Basics of GST

Question 1

PYQ Nov 18

Differentiate between direct and indirect taxes

Answer

Difference between direct taxes and indirect taxes:

Direct Taxes	Indirect Taxes
The person paying the tax to the Government directly bears the incidence of the tax.	The person paying the tax to the Government collects the same from the ultimate consumer. Thus, incidence of the tax is shifted to the other person.
Progressive in nature - high rate of taxes for people having higher ability to pay.	Regressive in nature - All the consumers equally bear the burden, irrespective of their ability to pay.

Question 3

MTP 2018

Discuss the need & functions of the common GST portal

Answer

1. GST being a destination-based tax, the inter-State trade of goods and services (IGST) needed a robust settlement mechanism amongst the States and the Centre. A Common Portal was needed which could act as a clearing house and verify the claims and inform the respective Governments to transfer the funds. This was possible only with the help of a

strong IT Infrastructure.

2. Resultantly, Common GST Electronic Portal – www.gst.gov.in – a website managed by Goods and Services Network (GSTN) [a company incorporated under the provisions of section 8 of the Companies Act, 2013] is set by the Government to establish a uniform interface for the tax payer and a common and shared IT infrastructure between the Centre and States.

Supply under GST

Question 5**PYQ Nov 18**

Examine whether the following activities would amount to supply under section 7 read with Schedule I:

- a) Sulekha Manufacturers have a factory in Delhi and a depot in Mumbai. Both these establishments are registered in respective States. Finished goods are sent from factory in Delhi to the Mumbai depot without consideration so that the same can be sold.**
- b) Raman is an architect in Chennai. His brother who is settled in London is a well-known lawyer. Raman has taken legal advice from him free of cost with regard to his family dispute.**
- c) Would your answer be different if in the above case, Raman has taken advice in respect of his business unit in Chennai?**

Answer

- A. Schedule I, inter alia, stipulates that supply of goods or services or both between related persons or between distinct persons as specified in section 25, is supply even without consideration provided it is made in the course or furtherance of business. Further, a person who has obtained more than one registration, whether in one State/Union territory or more than one State/Union territory shall, in respect of each such registration, be treated as distinct persons [Section 25(4)].

In view of the same, factory and depot of Sulekha Manufacturers are distinct persons. Therefore, supply of goods from Delhi factory of Sulekha Manufacturers to Mumbai Depot without consideration, but in course/furtherance of business, is supply under section 7 read with Schedule I.

- B. Schedule I, inter alia, stipulates that import of services by a taxable person from a related person located outside India, without consideration is treated as supply if it is provided in the course or furtherance of business. Explanation to section 15, inter alia, provides that persons shall be deemed to be "related persons" if they are members of the same family. Further, as per section 2(49), family means, —

- (i) the spouse and children of the person, and
- (ii) the parents, grand-parents, brothers and sisters of the person if they are wholly or mainly dependent on the said person

In the given case, Raman has received free of cost legal services from his brother. However, in view of section 2(49)(ii) above, Raman and his brother cannot be considered to be related as Raman's brother is a well-known lawyer and is not wholly/mainly dependent on Raman. Further, Raman has taken legal advice from him in personal matter and not in course or furtherance of business. Consequently, services provided by Raman's brother to him would not be treated as supply under section 7 read with Schedule I.

- C. In the above case, if Raman has taken advice with regard to his business unit, services provided by Raman's brother to him would still not be treated as supply under section 7 read with Schedule I as although the same are provided in course or furtherance of business, such services have not been received from a related person.

Question 6

PTL Pvt. Ltd. is a retail store of merchandise located in 25 States/UTs in the country. For the purpose of clearance of stock of merchandise and to attract consumers, PTL Pvt. Ltd. launched scheme of "Buy One Get One Free" for the same type of merchandise, for instance, one shirt to be given free with purchase of one shirt. Determine how the taxability of the goods supplied under "Buy One Get One Free" scheme is determined.

Answer

As per section 7(1)(a), the goods or services which are supplied free of cost (without any consideration) are not treated as "supply" except in case of activities mentioned in Schedule I. Under "Buy One Get One Free" scheme, it may appear at first glance that in case of offers like "Buy One, Get One Free", one item is being "supplied free of cost" without any consideration. However, it is not an individual supply of free goods, but a case of two or more individual supplies where a single price is being charged for the entire supply. It can at best be treated as supplying two goods for the price of one.

Taxability of such supply will be dependent upon as to whether the supply is a composite supply or a mixed supply and the rate of tax shall be determined accordingly

Question 7

RTP May 18

Sahab Sales, an air-conditioner dealer in Janakpuri, Delhi, needs 4 air -conditioners for his newly constructed house in Safdarjung Enclave. Therefore, he transfers 4 air conditioners [on which ITC has already been availed by it] from its stock, for the said purpose. Examine whether the said activity amounts to supply under section 7 of the CGST Act, 2017.

Further, a Janakpuri resident, Aakash, approached Sahab Sales. He sold an air conditioner to Sahab Sales for Rs 5,000. Aakash had bought the said air-conditioner six months before, for his residence. Does sale of the air conditioner by Aakash to Sahab Sales amount to supply under section 7 of the CGST Act, 2017?

Answer

Section 7(1)(a) stipulates that in order to qualify as supply, following three conditions should be satisfied: -

- 1) Supply should be of goods and/or services.
- 2) Supply should be made for a consideration.
- 3) Supply should be made in the course or furtherance of business

Further, Sec 7(1)(c) Schedule I of the CGST Act, 2017 illustrates the activities to be treated as supply even if made without consideration. One such activity is permanent transfer or disposal of business assets where input tax credit has been availed on such assets, i.e. said activity is to be treated as supply even if made without consideration

Taxability in given cases

Transfer of AC by Sahab Sales	Since ITC has been availed by Sahab Sales on air conditioners, their permanent transfer by Sahab Sales from its stock for personal use at its residence, though without consideration would amount to supply under Schedule I
Sale of AC by Aakash to	the CGST Act, 2017 as although it is made for a consideration, but it is not in the course or furtherance of business.

Question 8

May 2022

Examine whether the following activities would amount to "supply" under GST law?

- (i) *Glory Ltd. is engaged in manufacturing and selling of cosmetic products. Seva Trust, a charitable organisation, approached Glory Ltd. to provide financial assistance for its charitable activities. Glory Ltd. donated a sum of 2 lakh to Seva Trust with a condition that Seva Trust will place a hoarding at the entrance of the trust premises displaying picture of products sold by Glory Ltd.*
- (ii) *Mr. Swamy of Chennai is working as a manager with ABC Bank. He consulted M/s. Jacobs and Company of London and took its advice for buying a residential house in Mumbai and paid them consultancy fee of 200 UK Pound for this import of service.*

Answer

An activity qualifies as supply under GST only if it is for a consideration and is in course/furtherance of business. Donations received by the charitable organizations are treated as consideration only when there's an obligation on part of the recipient of the donation to do anything.

- (i) Since in the given case, the display of products sold by the donor - Glory Ltd. - in charitable organization's premises aims at advertising/promotion of its business, it is supply for consideration in course/furtherance of business and thus, qualifies as supply under GST law.
- (ii) Supply includes importation of services, for a consideration whether or not in the course/furtherance of business. Thus, in the given case, the import of services by Mr. Swamy amounts to supply although it is not in course/furtherance of business

Question 9

RTP Nov 23

Examine the implications of GST on payment of honorarium to the Guest Anchors

Answer

Circular No. 177/09/2022 GST dated 03.08.2022 clarifies the applicability of GST on honorarium paid to Guest Anchors. Sansad TV and other TV channels invite guest anchors to participate in their shows and pay remuneration to them in the form of honorarium.

It is clarified that supply of all goods & services are taxable unless exempt or declared as 'neither a supply of goods nor a supply of service'. Services provided by the guest anchors in lieu of honorarium attract GST liability.

However, guest anchors whose aggregate turnover in a financial year does not exceed 20 lakh (10 lakh in case of specified Special Category States) shall not be liable to take registration and pay GST.

Question 10

RTP Nov 18

Examine whether the activity of import of service in the following independent cases would amount to supply under section 7:

- (i) **Miss Shrinithi Kaushik received interior decoration services for her residence located at**

Bandra, Mumbai from Mr. Racheal of Sydney (Australia). The amount paid for the said service is 5,000 Australian dollar.

- (ii) Miss Shriniti Kaushik received interior decoration services for her residence located at Bandra, Mumbai from her brother, Mr. Varun residing in Sydney (Australia) [wholly dependent on Miss Shriniti]. Further, Miss Shriniti did not pay any consideration for the said service**
- (iii) Will your answer change if in the above case, if Miss Shriniti has taken interior decoration services with regard to her business premises and not her residence?**

Answer

- i. Supply, under section 7, inter alia,
- includes import of services for a consideration
 - even if it is not in the course or furtherance of business.

Thus, although the import of service for consideration by Miss. Shriniti Kaushik is not in course or furtherance of business [as the interior decoration services have been availed in respect of residence], it would amount to supply.

- ii. Schedule I, inter alia, stipulates that import of services by a taxable person from a related person located outside India, without consideration is treated as supply if it is provided in the course or furtherance of business. Explanation to section 15, inter alia, provides that persons shall be deemed to be "related persons" if they are members of the same family. Further, as per section 2(49), family means, —
- (i) the spouse and children of the person, and
- (ii) the parents, grand-parents, brothers and sisters of the person if they are wholly or mainly dependent on the said person.

In the given case, Miss Shriniti Kaushik has received interior decoration services from her brother. In view of section 2(49)(ii) above, Miss Shriniti and her brother shall be considered to be related as Miss Shriniti's brother is wholly dependent on her. However, Miss Shrinti has taken interior decoration services for her residence and not in course or furtherance of business. Consequently, services provided by Miss Shrinti's brother to her would not be treated as supply under section 7 read with Schedule I.

- iii. In the above case, if Miss Shriniti has taken interior decoration services with regard to her business premises, services provided by Miss Shriniti's brother to her would be treated as supply under section 7 read with Schedule I.

Charge under GST

Question 12**RTP May 21**

Mr. Priyam, director of Sun Moon Company Private Limited, provided service to the company for remuneration of ₹ 1,25,000. Briefly answer whether GST is applicable in the below mentioned independent cases? If yes, who is liable to pay GST?

- 1. Mr. Priyam is an independent director of Sun Moon Company Private Limited and not an employee of the company.**
- 2. Mr. Priyam is an executive director, i.e. an employee of Sun Moon Company Private Limited. Out of total remuneration amounting to ₹ 1,25,000, ₹ 60,000 has been declared as salaries in the books of Sun Moon Company Private Limited and subjected to TDS under section 192 of the Income-Tax Act (IT Act). However, ₹ 65,000 has been declared separately other than salaries in the Sun Moon Company Private Limited's accounts and subjected to TDS under section 194J of the IT Act as professional services.**

Answer

1. As per Para I of Schedule III of the CGST Act, services by an employee to the employer in the course of or in relation to his employment are non-supplies, i.e. they are neither supply of goods nor supply of services. Services provided by the independent directors who are not employees of the said company to such company, in lieu of remuneration as the consideration for the said services, are clearly outside the scope of Schedule III of the CGST Act and are therefore taxable. Further, such remuneration paid to the directors is taxable in hands of the company, on reverse charge basis.

Thus, GST is applicable in this case and Sun Moon Company Private Limited is liable to pay GST.

2. The part of director's remuneration which is declared as salaries in the books of a company and subjected to TDS under section 192 of the Income-tax Act (IT Act), is not taxable being consideration for services by an employee to the employer in the course of or in relation to his employment in terms of Schedule III.
3. Further, the part of employee director's remuneration which is declared separately other than salaries in the company's accounts and subjected to TDS under section 194J of the IT Act as fees for professional or technical services are treated as consideration for providing services which are outside the scope of Schedule III and is therefore, taxable. The recipient of the said services i.e. the company, is liable to discharge the applicable GST on it on reverse charge basis.
4. In lieu of the above provisions, ₹ 60,000 declared as salaries in the books of Sun Moon Company Private Limited and subjected to TDS under section 192 of the Income-Tax Act (IT Act), is not taxable being consideration for services by an employee to the employer in the course of or in relation to his employment in terms of Schedule III.
5. Further, ₹ 65,000 declared separately other than salaries in the Sun Moon Company Private Limited's accounts and subjected to TDS under section 194J of the IT Act as professional services is treated as consideration for providing services which is outside the scope of Schedule III and is therefore, taxable. The recipient of the said services i.e. the Sun Moon Company Private Limited, is liable to discharge the applicable GST on it on reverse charge

Question 13

RTP May 20

Mr. Vicky Frankyn, an unregistered famous author, received ₹ 3 crore of consideration from Shiv Bhawan Publications (SBP) located in Indore for supply of services by way of temporary transfer of a copyright covered under section 13(1)(a) of the Copyright Act, 1957 relating to original literary works of his new book. He finished his work & made available the book to the publisher, but has yet not raised the invoice.

Mr. Vicky Frankyn is of the view that SBP is liable to pay tax under reverse charge on services provided by him. SBP does not concur with his view and is not ready to deposit the tax under any circumstances.

Examine whether the view of Mr. Vicky Frankyn is correct. Further, if the view of Mr. Vicky Frankyn is correct, what is the recourse available with Mr. Vicky Frankyn to comply with the requirements of GST law as SBP has completely refused to deposit the tax

Answer

Yes, the view of Mr. Vicky Frankyn is correct. GST is payable under reverse charge in case of supply of services by an author by way of transfer/permitting the use or enjoyment of a copyright covered under section 13(1)(a) of the Copyright Act, 1957 relating to original literary work to a publisher located in the taxable territory in terms of reverse charge Notification No. 13/2017 CT(R) dated 28.06.2017. Therefore, in the given case, person liable to pay tax is the publisher – SBP.

However, since SBP has completely refused to deposit the tax on the given transaction, Mr. Vicky Frankyn has an option to pay tax under forward charge on the same. For the purpose, he needs to fulfill the following conditions:

since he is unregistered, he has to first take registration under the CGST Act, 2017, he needs to file a declaration, in the prescribed form, that he exercises the option to pay CGST on the said service under forward charge in accordance with section 9(1) of the CGST Act and to comply with all the provisions as they apply to a person liable for paying the tax in relation to the supply of any goods and/or services and that he shall not withdraw the said option within a period of 1 year from the date of exercising such option; he has to make a declaration on the invoice, which he would issue to SBP, in prescribed form

- 2. M/s. Purohit Consultants, a partnership firm registered in Delhi as a regular tax payer, paid sponsorship fees of ₹ 70,000 at a seminar organized by a private NGO (a partnership firm) in Delhi**

Answer

reverse charge.

Therefore, in the given case, Rudra Technologies is liable to pay GST on the residential dwellings taken on rent by it from Siddhi Builders, under reverse charge mechanism.

2. In case of services provided by any person by way of sponsorship to anybody corporate or partnership firm, GST is liable to be paid under reverse charge by such body corporate or partnership firm located in the taxable territory.

Since in the given case, sponsorship services are being provided by the private NGO to a partnership firm – M/s. Purohit Consultants, GST is payable by Purohit Consultants on said services under reverse charge

Question 15

Mr. Ajay has a registered repair center where electronic goods are repaired/serviced. His repair center is located in State of Rajasthan and he is not engaged in making any inter-State supply of services. His aggregate turnover in the preceding financial year (FY) is ₹ 45 lakh.

With reference to the provisions of the CGST Act, 2017, examine whether Mr. Ajay can opt for the composition scheme under section 10(1) & 10(2) in the current financial year? Or whether he is eligible to avail benefit of composition scheme under section 10(2A)? Considering the option of payment of tax available to Mr. Ajay, compute the amount of tax payable by him assuming that his aggregate turnover in the current financial year is ₹ 35 lakh.

Will your answer be different if Mr. Ajay procures few items required for providing repair services from neighboring State of Madhya Pradesh?

Answer

Section 10(1) provides that a registered person, whose aggregate turnover in the preceding financial year did not exceed ₹ 1.5 crore (₹ 75 lakhs in Special Category States except Assam, Himachal Pradesh and Jammu and Kashmir), may opt to pay, in lieu of the tax payable by him, an amount calculated at the specified rates. However, as per proviso to section 10(1), person who opts to pay tax under composition scheme may supply services other than restaurant services, of value not exceeding 10% of the turnover in a State or Union territory in the preceding financial year or ₹ 5 lakh, whichever is higher.

In the given case, since Mr. Ajay is an exclusive supplier of services other than restaurant services [viz. repair services], he is not eligible for composition scheme under section 10(1) & 10(2).

However, section 10(2A) provides an option to a registered person (subject to certain conditions) whose aggregate turnover in the preceding financial year is up to ₹ 50 lakh and who is not eligible to pay tax under composition scheme under section 10(1) & 10(2), to pay tax @ 3% [Effective rate 6% (CGST+ SGST/UTGST)] of the turnover of supplies of goods and services in the State or Union territory.

Thus, in view of the above-mentioned provisions, Mr. Ajay is eligible to avail the composition scheme under section 10(2A) as his aggregate turnover in the preceding FY does not exceed ₹ 50 lakh and he is not eligible to opt for the composition scheme under section 10(1) & 10(2). Thus, the amount of tax payable by him as per the composition scheme under section 10(2A) is ₹ 2,10,000 [6% of ₹ 35 lakh].

A registered person cannot opt for composition scheme under section 10(2A), if, inter alia, he is engaged in making any inter-State outward supplies. However, there is no restriction on inter-State procurement of goods. Hence, answer will remain the same even if Mr. Ajay procures few items from neighboring State of Madhya Pradesh

Question 16
PYQ May 2019

Examine in relation to composition levy scheme under section 10(1) and 10(2) of the CGST Act, 2017 and the rules made thereunder in the following individual cases: (IMP.)

- (1) **Ketu is a manufacturer of ice-cream and pan masala in State of Maharashtra. His turnover for the year does not exceed ₹ 1.5 Crore. He wants to register for composition levy scheme. Is he eligible for it?**
- (2) **Jadhu of Gujarat opts for composition scheme during a financial year 2022-23. But on 10-02-2023 his turnover crosses ₹ 1.5 Crore, can he continue under composition levy scheme.**
- (3) **X Ltd. has 2 branches K & L in Delhi, having same PAN. Both branches are separately registered under GST Act. Branch K opts for normal scheme. X Ltd. want to continue composition levy u/s 10(1) & 10(2) in case of its branch L. Can X Ltd. continue composition levy only for branch L?**

Answer

- 1) A registered person who is engaged in manufacture of, inter alia, ice cream and pan masala, is not eligible to opt for composition levy u/s 10(1) & 10(2) even if his aggregate turnover does not exceed ₹ 1.5 crore. Therefore, in the given case, Ketu is not eligible to opt for composition levy u/s 10(1) & 10(2).
- 2) The option to pay tax under composition levy u/s 10(1) & 10(2) availed of by a registered person lapses with effect from the day on which his aggregate turnover during a financial year exceeds the threshold limit of ₹ 1.5 crore. He needs to pay tax under normal scheme from that day.

Since in the given case, the turnover of Jadhu crosses ₹ 1.5 crore on 10.02.2023, he cannot continue under composition scheme u/s 10(1) & 10(2) from that day.
- 3) Where person having the same Permanent Account Number, has more than one registration, the registered person shall not be eligible to opt for composition scheme unless all such registered persons opt to pay tax under composition scheme. In other words, all the registrations under the same PAN have to opt for composition scheme.

In view of the same, in the given case, X Ltd. cannot continue with composition scheme only for branch L.

From the information given above, compute the aggregate turnover of Nesamani and also decide whether he is required to get registration under GST. Assume that the amounts given above are exclusive of taxes

Answer

Particulars	Amount (₹)

Outward supply of petrol [Supply of petrol being a non-taxable supply is an exempt supply. Value of exempt supply is includible in aggregate turnover.]	4,00,000
Inter-State stock transfer of exempt goods [Supply of taxable/exempt goods between distinct persons is includible.]	2,00,000
Outward supply of taxable goods from Uttar Pradesh branch [Value of outward supplies under same PAN are includible.]	5,00,000
Outward supply of services taxable under reverse charge [Includible in aggregate turnover.]	6,00,000
Inward supply of services taxable under reverse charge [Excludible from the aggregate turnover.]	--

For a supplier engaged in supply of goods and services from the States of Orissa and Uttar Pradesh, the threshold limit of aggregate turnover to obtain registration is ₹ 20 lakh. However, a person required to pay tax under reverse charge has to obtain registration compulsorily irrespective of the quantum of turnover. Since in the given case, Nesamani is required to pay tax under reverse charge, it is liable to obtain registration compulsorily irrespective of his quantum of turnover.

Time of Supply

Question 18

Determine the time of supply from the following particulars:

6 th May	Booking of convention hall, sum agreed ₹ 15000, advance of ₹ 3000 received
15 th September	Function held in convention hall
27 th October	Invoice issued for ₹ 15000, indicating balance of ₹ 12000 payable
3 rd November	Balance payment of ₹ 12000 received

Answer

As per section 31(2) read with rule 47 of CGST Rules, the tax invoice is to be issued within 30 days of supply of service. In the given case, the invoice is not issued within the prescribed time limit. As per section 13(2)(b), in a case where the invoice is not issued within the prescribed time, the time of supply of service is the date of provision of service or receipt of payment, whichever is earlier.

Therefore, the time of supply of service to the extent of ₹ 3,000 is 6th May as the date of payment of ₹ 3000 is earlier than the date of provision of service. The time of supply of service to the extent of the balance ₹ 12,000 is 15th September which is the date of provision of service

Question 19

Investigation shows that ABC & Co carried out service of cleaning and repairs of tanks in an apartment complex, for which the Apartment Owners' Association showed a payment in cash on 4th April to them against work of this description. The dates of the work are not clear from the records of ABC & Co. ABC & Co have not issued invoice or entered the payment in their books of account

Answer

The time of supply cannot be determined vide the provisions of clauses (a) and (b) of section 13(2) as neither the invoice has been issued nor the date of provision of service is available as also the date of receipt of payment in the books of the supplier is also not available. Therefore, the time of supply will be determined vide clause (c) of section 13(2) i.e., the date on which the recipient of service shows receipt of the service in his books of account.

Thus, time of supply will be 4th April, the date on which the Apartment Owners' Association records the receipt of service in its books of account.

However, the consignment could not be sent immediately on account of a strike in the factory, and instead was sent on 20th July 2023. Invoice was received from the transporter on 20th June 2023 and payment was made on 25th August 2023. What is the time of supply of the transporter's service assuming it has not opted for payment of tax under forward charge?

Answer

The time of supply of goods (where movement of goods involve) (fabric) for the purpose of payment of tax is the date of issue of invoice or the last date when the invoice ought to have been issued.

Further, a registered person is required to issue a tax invoice before or at the time of delivery of goods or making available thereof to the recipient.

Thus, in the given case, time of supply is 4th September, 2023

Tax on supply of transportation of goods by road services provided by a Goods Transport Agency (GTA) to a body corporate is payable under reverse charge by such body corporate.

Time of supply of services taxable under reverse charge is earliest of: -

- date of making payment, or
- 61st day from the date of issue of invoice by supplier

Thus, in the given case, time of supply is earlier of

- 25th August or
- 20th August 2021 (61st day from 20th June)

Thus, in the given case, time of supply 20th August 2023

Modern Security Co. provides service of testing of electronic devices. In one case, it tested a batch of devices on 4th and 5th September but could not raise invoice till 19th November because of some dispute about the condition of the devices on return. The payment was made in December. What is the method to fix the time of supply of the service

Answer

The time of supply of services, if the invoice is not issued in time, is the date of payment or the date of provision of service, whichever is earlier [Section 13(2)(b)]. In this case, the service is provided on 5th September but not invoiced within the prescribed time limit. Therefore, 5th September, the date of provision of service, being earlier than the date of payment, will be the time of supply.

Royal Fashions, a registered supplier of designer outfits in Delhi, decides to exhibit its products in a Fashion Show being organised at Hotel Park Royal, Delhi on 4th January, 20XX. For the occasion, it gets the makeover of its models done by Aura Beauty Services Ltd., Ashok Vihar, for which a consideration is ₹ 5,00,000 (excluding GST) has been charged. Aura Beauty Services Ltd. issued a duly signed tax invoice on 10th February, 20XX showing the lumpsum amount of ₹ 5,90,000 inclusive of CGST and SGST @ 9% each. Royal Fashions made the payment the very next day. Answer the following questions:

Examine whether the tax invoice has been issued within the time limit prescribed under law?

Tax consultant of Royal Fashions objected to the invoice raised suggesting that the amount of tax charged in respect of the taxable supply should be shown separately in the invoice raised by Aura Beauty Services Ltd. However, Aura Beauty Services Ltd. contended that there is no mandatory requirement of showing tax component separately in the invoice. You are required to examine the validity of the objection raised by tax consultant of Royal Fashions?

Answer

As per section 31 of the CGST Act, 2017 read with the CGST Rules, 2017, in case of taxable supply of services, invoices should be issued before or after the provision of service, but within a period of 30 days [45 days in case of insurer/ banking company or financial institutions including NBFCs] from the date of supply of service. In view of said provisions, in the present case, the tax invoice should have been issued in the prescribed time limit of 30 days from the date of supply of service i.e. upto 03.02.20XX. However, the invoice has been issued on 10.02.20XX.

In such a case, the time of supply as per section 13 of the CGST Act, 2017 would be 04.01.20XX

i.e. earliest of the following:

Date of provision of service (04.01.20XX) Date of receipt of payment (11.02.20XX)

Section 31 of the CGST Act, 2017 read with the CGST Rules, 2017, inter alia, provides that tax invoice shall contain the following particulars-

Total value of supply of goods or services or both;

Rate of tax (central tax, State tax, integrated tax, Union territory tax or cess);

Amount of tax charged in respect of taxable goods or services (central tax, State tax, integrated tax, Union territory tax or cess);

The objection raised by the tax consultant of Royal Fashions suggesting that the amount of tax charged in respect of the taxable supply should be shown separately in the invoice raised by Aura Beauty Services Ltd., is valid in law. In the present case, the tax amount has not been shown separately in the invoice.

Determine the GST payable, if any, in each of the following independent cases, assuming that the rate of GST is 18% and that the service providers are registered under GST:

- (i) **Bollywood dance performance by a film actor in a film and consideration charged is ₹ 1,45,000.**
- (ii) **Carnatic music performance by a classical singer to promote a brand of readymade garments and consideration charged is ₹ 1,30,000.**
- (iii) **Carnatic music performance by a classical singer in a music concert and consideration**

charged is ₹ 1,55,000.

- (iv) Kathak dance performance by a classical dancer in a cultural programme and consideration charged is ₹ 1,45,000.

Answer

- (i) Bollywood Dance performance by a film actor in a film is not exempt from GST even though the consideration charged is less than threshold limit of ₹ 1,50,000. The reason for the same is that the dance performance by an artist is exempt only if it is a performance in folk or classical art forms of dance. Consequently, entire consideration charged is subject to GST as follows:

$$= ₹ 1,45,000 \times 18\% = ₹ 26,100$$

- (ii) Carnatic music performance by a classical singer to promote a brand of readymade garments is not exempt from GST even though, the consideration charged is less than threshold limit of ₹ 1,50,000 and it is a performance in classical art forms of music. The reason for the same is that the said exemption is not applicable to service provided by such artist as a brand ambassador. Consequently, entire consideration charged is subject to GST as follows:

$$= ₹ 1,30,000 \times 18\% = ₹ 23,400$$

- (iii) Carnatic music performance by a classical singer in a music concert is not exempt from GST even though it is a performance in classical art forms of music. The reason for the same is the consideration charged for the service exceeds ₹ 1,50,000. Consequently, entire consideration charged is subject to GST as follows:

$$= ₹ 1,55,000 \times 18\% = ₹ 27,900$$

- (iv) Kathak dance performance by a classical dancer in a cultural programme is exempt from GST as it is a performance in classical art forms of dance and consideration charged does not exceed ₹ 1,50,000 [i.e. ₹ 1,45,000].

Question 32

RTP 23

Determine whether GST is payable in each of the following independent transactions:

- (i) Dhruv Developers sold a plot of land in Greater Noida after levelling, laying down of drainage lines, water lines and electricity lines.**
- (ii) Deccan Shipping Pvt. Ltd., registered under GST in Andaman and Nicobar islands, provided the passenger transportation services to the local residents in the ferries owned by it from Neil Island to Havelock Island.**

Answer

- (i) GST is not payable by Dhruv Developers on sale of plot of land . Circular No. 177/09/2022 GST dated 03.08.2022 clarifies applicability of GST on sale of land after levelling, laying down of drainage lines etc. As per Para 5 of Schedule III of the CGST Act, 2017, 'sale of land' is neither a supply of goods nor a supply of services. Therefore, the sale of land does not attract GST. Land may be sold either as it is or after some development such as levelling, laying down of drainage lines, water lines, electricity lines, etc. It is clarified that sale of such developed land is also sale of land and is covered by Para 5 of Schedule III and accordingly, does not attract GST.
- (ii) Transportation of passenger services provided by the private operator - Deccan Shipping Pvt. Ltd. - are exempt from GST. Circular No. 177/09/2022 GST dated 03.08.2022 clarifies the applicability of GST on private ferry tickets. Transportation of passengers by public transport, other than predominantly for tourism purpose, in a vessel between places located in India is exempt from GST vide Notification No. 12/2017 CT (R) dated 28.06.2017. It is clarified that this exemption would apply to tickets purchased for transportation from one point to another irrespective of whether the ferry is owned or operated by a private sector enterprise or by a PSU/Government.

It is further clarified that, the expression 'public transport' used in the said exemption notification only means that the transport should be open to public. It can be privately

or publicly owned. Only exclusion is on transportation which is predominantly for tourism, such as services which may combine with transportation, sightseeing, food and beverages, music, accommodation such as in shikara, cruise etc.

Question 33

Babla & Bros. is exclusively engaged in making exempt supply of goods and is thus, not registered under GST. On 1st October, the exemption available on its goods gets withdrawn. On that day, the turnover of Babla & Bros. was ₹ 50 lakh. Examine the eligibility of Babla & Bros. for availing ITC, if any.

Mamta Sales trades in exempt goods and provides taxable services. It is registered under GST. On 1st October, the exemption available on its goods gets withdrawn

Analyze the scenario and determine the eligibility of Mamta Sales for availing ITC, if any, on inputs and/or capital goods used in the supply of exempt goods

Answer

Since the exemption available on goods being supplied by Babla & Bros. is withdrawn, it becomes liable to registration as its turnover has crossed the threshold limit (for registration) on the day when the exemption is withdrawn.

Assuming that Babla & Bros. applies for registration within 30 days of 1st October and it obtains such registration, it will be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on the day immediately preceding the date from which it becomes liable to pay tax, i.e. 30th September [Section 18(1)(a) of the CGST Act, 2017]. Input tax paid on capital goods will not be available as input tax credit in this case.

If the exempt supply made by a registered person becomes a taxable supply, provisions of section 18(1)(d) of the CGST Act, 2017 become applicable. In the given case, since Mamta Sales is a registered person, section 18(1)(d) will be applicable. As per section 18(1)(d), Mamta Sales will be entitled to take credit of input tax in respect of inputs held in stock and inputs contained in semi-finished or finished goods held in stock relating to such exempt supply and on capital goods exclusively used for such exempt supply on the day immediately preceding the date from which such supply becomes taxable, i.e. 30th September. Input tax credit on capital goods will be reduced by 5% per quarter or part thereof from the date of invoice

State the action which Granites Textiles Ltd. is required to take, if any, in accordance with the statutory GST provisions on the sale of the second-hand machine.

Answer

Section 18 of the CGST Act, 2017 read with the CGST Rules, 2017 provides that if capital goods or plant and machinery on which input tax credit has been taken are supplied outward by the registered person, he must pay an amount that is the higher of the following:

- input tax credit taken on such goods reduced by 5% per quarter of a year or part thereof from the date of issue of invoice for such goods (i.e., input tax credit pertaining to remaining useful life of the capital goods), or
- tax on transaction value.

Accordingly, the amount payable on supply of needle detecting machine shall be computed as follows:

Particulars	₹	₹
Input tax credit taken on the machine (₹ 10,00,000 × 18%)		1,80,000
Less: Input tax credit to be reversed @ 5% per quarter for the period		

of use of machine

Question 37

RTP Nov 2019

Examine whether the supplier of goods is liable to get registered in the following independent cases:

- (i) Raghav of Assam is exclusively engaged in intra-State taxable supply of readymade garments. His turnover in the current financial year (FY) from Assam showroom is ₹ 33 lakh. He has another showroom in Tripura with a turnover of ₹ 11 lakh in the current FY. (IMP.)**
- (ii) Pulkit of Panjim, Goa is exclusively engaged in intra-State taxable supply of shoes. His aggregate turnover in the current financial year is ₹ 22 lakh.**
- (iii) Harshit of Himachal Pradesh is exclusively engaged in intra-State supply of pan masala. His aggregate turnover in the current financial year is ₹ 24 lakh.**

Answer

As per section 22 read with Notification No. 10/2019 CT dated 07.03.2019, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit. The threshold limit for a person making exclusive intra-State taxable supplies of goods is as under: -

- a) ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- b) ₹ 20 lakh for the States, namely, States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
- c) ₹ 40 lakh for rest of India except persons engaged in making supplies of ice cream and other edible ice, whether or not containing cocoa, Pan masala and Tobacco and manufactured tobacco substitutes.

In the light of the afore-mentioned provisions, the answer to the independent cases is as under: -

- (i) Raghav is eligible for higher threshold limit of turnover for registration, i.e. ₹ 40 lakh as he is exclusively engaged in intra-State supply of goods. However, since Raghav is engaged in supplying readymade garments from a Special Category State i.e. Tripura, the threshold limit gets reduced to ₹ 10 lakh. Thus, Raghav is liable to get registered under GST as his turnover exceeds ₹10 lakh. Further, he is required to obtain registration in both Assam and Tripura as he is making taxable supplies from both the States.
- (ii) The applicable threshold limit for registration for Pulkit in the given case is ₹ 40 lakh as he is exclusively engaged in intra-State taxable supply of goods in Goa. Thus, he is not liable to get registered under GST as his turnover is less than the threshold limit.
- (iii) Harshit being exclusively engaged in supply of pan masala is not eligible for higher threshold limit of ₹40 lakh. The applicable threshold limit for registration in this case is ₹20 lakh. Thus, Harshit is liable to get registered under GST

Question 38

RTP May 2020

M/s Siya Ram is a trader of decorative items in Hauz Khas, Delhi. His aggregate turnover exceeded ₹ 20 lakh in the month of October, 20XX. He applied for registration on GST portal, but missed to submit the details of his bank account. His tax consultant advised him that prior submission of bank details is mandatory to obtain registration. Examine whether the advice of Mr. Siya Ram's tax consultant is correct.

Answer

The advice of Mr. Siya Ram's consultant that prior submission of bank details is mandatory to obtain registration is not valid in law. Rule 10A of CGST Rules, 2017 allows the registered person to furnish information with respect to details of bank account, or any other information, as may be required on the common portal in order to comply with any other provision, soon after obtaining certificate of registration and a GSTIN, but not later than: -

45 days from the date of grant of registration or

the date on which the return required under section 39 is due to be furnished, whichever is earlier.

This relaxation is however not available for those who have been granted registration as TDS deductor / TCS collector under rule 12 or who have obtained suo-moto registration under rule 16

Question 39

Mr. Q, a casual taxable person of Gujarat state is a trader of taxable notified handicraft goods. It makes supplies to the states of Maharashtra, Rajasthan and Andhra Pradesh. Turnover for October, 2023 is ₹ 18 Lakh.

Explain the provisions of registration for casual taxable person under GST. Examine whether Mr. Q is liable for registration or not?

What will be the answer if Mr. Q makes trading in taxable notified products instead of taxable notified handicraft goods which involves 75% making on machine and 25% by hand?

Answer

A casual taxable person is required to obtain compulsory registration under GST irrespective of the quantum of its aggregate turnover. However, a threshold limit of ₹ 20 lakh (₹ 10 lakhs in case of specified Special Category States) is available for registration to a casual taxable person who:

is making inter-State taxable supplies of notified handicraft goods and notified hand-made goods, is availing the benefit of exemption from registration available to inter-State supply of above-mentioned goods up to the aggregate turnover of ₹ 20 lakh (₹ 10 lakhs in case of specified Special Category States), and has obtained a PAN and has generated an e-way bill.

In the given case, since Mr. Q is engaged in supplying notified handicraft goods and its aggregate turnover does not exceed ₹ 20 lakh, he will not be liable to registration provided he fulfills other conditions specified herein.

In case Mr. Q is engaged in trading of notified products which are predominantly made by machine, he will not be eligible for the exemption from registration under aforesaid provisions and needs to take compulsory (mandatory) registration.

Batra Ltd., a normal taxpayer, is winding up its business in Rajkot. The Tax Consultant of Batra Ltd. has suggested that Batra Ltd. will have to file either the annual return or the final return at the time of voluntary cancellation of registration in the State of Rajkot.

Do you agree with the stand taken by Tax Consultant of Batra Ltd.? Offer your comments. Ignore the aggregate turnover of Batra Ltd

Annual return is required to be filed by every registered person paying tax as a normal taxpayer.

Final return is filed by the registered persons who have applied for cancellation of registration within three months of the date of cancellation or the date of cancellation order.

Question 42

RTP May 22

Mr. X of Haryana intends to start business of supply of building material to various construction sites in Haryana. He has taken voluntary registration under GST in the month of April. However, he has not commenced the business till December due to lack of working capital. The proper officer suo-motu cancelled the registration of Mr. X. You are required to examine whether the action taken by proper officer is valid in law?

Mr. X has applied for revocation of cancellation of registration after 100 days from the date of service of the order of cancellation of registration. Department contends that application for

revocation of cancellation of registration can only be made within 90 days from the date of service of the order of cancellation of registration. However, Mr. X contends that the period of submission of application may be extended on sufficient grounds being shown. You are required to comment upon the validity of contentions raised by Department and Mr. X.

Answer

As per section 29 of the CGST Act, 2017, the proper officer may cancel the registration of a person from such date, including any retrospective date, as he may deem fit, where,-

- (a) a registered person has contravened such provisions of the Act or the rules made thereunder as may be prescribed; or
- (b) a person paying tax under composition scheme has not furnished returns for three consecutive tax periods; or
- (c) any registered person, other than a person specified in clause (b), has not furnished returns for a continuous period of six months; or
- (d) any person who has taken voluntary registration under sub-section (3) of section 25 has not commenced business within six months from the date of registration; or
- (e) registration has been obtained by means of fraud, wilful misstatement, or suppression of facts:

Thus, in view of the above-mentioned provisions, suo-motu cancellation of registration of Mr. X by proper officer is valid in law since Mr. X, a voluntarily registered person, has not commenced his business within 6 months from the date of registration.

Further, where the registration of a person cancelled suo-motu by the proper officer, such registered person may apply for revocation of the cancellation to such proper officer, **within 90 days** from the date of service of the order of cancellation of registration.

However, the said period of 30 days may, on sufficient cause being shown and for reasons to be recorded in writing, be extended for a period not exceeding **180 days by Commissioner**.

Thus, considering the above provisions, the contention of Department is not valid in law as extension can be sought in the prescribed time limit for revocation of cancellation of registration.

The contention raised by Mr. X is valid in law as extension in time limit is allowed on sufficient cause being shown and for reasons to be recorded in writing.

