards
