(ii) Outsiders dealing with the company are entitled to assume that as far as internal proceedings of the company are concerned, everything has been done regularly. 	Negligence	Where a person dealing with a company could discover the irregularity if he had made proper inquiries, he cannot claim the benefit of the rule of indoor management. The protection of this rule is also not available where the circumstances surrounding the contract are so suspicious as to invite inquiry, and the outsider dealing with the company does not make proper inquiry Reference Case: Anand Biharilal vs Dinshaw & Company
	Forgery	Traditionally, outsider does not get the benefit of Turquand Rule in case of forgery because forgery means "no acceptance" and hence no agreement.

		Reference Case: Ruben vs Great Fingall consolidated company.
	No knowledge of articles	<p>If the authority to enter into a contract on behalf of the company could be delegated to an officer or employee of the company as per the articles, but such authority has not been actually delegated to him, an outsider who deals with such an officer cannot assume that the required authority has been delegated to him, if the outsider has not read the articles.</p> <p>Reference Case: Rama Corporation vs Proved Tin & General Investment Company Ltd.</p>
	Illegal transactions	The benefit of doctrine of indoor management is not available in case of any ultra vires or illegal transaction.
<p>1. The role of doctrine of 'Indoor management' is opposed to that of the role of 'Constructive notice'. Comment on this statement with reference to the Companies Act, 2013. (6 Marks) (MTP Nov. 23)</p> <p>2. The directors of Smart Computers limited borrowed a sum of money from Mr. Tridev. The company's articles provided that the directors may borrow on bonds such sums as may, from time to time, be authorized by resolution passed at a general meeting of the company. The shareholders claimed that there had been no such resolution authorizing the loan, and therefore, it was taken without their authority and the company is not bound to repay the loan to Tridev. In the light of the contention of shareholders, decide whether the company is bound to pay the loan. (MTP MAY 2020) (NOV 2016)</p> <p>Conclusion - In the given question, Mr. Tridev being a person external to the company, need not enquire whether the necessary meeting was convened and held properly or whether necessary resolution was passed properly. Even if the shareholders claim that no resolution authorizing the loan was passed, the company is bound to pay the loan to Mr. Tridev.</p> <p>3. The Doctrine of Indoor Management always protects the persons (outsiders) dealing with a company." Explain the above statement. Also, state the exceptions to the above rule (MAY 2015) (NOV 2018) (MTP Sep 22)</p>

Anand Bihari Lal vs Dinshaw & Company

Facts	An accountant of the company entered into a contract on behalf of the company with a party to sell the property of the company.
Case law	Anand Bihari Lal vs Dinshaw & Company
Conclusion	<p>(i) It was held that the third party could not assume that the accountant was authorised by the company to sell the property of the company.</p> <p>(ii) Therefore, the third party could not enforce such a contract against the company even though the third party had acted bonafide.</p>

Ruben vs Great Fingall Consolidated Company

Facts	<p>(i) A share certificate was issued under the common seal of the company.</p> <p>(ii) The secretary of the company had signed on the share certificate.</p> <p>(iii) However, the signatures of two directors were also required on it, which were forged by the secretary.</p> <p>(iv) The holder of the share certificate contended that he was not aware of the fact of forgery, it was not possible for him to determine whether the signatures were genuine or forged and therefore, the certificate issued to him should be held as valid.</p>
Case law	Ruben vs Great Fingall Consolidated Company
Conclusion	The Court held that in case of forgery, there is not a defect in consent, but absence of consent, and therefore the certificate issued by way of forgery is void. Thus, the certificate was held to be invalid.

1. As at 31st March, 2018, the paid up share capital of S Ltd. is ` 1,00,00,000 divided into 10,00,000 equity shares of ` 10 each. Of this, H Ltd. is holding 6,00,000 equity shares and 4,00,000 equity shares are held by others. Simultaneously, S Ltd. is holding 5% equity shares of H Ltd. out of which 1% shares are held as a legal representative of a deceased member of H Ltd. On the basis of the given information, examine and answer the following queries with reference to the provisions of the Companies Act, 2013 : (MAY 2019)

- (i) Can S Ltd. make further investment in equity shares of H Ltd. during 2018-19?
- (ii) Can S Ltd. exercise voting rights at Annual general meeting of H Ltd.?
- (iii) Can H Ltd. allot or transfer some of its shares to S Ltd.?

In the instant case,

- (i) As per the provisions of sub-section (1) of Section 19 of the Companies Act, 2013, no company shall, either by itself or through its nominees, hold any shares in its holding company. Therefore, S Ltd. cannot make further investment in equity shares of H Ltd. during 2018-19.
 - (ii) As per second proviso to Section 19, a subsidiary company shall have a right to vote at a meeting of the holding company only in respect of the shares held by it as a legal representative or as a trustee. Therefore, S Ltd. can exercise voting rights at the Annual General Meeting of H Ltd. only in respect of 1% shares held as a legal representative of a deceased member of H Ltd.
 - (iii) Section 19 also provides that no holding company shall allot or transfer its shares to any of its subsidiary companies and any such allotment or transfer of shares of a company to its subsidiary company shall be void. Therefore, H Ltd. cannot allot or transfer some of its shares to S Ltd.
2. S Ltd acquired 10% paid up share capital of H Ltd on 15th March 2017. H Ltd acquired 55% paid up share capital of S Ltd on 10th March 2018. H Ltd. on 25th September, 2020 decided to issue bonus shares in the ratio of 1:1 to the existing shareholders. Accordingly, bonus shares were allotted to S Ltd. Examine under the provisions of the Companies Act, 2013 and decide(Nov 2020)
- (i) the validity of holding of shares by S Ltd. in H Ltd.
 - (ii) allotment of Bonus shares by H Ltd. to S Ltd.

Conclusion - In the given case, H Ltd. has acquired 55% paid up share capital of S Ltd. on 10th March 2018. Whereas, S Ltd. has been holding 10% paid up share capital of H Ltd. since 15th March, 2017. The said instance as asked in the question falls under the exception stated above.

Therefore -

- (i) Holding of shares by S Ltd. in H Ltd. is valid in view of the proviso (c) to sub-section of section 19 of the Act, which states that the restrictions of provisions of section 19(1) will not be applicable where the subsidiary company is a shareholder even before it became a subsidiary company of the holding company.
 - (ii) Allotment of bonus shares by H Ltd. to S Ltd. is also valid in view of the above proviso

As per the provisions of the Companies Act, 2013, decide whether Pentagon Limited can hold shares of Octagon Limited.(6 Marks) (MTP Sep. 22)

It means now subsidiary will hold shares in the holding company. But it will hold shares in the capacity of a trustee. Therefore, we can conclude that in the given situation Pentagon Limited can hold shares in Octagon Limited.

MNP Limited controls the composition of the Board of Directors of XYZ Limited and PQR Limited on 01.07.2023. Examine with reference to the relevant provisions of the Companies Act, 2013 —
- (i) Whether ABC Limited is a subsidiary of MNP Limited ?

 - a. Wire Electricals Limited having paid-up capital of ` 1.00 crore availed a term loan of ` 10,00,000 from ABC Bank Limited to purchase electrical items. Mr. Taar, one of the directors of the company, is of the opinion that it shall be considered as 'deposit'. Is his contention correct?

Hint –

 - a. In terms of Rule 2 (1) (c) (iii) of the Companies (Acceptance of Deposits) Rules, 2014, any amount received as a loan or facility from any banking company shall not be considered as 'deposit'. In view of the above, the contention of Mr. Taar that the term loan of ` 10,00,000 availed by the company from ABC Bank Limited shall be considered as 'deposit' is not correct.
 - b. As per Rule 3 (5) of the Companies (Acceptance of Deposits) Rules 2014, a Government Company is not eligible to accept or renew deposits under section 76, if the amount of such deposits together with the amount of other deposits outstanding as on the date of acceptance or renewal exceeds thirty five per cent of the aggregate of its paid-up share capital, free reserves and securities premium account. Comment whether the AGM conducted after adjournment is valid or not as per the provisions of section 103 of Companies Act 2013 by explaining the relevant provisions in this regard.</p>	

What would be your answer in the above case, if PQ Limited is a Private company?(Nov 2020)

Hint - In the instant case, there were only 12 members personally present on the day of meeting of PQ Limited upto 11:30 AM. This was not in compliance with the required quorum as per the law. In the adjourned meeting also, the required quorum was not present but in the adjourned meeting, the members present shall be considered as quorum in line with the provisions of section 103.

Hence, the AGM conducted by PQ Limited after adjournment is valid.

As per the provisions of section 103(1)(b), in case of a private company, two members personally present, shall be quorum for the meeting of a company. Therefore, in case, PQ Limited is a private company, then only two members personally present shall be the quorum for AGM and there was no need for adjournment.

- 3. Examine the validity -The Board of Directors of Shrey Ltd. called an extraordinary general meeting upon the requisition of members. However, the meeting was adjourned on the ground that the quorum was not present at the meeting. Advise the company. (RTP NOV 2018) (4 Marks) (MTP M 21)**

Hint - if the quorum is not present within half an hour from the appointed time for holding a meeting of the company, the meeting, if called on the requisition of members, shall stand cancelled. Therefore, the meeting stands cancelled and the stand taken by the Board of Directors to adjourn it, is not proper.

Other Important Points

1. If all the members are present, it is immaterial that the quorum required is more than the total number of members.
2. Quorum must be present throughout the meeting and not just at the time of commencement.
3. The quorum is required even if some members have already cast their votes through E-voting facility; such members shall have right to attend the GM and shall be counted for quorum.

The company has not declared any dividend in the preceding three financial years. Decide whether AB Limited is allowed to declare dividend or not for the FY 2019-20 by explaining the relevant provisions of the Companies Act in this regard. If allowed to declare dividend then state the maximum amount of dividend that can be paid by AB Limited as per the Section 123 of Companies Act 2013. (2 + 2 = 4 Marks) (Nov 2020)

Hint:

In the given case, AB Limited has not made adequate profits during the current year ending on 31st March, 2020, but it still wants to declare dividend. Therefore, Rule 3 of the Companies (Declaration and Payment of Dividend) Rules, 2014 will be applied.

According to the said rule, the required conditions are:

Condition I: The rate of dividend declared shall not exceed the average of the rates at which dividend was declared by the company in the three years immediately preceding that year. Since the company has not declared any dividend in the preceding three financial years, hence condition I is not applicable in this case.

Condition II: The total amount to be drawn from such accumulated profits shall not exceed 10% of its paid-up share capital and free reserves as appearing in the latest audited financial statement.

Paid-up capital + Free reserves = ₹ (100 + 150) Lakhs (General reserves are free reserves) = ₹ 250 Lakhs

10% thereof = ₹ 25 Lakhs

Condition III: The amount so drawn shall first be utilized to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.

The amount drawn as stated above	=	₹	25	Lakhs
Less: loss for the financial year 2019-2020	=	₹	20	Lakhs
Amount available	=	₹	5	Lakhs

Hence, the quantum of dividend is further restricted to ₹ 5 lakhs.

Condition IV: The balance of reserves after such withdrawal shall not fall below 15% of its paid up share capital as appearing in the latest audited financial statement.

Accumulated Reserves	₹ 150 Lakhs
Proposed withdrawal declaration of dividend	₹ 5 Lakhs
Balance of Reserves	₹ 145 Lakhs

This is more than 15% of paid-up capital (i.e. 15% of ₹ 100 Lakhs) i.e. ₹ 15 lakhs. Thus, the company can declare a dividend of ₹ 5 lakhs.

Hence, by following above provisions, AB Limited is allowed to declare dividend for the FY 2019-2020 and the maximum amount of dividend that can be paid is ₹ 5 Lakhs.

3. MNP Ltd. has a paid up share capital of ` 10 crore and free reserves of ` 50 crore, as on 31st March, 2019. The company made a loss of ` 40 lakh after providing for depreciation for the year ended 31st March, 2019 and as a result, the company was not in a position to declare any dividend for the said year out of profits. However, the Board of directors of the company announced the declaration of dividend of 20% on the equity shares payable out of free reserves. The average dividend declared by the company in the last three years is 25%. Referring to the provisions of the Companies Act, 2013, examine the validity of declaration of dividend.(RTP MAY 2020)

Hint –

As per Second Proviso to Section 123 (1), in the event of inadequacy or absence of profits in any financial year, a company may declare dividend out of the accumulated profits of previous years which have been transferred to the free reserves. However, such declaration shall be subject to the following conditions as per Rule 3 of Companies (Declaration and Payment of Dividend) Rules, 2014.

- (a) The rate of dividend declared shall not exceed the average of the rates at which dividend was declared by the company in the immediately preceding three years.

As per facts of the question the present rate of dividend is 20% and average dividend declared in the last three years is 25%. So, this condition is fulfilled

- (b) The total amount to be drawn from free reserves shall not exceed one-tenth i.e., 10% of its paid-up share capital and free reserves as per the latest audited financial statement.

Amount of dividend proposed: ` 2 Crores (20% of ` 10 Crore i.e on paid up capital) 10% of paid up share capital and free reserves: 10% of (10 crore + 50 crore) = 6 Crore.

This condition is fulfilled as amount of dividend is not exceeding 10% of its paid-up share capital and free reserves.

- (c) After such withdrawal from free reserves, the residual reserves shall not fall below 15% of its paid-up share capital as per the latest audited financial statement.

Balance of reserves after payment of dividend: ` 48 crore (50 crore – 2 crore) 15% of paid up share capital: 1.5 crore (15% of 10 crore) This condition is fulfilled.

Taking into account all the conditions, it can be said that declaration of dividend by MNP Limited is valid.

Payment of dividend	<ol style="list-style-type: none"> 1. The amount of the dividend (including interim dividend) shall be deposited in a scheduled bank in a separate account within 5 days of declaration of such dividend. 2. Mr. Ambrish, holder of 1000 equity shares of ` 10 each of AB Ltd. approached the Company in the last week of September, 2022 with a claim for the payment of dividend of ` 2000 declared @ 20% by the Company at its Annual General Meeting held on 31.08.2014 with respect to the financial year 2013-14. The Company refused to accept the request of R and informed him that his shares on which dividend has not been claimed till date, have also been transferred to the Investor Education and Protection Fund. Examine, in the light of the provisions of the Companies Act, 2013, the validity of the decision of the Company and suggest the remedy, if available, to him for obtaining the unclaimed amount of dividend and re-transfer of corresponding shares in his name.(5 Marks) (MTP Sep. 23)

Hint –

In the given question, Mr. Ambrish did not claim the payment of dividend on his shares for a period of more than 7 years (i.e. expiry of 30 days from 31.08.2014 to last week of September 2022). As a result, his unclaimed dividend (` 2,000) along with such shares (1,000 equity shares) must have been transferred to Investor Education and Protection Fund Account. Therefore, the company is justified in refusing to accept the request of Mr. Ambrish for the payment of dividend of ` 2,000 (declared in Annual General Meeting on 31.8.2014).

In terms of the above stated provisions, Mr. Ambrish should be advised as under:

- (i) If Mr. Ambrish wants to reclaim the transferred shares, he should apply to IEPF authorities along with the necessary documents in accordance with the prescribed procedure.
- (ii) He is also entitled to get refund of the dividend amount, which was transferred to the above fund; in accordance with the prescribed rules.

of a chairperson and such other members, not exceeding:

- a. Seven and a Chief Executive Officer**
- b. Seven including a Chief Executive Officer
- c. Eight and a Chief Executive Officer
- d. *As the Central Government may fix as per approval of Parliament*

1. The Directors of Silver tongue Solutions Limited proposed dividend at 18% on equity shares for the financial year 2018-2019. The same was approved in the Annual general body meeting held on 30th September 2019. The Directors declared the approved dividends. Mr. Jagan was the holder of 2000 equity of shares on 31st March, 2019, but he transferred the shares to Mr. Rajiv on 8th August 2019. Mr. Rajiv has sent the shares together with the instrument of transfer to the company for registration of the shares in

his favour only on 25th September 2019. The registration of the transfer of shares is pending on 30th September 2019. With respect to the dividend declared the correct action to be taken by the company is:

<p>1. The Director of Happy Limited proposed dividend at 12% on equity shares for the financial year 2016-17. The same was approved in the annual general meeting of the company held on 20th September, 2017. The Directors declared the approved dividends. Analysing the provisions of the Companies Act, 2013, give your opinion on the following matters: (RTP MAY 2018)</p> <p>(i) Mr. A, holding equity shares of face value of 10 lakhs has not paid an amount of Rs. 1 lakh towards call money on shares. Can the same be adjusted against the dividend amount payable to him?</p> <p>(ii) Ms. N was the holder of 1,000 equity shares on 31st March, 2017, but she has transferred the shares to Mr. R, whose name has been registered on 20th May, 20-17. Who will be entitled to the above dividend?</p> <p>Hint:-</p> <p>(i) As per the facts given in the question, Mr. A is holding equity shares of face value of ` 10 Lakhs and has not paid an amount of ` 1 lakh towards call money on shares. Referring to the above provision, Mr. A is eligible to get ` 1.20 lakh towards dividend, out of which an amount of ` 1 lakh can be lawfully adjusted towards call money due on his shares.</p> <p>(ii) According to section 123(5), dividend shall be payable only to the registered shareholder of the share or to his order or to his banker. Facts in the given case state that Ms. N, the holder of equity</p>	

shares transferred the shares to Mr. R whose name has been registered on 20th May 2017. Since, he became the registered shareholder before the declaration of the dividend in the Annual general meeting of the company held on 20th September 2017, so, Mr. Raj will be entitled to the dividend.

2.

- (i) **Mr. Bindra is holding 950 equity shares of Bio safe Herbals, a section 8 company. Bio safe Herbals is planning to declare dividend in the Annual General Meeting for the Financial Year ended 31-03-2020. Examine whether the act of the company is in accordance with the provisions of the Companies Act, 2013.**
- (ii) **Kiara, holder of 5000 equity shares of ` 100 each of Kanpur Leather Shoes Limited did not pay final call of ` 10 per share. Kanpur Leather Shoes Limited declared dividend @ 10%. Examine with reference to relevant provisions of the Companies Act, 2013, the amount of dividend Kiara should receive.(RTP MAY 2021) (MTP MAY 2019) (NOV 2018) (MTP MAY 21)**

Hint:-

- (i) Hence, in the instant case, the proposed act of Bio safe Herbals, a company licenced under Section 8 of the Companies Act, 2013, which is planning to declare dividend, is not in accordance to the provisions of the Companies Act, 2013. As sec 8 company cannot declare dividend
- (ii) Thus, as per the given facts, Kanpur Leather Shoes Limited can adjust the unpaid call money of ` 50,000 against the declared dividend of 10%, i.e. $5,00,000 \times 10/100 = 50,000$. Hence, call money of ` 50,000 not paid by Kiara can be adjusted fully from the entitled dividend amount of ` 50,000 payable to her.

- 3. Richlook Limited declared dividend at its Annual General Meeting held on 31-07-2023. The dividend warrant to Mr. A, a shareholder was posted on 22nd August, 2023. Due to postal delay Mr. A received the warrant on 5th September, 2023 and encashed it subsequently. Can Mr. A initiate action against the company for failure to distribute the dividend within 30 days of declaration under the provisions of the Companies Act, 2013?(3Marks) (MTP Oct. 23)**

Hint - In the given question, the dividend was declared on 31.07.2023 and the dividend warrant was posted within 30 days from date of declaration of dividend (posted on 22nd August, 2023). It is immaterial if Mr. A has received it on 5th September 2023 (i.e., post 30 days from 31.07.2023). Hence, Mr. A cannot initiate action against the company for failure to distribute the dividend within 30 days of declaration.

- 4. Mars Ltd. declared and paid dividend in time to all its equity holders for the financial year 2016-17, except in the following two cases:**

- (i) **Mrs. Sheetal, holding 250 shares had mandated the company to directly deposit the dividend amount in her bank account. The company, accordingly remitted the dividend but the bank returned the payment on the ground that there was difference in surname of the payee in the bank records. The company, however, did not inform Mrs. Sheetal about this discrepancy. (MAY 2019) (MTP MAY 21) (MTP Oct. 22)**
- (ii) **Dividend amount of Rs. 50,000 was not paid to Mr. Piyush, deceased, in view of court order restraining the payment due to family dispute about succession. You are required to analyse these cases with reference to provisions of the Companies Act, 2013 regarding failure to distribute dividends.(MTP NOV 2019)**

Hint:-

- (i) In the given situation, the company has failed to communicate to the shareholder Mrs. Sheetal about non-compliance of her direction regarding payment of dividend. Hence, the penal provisions under section 127 will be applicable.
- (ii) In the present circumstance, the dividend could not be paid because it was not allowed to be paid by the court until the matter was resolved about succession. Hence, there will not be any liability on the company and its Directors etc.

Mr. Ranjan filed a suit against the Company for the payment of dividend along with interest at the rate of 20 percent per annum for default period. Decide in the light of provisions of the Companies Act, 2013, whether Mr. Ranjan would succeed? Also, state the directors' liability in this regard under the Act. (MTP NOV 2019) (MTP Sep. 22)

Hint- in the given case Mr. Rajan will not succeed in his claim for 20% interest as the limit under section 127 is 18% per annum.

6. Sun Light Limited was incorporated on 22nd January 2019 with the objects of providing software services. The Company adopted its first financial year as from 22nd January 2019 to 31st March 2020. - (ii) Whether the Company can declare dividend in case it was registered under Section 8 of the Companies Act, 2013?
- (iii) What are the penal consequences in case of failure to pay the interim dividend?

Also, the financial statement revealed net profit so the interim dividend can be paid out of profits of the financial year ending 31st March, 2020.
- (ii) According to section 8 (1) of the Companies Act, 2013, a company having licence under Section 8 (*Formation of companies with charitable objects, etc.*) is prohibited from paying any dividend to its members. 1. The dividend amounts received or receivable on equity shares held by Mr. Vaibhav for the financial year 2021-22 was as follows:

Name of the Company	Dividend Declaration Date	Dividend Amount(₹)	Remarks
---------------------	---------------------------	--------------------	---------

Suvaas Limited	25.08.2022	800	Dividend was paid on 23.10.2022.
Bhandol Nidhi Limited	04.09.2022	100	Dividend was not paid within the stipulated time period.

Also, Mr. Vaibhav holds 100 cumulative preference shares of face value ₹ 1,00,000, in aggregate, of Jipanti Limited on which dividend payable is at the rate of 8% p.a. However, during financial year 2021-22, Jipanti Limited did not earn any profits. In the context of aforesaid case-scenario, please answer to the following question(s):-

- What could be the punishment to the company(ies) aforesaid in the table, with respect to delayed payment of dividend amount(s)?
- Whether Jipanti Ltd. is required to pay dividend on cumulative preference shares for financial year 2021-22? (RTP Nov 23)

1. According to Section 127 of the Companies Act, 2013

In case a company fails to pay declared dividends or fails to post dividend warrants within 30 days of declaration, then the company shall be liable to pay simple interest at the rate of 18% p.a. during the period for which such default continues.

Further, in terms of Notification No. GSR 465 (E), dated 05-06-2015, section 127 dealing with punishment shall apply to the *Nidhis*, subject to the following modification:

In case the dividend payable to a member is ₹ 100 or less, it shall be sufficient compliance of the provisions of section 127, if the declaration of the dividend is announced in the local language in one local newspaper of wide circulation and announcement of the said declaration is also displayed on the notice board of the Nidhi company for at least 3 months.

i. In case of Suvaas Limited

Dividend was declared on 25.08.2022 but was paid on 23.10.2022 to Mr. Vaibhav, its share-holder.

The dividend declared should have been paid or dividend warrants should have been posted, to each of its share-holder, within 30 days of dividend declaration i.e. by 24.09.2022.

Accordingly, the interest payable by Suvaas Limited would be calculated as follows:

Dividend Amount (₹)	Dividend Declaration Date	Interest @ 18% to be calculated from 25.09.2022 to 23.10.2022	Interest (₹)
800	25.08.2022	$800 \times 18\% \times 29/365$	11

ii. In case of Bhandol Nidhi Limited

Here, Bhandol Nidhi Limited is a Nidhi company and the dividend payable to Mr. Vaibhav was ₹ 100.

So, in such a case, it would have been sufficient compliance of the provisions of section 127, if the dividend declared was announced by the company in local language in one local newspaper of wide circulation and

announcement of the said declaration was also displayed on the notice board of the company for at least 3 months i.e. till 04.12.2022 (3 months from 04.09.2022).

Accordingly, if the aforesaid compliances have been made by Bhandol Nidhi Limited then no punishment could be imposed upon it, otherwise, it would be liable for punishment.

(b) A cumulative preference share is one in respect of which dividend gets accumulated and any arrears of such dividend arising due to insufficiency of profits during the current year is payable from the profits earned in the later years.

Until and unless dividend on cumulative preference shares is paid in full, including arrears, if any, no dividend is payable on equity shares.

Here, it is given that during financial year 2021-22, Jipanti Limited did not earn any profits and accordingly, in such case the company may accumulate such dividend for financial year 2021-22 to be carried forward to following financial year(s) and such arrears of dividend would be payable from the following financial year(s) profits.

Vishal Crockery Limited was incorporated on 24th September, 2010 under the jurisdiction of Registrar of Companies, Rajasthan with its registered office located in Jaipur and its manufacturing units spread out in Mumbai, Kanpur, Delhi and Ludhiana. Under the dynamic leadership of Hans Rajpal, the Chairman and Managing Director (CMD) of the company, it could easily be ascertained that the company had reached the new heights of success. The directors of the company numbered eight including CMD of which two were the independent directors.

The turnover of the company for the Financial Year 2018-2019 was Rs. 750.00crores – a whopping rise of more than 20% from the previous year and net profit stood at a prestigious figure of Rs. 6.60crores – also increased by Rs. 1.80 crores as compared to the net profit of previous year. The company had a net worth of Rs. 250.00 crores; and it was noticed that the net worth had also registered a northern trend by more than 15%. The authorised and paid-up share capital of the company was Rs. 8.00 crores. Keeping in view the applicability of forming a CSR Committee for the current financial year 2019-20, a CSR Committee was formed with four directors as members of which one was the independent member. The Committee was, among others, given the responsibility to formulate and recommend to the Board, a Corporate Social Responsibility Policy which shall indicate the activities to be undertaken by the company as specified in Schedule VII.

The company plans to diversify its business by adding another segment to manufacture steel utensils and therefore, is desirous to shift its registered office to Mumbai from the present one at Jaipur which will help the company in easing out the new business. Another strategically important segment which the company tapped earlier and now wishes to engage itself on a large scale relates to manufacturing of stationery items.

The company hopes that with the shifting of registered office to Mumbai, it shall be able to target international markets to export its quality products. As on date, the export turnover of the company is not that much significant. The directors, Janardan Mittal (Finance) and Ratish Jain (Marketing), however, have in-depth knowledge of export markets, particularly those existing in UK and Singapore, where they can place their products successfully and achieve laurels for the company in terms of wealth maximisation.

During the current Financial Year 2019-20, the company under the CSR activities provided ample support for improvement of infrastructure in schools established at Mumbai, Kanpur, Delhi and Ludhiana. Not only this, the company contributed towards establishment of Digital Smart Classroom, Libraries and computer labs in these cities. The company also deployed mobile medical units equipped with medical facilities and qualified doctors. In addition to this, a large number of public health and sanitation activities had been initiated under Swachh Bharat Abhiyan. The total amount spent on these activities was, till date, almost equal to the minimum spendable amount and it is hoped that as the current Financial Year 2019-20 approaches its end, the total spending on CSR activities will certainly exceed the budgeted figure.

SOME BASIC UNDERSTANDING OF LEGISLATION

“Preamble”:	<ul style="list-style-type: none"> Every Act has a preamble which expresses the scope, object and purpose of the Act. It is the main source for understanding the intention of lawmaker behind the Act. Whenever there is ambiguity in understanding any provision of Act, Preamble is accepted as an aid to construction of the Act. The Preamble to an Act discloses the primary intention of the legislature but can only be brought in as an aid to construction if the language of the statute is not clear. However, it cannot override the provisions of the enactment. <p>Example : Preamble of the Negotiable Instruments Act, 1881 states - “An Act to define and amend the law relating to Promissory Notes, Bills of Exchange and Cheque.”</p> <p>Example : Preamble of the Companies Act, 2013 states – “An Act to consolidate and amend the law relating to companies.”</p>
--------------------	---

1. Every Act has a _____ which expresses the scope, object and purpose of the Act. It is the main source for understanding the intention of lawmaker behind the Act.
 - a. Definition
 - b. Preamble**
 - c. Affidavit
 - d. Document
2. The Preamble is most important in any legislation, it:
 - a. Provides definitions in the Act.
 - b. Expresses scope, object and purpose of the Act.**
 - c. Provides explanation of all the sections of the entire Act.
 - d. Provides side notes often found at the side of a section. **(1 Mark) (MTP Oct. 23)**

"Definitions":	<ul style="list-style-type: none"> Every Act contains a definition part for the purpose of that particular Act and that definition part is usually mentioned in Section 2 (or sometimes in Section 3 or other initial sections). The object of the definition clause is to avoid the necessity of frequent repetitions in describing all the subject matter to which the word or expression so defined is intended to apply. These definitions contain explanation of what a word means in the respective Act. Sometimes, it may refer to definition in any other statute. However, if there may be words which are not defined in a particular Act, then the meaning of such words may be taken from General Clauses Act, 1897. 	
Exhaustive vs. Inclusive Definitions	Exhaustive Definitions	Inclusive Definitions
	Some definitions use the word ' means ' or ' means and includes '. Such definitions are exhaustive definitions and exactly define the term.	Some definitions use the word ' include '. Such definitions do not define the word but are inclusive in nature.
	This definition is closed for interpretation	This definition is open for interpretation
	Example : Definition of 'Company' as given in section 2(20) of the Companies Act, 2013. It states, "Company" means a company incorporated under this Act or under any previous company law.	Example 12: "Body Corporate" or "Corporation" includes a company incorporated outside India. [Section 2(11) of the Companies Act, 2013]
Explain the impact of the two words "means" and "includes" in a definition, while interpreting such definition.(4 Marks) (MTP Oct. 23)		
Shall and May	<ul style="list-style-type: none"> The word 'shall' is used to raise a presumption of something which is mandatory or imperative. The word 'may' is used to connote something which is not mandatory but is only directory or enabling. 	

	<ul style="list-style-type: none"> While the word 'shall' is ordinarily mandatory, but it is sometimes not so interpreted if the context or the intention otherwise demands. Example : Section 3 of the Companies Act, 2013 states that "A company may be formed for any lawful purpose by "Here the word used "may" shall be read as "shall". Usage of word 'may' here makes it mandatory for a company for the compliance of section 3 for its formation.

"Good Faith"
[Section 3(22)]:

- A thing shall be deemed to be done in "good faith" **where it is in fact done honestly, whether it is done negligently or not;**
- The question of good faith under the General Clauses Act, 1897 is **one of fact**.
- It is to determine with reference to the facts and circumstances of each case.
- Thus, anything done with due care and attention, which is not malafide is presumed to have been done in good faith. For eg: An authority is not acting honestly where it had a suspicion that there was something wrong and did not make further enquiries

	<ul style="list-style-type: none"> In Maung Aung Pu Vs. Maung Si Maung, it was pointed out that the expression “good faith” is not defined in the Indian Contract Act, 1872 and the definition given here in the General Clauses Act, 1897 does not expressly apply the term on the Indian Contract Act. The definition of good faith as is generally understood in the civil law and which may be taken as a practical guide in understanding the expression in the contract Act is that nothing is said to be done in good faith which is done without due care and attention as is expected with a man of ordinary prudence. An honest purchase made carelessly without making proper enquiries cannot be said to have been made in good faith so as to convey good title.

<p>“Effect of Repeal” [Section 6]:</p>	<ul style="list-style-type: none"> Whenever an Act is repealed, it must be considered as if it had never existed. Object of repeal is to obliterate the Act from statutory books, except for certain purposes as provided under Section 6 of the Act. It is important to note the difference between 'repeal' of a provision and 'deletion' of a provision. 'Repeal' ordinarily brings about complete obliteration of the provision as if it never existed, thereby affecting all incoherent rights and all causes of action related to the 'repealed' provision

“Gender and number” [Section 13]:	<p>1. words importing the masculine gender shall be taken to include females; and</p> <p>2. words in the singular shall include the plural, and vice versa.</p> <p>Note:</p> <ul style="list-style-type: none"> • Where a word connoting a common gender is available, but the word used conveys a specific gender, there is a presumption that the provisions of the General Clauses Act do not apply. Therefore, the word 'bullocks' cannot be interpreted to include 'cows'. • The pronoun 'he' and its derivatives may be construed to refer to any person whether male or female. So, the words 'his father and mother' as they occur in Section 125 (1)(d) of the Code of Criminal Procedure, 1973 has been

	<p>construed to include 'her father and mother' and a daughter has been held to be liable to maintain her father unable to maintain himself.</p> <ul style="list-style-type: none"> • However, it may be noted that the general rule in Section 13 has to be applied with circumspection for interpreting laws dealing with matter of succession. Thus, the words 'male descendants' occurring in Sections 7 and 8 of the Chota Nagpur Tenancy Act, 1908 were not interpreted to include female descendants • However, it may be noted that the context may rule out the application of Section 13 in certain cases. For example, to construe 'previous year' in Section 2(11) of the Income-tax Act to include previous years would be to nullify the very definition of 'previous year' enacted therein.

1. As per the provisions of the Companies Act, 2013, a whole time Key Managerial Personnel (KMP) shall not hold office in more than one company except its subsidiary company at the same time. Referring to the section 13 of the General Clauses Act, 1897, examine whether a whole time KMP can be appointed in more than one subsidiary company? (module) (MTP NOV 2020)

Hint - It can be noted that Section 13 of the General Clauses Act, 1897 provides that the word 'singular' shall include the 'plural', unless there is anything repugnant to the subject or the context. Thus, a whole time key managerial personnel may hold office in more than one subsidiary company as per the present law.

3. Mrs. Neelu Chandra was director in Laddoo Sweets Private Limited. Once while dealing with supplier of raw materials for company, she agreed to get some secret commission from supplier for making the deal. Afterwards, on finding the facts, the company has filed the suit against Mrs. Neelu Chandra. Examine the validity of the following statements with reference to the General Clauses Act, 1897: Board of Directors of Sabarwal Construction Private Limited authorised by passing resolution in board meeting Mr. Munim to appoint five employees for accounts department of company. Mr. Munim appointed five employees including Mr. Rupal who was relative of one of the director of company. After one month, Mr. Munim observed that Mr. Rupal was not performing his duties honestly. Mr. Munim issued the order of dismissal of Mr. Rupal with proper reasons. Mr. Rupal filed a petition in the court that his dismissal order is not valid as Board of Directors had authorized Mr. Munim only for appointment of employees not for dismissal. Whether is Mr. Rupal correct with his words? (April 22)(4 Marks)

"Meaning of Service by post" [Section 27]:

Where any legislation or regulation requires any document to be served by post, then unless a different intention appears, **the service shall be deemed to be effected by:**

- (i) Properly addressing
(ii) Pre-paying, and
(iii) Posting by registered post.

Addressee himself or anyone at the given address (tenant etc.) refuses to accept a letter sent to him by registered post.

Due service is presumed and the addressee is presumed with the knowledge of the content of the letter

When the notice is returned with postal endorsements 'not available in house', 'house locked' and 'shop closed'.

Due service is presumed. [State of M.P. v. Heerala (SC) —1996]

	A notice required under statutory rules to be sent by 'registered post acknowledgement due' is instead sent by 'registered post' only.	Due service cannot be presumed. [United Commercial Bank v. Bhim SaM Makhija, (Del) —1994]	
<p>1. What is the meaning of service by post as per provisions of the General Clauses Act, 1897? (module)</p> <p>2. A notice when required under the Statutory rules to be sent by “registered post acknowledgment due” is instead sent by “registered post” only. Whether the protection of presumption regarding serving of notice by “registered post” under the General Clauses Act is tenable? Referring to the provisions of the General Clauses Act, 1897, examine the validity of such notice in this case. (module) (RTP NOV 2019) (RTP MAY 2019)</p> <p>Hint - Therefore, in view of the above provision, since the statutory rules itself provides about the service of notice that a notice when required under said statutory rules to be sent by 'registered post acknowledgement due', then, if notice was sent by 'registered post' only it will not be the compliance of said rules.</p> <p>3. Decide with reference to provisions of "General Clauses Act, 1897", whether the notice was rightfully served on Mr. Vyas. (RTP MAY 2020)</p> <p>Hint - The facts of the question are similar to a decided case law, wherein it was held that where a notice is sent to the landlord by registered post and the same is returned by the tenant with an endorsement of refusal, it will be presumed that the notice has been served. Thus, in the given question it can be deemed that the notice was rightfully served on Mr. Vyas.</p> <p>4. Mr. Mike has lent his house property to Mr. Wise at a monthly rent of Rs. 15,0000 per month. The yearly rent agreement was due to expire in near future. However, Mr. Mike does not intend to continue this agreement and he has sent a notice to Mr. Wise for the termination of the agreement. Mr. Wise on the other hand does not want to vacate the property and hence has returned the notice with an endorsement of refusal. Now, Mr. Wise has contended that the no notice was served to him and hence there is no need for him to vacate the property. As per the provisions of the General Clauses Act, 1897, discuss whether a notice was served to Mr. Wise.(MTP NOV 2018)</p> <p>Hint - Thus, where a notice is sent by the landlord by registered post and the same is returned by the tenant with an endorsement of refusal, it will be presumed that the notice has been served. Hence, in the given situation, a notice was rightfully served to Mr. Wise.</p> <p>5. A notice was served on Mr. P for appearing in the court. However, the notice could not be served on account of the fact that the house of the Mr. P was found locked. Thus, Mr. P. did not appear in the court at the said date. Examine the situation as per the provisions of the General Clauses Act, 1897 and determine whether Mr. P. will be liable in the given situation.(MTP MAY 2019)</p> <p>Hint - where the notice could not be served on account of the fact that the house of Mr P was found locked, it will be deemed that the notice was properly served as per the provisions of Section 27 of the General Clauses Act, and it would be for Mr. P to prove that it was not really served and that he was not responsible for such non- service.</p>

Chapter XIII

INTERPRETATION OF STATUES

Meaning of certain words	
'Statute'	<ul style="list-style-type: none"> will of the legislature in writing
'Instrument'	<ul style="list-style-type: none"> means a formal legal document which creates or confirms a right or liability or records a fact Section 2(14) of the Indian Stamp Act, 1899 states that 'instrument' includes every document by which any right or liability is or purports to be created, transferred, extended, extinguished or recorded. It is a formal writing of any kind, such as an agreement, deed, charter or record, drawn up and executed in a technical form
'Deed'	<ul style="list-style-type: none"> instrument in writing (or other legible representation or words on parchment or paper) purporting to effect some legal disposition. Simply stated deeds are instruments though all instruments may not be deeds.
'Interpretation'	<ul style="list-style-type: none"> the process by which the real meaning of an Act (or a document) and the intention of the legislature in enacting it (or of the parties executing the document) is ascertained. It is the art of finding out the true sense of words in which their author intended to convey the subject matter.
'Construction'	<p>Construction involves drawing conclusions beyond the actual expressions used in the text. This is done by referring to other parts of the enactment and the context in which the law was made. Thus, when you construe a statute you are attempting to ascertain the intention of the legislature.</p>
Difference between Interpretation and Construction:	<ol style="list-style-type: none"> where the Court adheres to the plain meaning of the language used by the legislature, it would be 'interpretation' of the words, but where the meaning is not plain, the court has to decide whether the wording was meant to cover the situation to understand intent of legislature. Here, the court would be resorting to 'construction'. Conclusions drawn by Interpretation are within the letter of law but by construction are within the spirit though not necessarily within the letter of the law.

Need for Interpretation (AUDI)

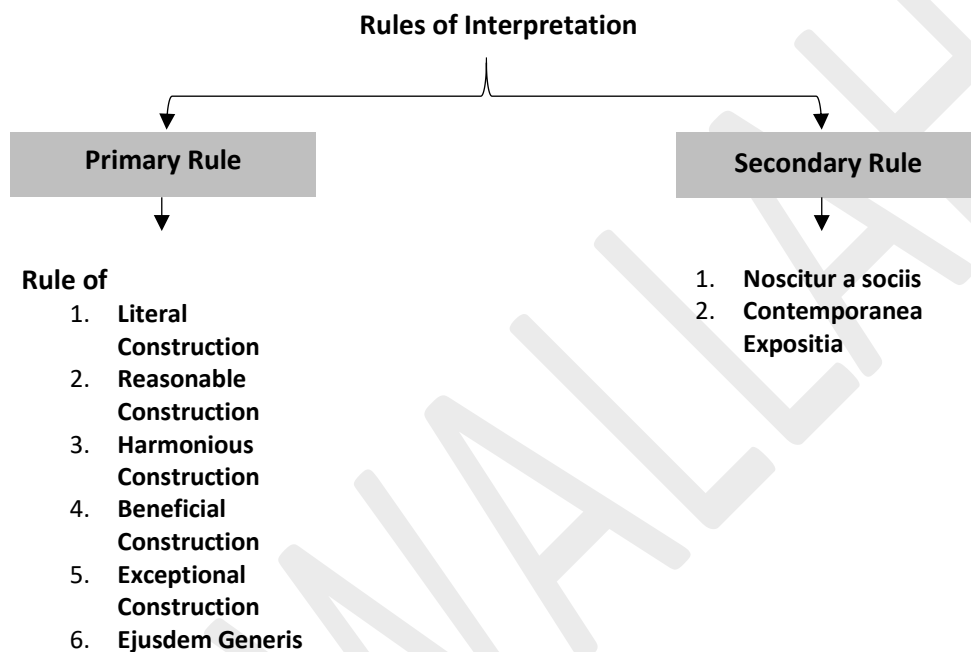

- To remove **ambiguities**: The courts have to resort to interpretation to remove ambiguities in the language.

