(CRPC) Bhartiya Nagarik Suraksha Samhita.

CRIME → Murder, theft, fraud, assault etc.

Objective → to punish the entity.

* CIVIL LAW

- Purpose - Matters of dispute b/w Individual or organisations.
- ACT → Code of Civil Procedure 1908
- CRIME → Breach of Contract, non-delivery of goods, family law, divorce, marriage etc, business law etc.
- OBJECTIVE → to grant dispute resolution rather than punishment.

* COMMON LAW →

- Purpose - Use of Judicial Precedents (Case laws) eg. Judgement of Supreme Court is applicable on all courts within Indian Constitution - Article 141 of the Indian Constitution.
 - Latin Phrase → Stare Decisis (stand by what is decided).
- ⇒ The same judgement shall be given where matters or facts of the case are similar i.e. "on all four legs".

* Principles of Natural Justice

These are fundamental Principles which goes beyond law

- 1) Nemo Jurex in Causa sua (No one should be the judge in his own cause).
- 2) Audi Alteram Partem. (Every one has a right of being heard).
- 3) Reasoned Decision. (Not Emotionally biased to any person).

J. Judgement can override \perp common law. (Case law) BUT it can't change or Override the ACT.
