Question - 1

MNP Private Ltd. is a company registered under the Companies Act, 2013 with a paid-up share capital of ₹ 2 crore and turnover of ₹ 60 crore. Explain the meaning of the "Small Company" and examine the following in accordance with the provisions of the Companies Act, 2013:

(i) Whether the MNP Private Ltd. can avail the status of small company?

(ii) What will be your answer if the turnover of the company is ₹ 30 crore?

ANSWER

Small Company: According to Section 2(85) of the Companies Act, 2013, Small Company means a company, other than a public company, --

(1) Paid-up share capital of which does not exceed fifty lakh rupees or such higher amount as may be prescribed which shall not be more than ten crore rupees; and

(2) Turnover of which as per its last profit and loss account does not exceed two crore rupees or such higher amount as may be prescribed which shall not be more than one hundred crore rupees.

Nothing in this clause shall apply to –

(A) A holding company or a subsidiary company;

(B) A company registered under section 8; or

(C) A company or body corporate governed by any special Act.

As per the Companies (Specification of Definitions Details) Rules, 2014, for the purposes of sub-clause (i) and sub-clause (ii) of clause (85) of section 2 of the Act, paid up capital and turnover of the small company shall not exceed rupees four crores and rupees forty crores respectively.

(i) In the present case, MNP Private Ltd., is a company registered under the Companies Act, 2013 with a paid up share capital of ₹ 2 crore and having turnover of ₹ 60 crore.

Since only one criteria of share capital not exceeding ₹ 4 crore is met, but the second criteria of turnover not exceeding ₹ 40 crore is not met and the provisions require both the criteria to be met in order to avail the status of a small company, MNP Ltd. cannot avail the status of small company.

(ii) If the turnover of the company is ₹ 30 crore, then both the criteria will be fulfilled and MNP Ltd. can avail the status of small company.

Question - 2

Flora Funa Limited was registered as a public company. There are 230 members in the company as noted below:

(a)	**Directors and their relatives**	**50**
(b)	**Employees**	**15**
(c)	**Ex-Employees (Shares were allotted when they were employees)**	**10**
(d)	**5 couples holding shares jointly in the name of husband and wife (5*2)**	**10**
(e)	**Others**	**145**

The Board of Directors of the company propose to convert it into a private company. Also advise whether reduction in the number of members is necessary.

ANSWER

According to section 2(68) of the Companies Act, 2013, "Private company" means a company having a minimum paid-up share capital as may be prescribed, and which by its articles, except in case of One Person Company, limits the number of its members to two hundred.

However, where two or more persons hold one or more shares in a company jointly, they shall, for the purposes of this clause, be treated as a single member.

It is further provided that –

(A) Persons who are in the employment of the company; and

(B) Persons who, having been formerly in the employment of the company, were members of the company while in that employment and have continued to be members after the employment ceased, shall not be included in the numbers of members.

In the instant case, Flora Fauna Limited may be converted* into a private company only if the total members of the company are limited to 200. Total Number of members

(i)	Directors and their relatives	50
(ii)	5 couples (5 x 1)	5
(iii)	Others	145
	Total	**200**

Therefore, there is no need for reduction in the number of members since existing number of members are 200 which does not exceed maximum limit of 200.

*The provisions relating to conversion of public company to private company is covered in the Chapter – 2 : Incorporation of Company and Matters incidental thereto.

Division B - Descriptive Questions

Question - 1

Yadav dairy products Private limited has registered its articles along with memorandum at the time of registration of company in December, 2019. Now directors of the company are of the view that provisions of articles regarding forfeiture of shares should not be changed except by a resolution of 90% majority. While as per section 14 of the Companies Act, 2013 articles may be changed by passing a special resolution only. One of the directors said that they cannot make a provision against the Companies Act. You are required to advise the company on this matter.

ANSWER

- As per section 5 of the Companies Act, 2013 the article may contain provisions for entrenchment to the effect that specified provisions of the articles may be altered only if more restrictive conditions than a special resolution, are met.
- The provisions for entrenchment shall only be made either on formation of a company, or by an amendment in the articles agreed to by all the members of the company in the case of a private company and by a special resolution in the case of a public company.
- Where the articles contain provisions for entrenchment, whether made on formation or by amendment, the company shall give notice to the Registrar of such provisions in prescribed manner.
- In the present case, Yadav dairy products Private Limited is a private company and wants to protect provisions of articles regarding forfeiture of shares.
- It means it wants to make entrenchment of articles, which is allowed. But the company will have to pass a resolution taking permission of all the members and it should also give notice to ROC regarding entrenchment of articles.

Question - 2

A group of individuals intend to form a club namely 'Budding Pilots Flying Club' as limited liability company to impart class room teaching and aircraft flight training to trainee pilots. It was decided to form a limited liability company for charitable purpose under Section 8 of the Companies Act, 2013 for a period of ten years and thereafter the club will be dissolved and the surplus of assets over the liabilities, if any, will be distributed amongst the members as a usual procedure allowed under the Companies Act.

Examine the feasibility of the proposal and advise the promoters considering the provisions of the Companies Act, 2013.

ANSWER

According to section 8(1) of the Companies Act, 2013, where it is proved to the satisfaction of the Central Government that a person or an association of persons proposed to be registered under this Act as a limited company—

(a) Has in its objects the promotion of commerce, art, science, sports, education, research, social welfare, religion, charity, protection of environment or any such other object;

(b) Intends to apply its profits, if any, or other income in promoting its objects; and

(c) Intends to prohibit the payment of any dividend to its members;

The Central Government may, by issue of licence, allow that person or association of persons to be registered as a limited liability company.

In the instant case, the decision of the group of individuals to form a limited liability company for charitable purpose under section 8 for a period of ten years and thereafter to dissolve the club and to distribute the surplus of assets over the liabilities, if any, amongst the members will not hold good, since there is a restriction as pointed out in point (b) above regarding application of its profits or other income only in promoting its objects.

Further, there is restriction in the application of the surplus assets of such a company in the event of winding up or dissolution of the company as provided in sub-section (9) of Section 8 of the Companies Act, 2013. Therefore, the proposal is not feasible.

Question - 3

Alfa school started imparting education on 1st April, 2010, with the sole objective of providing education to children of weaker society either free of cost or at a very nominal fee depending upon the financial condition of their parents. However, on 30th March 2020, it came to the knowledge of the Central Government that the said school was operating by violating the objects of its objective clause due to which it was granted the status of a section 8 company under the Companies Act, 2013. Describe what powers can be exercised by the Central Government against the Alfa School, in such a case?

ANSWER

Section 8 of the Companies Act, 2013 deals with the formation of companies which are formed to promote the charitable objects of commerce, art, science, education, sports etc. Such company intends to apply its profit in promoting its objects.

Section 8 companies are registered by the Registrar only when a license is issued by the Central Government to them.

Since, Alfa School was a Section 8 company and it had started violating the objects of its objective clause, hence in such a situation the following powers can be exercised by the Central Government:

(i) The Central Government may by order revoke the licence of the company where the company contravenes any of the requirements or the conditions of this sections subject to which a licence is issued or where the affairs of the company are conducted fraudulently, or violative of the objects of the company or prejudicial to public interest, and on revocation the Registrar shall put 'Limited' or 'Private Limited' against the company's name in the register.

But before such revocation, the Central Government must give it a written notice of its intention to revoke the licence and opportunity to be heard in the matter.

(ii) Where a licence is revoked, the Central Government may, by order, if it is satisfied that it is essential in the public interest, direct that the company be wound up under this Act or amalgamated with another company registered under this section.

However, no such order shall be made unless the company is given a reasonable opportunity of being heard.

(iii) Where a licence is revoked and where the Central Government is satisfied that it is essential in the public interest that the company registered under this section should be amalgamated with another company registered under this section and having similar objects, then, notwithstanding anything to the contrary contained in this Act, the Central Government may, by order, provide for such amalgamation to form a single company with such constitution, properties, powers, rights, interest, authorities and privileges and with such liabilities, duties and obligations as may be specified in the order.

Question - 4

XY Ltd. has its registered office at Mumbai in the State of Maharashtra. For better administrative conveniences the company wants to shift its registered office from Mumbai to Pune (within the State of Maharashtra, but from Mumbai ROC to Pune ROC). What formalities the company has to comply with under the provisions of the Companies Act, 2013 for shifting its registered office as stated above? Explain.

ANSWER

- The Companies Act, 2013 under section 13 provides for the process of altering the Memorandum of a company.
- Since the location or Registered Office clause in the Memorandum only names the state in which its registered office is situated, a change in address from Mumbai to Pune, does not result in the alteration of the Memorandum and hence the provisions of section 13 (and its sub sections) do not apply in this case.
- However, under section 12(5) of the Act which deals with the registered office of company, the change in registered office from one town or city to another in the same state, must be approved by a special resolution of the company.
- Further, registered office is shifted from one ROC to another, therefore company will have to seek approval of Regional director.

Question - 5

Anushka security equipments limited is a manufacturer of CCTV cameras. It has raised ₹ 100 crores through public issue of its equity shares for starting one more unit of CCTV camera manufacturing. It has utilized 10

crores rupees and then it realized that its existing business has no potential for expansion because government has reduced customs duty on import of CCTV camera. Hence imported cameras from China are cheaper than its own manufacturing. Now it wants to utilize remaining amount in mobile app development business by adding a new object in its memorandum of association.

Does the Companies Act allow such change of object? If not, then what advise will you give to company. If yes, then give steps to be followed.

ANSWER

According to section 13 of the Companies Act, 2013 a company, which has raised money from public through prospectus and still has any unutilised amount out of the money so raised, shall not change its objects for which it raised the money through prospectus unless a special resolution is passed by the company and—

(i) The details in respect of such resolution shall also be published in the newspapers (one in English and one in vernacular language) which is in circulation at the place where the registered office of the company is situated and shall also be placed on the website of the company, if any, indicating therein the justification for such change;

(ii) The dissenting shareholders shall be given an opportunity to exit by the promoters and shareholders having control in accordance with SEBI regulations.

Company will have to file copy of special resolution with ROC and he will certify the registration within a period of thirty days.

Alteration will be effective only after this certificate by ROC.

Looking at the above provision we can say that company can add the object of mobile app development in its memorandum and divert public money into that business.

But for that it will have to comply with above requirements.

Question - 6

The object clause of the Memorandum of Vivek Industries Limited., empowers it to carry on real-estate business and any other business that is allied to it. Due to a downward trend in real-estate business, the management of the company has decided to take up the business of Food processing activity. The company wants to alter its Memorandum, so as to include the Food Processing Business in its objects clause. Examine whether the company can make such change as per the provisions of the Companies Act, 2013?

ANSWER

Alternation of Objects Clause of Memorandum

- The Companies Act, 2013 has made alteration of the memorandum simpler and more flexible.
- Under section 13(1) of the Act, a company may, by a special resolution after complying with the procedure specified in this section, alter the provisions of its Memorandum.
- In the case of alteration to the objects clause, section 13(6) requires the filing of the Special Resolution by the company with the Registrar.
- Section 13 (9) states that the Registrar shall register any alteration to the Memorandum with respect to the objects of the company and certify the registration within a period of thirty days from the date of filing of the special resolution by the company.
- Section 13(10) further stipulates that no alteration in the Memorandum shall take effect unless it has been registered with the Registrar as above.
- Hence, the Companies Act, 2013 permits any alteration to the objects clause with ease.
- Vivek Industries Limited can make the required changes in the object clause of its Memorandum of Association.

Question - 7

The persons (not being members) dealing with the company are always protected by the doctrine of indoor management. Explain. Also, explain when doctrine of constructive Notice will apply.

ANSWER

Doctrine of Indoor Management

- According to this doctrine, persons dealing with the company need not inquire whether internal proceedings relating to the contract are followed correctly, once they are satisfied that the transaction is in accordance with the memorandum and articles of association.
- Stakeholders need not enquire whether the necessary meeting was convened and held properly or whether necessary resolution was passed properly.
- They are entitled to take it for granted that the company had gone through all these proceedings in a regular manner.
- The doctrine helps to protect external members from the company and states that the people are entitled to presume that internal proceedings are as per documents submitted with the Registrar of Companies.
- The doctrine of indoor management is opposite to the doctrine of constructive notice.
- Whereas the doctrine of constructive notice protects a company against outsiders, the doctrine of indoor management protects outsiders against the actions of a company.
- This doctrine also is a safeguard against the possibility of abusing the doctrine of constructive notice.

Exceptions to Doctrine of Indoor Management (Applicability of doctrine of constructive notice)

(i) **Knowledge of irregularity:** In case an 'outsider' has actual knowledge of irregularity within the company, the benefit under the rule of indoor management would no longer be available. In fact, he/she may well be considered part of the irregularity.

(ii) **Negligence:** If with a minimum of effort, the irregularities within a company could be discovered, the benefit of the rule of indoor management would not apply.

The protection of the rule is also not available where the circumstances surrounding the contract are so suspicious as to invite inquiry, and the outsider dealing with the company does not make proper inquiry.

(iii) **Forgery:** The rule does not apply where a person relies upon a document that turns out to be forged since nothing can validate forgery. A company can never be held bound for forgeries committed by its officers.

- is identical with a registered trade mark and owner of that trade mark apply to the Central Government within three years of incorporation of registration of the company, it may direct the company to change its name. Then the company shall change its name by passing an ordinary resolution within 6 months.

Company shall give notice to ROC along with the order of Central Government within 15 days of change. In case of default company and defaulting officer are punishable.

In the given case, owner of registered trade-mark is filing objection after 5 years of registration of company with a wrong name.

While it should have filed the same within 3 years. Therefore, the company cannot be compelled to change its name.

As per section 13, company can anytime change its name by passing a special resolution and taking approval of Central Government.

Therefore, if owner of registered trademark request the company for change of its name and the company accepts the same then it can change its name voluntarily by following the provisions of section 13.

Question - 9

Explain in the light of the provisions of the Companies Act, 2013, the circumstances under which a subsidiary company can become a member of its holding company.

ANSWER

In accordance with the provisions of Section 19 of the Companies Act, 2013, a subsidiary company cannot either by itself or through its nominees hold any shares in its holding company and no holding company shall allot or transfer its shares to any subsidiary companies.

Any such allotment or transfer of shares in a company to its subsidiary is void.

The section however does not apply where:

(1) The subsidiary company holds shares in its holding company as the legal representative of a deceased member of the holding company,

(2) The subsidiary company holds such shares as a trustee, or

(3) The subsidiary company was a shareholder in the holding company even before it became its subsidiary.

One of the shareholder of H made a charitable trust and donated his 10% shares in H and INRs 50 crores to the trust. He appoint S as the trustee. All the assets of the trust are held in the name of S. Can a subsidiary hold shares in its holding company in this way?

ANSWER

According to section 19 of the Companies Act, 2013 a company shall not hold any shares in its holding company either by itself or through its nominees.

Also, holding company shall not allot or transfer its shares to any of its subsidiary companies and any such allotment or transfer of shares of a company to its subsidiary company shall be void.

Following are the exceptions to the above rule;

(a) Where the subsidiary company holds such shares as the legal representative of a deceased member of the holding company; or

(b) Where the subsidiary company holds such shares as a trustee; or

(c) Where the subsidiary company is a shareholder even before it became a subsidiary company of the holding company, but in this case, it will not have a right to vote in the meeting of holding company.

In the given case, one of the shareholders of holding company has transferred his shares in the holding company to a trust where the shares will be held by subsidiary company.

It means now subsidiary will hold shares in the holding company.

But it will hold shares in the capacity of a trustee. Therefore, we can conclude that in the given situation S can hold shares in H.

Division B - Descriptive Questions

Question - 1

Explain various instances which make the allotment of securities as irregular allotment under the Companies Act, 2013.

ANSWER

Irregular allotment: The Companies Act, 2013 does not specifically provide for the term "Irregular Allotment" of securities.

Hence, we have to examine the requirements of a proper issue of securities and consider the consequences of non- fulfillment of those requirements.

In broad terms, an allotment of shares is deemed to be irregular when it has been made by a company in violation of Sections 23, 26, 39 or 40. Irregular allotment therefore arises in the following instances:

1. Where a company does not issue a prospectus in a public offer as required by section 23; or
2. Where the prospectus issued by the company does not include any of the matters required to be included therein under section 26(1), or the information given is misleading, faulty and incorrect; or
3. Where the prospectus has not been filed with the Registrar for filing under section 26(4); or
4. The minimum subscription as specified in the prospectus has not been received in terms of section 39; or
5. The minimum amount receivable on application is less than 25% of the nominal value of the securities offered or lower than the amount prescribed by SEBI in this behalf; or
6. In case of a public issue, approval for listing has not been obtained from one or more of the recognized stock exchanges under section 40 of the Companies Act, 2013.

Question - 2

What is a Shelf-Prospectus? State the important provisions relating to the issuance of Shelf-Prospectus under the provisions of the Companies Act, 2013 and the Companies (Prospectus and Allotment of securities) Rules, 2014.

ANSWER

As per **explanation to section 31**, the expression "shelf prospectus" means a prospectus in respect of which the securities or class of securities included therein are issued for subscription in **one or more issues over a certain period** without the issue of a further prospectus.

A company is required to issue a prospectus each lime it accesses the capital market.

It leads to unnecessary repetition for a company which makes **more than one offer of securities** in a year to mobiles funds from the public.

A way out is shelf prospectus which **remains valid (on the shelf) a specified time period** during which offers for securities may be made by a company to the public without going through the arduous exercise of issuing fresh prospectus every time.

1. Filing of shelf prospectus with the Registrar

Shelf prospectus may be filled with the Registrar **at the stage of first offer of securities**, by class or classes of companies as the Securities and Exchange Board may provide by regulations in this behalf.

It has to indicate a period not exceeding one year as the **period of validity** of such shelf prospectus.

The period of validity is to commence **from the date of opening of the first offer** of securities under such prospectus.

In respect of any **second or sub-sequent offer** of such securities issued **during the period of validity** of such prospectus, **no further prospectus is required**.

2. Filing of 'Information Memorandum' with the Shelf Prospectus

A company filing a shelf prospectus **shall be required** to file an information memorandum with the Registrar within the prescribed time, prior to the issue of a second or subsequent offer of securities under the shelf prospectus containing;

(a) All material facts relating to new charges created,

(b) Changes in the financial position of the company as have occurred between the first offer of securities or the previous offer of securities and the succeeding offer of securities, and

(c) Such other changes as may be prescribed,

The information memorandum shall be prepared in **Form PAS-2** and filed with the Registrar **along with the fee** as provided in **the Companies (Registration Offices and Fees) Rules, 2014** within **one month prior to the issue of a second or subsequent offer** of securities under the shelf prospectus.

3. Safeguard (in case of changes) to applicants who made payment in advance.

It is provided that where a company or any other person has received applications for the allotment of securities along with advance payments of subscription before the making of any such change, the company or other person shall intimate the changes to such applicants and if they express a desire to withdraw their application, the company or other person shall **refund all the monies** received as subscription **within fifteen days** thereof.

4. Information Memorandum together with Shelf Prospectus is deemed Prospectus

Where an information memorandum is filed, every time an offer of securities is made under sub-section (2), such memorandum together with the shelf prospectus shall be deemed to be a prospectus.

Question - 3

The Board of Directors of Chandra Mechanical Toys Limited proposes to issue a prospectus inviting offers from the public for subscribing to the equity shares of the Company. State the reports which shall be included in the prospectus for the purposes of providing financial information under the provisions of the Companies Act, 2013.

ANSWER

- As per section 26(1) of the Companies Act, 2013, every prospectus issued by or on behalf of a public company either with reference to its formation or subsequently, or by or on behalf of any person who is or has been engaged or interested in the formation of a public company, shall be dated and signed and shall state such information and set out such reports on financial information as may be specified by the Securities and Exchange Board in consultation with the Central Government.

- It is provided that until the Securities and Exchange Board specifies the information and reports on financial information under this sub-section, the regulations made by the Securities and Exchange Board under the Securities and Exchange Board of India Act, 1992, in respect of such financial information or reports on financial information shall apply.

- Accordingly, the Board of Directors of Chandra Mechanical Toys Limited which proposes to issue the prospectus shall provide such reports on financial information as may be specified by the Securities and Exchange Board in consultation with the Central Government to comply with the above stated provisions and make a declaration about such compliance.

Question - 4

Unique Builders Limited decides to pay 2.5 percent of the value of debentures as underwriting commission to the underwriters but the Articles of the company authorize only 2.0 percent underwriting commission on debentures. The company further decides to pay the underwriting commission in the form of flats. Examine the validity of the above arrangements under the provisions of the Companies Act, 2013.

ANSWER

Section 40 (6) of the Companies Act 2013, provides that a company may pay commission to any person in connection with the subscription to its securities, subject to a number of conditions which are prescribed under the Companies (Prospectus and Allotment of Securities) Rules, 2014.

In relation to the case given, the conditions applicable under the above Rules are as under:

(a) The payment of such commission shall be authorized in the company's articles of association;

(b) The commission may be paid out of proceeds of the issue or the profit of the company or both;

(c) The rate of commission in case of debentures, shall not exceed two and a half per cent (2.5%) of the price at which the debentures are issued, or as specified in the company's articles, whichever is less.

Thus, the underwriting commission in case of debentures is limited to 2.5%.

In view of the above, the decision of Unique Builders Limited to pay underwriting commission exceeding 2% as prescribed in the Articles is invalid.

The company may pay the underwriting commission in the form of flats since there is no prohibition on payment of underwriting commission in kind.

Further, in case of Booth v New Africander Gold Mining Co., it was held that underwriting commission may be paid in cash or in kind or in lump sum or by way of a percentage.

Question - 5

PQR Bakers Limited wants to raise funds for its upcoming project. Accordingly, it has issued private placement offer letters for issuing equity shares to 55 persons, of which four are qualified institutional buyers and remaining are individuals. Before the completion of allotment of equity shares under this offer letter, company issued another private placement offer letter to another 155 persons in their individual names for issue of its debentures.

Being a public company is it possible for PQR Bakers Limited to issue securities under a private placement offers? By doing so, whether the company is in compliance with provisions relating to private placement or should these offers be treated as public offers? What if the offer for debenture is given after allotment of equity shares but within the same financial year?

ANSWER

- According to section 42 of the Companies Act, 2013 any private or public company may make private placement through issue of a private placement offer letter.

- However, the offer shall be made to the persons not exceeding fifty or such higher number as may be prescribed, in a financial year.
- For counting number of persons, Qualified Institutional Buyers (QIBs) and employees of the company being offered securities under a scheme of employees' stock option will not be considered.
- Further, Rule 14 (2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 prescribes maximum of 200 persons who can be offered securities under the private placement in a financial year, though this limit should be counted separately for each type of security.
- It is to be noted that if a company makes an offer or invitation to more than the prescribed number of persons, it shall be deemed to be an offer to the public and accordingly, it shall be governed by the provisions relating to prospectus.
- Also, a company is not permitted to make fresh offer under this section if the allotment with respect to any offer made earlier has not been completed or otherwise, that offer has been withdrawn or abandoned by the company.
- This provision is applicable even if the issue is of different kind of security.
- Any offer or invitation not in compliance with the provisions of this section shall be treated as a public offer and all provisions will apply accordingly.
- In the given case PQR Bakers Limited, though a public company but the private placement provisions allow even a public company to raise funds through this route.
- The company has given offer to 55 persons out of which 4 are qualified institutional buyers and hence, the offer is given effectively to only 51 persons which is well within the limit of 200 persons.
- From this point of view, the company complies the private placement provisions.
- However, as per the question, the company has given another private placement offer of debentures before completing the allotment in respect of first offer and therefore, the second offer does not comply with the provisions of section 42.
- Hence, the offers given by the company will be treated as public offer.
- In case the company gives offer for debentures in the same financial year after allotment of equity shares is complete then both the offers can well be treated as private placement offers.

The Articles of Association of X Limited contain a provision that the underwriting commission may be paid up to 4% of the issue price of the shares. However, the Board of Directors have decided to pay the underwriting commission of 5% to Deal & Co., the underwriters."

- Section 40 (6) of the Companies Act 2013, provides that a company may pay commission to any person in connection with the subscription to its securities, subject to the conditions prescribed under the Companies (Prospectus and Allotment of Securities) Rules, 2014.
- Rule 13 states that the rate of commission paid or agreed to be paid shall not exceed, in case of shares, five percent (5%) of the price at which the shares are issued or a rate authorised by he articles, whichever is less.
- In the given problem, the articles of X Ltd. have prescribed 4% underwriting commission but the directors decided to pay 5% underwriting commission.

Division C - Case Study Based MCQ

Dream Real Estate Builders and Developers Ltd. was incorporated in 2015 as a public company. The company is engaged in the business of development of agriculture land for commercial and residential use, construction of commercial malls and residential flats and the matters incidental thereto.

In the beginning of January, 2022, the company received a mega project to construct a commercial mall in the Wagholi area of Pune. The company was in advance stage of negotiation with some farmers having a total agriculture land area of 20 Bighas (approximately 5.38 lakhs Square feet). The cost of conversion of such agriculture land for urban uses, development of land and construction cost of the shopping mall and offices was estimated to ₹ 500 crores.

The promoters of the company planned to come out with public issue to finance this project. They dialogued with the Merchant Bankers, Bankers to the Issue and other intermediary agencies and professionals and filed Prospectus with the SEBI for its approval. In the prospectus the company mentioned about the construction of mall in Wagholi area of Pune, on the land, for which the company has got lease license rights for next 100 years from the present land owners. But in fact, the company was not having any lease agreement with the land owners and only the talks were at the pre-final stage.

The company entered in to agreement with the underwriters to pay commission @ 5% of the issue price at which the shares will be issued. However, the Articles of the company were silent on payment of such commission.

The prospectus filed with the SEBI got approved. The issue was launched, oversubscribed and the allotment formalities were completed within the prescribed time frame.

After the successful completion of the issue, the land owners changed their decisions and did not execute the lease deed in favour of the company. As a result, the purpose for which the money was raised from public could not be utilised for that specific project. The company therefore, invested such funds raised through the public issue, in buying and trading with equity shares of other companies and made a good profit. The purpose for such buying and trading was to utilise the funds for the time being, till any new real estate project came in the hands of the company.

Suresh, is an advocate, based in Pune. The farmers who were land owners of their agriculture land in Wagholi, Pune had consulted, Suresh, some time before the launch of the public issue by the company, to know the pros and cons of giving of land on lease to the company.

Meanwhile, when the issue opened, Suresh, who was already having the idea of such land dealing, applied and got the allotment of shares. Later on, he came to know that farmers never executed lease license in favour of the company which leads to material mis-statement of facts in the prospectus issued by the company, at the time of issue. The company was actually not having the rights to use the land for the next 100 years, which in fact, the company had mis-stated in the prospectus, that it was having such lease license agreement. Aggrieved from this, Suresh filed a complaint against the company, its promoters and directors.

When the issue was listed on the bourses, it opened with the premium over the issue price. Mahendra purchased 1000 shares from the secondary market. When Mahendra came to know from some media sources, that the company had mis-represented the material facts in the prospectus, he also decided to initiate legal action against the company.

(d) The company and every person who, is a director at the time of issue of the prospectus, has authorised himself to be named in the Prospectus as director, is a promoter, has authorise the issue of the prospectus and the expert, shall be liable for such mis- statement.

(c) No, as Mahendra can easily sale the shares in the secondary market and realise the amount.

(d) Mahendra should sale the shares in the secondary market and if there is any loss, then for such loss, he can file the case against the company for which he would get decision in his favour.

Division B - Descriptive Questions

Question - 1

VRS Company Ltd. is holding 45% of total equity shares in SV Company Ltd. The Board of Directors of SV Company Ltd. (incorporated on January 1, 2019) decided to raise the share capital by issuing further equity shares. The Board of Directors resolved not to offer any shares to VRS Company Ltd., on the ground that it was already holding a high percentage of the total number of shares issued by SV Company Ltd. The Articles of Association of SV Company Ltd. provide that the new shares should first be offered to the existing shareholders of the company. On March 1, 2019 SV Company Ltd. offered new equity shares to all the shareholders except VRS Company Ltd.

Referring to the provisions of the Companies Act, 2013 examine the validity of the decision of the Board of Directors of SV Company Ltd. of not offering any further shares to VRS Company Limited.

ANSWER

- The legal issues involved herein are covered under Section 62 (1) of the Companies Act, 2013.
- Section 62 (1) (a) of the Companies Act, 2013 provides that if, at any time, a company having a share capital proposes to increase its subscribed capital by issue of further shares, such shares should first be offered to the existing equity shareholders of the company as at the date of the offer, **in proportion to the paid-up capital** on those shares.
- Hence, the company cannot ignore a section of the existing shareholders and must offer the shares to the existing equity shareholders in proportion of their holdings.
- As per facts of the case, the Articles of SV Company Ltd. provide that the new shares should first be offered to the existing shareholders.
- However, the company offered new shares to all shareholders excepting VRS Company Ltd., which held a major portion of its equity shares.
- It is to be noted that under the Companies Act, 2013, **SV Company Ltd. did not have any legal authority to do so.**
- Therefore, in the given case, decision of the Board of Directors of SV Company Ltd. not to offer any further equity shares to VRS Company Ltd. on the ground that VRS Company Ltd. already held a high percentage of shareholding in SV Company Ltd. is not valid.

- Such a decision violates the provisions of Section 62 (1) (a) as well as Articles of the issuing company.

Due to insufficient profits, Silver Robotics Limited is unable to redeem its existing preference shares amounting to ₹ 10,00,000 (10,000 preference shares of ₹ 100 each) though as per the terms of issue they need to be redeemed within next two months. It did not, however, default in payment of dividend as and when it became due. What is the remedy available to the company in respect of outstanding preference shares as per the Companies Act, 2013?

ANSWER

According to Section 55(3) of the Companies Act, 2013, where a company is not in a position to redeem any preference shares or to pay dividend, if any, on such shares in accordance with the terms of issue (such shares hereinafter referred to as unredeemed preference shares), it may—

- With the consent of the holders of three-fourths in value of such preference shares, and
- With the approval of the Tribunal on a petition made by it in this behalf,

issue further redeemable preference shares equal to the amount due, including the dividend thereon, in respect of the unredeemed preference shares, and on the issue of such further redeemable preference shares, the unredeemed preference shares shall be deemed to have been redeemed.

Provided that the Tribunal shall, while giving approval under this sub-section, order the redemption forthwith of preference shares held by such persons who have not consented to the issue of further redeemable preference shares.

In view of the provisions of Section 55 (3), Silver Robotics Limited can initiate steps for the issue of further redeemable preference shares equal to the amount due i.e. ₹ 10,00,000.

For this purpose, it shall obtain the consent of the holders of three-fourths in value of such preference shares and also seek approval of the Tribunal by making a petition.

In case, there are certain preference shareholders who have not accorded their consent for the proposal of issuing further redeemable preference shares, the Tribunal may order the company to redeem forthwith such preference shares.

Accordingly, Silver Robotics Limited must be ready with sufficient funds for the redemption of preference shares held by those who have not consented.

On the issue of such further redeemable preference shares by the company, the unredeemed preference shares shall be deemed to have been redeemed.

(ii) It has, on the recommendation of the Board, been authorised in the general meeting of the company;

(iii) It has not defaulted in payment of interest or principal in respect of fixed deposits or debt securities issued by it;

(iv) It has not defaulted in respect of payment of statutory dues of the employees, such as, contribution to provident fund, gratuity and bonus;

(v) The partly paid-up shares, if any, outstanding on the date of allotment, are made fully paid-up;

Hence, after following the above conditions relating to the issue of bonus shares, the company may proceed for a bonus issue of 1 share for every 2 shares held by the existing shareholders.

Division C – Case Study Based MCQ

NAGARJUN AIRCONDITIONERS LTD. (NAL) is a contract manufacturing company incorporated on 1.2.2021 with the primary objective of manufacturing a full range of residential, commercial and portable air conditioners for renowned brands in India. NAL is a family owned unlisted public company, limited by shares. NAL has its registered office in Hyderabad, Telangana and marketing offices in four metropolitan cities at New Delhi, Kolkata, Mumbai and Bengaluru.

SAMUGA, one of the seven members, who also had subscribed to the memorandum of association of NAL, unfortunately met with a road accident and expired on 31.03.2021. All the remaining members attended the funeral. Business was as usual thereafter. All the members, as was the usual practice, were kept informed from time to time regarding all the important matters and issues relating to the company without fail by the CFO cum Company Secretary NIRANJAN. The Company continued its business only with its exiting other members for the next few months. SUGUNA, the wife of SAMUGA was taken as a member of NAL on official records only on 20.12.2021. Meanwhile, NAL borrowed unsecured loans of ₹ 15 crores repayable on demand for meeting working capital needs between the period 15.10.2021 to 15.12.2021 from one of its directors. MUDDU KRISHNA, who is only a family friend, but not a family member. The unsecured loan was borrowed with the stipulation of interest @10% p.a. payable on monthly basis on the outstanding amount(s) to MUDDU KRISHNA, until the demand for payment of principal is made in writing to the company. However, MUDDU KRISHNA, because of his strained relationship with NAGARJUN, the managing director of NAL, resigned as a director of the company on 31.12.2021 and demanded immediate repayment of the entire sum of ₹ 15 crores lent by him to NAL with interest

of 10% p.a. NAL followed delaying tactics, which finally resulted in MUDDU KRISHNA suing NAGARJUN severally for the entire debts owed by NAL to him, since he was the head of the family. There was no unpaid amount of NAGARJUN on the shares held by him of NAL.

MUDDU KRISHNA is also the member of One Person Company (OPC) MUDDU KRISHNA AGRO INDUSTRIES (OPC) PVT LTD. The OPC has been incorporated since the last one year. The Turnover of the OPC during the last financial year was ₹ 1 Crore. The paid up capital of the Company increased to ₹ 55 Lacs from ₹ 5 Lacs as on 15.01.2022. MUDDU KRISHNA after leaving the directorship with NAL continued his business as the member of his OPC.

Years passed. Size of the business and share capital of NAL substantially increased. NAL plans to go for expansion in its capacity, keeping in mind export market, which required about ₹ 25 crores. NAL started looking for various options for financing. One of the options considered was offer or invitation for subscription of equity through private placement. The Board identified a select group of 50 persons and issued private placement offer and applications after passing a special resolution at a general meeting and also after duly following the required procedure under the corporate laws. Monies received on application were kept in a separate bank account with Canara Bank. However, for some reasons NAL could not allot the equity shares within a period of 60 days from the date of receipt of the application money. The private placement plan was effectively cancelled, duly following the required procedure. NAL later opted for bank loans to finance the expansion.

NAL is authorized by its articles of association to accept whole or any part of the amount of remaining unpaid calls from any member, although till date, no part of that amount has been called up. NARESH, one of the shareholders deposited in advance the remaining amount due on his shares without any calls made by NAL. NAL declared dividend during the year after such advance money was paid by NARESH. NARESH wanted to exercise his voting rights also in respect of call money paid in advance at the general meeting.

Question - 5

Discuss the following situations in the light of 'deposit provisions' as contained in the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended from time to time.

(i) **Samit, one of the directors of Zarr Technology Private Limited, a start-up company, requested his close friend Ritesh to lend to the company ₹ 30.00 lakh in a single tranche by way of a convertible note repayable within a period six years from the date of its issue. Advise whether it is a deposit or not.**

(ii) **Polestar Traders Limited received a loan of ₹ 30.00 lakh from Rachna who is one of its directors. Advise whether it is a deposit or not.**

(iii) **City Bakers Limited failed to repay deposits of ₹ 50.00 crore and interest due thereon even after the extended time granted by the Tribunal. Is the company or Swati, its officer-in-default, liable to any penalty?**

(iv) **Shringaar Readymade Garments Limited wants to accept deposits of ₹ 50.00 lakh from its members for a tenure which is less than six months. Is it a possibility?**

(v) **Is it in order for the Diamond Housing Finance Limited to accept and renew deposits from the public from time to time?**

ANSWER

(i) In terms of Rule 2 (1) (c) (xvii) if a start-up company receives rupees twenty-five lakh or more by way of a convertible note (convertible into equity shares or repayable within a period not exceeding ten years from the date of issue) in a single tranche, from a person, it shall not be treated as deposit.

In the given case, Zarr Technology Private Limited, a start-up company, received ₹ 3.00 lakh from Ritesh in a single tranche by way of a convertible note which is repayable within a period of six years from the date of its issue. In view of Rule 2 (1) (c) (xvii) which requires a convertible note to be repayable within a period of ten years from the date of its issue, the amount of ₹ 30.00 lakh shall not be considered as deposit.

(ii) In terms of Rule 2 (1) (c) (viii), any amount received from a person who is director of the company at the time of giving loan to the company shall not be treated as deposit if such director furnishes to the company at the time of giving money, a written declaration to the effect that the amount is not being given out of funds acquired by him by borrowing or accepting loans or deposits from others and further, the company shall disclose the details of money so accepted in the Board's report.

In the given case, it is assumed that Rachna was one of the directors of Polestar Traders Limited when the company received a loan of ₹ 30.00 lakh from her. Further, it is assumed that she had furnished to the company at time of giving money, a written declaration to the effect that the amount was not being given out of funds acquired by her by borrowing or accepting loans or deposits from others and in addition, the company had disclosed the details of money so accepted in the appropriate Board's report.

If these conditions are satisfied ₹ 30.00 lakh shall not be treated as deposit.

(iii) By not repaying the deposit of ₹ 50.00 crore and the interest due thereon even after the extended time granted by the Tribunal, City Bakers Limited has contravened the conditions prescribed under Section 73 of the Act. Accordingly, following penalty is leviable:

- **Punishment for the company**: City Bakers Limited shall, in addition to the payment of the amount of deposit and the interest due thereon, be punishable with fine which shall not be less than rupees one crore or twice the amount of deposit accepted by the company, whichever is lower but which may extend to rupees ten crores.
- **Punishment for officer-in-default**: Swati, being the officer-in-default, shall be punishable with imprisonment which may extend to seven years and with fine which shall not be less than rupees twenty-five lakh but which may extend to rupees two crore.

Further, if it is proved that Swati had contravened such provisions knowingly or wilfully with the intention to deceive the company or its shareholders or depositors or creditors or tax authorities, she will be liable for action under section 447 (Punishment for fraud).

(iv) According to Rule 3 (1), a company is not permitted to accept or renew deposits (whether secured or unsecured) which is repayable on demand or in less than six months. Further, the maximum period of acceptance of deposit cannot exceed thirty six months.

However, as an exception to this rule, for the purpose of meeting any of its short-term requirements of funds, a company is permitted to accept or renew deposits for repayment earlier than six months subject to the conditions that:

(i) Such deposits shall not exceed ten per cent. of the aggregate of the paid-up share capital, free reserves and securities premium account of the company; and

(ii) Such deposits are repayable only on or after three months from the date of such deposits or renewal.

In the given case of Shringaar Readymade Garments Limited, it wants to accept deposits of ₹ 50.00 lakh from its members for a tenure which is less than six months.

It can do so if it justifies that the deposits are required for the purpose of meeting any of its short-term requirements of funds but in no case such deposits shall exceed 10% ten per cent of the aggregate of its paid-up share capital, free reserves and securities premium account and further, such deposits shall be repayable only on or after three months from the date of such deposits.

(v) According to section 73 (1) of the Act, no company can accept or renew deposits from public unless it follows the manner provided under Chapter V of the Act (contains provisions regarding acceptance of deposits by companies) for acceptance or renewal of deposits from public.

However, Proviso to Section 73 (1) states that nothing in this sub-section shall apply to a banking company and non-banking financial company as defined in the Reserve Bank of India Act, 1934 and to such other company as the Central Government may, after consultation with the Reserve Bank of India, specify in this behalf.

Further, Rule 1 (3) (iii) states that the Companies (Acceptance of Deposits) Rules, 2014 shall not apply to a housing finance company registered with the National Housing Bank established under the National Housing Bank Act, 1987.

In the given case, it is assumed that Diamond Housing Finance Limited is registered with the National Housing Bank and therefore, the 'Acceptance of Deposits' Rules shall not apply to it.

Hence, Diamond Housing Finance Limited being an exempted company, can accept and renew deposits from the public from time to time without following the prescribed manner.

Question - 6

ABC Limited having a net worth of ₹ 120 crore wants to accept deposit from its members. The directors of the company have approached you to advise them as to what special care has to be taken while accepting such deposit from the members in case their company falls within the category of an 'eligible company'.

ANSWER

- According to section 76 (1) of the Act, an "eligible company" means a public company, having a net worth of not less than one hundred crore rupees or a turnover of not less than five hundred crore rupees and which has obtained the prior consent of the company in general meeting by means of a special resolution and also filed the said resolution with the Registrar of Companies before making any invitation to the public for acceptance of deposits.
- However, an 'eligible company', which is accepting deposits within the limits specified under section 180 (1) (c), may accept deposits by means of an ordinary resolution.
- According to Rule 4 (a), an 'eligible company' shall accept or renew any deposit from its members, if the amount of such deposit together with the amount of deposits outstanding as on the date of acceptance or renewal of such deposits from members does not exceed ten per cent. of the aggregate of the paid-up share capital, free reserves and securities premium account of the company.
- ABC Limited is having a net worth of 120 crore rupees. Hence, it falls in the category of 'eligible company'.
- Thus, ABC Limited has to ensure that acceptance of deposits from its members together with the amount of deposits outstanding as on the date of acceptance or renewal of such deposits from the members, in no case, exceeds 10% of the aggregate of the paid-up share capital, free reserves and securities premium account of the company.

Question - 7

Define the term 'deposit' under the provisions of the Companies Act, 2013 and comment quoting relevant provisions whether the following amounts received by a company will be considered as deposits or not:

(i) ₹ 5,00,000 raised by Rishi Confectionaries Limited through issue of nonconvertible debentures not constituting a charge on the assets of the company and listed on a recognised stock exchange as per the applicable regulations made by the Securities and Exchange Board of India.

(ii) ₹ 2,00,000 received by Raja Yarns Limited from its employee Mr. Tarun, who draws an annual salary of ₹ 1,50,000, as a non-interest bearing security deposit under a contract of employment.

(iii) ₹ 3,00,000 received by a private company from one of the relatives of a Director. The said relative has furnished a declaration that the amount was received by him from his mother as a gift.

ANSWER

Deposit: According to Section 2 (31) of the Companies Act, 2013, the term 'deposit' includes any receipt of money by way of deposit or loan or in any other form, by a company, but does not include such categories of amount as may be prescribed in consultation with the Reserve bank of India.

Rule 2 (1) (c) of the Companies (Acceptance of Deposit) Rules, 2014 states various amounts received by a company which will not be considered as deposits. In terms of this Rule the answers to the given situations shall be as under:

(i) ₹5,00,000 raised by Rishi Confectionaries Limited through issue of non-convertible debentures not constituting a charge on the assets of the company and listed on recognised stock exchange as per the applicable regulations made by the SEBI, will not be considered as deposit in terms of sub-clause (ixa) of Rule 2 (1) (c).

(ii) ₹ 2,00,000 received by Raja Yarns Limited from its employee Mr. Tarun, who draws an annual salary of ₹ 1,50,000, as a non-interest bearing security deposit under a contract of employment will be considered as deposit in terms of sub-clause (x) of Rule 2 (1)(c), for the amount received is more than his annual salary of ₹ 1,50,000.

(iii) ₹ 3,00,000 received by a private company from one of the relatives of a Director. When the relative furnishes a declaration that the said amount was received by him from his mother as a gift, then it will not be considered as deposit in terms of sub-clause (viii) of Rule 2 (1) (c).

In fact, the preceding sub-clause requires that any amount given by a relative of a director of a private company shall not be considered as deposit if the relative furnishes a declaration in writing to the effect that the amount is not being given out of funds acquired by him by borrowing or accepting loans or deposits from others.

Thus, the amount given to the private company out of gifted money by one of the relatives of a director is not a 'deposit'.

As an additional requirement, the company shall disclose the details of money so accepted in the Board's report. Further, according to Rule 16 (A)(2), it shall also disclose in its financial statement, by way of notes, about the money received from the directors, or relatives of directors.

Question - 8

State, with reasons, whether the following statements are 'True or False'?

(i) ABC Private Limited may accept deposits from its members to the extent of ₹ 50.00 lakh, if the aggregate of its paid-up capital, free reserves and security premium account is ₹ 50.00 lakh.

(ii) A Government Company, which is eligible to accept deposits under Section 76 of the Companies Act, 2013, cannot accept deposits from public exceeding 25% of the aggregate of its paid-up capital, free reserves and security premium account.

ANSWER

(i) As per the provisions of Section 73 (2) of the Companies Act, 2013 read with Rule 3 (3) of the Companies (Acceptance of Deposits) Rules, 2014, as amended from time to time, a company shall accept any deposit from its members, together with the amount of other deposits outstanding as on the date of acceptance of such deposits not exceeding thirty-five per cent of the aggregate of the paid-up share capital, free reserves and securities premium account of the company.

It is provided that a private company may accept from its members monies not exceeding one hundred per cent of aggregate of the paid-up share capital, free reserves and securities premium account and such company shall file the details of monies so accepted to the Registrar in Form DPT-3.

Therefore, the given statement where ABC Private Limited is accepting deposits from its members to the extent of ₹ 50.00 lakh is 'true'.

(ii) As per Rule 3 (5) of the Companies (Acceptance of Deposits) Rules 2014, a Government Company is not eligible to accept or renew deposits under section 76, if the amount of such deposits together with the amount of other deposits outstanding as on the date of acceptance or renewal exceeds thirty five per cent of the aggregate of its paid-up share capital, free reserves and securities premium account.

Therefore, the given statement where the limit of 25% has been stated for acceptance of deposits is 'false'.

Question - 9

Answer the following citing relevant provisions:

(a) **Prayas Electricals Limited having paid-up capital of ₹ 1 crore availed a term loan of ₹ 10,00,000 from Beta Bank Limited to purchase electrical items. Mr. Sambhav, one of the directors of the company, is of the opinion that it shall be considered as 'deposit'. Is his contention correct?**

(b) **Eklavya Publishing Company Limited facing acute cash crunch wants to utilise a portion of 'Deposit Repayment Reserve Account' to pay off its short-term creditors who are pressing hard for repayment of ₹ 20,00,000. Is it justified to use funds lying in 'Deposit Repayment Reserve Account' in this manner?**

(c) **Sanjiv is a shareholder in Utsah Textiles Private Limited holding 10,000 shares of ₹ 10 each. His wife Sneha and his three sons Aayush, Pranav and Himanshu are also shareholders in the company holding 1,000 shares each. In response to the invitation from the company inviting deposits from its members, Sanjiv wants to deposit Rs. 1,00,000 for 36 months jointly with his wife and three sons. Whether Utsah Textiles Private Limited can accede to the request of Sanjiv and accept deposit jointly in five names since all the depositors are shareholders of the company.**

ANSWER

(a) In terms of Rule 2 (1) (c) (iii) of the Companies (Acceptance of Deposits) Rules, 2014, any amount received as a loan or facility from any banking company shall not be considered as 'deposit'.

In view of the above, the contention of Mr. Sambhav that the term loan of ₹ 10,00,000 availed by the company from Beta Bank Limited shall be considered as 'deposit' is not correct.

(b) Rule 13 of the Companies (Acceptance of Deposits) Rules, 2014, states that the amount deposited in the 'Deposit Repayment Reserve Account' shall not be used by a company for any purpose other than repayment of deposits.

Since there is a prohibition, Eklavya Publishing Company Limited is not permitted to utilise its 'Deposit Repayment Reserve Account' to pay off its short-term creditors.

(c) Rule 3 (2) of the Companies (Acceptance of Deposits) Rules, 2014, provides that where depositors so desire, deposits may be accepted in joint names not exceeding three.

In view of this provision, Sanjiv can deposit ₹ 1,00,000 with Utsah Textiles Private Limited jointly with two other persons only irrespective of the fact that all the five persons are members of the company.

(c) Such a company has not defaulted in the repayment of such borrowings subsisting at the time of accepting deposits under section 73:

According to third proviso all the companies accepting deposits shall file the details of monies so accepted with the Registrar in Form DPT-3.

In case Shubhra Chemicals Private Limited is not an associate or a subsidiary company of any other company and its borrowings from banks, etc. is less than twice of its paid-up share capital or fifty crore rupees, whichever is less and also it has not defaulted in the repayment of such borrowings subsisting at the time of accepting deposits, then it can accept 'deposits' from its members amounting to two hundred percent of aggregate of its paid-up share capital, free reserves and securities premium account.

How will a copy of an instrument evidencing creation of charge and required to be filed with the Registrar be verified?

ANSWER

A copy of every instrument evidencing any creation or modification of charge and required to be filed with the Registrar shall be verified as follows:

(a) **In case property is situated outside India:** where the instrument or deed relates solely to the property situated outside India, the copy shall be verified by a certificate issued either under the seal, if any, of the company, or under the hand of any director or company secretary of the company or an authorised officer of the charge holder or under the hand of some person other than the company who is interested in the mortgage or charge;

(b) **In case property is situated in India (whether wholly or partly):** where the instrument or deed relates to the property situated in India (whether wholly or partly), the copy shall be verified by a certificate issued under the hand of any director or company secretary of the company or an authorised officer of the charge holder.

Question - 2

What is 'Floating Charge'? When does it get crystallised?

ANSWER

- A 'Floating Charge' is a type of charge that is created on assets or a class of assets which are of fluctuating or changing in nature.
- The assets which are under floating charge may include raw material, stock-in-trade, debtors, etc.
- It is a charge created upon a class of assets both present and future.
- The assets under floating charge keep on changing because the borrowing company is permitted to use them in the ordinary course of business.
- The buyers of the assets covered under floating charge will get them free of charge.

Crystallization of a Floating Charge

In the following events, a floating charge will get crystallised or fixed:

(i) When the creditor enforces the security due to the breach of terms and conditions of floating charge like there is non-payment of interest or default in repayment of instalments as per the terms of agreement.

(ii) When the company ceases to continue its business.

(iii) When the borrowing company goes into liquidation.

A floating charge remains dormant until it becomes fixed or crystallised.

On crystallisation of charge, the security (i.e. raw material, stock-in-trade, etc.) becomes fixed and is available for realization so that borrowed money is repaid.

Question - 3

Define the term "charge" and also explain what is the punishment for default with respect to registration of charge as per the provisions of the Companies

Act, 2013.

ANSWER

The term charge has been defined in section 2 (16) of the Companies Act, 2013 as 'an interest or lien created on the property or assets of a company or any of its undertakings or both as security and includes a mortgage'.

Punishment for contravention – According to section 86 of the Companies Act, 2013, if any company is in default in complying with any of the provisions of Chapter VI, the company shall be liable to a penalty of five lakh rupees and every officer of the company who is in default shall be liable to a penalty of fifty thousand rupees.

Further, if any person willfully furnishes any false or incorrect information or knowingly suppresses any material information which is required to be registered under section 77, he shall be liable for action under section 447 (punishment for fraud).

Question - 4

Renuka Soaps and Detergents Limited realised on 2nd May, 2022 that particulars of charge created on 10th March, 2022 in favour of a Sankalp Commercial Bank Limited were not registered with the Registrar of Companies. What procedure should the company follow to get the charge registered? Would the procedure be different if the company realised its mistake of not registering the charge on 7th June, 2022 instead of 2nd May, 2022? Explain with reference to the relevant provisions of the Companies Act, 2013.

ANSWER

- The charge in the present case was created after 02-11-2018.
- The relevant provisions of the Companies Act, 2013 applicable in the present case are as explained below:
- Initially, the prescribed particulars of the charge together with the instrument of charge, if any, by which the charge is created or evidenced, or a copy thereof, duly verified by a certificate, are to be filed with the Registrar within 30 days of its creation. [Section 77 (1)].
- In this case particulars of charge were not filed within the prescribed period of 30 days.
- However, the Registrar is empowered under clause (b) of first proviso to section 77 (1) to extend the original period of 30 days by another 30 days (i.e. sixty days from the date of creation) on payment of prescribed additional fee.
- Taking advantage of this provision, Renuka Soaps and Detergents Limited should immediately file the particulars of charge with the jurisdictional Registrar of Companies after satisfying him through making an application that it had sufficient cause for not filing the particulars of charge within 30 days of its creation.
- If the company realises its mistake of not registering the charge on 7th June, 2022 instead of 2nd May, 2022, it shall be noted that a period of sixty days has already expired from the date of creation of charge.
- However, Clause (b) of Second Proviso to Section 77 (1) provides another opportunity for registration of charge by granting a further period of sixty days but the company is required to pay ad valorem fees. Since the first sixty days from creation of charge have expired on 9th May, 2022, Renuka Soaps and Detergents Limited can still get the charge registered within a further period of sixty days from 9th May, 2022 after paying the prescribed ad valorem fees.
- The company is required to make an application to the Registrar in this respect giving sufficient cause for non-registration of charge.

Question - 5

Mr. Antriksh purchased a commercial property in Delhi belonging to NRT Limited after entering into an agreement with the company. At the time of registration, Mr. Antriksh came to know that the title deed of the company was not free and the company expressed its inability to get the title deed transferred in Antriksh's name contending that he ought to have the knowledge of charge created on the property of the company. Explain, whether the contention of NRT Limited is correct?

ANSWER

- According to section 80 of the Companies Act, 2013, where any charge on any property or assets of a company or any of its undertakings is registered under section 77 of the Companies Act, 2013, any person acquiring such property, assets, undertakings or part thereof or any share or interest therein shall be deemed to have **notice of the charge** from the date of such registration.
- Thus, Section 80 clarifies that if any person acquires a property, assets or undertaking in respect of which a charge is already registered, it would be deemed that he has complete knowledge of charge from the date of its registration.
- Mr. Antriksh, therefore, ought to have been careful while purchasing property and should have verified beforehand that NRT Limited had already created a charge on the property.
- In view of above, the contention of NRT Limited is correct.

ANSWER

Question - 7

ABC Limited created a charge in favour of OK Bank which was duly registered. Later on, the Bank enhanced the facility by another ₹ 20 crore. Due to inadvertence, the modification in the original charge was not registered. Advise the company as to the course of action to be pursued in this regard.

ANSWER

ABC Limited is advised to immediately file an application for rectification of the Register of Charges in Form No. CHG-8 with the Central Government in accordance with Section 87 of the Companies Act, 2013.

Section 87 and Rule 12 empower the Central Government to order rectification of Register of Charges in the following cases of default:

(a) When there was omission in giving intimation to the Registrar with respect to payment or satisfaction of charge within the specified time;

(b) When there was omission or mis-statement of any particulars in any filing previously made to the Registrar. Such filing may relate to any charge or any modification of charge or with respect to any memorandum of satisfaction or other entry made under Section 82 (Company to report satisfaction of charge) or Section 83 (Power of Registrar to make entries of satisfaction and release).

Before directing that the 'time for giving the intimation of payment or satisfaction shall be extended' or the 'omission or mis-statement shall be rectified', the Central Government needs to be satisfied that such default was accidental or due to inadvertence or because of some other sufficient cause or it was not of a nature to prejudice the position of creditors or shareholders of the company.

The application in Form CHG-8 shall be filed by the company or any interested person. Therefore, OK Bank can also proceed under Section 87 as aforesaid.

The order of rectification shall be made by the Central Government on such terms and conditions as it deems just and expedient.

Question - 8

Ranjit acquired a property from PQR Limited which was mortgaged to Pyramid Bank. He settled the dues to Pyramid Bank in full and the same was registered with the sub-registrar who noted that the mortgage had been settled. But neither the company nor Pyramid Bank filed particulars of satisfaction of charge with the jurisdictional Registrar of Companies. Can Ranjit approach the Registrar and seek any relief in this regard? Discuss this matter in the light of provisions of the Companies Act, 2013.

ANSWER

Section 83 of the Companies Act, 2013 empowers the Registrar to make entries with respect to the satisfaction and release of charge even if no intimation has been received by him from the company.

Accordingly, with respect to any registered charge if an evidence is shown to the satisfaction of Registrar that the debt secured by charge has been paid or satisfied in whole or in part or that the part of the property or undertaking charged has been released from the charge or has ceased to form part of the company's property or undertaking, then he may enter in the register of charges a memorandum of satisfaction that:

- The debt has been satisfied in whole or in part; or
- The part of the property or undertaking has been released from the charge or has ceased to form part of the company's property or undertaking.

This power can be exercised by the Registrar despite the fact that no intimation has been received by him from the company.

Information to affected parties: The Registrar shall inform the affected parties within 30 days of making the entry in the Register of Charges.

Issue of Certificate: As per Rule 8(2), in case the Registrar enters a memorandum of satisfaction of charge in full, he shall issue a certificate of registration of satisfaction of charge in Form No. CHG-5.

Therefore, Ranjit can approach the Registrar and show evidence to his satisfaction that the charge has been duly settled and satisfied and request the Registrar to enter a memorandum of satisfaction noting the release of charge.

Division C – Case Study Based MCQ

Ratnakar Cement Manufacturers and Traders Limited (RCMTL) having its registered office at Connaught Place, New Delhi was registered with an Authorised Share Capital of ₹ 5,00,00,000 divided into 50,00,000 shares of ₹ 10 each. As on date, its paid-up share capital is ₹ 4,00,00,000 (40,00,000 shares of ₹ 10 each) and its securities premium account has a balance of ₹ 40,00,000. Its cement-manufacturing plants are located at Faridabad (Haryana), Raebareli and Haldwani (Uttar Pradesh), Rudrapur (Uttarakhand) and Chanderia (Rajasthan). The company which produces cement under the brand name 'Ratnakar Cement', has expertise in manufacturing 53 Grade Ordinary Portland Cement that is used mainly in RCC and pre-stressed concrete of higher grades; but in case of plant located at Faridabad, the company also additionally manufactures Portland Pozzolana Cement (PPC) and White Cement.

Having higher degree of fineness and corrosion-resistant quality, PPC, manufactured by the company, is responsible for making the concrete more dense. Besides, due to its distinct impermeable excellence, PPC is preferred over ordinary cement for mass concreting work and therefore, RCMTL has a sizeable market to cater. The integrated network of traders pan India which RCMTL commands helps it in achieving its annual sales targets almost every year.

Except Faridabad cement plant which is of recent origin having state-of-the-art machinery, all other plants were taken over by the RCMTL at different time intervals from other cement manufacturers; and therefore, they either need renovation or replacement. Further, on the basis of market survey, RCMTL has gathered data which indicates that there is heavy demand for Sulphate Resisting Portland Cement (SRC) which is mainly used for foundation work, construction of basements and underground structures, sewage and water treatment plants, etc. where due to water or soil, 'sulphate attack' is more than anticipated.

Thus, in addition to catering to the increasing demand for PPC, RCMTL is also desirous of manufacturing Sulphate Resisting Portland Cement (SRC). In view of these developments, the company has plans for upgrading its Rudrapur cement manufacturing plant by installing an ultra-modern unit so that it can also manufacture SRC and compete effectively with its competitors by providing high-quality cement across the whole range of different qualities currently available in the markets both in India and abroad. The banking needs of RCMTL are mainly fulfilled by the National Commercial Bank Limited.

Based on above, answer the following questions:

(1) In the given case scenario, RCMTL is desirous of installing an ultra-modern cement plant for its Rudrapur works. Which kind of loan its banker shall grant for part financing the cost of ultra-modern cement plant against the security of factory land and building situated at Rudrapur as well as the proposed ultra-modern cement plant?

(a) Overdraft in the current account maintained by RCMTL

(c) Cash credit

(d) Hypothecation loan

(2) The loan proposal prepared by RCMTL for part financing the cost of ultra-modern cement plant against the security of factory land and building situated at Rudrapur as well as yet to be purchased ultra-modern plant, with a view to avail loan from National Commercial Bank Limited (NCBL) stands sanctioned by the Head Office of NCBL; and the sanction has been conveyed by the Connaught Place branch of NCBL to RCMTL. Which kind of charge shall be created by the NCBL on the factory land and building situated at Rudrapur as well as on the proposed ultra-modern cement plant?

(a) Fixed Charge

(b) Floating Charge

(c) Either Fixed or Floating Charge as desired by RCMTL

(d) Partly fixed and partly floating charge

(3) For the registration of charge created in favour of NCBL concerning securities offered by RCMTL (i.e. factory land and building situated at Rudrapur as well as the ultra-modern cement plant yet to be financed), which Registrar of Companies needs to be approached?

(a) ROC of Uttar Pradesh and Uttarakhand as the securities are located at Rudrapur (Uttarakhand)

(b) ROC of Delhi and Haryana since RCMTL has registered office at Connaught Place, New Delhi

(c) As per the discretion of RCMTL, any of the ROCs can be approached

(d) ROC of West Bengal since the Head Office of NCBL which has sanctioned loan is situated at Kolkata

(4) Installed charge has been created by RCTML in favour of NCBL on its factory land and building situated at Rudrapur as well as the ultra-modern cement plant yet to be installed. What is the time limit for within which this charge must be registered with the respective ROC?

(a) Within 10 days of creation of charge

(b) Within 15 days of creation of charge

(c) Within 30 days of creation of charge

(d) Within 60 days of creation of charge

(5) Due to some unintended mistake, RCMTL could not register the charge created on its fixed assets in favour of NCBL within the first statutory period so allowed. Division B - Descriptive Questions

Question - 1

In a General meeting of Alpha Software Limited, the chairman directed to exclude certain matters detrimental to the interest of the company from the minutes, Mukesh, a shareholder contended that the minutes of the meeting must contain fair and correct summary of the proceedings thereat. Decide, whether the contention of Mukesh is maintainable under the provisions of the Companies Act, 2013?

ANSWER

Under Section 118 (5) of the Companies Act, 2013, there shall not be included in the Minutes of a meeting, any matter which, in the opinion of the Chairman of the meeting:

(i) is or could reasonably be regarded as defamatory of any person;

(ii) is irrelevant or immaterial to the proceeding; or

(iii) is detrimental to the interests of the company;

Further, under section 118(6) the chairman shall exercise absolute discretion in regard to the inclusion or non-inclusion of any matter in the Minutes on the grounds specified in sub-section (5) of section 118.

Hence, in view of the above, the contention of Mukesh, a shareholder of Alpha Limited is not valid because the Chairman has absolute discretion on the inclusion or exclusion of any matter in the minutes for aforesaid reasons.

Question - 2

A General Meeting was scheduled to be held on Friday, 15th April, 2022 at 3.00 P.M. As per the notice the members who are unable to attend a meeting in person can appoint a proxy and the proxy forms duly filled should be sent to the company so as to reach at least 48 hours before the meeting. Mr. X, a member of the company appoints Mr. Y as his proxy and the proxy form dated 09-04-2022 was deposited by Mr. Y with the company at its registered Office on 11-04-2022. Similarly, another member Mr. W also gives two separate proxies to two individuals named Mr. M and Mr. N. In the case of Mr. M, the proxy dated 12-04-2022 was deposited with the company on the same day and the proxy form in favour of Mr. N was deposited on 14-04-2022. All the proxies viz., Y, M and N were present before the meeting.

According to the provisions of the Companies Act, 2013, who would be the persons allowed to represent as proxies for members X and W respectively?

ANSWER

- A Proxy is an instrument in writing executed by a shareholder authorizing another person to attend a meeting and to vote thereat on his behalf in his absence.
- As per the provisions of Section 105 of the Companies Act, 2013, every shareholder who is entitled to attend and vote has a statutory right to appoint another person as his proxy.
- It is not necessary that the proxy be a member of the company.
- Further, any provision in the articles of association of the company requiring instrument of proxy to be lodged with the company more than 48 hours before a meeting shall have effect as if 48 hours had been specified therein.

- The members have a right to revoke the proxy's authority by voting himself before the proxy has voted but once the proxy has voted the member cannot retract his authority.
- Where two proxy instruments by the same shareholder are lodged in such a manner that one is lodged before and the other after the expiry of the date fixed for lodging proxies, the former will be counted.
- Thus, in case of member X, the proxy Y will be permitted to vote on his behalf as form for appointing proxy was submitted within the permissible time.
- However, in the case of Member W, the proxy M (and not Proxy N) would be permitted to vote as the proxy authorizing N to vote was deposited in less than 48 hours before the meeting.

Question - 3

M. H. Mechanics Company Limited served a notice of General Meeting upon its shareholders. The notice stated that the issue of sweat equity shares would be considered at such meeting. Mr. 'A', a shareholder of the M. H. Mechanics Company Limited complains that the issue of sweat equity shares was not specified fully in the notice. Is the notice issued by M. H. Mechanics Company Limited regarding issue of sweat equity shares valid according to the provisions of the Companies Act, 2013? Explain in detail.

ANSWER

Under section 102 (2) (b) of the Companies Act, 2013, in the case of any meeting other than an Annual General Meeting, all business transacted thereat shall be deemed to be special business.

Further under section 102 (1) a statement setting out the following material facts concerning each item of special business to be transacted at a general meeting, shall be annexed to the notice calling such meeting:

(a) The nature of concern or interest, financial or otherwise, if any, in respect of each items, of every director and the manager, if any or every other key managerial personnel and relatives of such persons; and

(b) Any other information and facts that may enable members to understand the meaning, scope and implications of the items of business and to take decision thereon.

Thus, the objection of the member is valid since the complete details about the issue of sweat equity were required to be sent with the notice of meeting.

The notice is, therefore, cannot be said to be a valid one when the provisions of Section 102 of the Companies Act, 2013 are considered.

(ii) Whether Mr. Rich, a director holding only 400 shares of worth ₹ 4000, has the right to inspect the Register of Members?

ANSWER

(i) Maintenance of the Register of Members etc.: As per section 94(1) of the Companies Act, 2013, the registers required to be kept and maintained by a company under section 88 and copies of the annual return filed under section 92 shall be kept at the registered office of the company:

Provided that such registers or copies of return may also be kept at any other place in India in which more than one-tenth of the total number of members entered in the register of members reside, if approved by a special resolution passed at a general meeting of the company.

So, Tulip Ltd. can also keep the registers and returns at Kolkata after compliance with the above provisions, provided more than one-tenth of the total number of members entered in the register of members reside in Kolkata.

(ii) As per section 94(2) of the Companies Act, the registers and their indices, except when they are closed under the provisions of this Act, and the copies of all the returns shall be open for inspection by any member, debenture-holder,

other security holder or beneficial owner, during business hours without payment of any fees and by any other person on payment of such fees as may be prescribed.

Question - 5

Examine the validity of the following situation with reference to the relevant provisions of the Companies Act, 2013:

The Board of Directors of Shreya Transporters and Logistics Ltd. called an extra-ordinary general meeting upon the requisition of members. However, the meeting was adjourned on the ground that the quorum was not present at the meeting. Advise the company.

ANSWER

- According to section 100 (2) of the Companies Act 2013, the Board of directors must convene a general meeting upon requisition made by the stipulated minimum number of members.
- As per Section 103 (2) (b) of the Companies Act, 2013, if the quorum is not present within half an hour from the appointed time for holding a meeting of the company, the meeting, if called on the requisition of members, shall stand cancelled.
- Therefore, the meeting stands cancelled and the stand taken by the Board of Directors to adjourn it, is not proper and valid.

Question - 6

Zorab Garments Limited served a notice of General Meeting upon its members. The notice stated that a resolution to increase the share capital of the company would be considered at such meeting. Roshni, a shareholder of the company complained that the amount of the proposed increase was not specified in the notice. Is the notice valid?

ANSWER

Under section 102 (2) (b) of the Companies Act, 2013, in the case of any general meeting other than an AGM, all business transacted thereat shall be deemed to be special business.

Further under section 102 (1), a statement setting out the following material facts concerning each item of special business to be transacted at a general meeting, shall be annexed to the notice calling such meeting, namely:—

(a) the nature of concern or interest, financial or otherwise, if any, in respect of each items, of:

  (i) every director and the manager, if any;

  (ii) every other key managerial personnel; and

  (iii) relatives of the persons mentioned in sub-clauses (i) and (ii);

(b) any other information and facts that may enable members to understand the meaning, scope and implications of the items of business and to take decision thereon.

Thus, the objection of the shareholder is valid since the details of the item to be considered at the general meeting are not fully disclosed.

The information about the amount is a material fact with reference to the proposed increase of share capital.

The notice is, therefore, not a valid notice considering the provisions of section 102 of the Companies Act, 2013.

Question - 7

Examine the validity of the following decisions of the Board of Directors with reference of the provisions of the Companies Act, 2013.

(i) **In an Annual General Meeting of a company having share capital, 80 members present in person or by proxy holding more than 1/10th of the total voting power, demanded for pall. The chairman of the meeting rejected the request on the ground that only the members present in person can demand for poll.**

(ii) **In an annual general meeting, during the process of poll, the members who earlier demanded for poll want to withdraw it. The chairman of the meeting rejected the request on the ground that once poll started, it cannot be withdrawn.**

ANSWER

Section 109 of the Companies Act, 2013 provides for the demand of poll before or on the declaration of the result of the voting on any resolution on show of hands.

Accordingly, section 109 (1) lays down as under:

Before or on the declaration of the result of the voting on any resolution on show of hands, a poll may be ordered to be taken by the Chairman of the meeting on his own motion, and shall be ordered to be taken by him on a demand made in that behalf:-

(a) In the case of a company having a share capital, by the members present in person or by proxy, where allowed, and having not less than one-tenth of the total voting power or holding shares on which an aggregate sum of not less than five lakh rupees or such higher amount as may be prescribed has been paid-up; and

(b) in the case of any other company, by any member or members present in person or by proxy, where allowed, and having not less than one tenth of the total voting power.

Withdrawal of the demand for poll: According to section 109 (2), the demand for a poll may be withdrawn at any time by the persons who made the demand.

Hence, on the basis on the above provisions of the Companies Act, 2013:

(i) The chairman cannot reject the demand for poll subject to the provisions contained in the articles of company.

(ii) The chairman cannot reject the request of the members for withdrawal of the demand for poll.

What is the legal position in respect of demand for inspection of proxies by Surya as per the provisions of the Companies Act, 2013

ANSWER

Under section 105 (8) of the Companies Act, 2013 every member entitled to vote at a meeting of the company, or on any resolution to be moved thereat, shall be entitled during the period beginning twenty-four hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, to inspect the proxies lodged, at any time during the business hours of the company, provided not less than three days' notice in writing of the intention so to inspect is given to the company.

- In the given case, Surya has given a proper notice.
- Therefore, validity of notice cannot be denied.
- However, such inspection can be undertaken only during the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting.
- In view of above provision, Surya can undertake the inspection only during the above-mentioned period and not two days prior to the meeting.

Question - 10

Infotech Ltd. was incorporated on 1.4.2018. No General Meeting of the company has been held till 30.4.2020. Discuss the provisions of the Companies Act, 2013 regarding the time limit for holding the first annual general meeting of the Company and the power of the Registrar to grant extension of time for the First Annual General Meeting.

ANSWER

- According to Section 96 of the Companies Act, 2013, every company shall be required to hold its first Annual General Meeting within a period of 9 months from the date of closing of its first financial year.
- The first financial year of Infotech Ltd is for the period 1st April 2018 to 31st March 2019, the first Annual General Meeting (AGM) of the company should be held on or before 31st December, 2019.
- The section further provides that the Registrar may, for any special reason, extend the time within which any Annual General Meeting, other than the first Annual General Meeting, shall be held, by a period not exceeding three months.
- Thus, the first AGM of Infotech Ltd. should have been held on or before 31st December, 2019. Further, in case of first AGM, the Registrar of Companies does not have the power to grant extension of any time limit.

Question - 11

The Articles of Association of DJA Water Tanks Ltd. require the personal presence of 7 members to constitute quorum of General Meetings. The company has 965 members as on the date of meeting. The following persons were present in the extra-ordinary general meeting to consider the appointment of Managing Director:

(a) A is the representative of Governor of Uttar Pradesh.

(b) B and C are preference shareholders,

(c) D is representing Y Ltd. and Z Ltd.

(d) E, F, G and H are proxies of shareholders.

Could it be said that the quorum was preset in the meeting?

ANSWER

- According to section 103 of the Companies Act, 2013, unless the articles of the company provide for a larger number in case of a public company, five members personally present if the number of members as on the date of meeting is not more than one thousand, shall be the quorum.

- In this case the quorum for holding a general meeting is 7 members to be personally present (higher of 5 or 7).
- For the purpose of quorum, only those members are counted who are entitled to vote on resolution proposed to be passed in the meeting.
- Again, only members present in person and not by proxy are to be counted. Hence, proxies whether they are members or not will have to be excluded for the purpose of quorum.
- If a company is a member of another company, it may authorize a person by resolution to act as its representative at a meeting of the latter company, then such a person shall be deemed to be a member present in person and counted for the purpose of quorum.
- Where two or more companies which are members of another company, appoint a single person as their representative then each such company will be counted as quorum at a meeting of the latter company.
- Further, the President of India or Governor of a State, if he is a member of a company, may appoint such a person as he thinks fit, to act as his representative at any meeting of the company.
- A person so appointed shall be deemed to be a member of such a company and thus considered as member personally present.
- In view of the above there are only three members personally present.
- 'A' will be included for the purpose of quorum. B & C have to be excluded for the purpose of quorum because they represent the preference shares and since the agenda being the appointment of Managing Director, their rights cannot be said to be directly affected and therefore, they shall not have voting rights.
- D will have two votes for the purpose of quorum as he represents two companies 'Y Ltd.' and 'Z Ltd.'
- E, F, G and H are not to be included as they are not members but proxies representing the members.
- Thus, it can be said that the requirement of quorum has not been met and the composition shall not constitute a valid quorum for the meeting.

Question - 12

What do you mean by Proxy? Explain the provisions relating to appointment of proxy under the Companies Act, 2013.

ANSWER

- A proxy is an instrument in writing executed by a shareholder authorising another person to attend a meeting and to vote thereat on his behalf in his absence.
- The term also applies to the person so appointed and in such case a proxy is a person appointed by a member of a company, to attend the general meeting of the company and vote thereat on his behalf.
- The various provisions relating to the appointment of a proxy are contained in section 105 of the Companies Act, 2013.

They are as under:

2. A proxy shall not have the right to speak at such meeting and shall not be entitled to vote except on a poll. This means that a proxy cannot vote on a resolution by show of hands.
3. The Central Government may prescribe a class or classes of companies whose members shall not be entitled to appoint another person as a proxy.
4. Under section 105 (6) the instrument appointing a proxy shall be in writing; and be signed by the appointer or his attorney duly authorised in writing or, if the appointer is a body corporate, be under its seal or be signed by an officer or an attorney duly authorised by it.

Super Mart Limited called its AGM in order to lay down the financial statements for the approval of the shareholders. Due to want of Quorum, the meeting was cancelled. The directors did not file the annual returns with the Registrar. The directors were of the opinion that the time for filing of returns within 60 days from the date of AGM would not apply, as AGM was cancelled. Has the company contravened the provisions of Companies Act, 2013? If the company has contravened the provisions of the Act, how will it be penalized?

ANSWER

- According to section 92 (4) of the Companies Act, 2013, every company shall file with the Registrar a copy of the annual return, within sixty days from the date on which the annual general meeting is held or where no annual general meeting is held in any year within sixty days from the date on which the annual general meeting should have been held together with the statement specifying the reasons for not holding the annual general meeting.
- Sub-section (5) of Section 92 also states that if any company fails to file its annual return under sub-section (4), before the expiry of the period specified therein, such company and its every officer who is in default shall be liable to a penalty of ten thousand rupees and in case of continuing failure, with further penalty of one hundred rupees for each day during which such failure continues, subject to a maximum of two lakh rupees in case of a company and fifty thousand rupees in case of an officer who is in default.
- In the instant case, the opinion of the directors that since the AGM was cancelled, the provisions requiring the company to file annual returns within 60 days from the date of AGM would not apply, is not correct.
- In the above case, the annual general meeting of Super Mart Limited should have been held within a period of six months, from the date of closing of the financial year but it did not take place.
- Thus, the company has contravened the provisions of section 92 of the Companies Act, 2013 for not filing the annual return and shall attract the penal provisions along with every officer of the company who is in default as specified in Section 92 (5) of the Act.

Question - 14

Madurai Bakestry Ltd. issued a notice for holding of its Annual General Meeting on 7th September, 2022. The notice was posted to the members on 16th August, 2022. Some members of the company alleged that the company had not complied with the provisions of the Companies Act, 2013 with regard to the period of notice and as such the meeting was not valid. Referring to the provisions of the Act, decide:

(i) Whether the meeting has been validly called?

(ii) If there is a shortfall, state and explain by how many days does the notice fall short of the statutory requirement?

(iii) Can the delay in giving notice be condoned?

ANSWER

- According to section 101(1) of the Companies Act, 2013, a general meeting of a company may be called by giving not less than clear twenty-one days' notice either in writing or through electronic mode in such manner as may be prescribed.
- Also, it is to be noted that 21 clear days mean that the date on which notice is served and the date of meeting are excluded for sending the notice.
- Further, Rule 35(6) of the Companies (Incorporation) Rules, 2014, provides that in case of delivery by post, such service shall be deemed to have been effected - in the case of a notice of a meeting, at the expiration of forty eight hours after the letter containing the same is posted.

Hence, in the given question:

(i) A 21 days' clear notice must be given. In the given question, only 19 clear days' notice is served (after excluding 48 hours from the time of its posting and the day of sending and date of meeting). Therefore, the meeting was not validly called.

(ii) As explained in (i) above, notice falls short by 2 days.

(iii) The Companies Act, 2013 does not provide anything specific regarding the condonation of delay in giving of notice. Hence, the delay in giving the notice calling the meeting cannot be condoned.

Question - 15

KMN Cables Ltd. scheduled its Annual General Meeting to be held on 15th September, 2022 at 11:00 A.M. The company has 900 members. On the scheduled date of AGM following persons were present by 11:30 A.M.

1. **P1, P2 & P3 shareholders**
2. **P4 representing ABC Ltd.**
3. **P5 representing DEF Ltd.**
4. **P6 & P7 as proxies of the shareholders**

(i) Examine with reference to relevant provisions of the Companies Act, 2013, whether quorum was present in the meeting.

(ii) What will be your answer if P4 representing ABC Ltd., reached in the meeting after 11:30 A.M.?

(iii) In case lack of Quorum, discuss the provisions as applicable for an adjourned meeting in terms of date, time & place.

What happens if there is no Quorum at the adjourned meeting?

ANSWER

According to section 103 of the Companies Act, 2013, unless the articles of the company provide for a larger number, the quorum for the meeting of a Public Limited Company shall be 5 members personally present, if number of members is not more than 1000.

(i) (1) P1, P2 and P3 will be counted as three members.

(2) If a company is a member of another company, it may authorize a person by resolution to act as its representative at a meeting of the latter company, then such a person shall be deemed to be a member present in person and counted for the purpose of quorum.

Hence, P4 and P5 representing ABC Ltd. and DEF Ltd. respectively will be counted as two members.

(3) Only members present in person and not by proxy are to be counted.

Hence, proxies whether they are members or not will have to be excluded for the purposes of quorum. Thus, P6 and P7 shall not be counted as constituting quorum.

In the light of the provision of the Act and the facts of the question, it can be concluded that the quorum for Annual General Meeting of KMN Cables Ltd. is 5 members personally present. Total 5 members (P1, P2, P3, P4 and P5) were present. Hence, the requirement of quorum is fulfilled.

(ii) The section further states that, if the required quorum is not present within half an hour, the meeting shall stand adjourned for the next week at the same time and place or such other time and place as decided by the Board of Directors.

Since, P4 is an essential part for meeting the requirement of quorum and he reaches after 11:30 A.M. (i.e. after half an hour from the starting time of the meeting), the meeting will be adjourned as provided above.

(iii) In case of lack of quorum, the meeting will be adjourned as provided in section 103 of the Companies Act, 2013.

In case of the adjourned meeting or change of day, time or place of meeting, the company shall give not less than 3 days' notice to the members either individually or by publishing an advertisement in the newspaper.

(iv) Where quorum is not present in the adjourned meeting also within half an hour, then the members present shall form the quorum.

Question - 16

As a matter of fact, the usual time allowed for making entries in the register of members or register of debenture-holders or register of other security holders is seven days after the Board of Directors or its committee grants

its approval. There are certain events, on the happening of which the entries can be made even after seven days. Which are those events?

ANSWER

- In this respect Rules 5 (7) and 5 (8) of the Companies (Management and Administration) Rules, 2014 are relevant.
- Rule 5 (7) specifies that in case of companies whose securities are listed on a stock exchange in or outside India, the particulars of any pledge, charge, lien or hypothecation created by the promoters in respect of any securities of the company held by the promoter including the names of pledgee/pawnee and any revocation therein shall be entered in the register within **fifteen days** from such an event.
- According to Rule 5 (8), if promoters of any listed company, which has formed a joint venture company with another company, have pledged or hypothecated or created charge or lien in respect of any security of the listed company in connection with such joint venture company, the particulars of such pledge, hypothecation, charge and lien shall be entered in the register members of the listed company within **fifteen days** from such an event.
- Thus, in the above two cases, it is permitted for the listed companies to make entries relating to pledge, charge, lien or hypothecation in the registers within fifteen days from the happening of such an event.

Question - 17

With a view to transact some urgent business, Ratna, Rimpi and Ratnesh, the three directors of Shilpkaar Constructions Limited are desirous of calling a general meeting of shareholders by giving shorter notice than 21 days' clear notice. The fourth director, Nilesh is of the opinion that such an action will attract penalty provisions since there is contravention. The paid-up share capital of the company is ₹ 30 crores divided into 3 crores shares of ₹ 10 each. Keeping in view the applicable provisions of the Companies Act, 2013, discuss regarding the possibility of calling a general meeting by giving shorter notice.

ANSWER

Normally, general meetings are to be called by giving at least 21 clear days' notice as required by Section 101 (1) of the Companies Act, 2013.

As an exception, first proviso to Section 101 (1) states that a general meeting may be called after giving shorter notice than that specified in sub-section (1) of Section 101, if consent, in writing or by electronic mode, is accorded thereto—

(i) In the case of an annual general meeting, by not less than ninety-five per cent. of the members entitled to vote thereat; and

(ii) In the case of any other general meeting, by members of the company—

(a) holding, if the company has a share capital, majority in number of members entitled to vote and who represent not less than ninety-five per cent. of such part of the paid-up share capital of the company as gives a right to vote at the meeting; or

(b) having, if the company has no share capital, not less than ninety-five per cent. of the total voting power exercisable at that meeting.

Second proviso to Section 101 (1) clarifies that where any member of a company is entitled to vote only on some resolution or resolutions to be moved at a meeting and not on the others, those members shall be taken into account for the purposes of sub section (1) of section 101 in respect of the former resolution or resolutions and not in respect of the latter.

In view of the above provisions, Shilpkaar Constructions Limited is permitted to call the requisite general meeting by giving a shorter notice.

However, the members holding at least ninety-five per cent of the paid-up share capital of the company which gives them a right to vote at the meeting must consent to the shorter notice.

Hence, the opinion of Nilesh that there shall be contravention of relevant provisions attracting penalty if a general meeting is called at shorter notice than usually required is not correct.

SCCL accepts a loan of ₹ 1.5 crores from Mr. Mohit and the loan is expected to be repaid after twenty four months. SCCL in its books of account, records the receipt as a loan under non-current liabilities. At the time of advancing loan, Mr. Mohit affirms in writing that such amount is not being given out of funds acquired by him by borrowing or accepting loans or deposits from others and complete details of such loan transaction is furnished in the boards' report.

DBSL which is an unlisted public company, also proposed to accept the deposits from the public as on 1st November, 2021, which would be due for repayment on 30th September, 2026. DBSL also accepts a LAP (Loan against property) for a term of 10 years from a financial institution on 18th June 2021. Charge was created on

that day, but DBSL failed to register the charge with the registrar within the prescribed time. The Registrar granted a grace period of further 30 days to DBSL in respect of application filed by it for the same, however, still it failed to register the charge within the prescribed time. Finally, the application for registration of charge was furnished on 18th August 2021.

SCCL has registered office in Paonta-sahib (Himachal Pradesh) and corporate office is situated in Dehradun (Uttarakhand) but around 15% of total members whose name is entered in members register are residents of Nainital (Uttarakhand). SCCL has a liaison Office at Nainital. Management of the company is willing to place the register of members at the Nainital Liaison Office.

DBSL convene its 7th AGM on 10th September, 2021 at the registered office of the company. Notice for same was served on 21st August 2021. 78% of members gave consent to convening AGM at shorter notice due to ambiguity and possibility of another lockdown starting from 11th September 2021, on account of the Omicron variant of COVID-19.

Based on above, answer the following questions:

(1) Pick the right statement regarding SCCL's willingness to keep and maintain the register of members at the Nainital liaison office.

(a) Register of members shall be kept at either registered office or within the same city that too after passing the resolution, hence SCCL is not correct in placing it at the Nainital liaison office

(b) Register of members cannot be kept at any other place by SCCL, without passing an ordinary resolution

(c) Register of members can be kept at Nainital liaison office, after passing a special resolution, because more than 1/10th of the total members entered in the register of members reside there

(d) Register of members cannot be kept at Nainital liaison office, even after passing a special resolution, because less than 1/20th of the total members entered in the register of members reside there

(2) With reference to deposit proposed to be accepted by DBSL and its duration, you are required to identify which of the following statements is correct:

(a) There is no requirement relating to the duration of deposit, DBSL can accept deposit for any duration.

(b) Since DBSL is an unlisted company, provisions relating to the duration of the deposit are not applicable to it.

(c) There is a provision of a minimum duration of six months, but no upper cap to length is provided. Hence deposit proposed to be accepted by DBSL would be in compliance to provisions of Law.

(d) Acceptance of deposits by DBSL would be in violation of provisions of law, because the maximum period of acceptance of deposit cannot exceed thirty-six months.

(3) With reference to application to the registrar for registration of charge by DBSL, which of the following statements is correct?

(a) The charge cannot be registered now, even if the Registrar permits the same.

(b) The charge can be registered, if registrar permits with payment of ad-valorem fees.

(c) The charge can be registered, if registrar permits but with payment of additional fees as prescribed.

(d) The charge can be registered, with payment of standard fees.

(4) With reference to the loan advanced by Mr. Mohit to SCCL, state whether the same is to be classified as a deposit or not?

(a) Deposit, because any sum advanced by the director whether loan or otherwise is always classified as a deposit.

(b) Deposit, because the tenor of the loan is for a period of more than six months.

(c) Not a deposit, because such amount is recorded as loan in books of account of SCCL.

(d) Not a deposit, because the necessary written declaration is provided by Mr. Mohit in respect of such loan advanced to SCCL.

(5) Considering the provision relating to length of Notice for AGM, pick out the right option:

(a) Notice served by DBSL is not valid, because notice given within a shorter duration has to be consented to by all the members entitled to vote at AGM.

(b) Notice served by DBSL is not valid, because notice given within a shorter duration has to be consented to, by atleast 95% of members entitled to vote thereat.

(c) Notice served by DBSL is valid because such shorter notice has been consented to, by 75% of members entitled to vote thereat.

(d) Notice served by DBSL is not valid, because notice given within shorter duration needs to be at-least consented by 50% of the members entitled to vote at the AGM and that too, in writing.

Division B - Descriptive Questions

Question - 1

The Annual General Meeting of ABC Bakers Limited held on 30th May, 2022, declared a dividend at the rate of 30% payable on its paid-up equity share capital as recommended by Board of Directors. However, the Company was unable to post the dividend warrant to Mr. Ranjan, an equity shareholder, up to 25th July, 2022. Mr. Ranjan filed a suit against the Company for the payment of dividend along with interest at the rate of 20 percent per annum for the period of default. Decide in the light of provisions of the Companies Act, 2013, whether Mr. Ranjan would succeed? Also, state the directors' liability in this regard under the Act.

ANSWER

Section 127 of the Companies Act, 2013 lays down the penalty for nonpayment of dividend within the prescribed time period of 30 days.

According to this section where a dividend has been declared by a company but has not been paid or the warrant in respect thereof has not been posted within 30 days from the date of declaration of dividend to any shareholder entitled to the payment of dividend:

(a) Every director of the company shall, if he is knowingly a party to the default, be punishable with imprisonment maximum up to two years and with minimum fine of rupees one thousand for every day during which such default continues; and

(b) The company shall be liable to pay simple interest at the rate of 18% per annum during the period for which such default continues.

Therefore, in the given case Mr. Ranjan will not succeed if he claims interest at 20% interest as the limit under section 127 is 18% per annum.

Question - 2

The Board of Directors of Future Fashions Limited at its meeting recommended a dividend on its paid-up equity share capital which was later on approved by the shareholders at the Annual General Meeting. Thereafter, the directors at another meeting of the Board passed a board resolution for diverting the total dividend to be paid to the shareholders for purchase of certain short-term investments in the name of the company. As a result, dividend was paid to shareholders after 45 days.

Examining the provisions of the Companies Act, 2013, state whether the act of directors is in violation of the provisions of the Act and if so, state the consequences that shall follow for the above violative act.

ANSWER

- According to section 124 of the Companies Act, 2013, where a dividend has been declared by a company but has not been paid or claimed within 30 days from the date of the declaration, the company shall, within 7 days from the date of expiry of the said period of 30 days, transfer the total amount of dividend which remains unpaid or unclaimed to a special account to be opened by the company in any scheduled bank to be called the Unpaid Dividend Account.
- Further, according to section 127 of the Companies Act, 2013, where a dividend has been declared by a company but has not been paid or the warrant in respect thereof has not been posted within 30 days from the date of declaration to any entitled shareholder, every director of the company shall, if he is knowingly a party to the default, be liable for punishment.
- In the present case, the Board of Directors of Future Fashions Limited at its meeting recommended a dividend on its paid-up equity share capital which was later on approved by the shareholders at the Annual General Meeting.
- Thereafter, the directors at another meeting of the Board decided by passing a board resolution for diverting the total dividend to be paid to the shareholders for purchase of certain short-term investments in the name of the company.

As a result, dividend was paid to shareholders after 45 days.

(i) Sine, declared dividend has not been paid within 30 days from the date of the declaration to any shareholder entitled to the payment of dividend, the company shall, within 7 days from the date of expiry of the said period of 30 days,

transfer the total amount of dividend which remains unpaid or unclaimed to a special account to be opened by the company in any scheduled bank to be called the Unpaid Dividend Account.

(ii) The Board of Directors of Future Fashions Limited has violated section 127 of the Companies Act, 2013 as it failed to pay dividend to shareholders within 30 days due to its decision to divert the total dividend to be paid to shareholders for purchase of certain short-term investments in the name of the company.

Consequences: The following are the consequences for violation of the above provisions:

(a) Every director of the company shall, if he is knowingly a party to the default, be punishable with maximum imprisonment of two years and shall also be liable for a minimum fine rupees one thousand for every day during which such default continues.

(b) The company shall also be liable to pay simple interest at the rate of 18% p.a. during the period for which such default continues.

Question - 3

Referring to the provisions of the Companies Act, 2013, examine the validity of the following:

The Board of Directors of ABC Tractors Limited proposes to declare dividend at the rate of 20% to the equity shareholders, despite the fact that the company has defaulted in repayment of public deposits accepted before the commencement of this Act.

ANSWER

- Section 123(6) of the Companies Act, 2013, specifically provides that a company which fails to comply with the provisions of section 73 (Prohibition of acceptance of deposits from public) and section 74 (Repayment of deposits, etc., accepted before the commencement of this Act) shall not, so long as such failure continues, declare any dividend on its equity shares.
- In the given instance, the Board of Directors of ABC Tractors Limited proposes to declare dividend at the rate of 20% to the equity shareholders, in spite of the fact that the company has defaulted in repayment of public deposits accepted before the commencement of the Companies Act, 2013.
- Hence, according to the above provision, declaration of dividend by the ABC Tractors Limited is not valid.

Question - 4

Star computers Limited declared and paid dividend in time to all its equity holders for the financial year 2021-22, except in the following two cases:

(i) Mrs. Sheela Bhatt, holding 250 shares had mandated the company to directly deposit the dividend amount in her bank account. The company, accordingly remitted the dividend but the bank returned the payment on the ground that there was difference in surname of the payee in the bank records. The company, however, did not inform Mrs. Sheela Bhatt about this discrepancy.

(ii) Dividend amount of ₹ 50,000 was not paid to the successor of Late Mr. Mohan, in view of the court order restraining the payment due to family dispute about succession.

You are required to analyse these cases with reference to provisions of the Companies Act, 2013 regarding failure to distribute dividends.

ANSWER

(i) Section 127 of the Companies Act, 2013 provides for punishment for failure to distribute dividend on time.

One of such situations is where a shareholder has given directions to the company regarding the payment of the dividend and those directions could not be complied with but the non-compliance was not communicated to him.

In the given situation, the company has failed to communicate to the shareholder Mrs. Sheela Bhatt about non-compliance of her direction regarding payment of dividend.

Hence, the penal provisions under section 127 will be applicable.

(ii) Section 127, inter-alia, provides that no offence shall be deemed to have been committed where the dividend could not be paid by reason of operation of law.

In the present case, the dividend could not be paid because it was not allowed to be paid by the court until the matter was resolved about succession.

Hence, there will not be any liability on the company and its directors, etc.

ANSWER

- According to Section 8(1) of the Companies Act, 2013, the companies licenced under Section 8 of the Act (Formation of companies with Charitable Objects, etc.) are prohibited from paying any dividend to their members.
- Their profits are intended to be applied only in promoting the objects for which they are formed.

Question - 6

YZ Medical Instruments Limited is a manufacturing company & has proposed a dividend @ 10% for the year 2022-2023 out of the profits of current year. The company has earned a profit of ₹ 910 crores during 2022-2023. The company does not intend to transfer any amount to the general reserves out of the profits. Is YZ Medical Instruments Limited allowed to do so? Comment.

ANSWER

- According to section 123 of the Companies Act, 2013 a company may, before the declaration of any dividend in any financial year, transfer such percentage of its profits for that financial year as it may consider appropriate to the reserves of the company.
- Such transfer is not mandatory and the percentage to be transferred to reserves is at the discretion of the company.
- As per the given facts, YZ Medical Instruments Limited has earned a profit of ₹ 910 crores for the financial year 2022-2023. It has proposed a dividend @ 10%.
- However, it does not intend to transfer any amount to the reserves of the company out of the profits of current year.
- As per the provisions stated above, the amount to be transferred to reserves out of profits for any financial year is at the discretion of the company acting through its Board of Directors.

Question - 8

Alex limited is facing loss in business during the financial year 2022-2023. In the immediate preceding three financial years, the company had declared dividend at the rate of 7%, 11% and 12% respectively. The Board of Directors has decided to declare 12% interim dividend for the current financial year atleast to be in par with the immediate preceding year. Is the act of the Board of Directors valid?

ANSWER

- As per Section 123(3) of the Companies Act, 2013, the Board of Directors of a company may declare interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared.
- Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend shall not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.
- According to the given facts, Alex Ltd. is facing loss in business during the financial year 2022-2023.
- In the immediate preceding three financial years, the company declared dividend at the rate of 7%, 11% and 12% respectively.
- Accordingly, the rate of dividend declared shall not exceed 10%, the average of the rates (7+11+12=30/3) at which dividend was declared by it during the immediately preceding three financial years.
- Therefore, the act of the Board of Directors as to declaration of interim dividend at the rate of 12% during the F.Y 2022-2023 is not valid.

Division C – Case Study Based MCQ

The Board of Directors of LESCO Pharmaceuticals Limited (hereinafter referred to as "company") were meeting again in the month of May 2019 for the discussion of two important agenda which had a direct relation to the ensuing Annual General Meeting scheduled for 30th September 2019. The first Agenda was related to the authentication of financial statements and the second one was in connection with Dividend. Although the first item in the agenda did not take much time and necessary Board resolution was passed, the second agenda was a matter of concern for the directors.

Ms. Sunita, one of the directors proposed that since the company had not made any profits during the year, it would not be appropriate to declare any dividend for the financial year 2018-19. However, all other directors felt that last year's rate of dividend of 5% should be maintained and the same should at least be paid this year to keep the shareholders happy. Ms. Sunita again objected by saying that the legal provisions as envisaged under Section 123 of the Companies Act, 2013 clearly states that dividend by a company for any financial year can be paid or declared only out of the profits of the company of that year and since there was no profit there was no legal compulsion to pay dividend. She strongly contended that paying dividend was a matter of financial choice by the Board of Directors and accordingly, the board should take an informed decision. The priority for the Board is to ensure that cash flow is maintained first and then the "happiness" of the Shareholders be considered.

Another director, Mr. Robinder suggested that the company had made a substantial gain on revaluation of assets and if that would be considered then there would be sufficient profits for declaration of dividends out of such gain.

Finally, the Chairman-cum-Managing Director, Mr. Ramesh interfered and suggested that perhaps there is a provision in the Companies Act, 2013 relating to payment of dividend in the absence of profits and that the Company Secretary, Ms. Ameeka should work out the possibilities and all legal aspects connected and then call for another Board Meeting for finalising the payment of Dividend. The meeting then ended with a vote of thanks to the Chair.

(b) Partly agree with Ms. Sunita but apart from Profits, a company can pay dividend out of money provided by the Central or State Government in pursuance of the guarantee given by them.

(c) Partly agree with Ms. Sunita that apart from profits (either current year or previous year), even in the event of inadequacy or absence of profits, a company may declare dividend out of free reserves, subject to fulfilling certain conditions.

(d) Partly agree with Ms. Sunita that company can pay dividends not only out of profits but also out of money provided by Central Government or State Government in pursuance of the guarantee given by them or out of money available in free reserves, and in each case subject to fulfilment to conditions prescribed.

Question - 7

The Income Tax Authorities in the current financial year 2022-23 observed, during the assessment proceedings, a need to re-open the accounts of Chetan Ltd. for the financial year 2011-12 and, therefore, filed an application before the National Company Law Tribunal (NCLT) to issue the order to Chetan Ltd. for re-opening of its accounts

and recasting the financial statements for the financial year 2011-12. Examine the validity of the application filed by the Income Tax Authorities to NCLT

ANSWER

As per section 130 of the Companies Act, 2013, a company shall not re-open its books of account and not recast its financial statements, unless an application in this regard is made by the Central Government, the Income-tax authorities, the Securities and Exchange Board, any other statutory body or authority or any person concerned and an order is made by a court of competent jurisdiction or the Tribunal to the effect that—

(i) The relevant earlier accounts were prepared in a fraudulent manner; or

(ii) The affairs of the company were mismanaged during the relevant period, casting a doubt on the relatability of financial statements:

However, no order shall be made in respect of re-opening of books of account relating to a period earlier than eight financial years immediately preceding the current financial year.

In the given instance, an application was filed for re-opening and re-casting of the financial statements of Chetan Ltd. for the financial year 2011-2012 which is beyond 8 financial years immediately preceding the current financial year.

Though application filed by the Income Tax Authorities to NCLT is valid, its recommendation for reopening and recasting of financial statements for the period earlier than eight financial years immediately preceding the current financial year i.e. 2022-2023, is invalid.

Question - 1

State the procedure of the following, explaining the relevant provisions of the Companies Act, 2013;

(i) Appointment of First Auditor, when the Board of directors did not appoint the First Auditor within one month from the date of registration of the company.

(ii) Removal of Statutory Auditor (appointed in last Annual General Meeting) before the expiry of his term.

ANSWER

(i) Section 139(6) of the Companies Act, 2013 lays down that the first auditor of a company shall be appointed by the Board of Directors within 30 days of the registration of the company.

Section 139 (6) continues to provide further that if the Board of Directors fails to appoint such auditor, it shall inform the members of the company, who shall within ninety days at an extraordinary general meeting appoint such auditor and such auditor shall hold office till the conclusion of the first annual general meeting.

From the above provisions of law if the Board of Directors fails to appoint the first auditors within the stipulated 30 days, it shall take the following steps:

(a) Inform the members of the Company;

(b) Immediately take steps to convene an extra ordinary general meeting not later than 90 days;

(c) Members shall at that extra ordinary meeting appoint the first auditors of the company;

(d) The first auditors so appointed shall hold office upto the conclusion of the AGM of the company.

(ii) Section 140 of the companies Act, 2013 prescribes certain procedure for removal of auditors. Under section 140(1) the auditor appointed under section 139 may be removed from his office before the expiry of his term only by a special resolution of the company, after obtaining the previous approval of the Central Government in that behalf in the prescribed manner. From this sub section it is clear that the approval of the Central Government shall be taken first and thereafter the special resolution of the company should be passed.

Provided that before taking any action under this sub-section, the auditor concerned shall be given a reasonable opportunity of being heard.

The application to the Central Government for removal of auditor shall be made in Form ADT-2 and accompanied with fees as provided for this purpose under the Companies (Registration Offices and Fees) Rules, 2014.

The application shall be made to the Central Government within thirty days of the resolution passed by the Board.

Question - 2

One-fourth of the subscribed capital of AMC Limited was held by the Government of Rajasthan. Mr. Neeraj, a Chartered Accountant, was appointed as an auditor of the Company at the Annual General Meeting held on 30 April, 2018 by an ordinary resolution. Mr. Sanjay, a shareholder of the Company, objects to the manner of appointment of Mr. Neeraj on the ground of violation of the Companies Act, 2013. Decide whether the objection of Mr. Sanjay is tenable? Also examine the consequences of the above appointment under the said Act.

ANSWER

- As per the section 2(45) of the Companies Act, 2013, the holding of 25% shares of AMC Ltd. by the Government of Rajasthan does not make it a government company.
- Hence, it will be treated as a non-government company.
- Under section 139 of the Companies Act, 2013, the appointment of an auditor by a company vests generally with the members of the company except in the case of the first auditors and in the filling up of the casual vacancy not caused by the resignation of the auditor, in which case, the power to appoint the auditor vests with the Board of Directors.
- The appointment by the members is by way of an ordinary resolution only and no exceptions have been made in the Act whereby a special resolution is required for the appointment of the auditors.
- Therefore, the contention of Mr. Sanjay is not tenable. The appointment is valid under the Companies Act, 2013.

Question - 3

EF Limited appointed an individual firm, Naresh & Company, Chartered Accountants, as Auditors of the company at the Annual General Meeting held on 30 September 2022. Mrs. Kamala, wife of Mr. Naresh, invested in the equity shares face value of ₹ 1 lakh of EF Limited on 15 October 2022. But Naresh & Company continues to function as statutory auditors of the company. Advice.

- Provided that the relative of such person may hold security or interest in the company of face value not exceeding 1 lakh rupees as prescribed under the Companies (Audit and Auditors) Rules, 2014.
- In the case Mr. Naresh, Chartered Accountants, did not hold any such security.
- But Mrs. Kamala, his wife held equity shares of EF Limited of face value ₹ 1 lakh, which is within the specified limit.
- Further Section 141(4) provides that if an auditor becomes subject, after his appointment, to any of the disqualifications specified in sub-section 3 of section 141, he shall be deemed to have vacated his office of auditor.
- Hence, Naresh & Company can continue to function as auditors of the Company even after 15 October 2022 i.e. after the investment made by his wife in the equity shares of EF Limited.

Question - 4

(i) A Government company within the meaning of section 394 of the Companies Act, 2013.

(ii) A public company whose shareholders include XYZ Bank (a nationalized bank) holding 18% of the subscribed capital of the company.

ANSWER

(i) The appointment and re-appointment of auditor of a Government Company or a government-controlled company is governed by the provisions of section 139 of the Companies Act, 2013 which are summarized as under:

The first auditor shall be appointed by the Comptroller and Auditor General of India within 60 days from the date of incorporation and in case of failure to do so, the Board shall appoint auditor within next 30 days and on failure to do

In case of subsequent auditor for existing government companies, the Comptroller & Auditor General of India shall appoint the auditor within a period of 180 days from the commencement of the financial year and the auditor so appointed shall hold his position till the conclusion of the Annual General Meeting.

(ii) In the given case as the total shareholding of the XYZ Bank is just 18% of the subscribed capital of the company, it is not a government company. Hence the provisions applicable to non-government companies in relation to the appointment of auditors shall apply.

The auditor shall be appointed as follows:
