POINTS TO BE NOTED :-

- **Make a List of targets** that you have to accomplish, may it work or not but at least give it a try !
Targets means:- day before planning of the chapters to be covered tomorrow
- **Mark all the important questions**
Important question means :- Questions which have almost all adjustments of the the related chapter , AS, etc that will help you for the last time revisions
- **Make combination of atleast one AS's questions every day** with at least 10 numerical questions, as these are easily erased from the memory.
- **Do writing practice** as much as you can
- **Complete syllabus at least 1.5 month before**, and then solve all MTPS, RTPSs and past year questions and other all available free in @CAINTERGROUPSTUDY
- **Make short notes** on each chapter that will help you in last day revision
- Do more focus on **case study based MCQS** rather than single mcqs
- **JOIN @CAINTERGROUPSTUDY** For all FREE PDF'S OF Notes, Question Bank, Case Study based MCQS