Question 44**PYQ 20**

BBD Pvt. Ltd. of Gujarat exclusively manufactures and sells product 'Z' which is exempt from GST vide notifications issued under relevant GST legislations. The company sells 'Z' only within Gujarat and is not registered under GST laws. The turnover of the company in the previous year 2022-23 was Rs 50 lakh. The company expects the sales to grow by 10% in the current year 2023-24. However, effective 01.01.2024, exemption available on 'Z' was withdrawn by the Central Government and GST@ 5% was imposed thereon. The turnover of the company for the nine months ended on 31.12.2023 was ` 42 lakh. BBD Pvt. Ltd. is of the opinion that it is not required to get registered under GST for current financial year 2019-20. Examine the above scenario and advise BBD Pvt. Ltd. whether it needs to get registered under GST or not.

Answer

For a supplier exclusively engaged in intra-State supply of goods, the threshold limit of turnover to obtain registration in the State of Gujarat is ` 40 lakh. However, a person exclusively engaged in the business of supplying goods and/or services that are not liable to tax or are wholly exempt from tax is not liable to registration.

Therefore, since BBD Pvt. Ltd. was engaged exclusively in supplying exempted goods till 31.12.2023, it was not required to be registered till that day; though voluntary registration was allowed.

The position, however, will change from 01.01.2024 as the supply of goods become taxable from that day and the turnover of BBD Pvt. Ltd. is more than Rs 40 lakh. Since the aggregate turnover limit of ` 40 lakh includes exempt turnover also, turnover of 'Z' till 31.12.2023 will be considered for determining the threshold limit even though the same was exempt from GST. Therefore, BBD Pvt. Ltd. needs to register within 30 days from 01.01.2024.

Question 47

The due date for payment of tax by a person paying tax under section 10 of the CGST Act, 2017, i.e. a composition supplier is aligned with the due date of return to be filed by the said person. Discuss the correctness or otherwise of the statement

Answer

The statement is not correct. Every registered person paying tax under section 10, i.e. a composition supplier, is required to file a return annually in Form GSTR-4. Form GSTR-4 for a financial year should be furnished by 30th April of the succeeding financial year. However, a composition supplier is required to pay his tax on a quarterly basis. A quarterly statement for payment of self-assessed tax in GST CMP-08 is required to be furnished by 18th day of the month succeeding such quarter. Therefore, while the return is to be furnished annually, payment of tax needs to be made on a quarterly basis, by a composition supplier.

Answer

The view taken by Bali Limited is not correct in law.

All notified registered businesses (except specified class of persons) with an aggregate turnover (based on PAN) in the any preceding financial year from FY 2017-18 onwards, is greater than ₹ 10 crore are required to issue e-invoices.

The eligibility is based on aggregate annual turnover on the common PAN. Thus, the aggregate total turnover of Bali Limited is more than ₹ 10 crores (considering both the GSTINs) and is required to issue e-invoices. Further, where e-invoicing is applicable, there is no need of issuing invoice copies in triplicate/duplicate.

PYQ May 22

M/s. Xing Trans of Kolkata is engaged in the trading of transmitters. On 20/05/2021, M/s. Xing Trans has sent 500 units of transmitters for exhibition at Chennai on sale or return basis. Out of the said 500 units, 300 units have been sold on 28/07/2021 at the exhibition. Out of remaining 200 units, 150 units have been brought back to Kolkata on 25/11/2021 and balance 50 units have neither been sold nor brought back

Answer

Where the goods being sent for sale or return are removed before the supply takes place, the tax invoice shall be issued before or at the time of supply or 6 months from the date of removal, whichever is earlier.

In the given case, 500 units of transmitters have been sent for exhibition on sale or return basis out of which 300 units are sold before 6 months from the date of removal. Thus, tax invoice for said 300 units needs to be issued before or at the time of supply of such goods, i.e. upto 28/07/2021.

Remaining 200 (150+ 50) units have neither been sold nor brought back till the expiry of 6 months from the date of removal goods, i.e. 20/11/2021. Thus, tax invoice for said 200 units needs to be issued upto 20/11/2021.

Question 57

PYQ May 22

"One consolidated e-way bill can be generated for multiple invoices". Comment on the validity of the above statement with reference to GST law

Answer

The statement is invalid.

Multiple invoices cannot be clubbed to generate one e-way bill. If multiple invoices are issued by the supplier to recipient, for movement of such goods, multiple e-way bills have to be generated.

Thus, for each invoice, one e-way bill has to be generated, irrespective of the fact whether same or different consignors or consignees are involved.

However, after generating all these e-way bills, one consolidated e-way bill can be prepared for transportation purpose, if goods are going in one vehicle.

- (a) Eden Ltd., registered under GST and dealing in educational toys, has an aggregate turnover of 18 crore in the preceding financial year. The tax consultant of Eden Ltd. advised it to issue e-invoices mandatorily in the current financial year. However, Eden Ltd. is of the view that since its aggregate turnover is less than the threshold limit applicable for e-invoicing, so it is not required to issue e-invoices. You are required to comment upon the validity of the advice given by Tax consultant.**
- (b) A Government Department is registered under GST. Its aggregate turnover in the preceding financial year is 22 crore. You are required to comment with the help of relevant provisions whether the said Department is required to issue e-invoices in the current financial year.**

Answer

- (a) E-invoicing has been made mandatory for all registered businesses (except specified class of persons) with an aggregate turnover in any preceding financial year from 2017-18 onwards greater than 5 crore in respect of B2B supplies (supply of goods or services or both to a registered person) or for exports. Thus, the advice given by tax consultant of Eden Ltd. for issuance of e-invoices mandatorily in the current financial year is valid in law as the aggregate turnover of Eden Ltd. has exceeded the threshold limit i.e. 5 crore in the preceding financial year.
- (b) Following entities are exempt from the mandatory requirement of e-invoicing:
 - Special Economic Zone units
 - Insurer or banking company or financial institution including NBFC
 - GTA supplying services in relation to transportation of goods by road in a goods

carriage

- Supplier of passenger transportation service
- Person supplying services by way of admission to exhibition of cinematograph films in multiplex screens
- Government Department and a local authority

Further, the above taxpayers exempted from the mandatory requirement of e-invoicing are required to provide a declaration on the tax invoice stating that though their aggregate turnover exceeds the notified aggregate turnover for e-invoicing, they are not required to prepare an e-invoice.

Thus, above mentioned entities are not required to issue e-invoices even if their turnover exceeds 5 crore in the preceding financial year from 2017-18 onwards but are required to provide a declaration as discussed above.

Thus, in the given case, the Government Department is not required to issue e-invoices in the current financial year even if its aggregate turnover has exceeded 5 crores

Place of Supply

Question 63

Answer the following questions in the light of the place of supply provisions contained in the IGST Act, 2017:

- (1) Quick deal Enterprises (Ahmednagar, Gujarat) opens a new branch office at Hissar, Haryana. It purchases a building for office from Ruhani Builders (Hissar) along with pre-installed office furniture and fixtures. Determine place of supply of the pre-installed office furniture and fixtures. (MTP 2 Marks April '18)
- (2) Supra Events, an event management company at New Delhi, organizes an award function for Chirag Diamond Merchants of Varanasi (registered in U.P.), at Mumbai. Determine place of supply of the service supplied by Supra Events. Will your answer be different, if the award function is organized at Mauritius instead of Mumbai?

Answer

- (1) Section 10(1)(c) of the IGST Act stipulates that if the supply does not involve movement of goods, the place of supply is the location of goods at the time of delivery to the recipient. Since there is no movement of office furniture and fixtures in the given case, the place of supply of such goods is their location at the time of delivery to the recipient (Quick deal Enterprises) i.e., Hissar, Haryana.
- (2) Section 12(7) of the IGST Act stipulates that the place of supply of services provided by way of organisation of a cultural, artistic, sporting, scientific, educational or entertainment event including supply of services in relation to a conference, fair, exhibition, celebration or similar events is the location of recipient in a case where such service is provided to a registered person. In the given case, since the recipient (Chirag Diamond Merchants) is a registered person, the place of supply is the location of the recipient, i.e., Varanasi, U.P.

Further, the place of supply will not change even if the award function is organized at Mauritius instead of Mumbai as the location of recipient remains unchanged. Thus, in that case also, the place of supply is the location of the recipient, i.e., Varanasi, U.P.

Question 64

Determine the place of supply for the following independent cases under the IGST Act, 2017:

- (i) Mega Events, an event management company at Kolkata, organises two award functions for Shagun Jewellers of Chennai (Registered in Chennai) at New Delhi and at Singapore.
- (ii) Crown Planners (Bengaluru) is hired by Dr. Banta (unregistered person based in Kochi) to plan and organise his son's wedding at Mumbai.

Will your answer be different if the wedding is to take place at Malaysia?

Answer

- (i) When service by way of organization of an event is provided to a registered person, place of supply is the location of recipient in terms of section 12(7)(a)(i) of IGST Act, 2017. Since, in the given case, the award functions at New Delhi and Singapore are

organized for Shagun Jewellers (registered in Chennai), place of supply in both the cases is the location of Shagun Jewellers i.e., Chennai.

- (ii) As per section 12(7)(a)(ii) of IGST Act, 2017, when service by way of organization of an event is provided to an unregistered person, the place of supply is the location where the event is actually held and if the event is held outside India, the place of supply is the location of recipient. Since, in the given case, the service recipient [Dr. Banta] is unregistered and event is held in India, place of supply is the location where the event is actually held i.e., Mumbai.

However, if the wedding is to take place outside India [Malaysia], the place of supply is the location of that unregistered recipient i.e. Kochi

Question 65

Mr. Sheru, an unregistered person and a resident of Pune, Maharashtra hires the services of Class Ltd. an event management company registered in Delhi, for organising the new product launch in Bengaluru, Karnataka.

- (i) **Determine the place of supply of services provided by Class Ltd.**
- (ii) **What would be your answer if the product launch takes place in Bangkok?**
- (iii) **What would be your answer if Mr. Sheru is a registered person and product launch takes place in-**
- (a) **Bengaluru**
- (b) **Bangkok?**

Answer

- (i) As per section 12(7)(a)(ii) of the IGST Act, 2017 when service by way of organization of an event is provided to an unregistered person, the place of supply is the location where the event is actually held and if the event is held outside India, the place of supply is the location of recipient.

Since, in the given case, the service recipient [Mr. Sheru] is unregistered and event is held in India, place of supply is the location where the event is actually held, i.e. Bengaluru, Karnataka. The location of the supplier and the location of the recipient is irrelevant in this case.

- (ii) However, if product launch takes place outside India [Bangkok], the place of supply will be the location of recipient, i.e. Pune, Maharashtra.
- (iii) When service by way of organization of an event is provided to a registered person, place of supply is the location of recipient vide section 12(7)(a)(i) of the IGST Act, 2017.

Damani Industries is registered in Mumbai. Determine the place of supply of the services provided by Super Events Pvt. Ltd. to Damani Industries. Will your answer be different if the product launch party is organised at Dubai?**

Answer

- (i) The supply between Parth (Pune) and Bakul (Bareilly) is a bill to ship to supply where the goods are delivered by the supplier [Parth] to a recipient [Shreyas (Shimoga)] or any other person on the direction of a third person [Bakul]. agent or otherwise, before or during movement of goods, either by way of transfer of documents of title to the goods or otherwise, it shall be deemed that the said third person has received the goods and the place of supply of such goods shall be the principal place of business of such person.

Thus, in the given case, it is deemed that the Bakul has received the goods and the place of supply of such goods is the principal place of business of Bakul. Accordingly, the place of supply between Parth (Pune) and Bakul (Bareilly) will be Bareilly, Uttar Pradesh.

This situation involves another supply between Bakul (Bareilly) and Shreyas (Shimoga). The place of supply in this case will be determined in terms of section 10(1)(a) of IGST Act, 2017.

Section 10(1)(a) of IGST Act, 2017 stipulates that where the supply involves movement of goods, whether by the supplier or the recipient or by any other person, the place of supply of such goods shall be the location of the goods at the time at which the movement of goods terminates for delivery to the recipient of goods terminates for delivery to the recipient (Shreyas) i.e., Shimoga, Karnataka

Since, in the given case, the product launch party at Bangalore is organized for Damani Industries (registered in Mumbai), place of supply is the location of Damani Industries i.e., Mumbai.

In case the product launch party is organized at Dubai, the answer will remain the same, i.e. the place of supply is the location of Damani Industries – Mumbai

- (i) A Central Government Department located at Uttar Pradesh is registered with the Commercial Tax Department UP State for deducting GST. It enters into a contract with a Public Sector Undertaking (PSU), registered under GST in the State of Delhi, for supplying goods valued ` 3,50,000. The PSU argues that no tax is deductible on this supply by the Central Government Department as it is located outside the State of Uttar Pradesh and therefore not liable to tax under CGST and SGST as it is a local levy and IGST tax deduction is not applicable if it is located in another State, other than the State in which the Department is registered. You are required to comment on this.
- (ii) Would there be any difference, if instead of the PSU if it was an entity in the private sector? Applicable tax rate for deduction is 1% CGST, 1% SGST and 2% IGST
- (iii) If the private sector entity undertakes works contract, for the above Department in New Delhi. What would be the position of tax deduction when the contract value Rs 5,00,000?
- (iv) The disbursing officer has not paid the tax deducted in the month of February 2019, amounting to ` 2,00,000 under CGST and 2,00,000 under SGST to the Government's account on the relevant due date, but has paid it on 14th May, 2019. Further, return for that month is also filed on that date and the certificate is also issued simultaneously. What are the consequences, on such failures, to the disbursing officer under the GST law?

Answer

- (i) Certain specified persons are required to deduct tax from the payment made to the supplier of taxable goods and/or services, where the total value of such supply [excluding GST] under a contract, exceeds Rs 2,50,000.
- However, the tax is not liable to be deducted at source when supply of goods and/or services has taken place between one specified person to another specified person. Since both Central Government Department and PSU are the specified persons, tax is not deductible in case of supply of goods between them.
- (ii) Central Government Department is mandatorily required to deduct IGST @ 2% since a private entity is not the specified person.
- (iii) Since, in the given case, the location of supplier and place of supply is in the same State, i.e., Delhi and location of recipient is in UP, Central Government Department is not required to deduct TDS although the total value of supply under the contract is more than Rs 2,50,000.
- (iv) Failure to deposit TDS with the Government and failure to furnish TDS return within the stipulated time period will result in following consequences:
- Interest @ 18% p.a. on the amount of tax deducted shall be payable.
 - Late fee of Rs 100 per day for the period of delay in furnishing return, or Rs 5,000, whichever is lower, shall be payable. Equal amount of late fee will be payable under the respective State law.
 - Applicable penalty will also be levied.

Question 72

BSA Corporation is a Public Sector Undertaking registered in Karnataka. For entertainment events in Bengaluru and at Mumbai, BSA has given contract to Mr. A, a renowned artist, registered person in Maharashtra, to perform on contemporary Bollywood songs. BSA Corporation agreed to pay ₹ 12,39,000 and ₹ 18,29,000, inclusive of GST, for Mumbai and Bengaluru events respectively. BSA Corporation seeks your advice regarding amount of TDS to be deducted assuming GST rate @ 18%

Answer

A Public Sector Undertaking is required to deduct tax @ 2% (on inter-State supplies) from payment made to the supplier of taxable services where the total value of such supply, excluding tax indicated in the invoice, under a contract, exceeds ₹ 2,50,000.

Value of supplies excluding tax are

₹ 10,50,000 (₹ 12,39,000 × 100/118) and

₹ 15,50,000 (₹ 18,39,000 × 100/118)

Further, in the given case, since the location of supplier is Maharashtra and place of supply of services provided by Mr. A to BSA Corporation is the location of recipient, viz. Karnataka, said services provided at both Mumbai and Bengaluru events are inter -State supplies.

Accordingly, in the given case, BSA Corporation is required to deduct tax as follows:

- (i) ₹ 10,50,000 × 2% = ₹ 21,000 (IGST)
- (ii) ₹ 15,50,000 × 2% = ₹ 31,000 (IGST)

Answer:

Computation of minimum net GST payable in cash by M/s. Grey for the month of April, 2019

Particulars	Value (Rs.)	CGST (Rs.)	SGST (Rs.)	IGST (Rs.)
Total tax liability				
Inter-State supply of goods	1,00,000			18,000
Intra-State supply of 500 packets of detergents along with a plastic bucket [Note-1]	2,00,000 (500 x 400)	28,000 (2,00,000 x 14%)	28,000 (2,00,000 x 14%)	
Supply of online educational journal to private coaching centre [Note-2]	50,000	4,500 (50,000 x 9%)	4,500 (50,000 x 9%)	
Total tax liability (A)		32,500	32,500	18,000
Input tax credit (ITC)				
Brought forward ITC		5,000	5,000	40,000
Inter-State purchase of goods [Note-3]	50,000			9,000
Repairing of bus with seating capacity of 20 passengers [Note-4]	50,000	4,500	4,500	
Total ITC (B)		9,500	9,500	49,000
Minimum net GST payable in cash				
Total tax liability		32,500	32,500	18,000
Less: Set off of IGST liability from IGST credit				(18,000)

Set off IGST credit against CGST and SGST liability in any order and in any proportion		(23,000)	(8,000)	
Set off of CGST and SGST credit against CGST and SGST liability respectively		(9,500) CGST	(9,500) SGST	
Minimum net GST payable in cash		Nil	15,000	Nil

Notes:-

- Supply of detergent and bucket together with a single price of Rs. 400 is a mixed supply. Being a mixed supply comprising of two supplies, it shall be treated as supply of that particular supply that attracts highest rate of tax (28%).
- Supply of online educational journal is exempt only when the same is provided to an educational institution which provides a qualification recognised by law. Since, the private coaching centre does not provide any recognised qualification, the supply of online educational journals to the same will be taxable.
- ITC can be taken only on the basis of a valid tax paying document. Thus, ITC will not be available on goods for which the invoice is missing.
- ITC on motor vehicles for transportation of persons with seating capacity > 13 persons (including the driver) used for any purpose is allowed. Further, ITC is allowed on repair and maintenance services relating to motor vehicles, ITC on which is allowed.

Note: Under the amended position of law, the IGST credit, after being set off against IGST liability, can be utilised against CGST and SGST liability in any order and in any proportion. Thus, there cannot be one answer for the minimum net CGST and SGST payable in cash [i.e. GST liability] as the amount of CGST and SGST liabilities are the same as also the amount of ITC for CGST and SGST is also the same.

Additional Practice Qs 7

KNK Ltd., a registered supplier of Mumbai is a manufacturer of heavy machines. Its outward supplies (exclusive of GST) for the month of January, 2020 are as follows:

(i)	Raw material A	60,000	60,000
	(of which 70% of inputs procured were used and 30% were in stock at the end of the January, 2020)		

(ii)	Raw material B	50,000	50,000
	(of which 90% material received in factory and remaining material completely damaged due to a road accident on the way to factory. There was no negligence on the part of the KNK Ltd.)		
(iii)	Construction of pipelines laid outside the factory premises	30,000	30,000
(iv)	Insurance charges paid for trucks used for transportation of goods.	55,000	55,000

Additional Information:

- (i) There is no opening balance of any input tax credit and all the conditions necessary for availing the input tax credit (ITC) have been fulfilled.
- (ii) Details of GST paid on inward supplies are available in GSTR-2A except for item (i) i.e. Raw Material A, for which supplier has not filed its GSTR-1 for the month of January 2020, hence corresponding input tax credit (ITC) is not reflecting in GSTR-2A of KNK Ltd. in January, 2020.

Compute the following:

- (i) Amount of eligible input tax credit (ITC) available for the month of January, 2020.
- (ii) Minimum net GST payable in cash, for the month of January, 2020 after using available input tax credit.

Working notes should form part of your answer.

Answer:

Notes:

- a) ITC on goods destroyed is blocked under section 17 of the CGST Act, 2017.
- b) ITC on works contract services availed for construction of plant and machinery is allowed but pipelines laid outside the factory premises are excluded from the definition of plant and machinery and hence, ITC thereon is blocked.
- c) ITC on motor vehicles used for transportation of goods is allowed. Further, ITC is also allowed on insurance services relating to motor vehicles, ITC on which is allowed.
- d) Where invoice has not been uploaded by the supplier in its GSTR-1, 10% of the eligible ITC available in respect of the uploaded invoices can be claimed by the recipient, i.e. 10% of Rs.1,00,000.

Solution:

Computation of net GST payable in cash by X Electronics for October 2020

I	Intra-State supply				
	Supply of microwave oven	15,00,000	1,35,000	1,35,000	
	Supply of refrigerators with stabilizers	40,00,000	5,60,000	5,60,000	
	[Being mixed supply, the supply shall be treated as a supply of that particular supply which attracts the highest rate of tax and taxed accordingly. Thus, it will be taxed @ 14% CGST and 14% SGST.]				
	Supply of 100 (Rs. 50 lakh/ Rs. 50,000) air conditioners	45,00,000	4,05,000	4,05,000	
	[Since 100 air conditioners have been supplied, discount @ 10% will be available.]	[Rs. 50,00,000 x 90%]			
II	Inter-State supply @ 18%	50,00,000			9,00,000
	Total outward tax liability		11,00,000	11,00,000	9,00,000
	Less: Input Tax Credit (Refer Working Note below)				
	IGST credit first utilized towards payment of IGST. Remaining amount can be utilized towards CGST and SGST in any order and in any proportion		1,00,000 (IGST)		9,00,000 (IGST)

	CGST credit set off against CGST liability and SGST credit set off against SGST liability as CGST credit cannot be utilized towards payment of SGST and vice versa.		5,08,000 (CGST)	5,20,000 (SGST)	
	Net GST liability payable in cash		4,92,000	5,80,000	Nil

Working Note
Computation of ITC available with X Electronics

Particulars		CGST (Rs.)	SGST (Rs.)	IGST (Rs.)
Opening balance of ITC		58,000	70,000	10,00,000
Intra-State inward supplies				
Raw material	20,00,000	1,80,000	1,80,000	
Gym membership for employees	50,000	Nil	Nil	
[ITC on membership of a health and fitness centre is blocked if there is no statutory obligation for the employer to provide the same.]				
Truck purchased for transportation of goods	30,00,000	2,70,000	2,70,000	
[ITC on motor vehicles used for transportation of goods is not blocked.]				
Total ITC		5,08,000	5,20,000	10,00,000

Note: In the above answer, tax payable in cash has been computed by setting off the IGST credit against CGST liability. However, since IGST credit can be set off against CGST and SGST liability in any order and in any proportion, the same can be set off against CGST and/or SGST liabilities in different other ways as well. In all such cases, net CGST and net SGST payable in cash will differ though the total amount of net GST payable (Rs. 10,72,000) in cash will remain the same.

Minimum net GST payable in cash		40,000	Nil	Nil

Notes:-

1. Taxable supplies made by a registered person are liable to tax irrespective of whether they are made to a registered person or to an unregistered person.
2. Supply of calculator and diary as a combi pack with a single price of Rs. 800 is a mixed supply. Being a mixed supply comprising of two supplies, it shall be treated as supply of that particular supply which attracts highest rate of tax.
3. Services provided by a business facilitator/ business correspondent to a banking company only with respect to accounts in its rural area branch are exempt and not with respect to accounts in its urban area branch .
4. ITC can be taken only on the basis of a valid tax paying document. Thus, ITC will not be available on goods for which the invoice is missing.
5. ITC on motor vehicles used for transportation of goods is allowed. Further, ITC is allowed on repair and maintenance services relating to motor vehicles, ITC on which is allowed.

Note: IGST credit, after being set off against IGST liability, can be utilised against CGST and

SGST liability in any order and in any proportion. Thus, there cannot be one answer for the minimum net CGST and SGST payable in cash as the amount of CGST and SGST liabilities are the same as also the amount of ITC for CGST and SGST is also the same.