- To **understand intent of the legislature**: A statute is made by legislator and many times the intent of the legislature is derived not only from the language but also the surrounding circumstances that prevailed at the time when that particular law was enacted.
- **Different** situations and facts: Law cannot be made for all situations. So where law is silent or not clear about a particular case and situation, interpretation is required
- **Multiple interpretations**: If any provision of the statute is open to two interpretations, the court has to choose that interpretation which represents the true intention of the legislature.

1. _____ means a legal document that is signed and delivered, especially one regarding the ownership of property or legal rights.
 - a. Statute
 - b. Document
 - c. Instrument
 - d. Deed**

 - a. Statute
 - b. Document**
 - c. Instrument
 - d. Deed
4. The general considerations in the interpretation and construction of deeds and documents is/are:
 - a. The intention of the parties which manifested at the time when the document was executed.
 - b. Understanding as would a reasonable man construe, who has taken care to inform himself of the surrounding circumstances of a deed or a document, and of its scope and intent.
 - c. Where there is a conflict between what is said in one part of the document and in another part, read the two parts of the document harmoniously if possible.
 - d. All of the above.**
5. Which of the following explain the need for interpretation of statutes?
 - a. To remove ambiguities in the language of the statutes
 - b. To understand the intent of the legislature
 - c. To select the correct intent from multiple interpretations
 - d. All of the above**
6. _____ is defined as the will of legislature conveyed in the form of text.
 - a. Statute**
 - b. Document
 - c. Instrument
 - d. Deed
7. _____ is the process by which the courts seek to ascertain the meaning of the legislature through the medium of authoritative forms in which it is expressed.
 - a. Authorisation and Interpretation

- b. Analysis and Evaluation
 - c. **Interpretation or Construction**
 - d. Appraisal or_ Construction
8. The object of interpretation is:
- a. To find out dictionary meaning of the words and phrase

- b. To find out correct translation of the words and phrase
- c. **To find out the true intent and spirit of word and phrase**

When we talk of disclosure of 'the nature of concern or interest, financial or otherwise' of a director or the manager of a company in the subject-matter of a proposed motion (as referred to in section 102 of the Companies Act, 2013), we have to interpret in its broader sense of referring to any concern or interest containing any information and facts that may enable members to understand the meaning, scope and implications of the items of business and to take decisions thereon. What is required is a full and frank disclosure without reservation or suppression, as, for instance where a son or daughter or father or mother or brother or sister is concerned in any contract or matter, the shareholders ought fairly to be informed of it and the material facts disclosed to them. Here a restricted narrow interpretation would defeat the very purpose of the disclosure.

	2. In construing the word 'practice' in the Supreme Court Advocates Act, 1951, it was observed that practice of law generally involves the exercise of both the functions of acting and pleading on behalf of a litigant party. When legislature confers upon an advocate the right to practice in a court, it is legitimate to understand that expression as authorizing him to appear and plead as well as to act on behalf of suitors in that court. Without prejudice	<p>When certain particular provisions follow general provisions and when it is stated that the particular provisions are without prejudice to those general provisions the particular provisions would not restrict or circumscribe the operation and generality of the preceding general provisions. 1. Explain 'Mischief Rule' for interpretation of statute. Also, give four matters it considers in construing an Act. (MTP N 19/M 21)(Nov. 2018)		
2. Explain the rule in 'Heydon's Case' while interpreting the Statutes quoting an example.		

Rule of Beneficial Construction:

Beneficial construction will be given to a statute, which brings into effect provisions for improving the conditions of certain classes of people who are under privileged or who have not been treated fairly in the past. In such cases it is permissible to give an extended meaning to words or clauses in enactments. But this can only be done when two constructions are reasonably possible and not when the words in a statute are quite unequivocal.

| 1. A method of interpretation which brings into effect provisions for improving the conditions of certain classes of people who are under privileged or who have not been treated fairly in the past. (RTP Nov 23) | a. Rule of Literal Construction
b. Rule of Harmonious Construction
c. Rule of Beneficial Construction
d. Rule of Exceptional Construction |
|--|---|

Rule of Exceptional Construction

(i) R → Rule	Primary
(ii) Meaning	Where statute does not give intended result ↓ Words in statute may be eliminated/replaced to give sensible meaning
(iii) Applicable	if no sensible meaning can be given to a word or phrase, or if it would defeat the real object of the enactment
(iv) Not - Applicable	Language is plain simple, unambiguous and has only 1 meaning and give intended results.
(v) H → How to apply	The word "and" is normally conjunctive, while "or" is disjunctive. But sometimes "and" is read as "or" and vice versa to give effect to the manifest intention of the legislature as disclosed from the context. (Municipal Council v. Bishandas Nathumal AIR 1969 MP 147).
(vi) D → Draftsman	Faulty (Assumption)

Differentiate Mandatory Provision from a Directory Provision. What factors decide whether a provision is directory or mandatory? (Module)

whether it is mandatory or directory depends upon

- the nature of the thing empowered to be done,
- the object for which it is done, and
- the person for whose benefit the power is to be exercised.

“May”, “Must” and “Shall”

- ❖ ‘May’ signifies permission and implies that the authority has been allowed discretion.
- ❖ “Shall” in the normal sense imports a command.
- ❖ ‘Must’ is doubtlessly a word of command.

Rule of Ejusdem Generis:

(i) R → Rule	Primary
(ii) Meaning	Where specific words pertaining to a class or category or genus are followed by general words, the general words shall be construed as limited to the things of the same kind as those specified.
(iii) Applicable	<p>This rule applies when:</p> <ol style="list-style-type: none"> 1. The statute contains an enumeration of specific words 2. The subject of enumeration constitutes a class or category; 3. That class or category is not exhausted by the enumeration 4. General terms follow the enumeration; and 5. There is no indication of a different legislative intent.
(iv) Not - Applicable	<ol style="list-style-type: none"> 1. If the preceding term is general, as well as that which follows this rule cannot be applied. 2. Where the particular words exhaust the whole genus. 3. Where the specific objects enumerated are essentially diverse in character.

Noscitur A Sociis

(iii) Applicable	When some articles are grouped together, each word in the entry draws color from the other words therein.
(iv) Not - Applicable	It cannot be applied where the meaning of the words was deliberately used in order to make the scope wider.

(v) H → How to apply	<ul style="list-style-type: none"> • 2 or more specific words • One ambiguous specific word • Such ambiguous specific word to derive its meaning from other specific word
1. "Associate words to be understood in common sense manner." Explain this statement with reference to rules of interpretation of statutes. (3 Marks) (MTP Oct. 22) 2. Internal Aids

1) Long/short title	<ul style="list-style-type: none"> • Short title – identifies enactment & used for convenience – not aid • Long title – describes enactment and used to ascertain its general scope
----------------------------	---

	<p>Example : Full title of the Supreme Court Advocates (Practice in High Courts) Act, 1951 specify that this is an Act to authorize Advocates of the Supreme Court to practice as of right in any High Court.</p>
<p>2) Preamble</p>	<ul style="list-style-type: none"> Express more comprehensively scope, object and purpose than long title. Preamble discloses primary intention of legislature but can only be used as aid if statute is not clear However, it cannot override the provisions of the enactment. <p>Example 8: Use of the word 'may' in section 5 of the Hindu Marriage Act, 1955 provides that "a marriage may be solemnized between two Hindus " has been construed to be mandatory in the sense that both parties to the marriage must be Hindus as defined in section 2 of the Act. It was held that a marriage between a Christian male and a Hindu female solemnized under the Hindu Marriage Act was void. This result was reached also having regard to the preamble of the Act which reads: 'An Act to amend and codify the law relating to marriage among Hindus' [Gullipoli Sowria Raj v. Bandaru Pavani, (2009)1 SCC714]</p>
<p>1. When can the Preamble be used as an aid to interpretation of a statute? (RTP Mar 23) (module) 3 Marks (May 23)</p> <p>Hint:</p> <p>Situation 1: Where there is any ambiguity in the words of an enactment the assistance of the preamble may be taken to resolve the conflict.</p> <p>Situation 2: Where the words of an enactment appear to be too general in scope or application then courts may resort to the preamble to determine the scope or limited application for which the words are meant.</p> <p>2. Preamble does not over-ride the plain provision of the Act. Comment. Also give suitable example. (Module)</p>	
<p>3) Headings/ title of chapter</p>	<p>Used for interpretation of sections included in it.</p>
<p>4) Definitions</p>	<p>When definition is included, interpreter uses definition meaning and not ordinary meaning</p> <p>Construction of definitions may be understood under the following headings:</p> <ul style="list-style-type: none"> (i) Restrictive and extensive definitions (ii) Ambiguous definitions (iii) Definitions subject to a contrary context <p>Student's note – Definitions discussed later after this entire table</p>
<p>5) Illustrations (Examples)</p>	<p>do not form a part of the Sections. However, illustrations do form a part of the statute and are considered to be of relevance and value in construing the text of the sections. However, illustrations cannot have the effect of modifying the</p>

	language of the section and can neither curtail nor expand the ambit of the section.
6) Proviso	<ul style="list-style-type: none"> The normal function of a proviso is to except something out of the enactment or to qualify something stated in the enactment which would be within its purview if the proviso were not there. Provisos that are so included begin with the words, “provided that”. The effect of the proviso is to qualify the preceding enactment which is expressed in terms which are too general. Exception clauses are intended to restrain the enacting clause to particular cases. Savings clause is used to preserve from destruction certain rights, remedies, or privileges already existing.
What is the effect of proviso? Does it qualify the main provisions of an Enactment? (Module)	
7) Explanation	<ul style="list-style-type: none"> An internal aid that may be added to include something within the section or to exclude something from it Normally used to clear ambiguity
Does an explanation added to a section widen the ambit of a section? (Module)	
Hint - Something may added be to or something may be excluded from the main provision by insertion of an explanation. But the explanation should not be construed to widen the ambit of the section.	
8) Schedule	<ul style="list-style-type: none"> A list , a format ,Form part of Act Read together with Act for construction If conflict between enactment or schedule, then Act prevail
9) Marginal notes	<ul style="list-style-type: none"> ❖ Marginal notes are summaries and side notes often found at the side of a section ❖ Normally cannot be used for construction except in exceptional cases
10) Act as a whole	<ul style="list-style-type: none"> It is the elementary principle that construction of a statute is to be made of all its parts taken together and not of one part only. The deed must be read as a whole in order to ascertain the true meaning of its several clauses, and the words of each clause should be so interpreted as to bring them into harmony with other provisions

Classification of Definitions

a) Restrictive and exhaustive definitions	<p>When a word is defined to ‘mean’ such and such, the definition is ‘prima facie’ restrictive and exhaustive we must restrict the meaning of the word to that given in the definition section.</p> <p>We may also find a word being defined as ‘means and includes’ such and such. In this case, the definition would be exhaustive.</p>
--	---

b) b. Extensive or inclusive definitions	But where the word is defined to 'include' such and such, the definition is 'prima facie' extensive: here the word defined is not restricted to the meaning assigned to it but has extensive meaning which also includes the meaning assigned to it in the definition section.
Explain the impact of the two words "means" and "includes" in a definition, while interpreting such definition. (3 Marks) (MTP Oct. 22)	
c) Ambiguous definitions	<p>Sometime, we may find that the definition section may itself be ambiguous, and so it may have to be interpreted in the light of the other provisions of the Act and having regard to the ordinary meaning of the word defined.</p> <p>Example 12: Termination of service of a seasonal worker after the work was over does not amount to retrenchment as per the Industrial Disputes Act, 1947. [Anil Bapurao Karase v. Krishna Sahkari Sakhar Karkhana, AIR 1997 SC 2698]. But the termination of employment of a daily wagger who is engaged in a project, on completion of the project will amount to retrenchment if the worker had not been told when employed that his employment will end on completion of the project. [S.M. Nilajkar v. Telecom District Manager Karnataka, (2003)4 SCC].</p>
Definitions subject to a contrary context:	When a word is defined to bear a number of inclusive meanings , the sense in which the word is used in a particular provision must be ascertained from the context of the scheme of the Act, the language of the provision and the object intended to be served thereby.

Proviso vs. Exception and Saving Clauses

- **'Exception' is intended to restrain the enacting clause to particular cases** i.e reverse effect to the section e.g sec 149 – total 15 directors – except by passing S.R
- **'Proviso' is used to remove special cases from the general enactment and provide for them specially (provided that)** sec 188- RPt- B.R → N.A to Arm's length transaction
- **'Saving clause' is used to preserve provision of other sections in statute** e.g MOA – alteration – S.R save as sec 61

External aids

1. Historical Setting:	<ul style="list-style-type: none"> ✓ Helps in understanding subject matter object and scope of law. ✓ History in general and Parliamentary History in particular, ancient statutes, contemporary or other authentic works and writings all are relevant in interpreting and construing an Act
2. Consolidating statutes & Previous law	<ul style="list-style-type: none"> ▪ The Preambles to many Statutes contain expressions such as "An Act to consolidate" the previous law, etc. In such a case, the Courts may stick to the presumption that it is not intended to alter the law. ▪ They may solve doubtful points in the statute with the aid of such presumption in intention, rejecting the literal construction

3. Usage	Usage – how that language has been interpreted and acted upon over a long period In case of doubt, usage helps to create understanding
4. Earlier law/ later law/ Analogous law	<p>The general principle is that where there are different Statutes in 'pani matenia' (i.e. in an analogous case), though made at different times, or even expired and not referring to each other, they shall be taken and construed together as one system and as explanatory of each other.</p> <p>If two Acts are to be read together then every part of each Act has to be construed as if contained in one composite Act. But if there is some clear discrepancy then such a discrepancy may render it necessary to hold the later Act (in point of time) had modified the earlier one.</p>
5. Dictionary definition	<ul style="list-style-type: none"> First we have to refer to the Act in question to find out if any particular word or expression is defined in it. Where we find that a word is not defined in the Act itself, we may refer to dictionaries to find out the general sense in which that word is commonly understood. However, in selecting one out of the several meanings of a word, we must always take into consideration the context in which it is used in the Act. It is the fundamental rule that the meanings of words and expressions used in an Act must take their colour from the context in which they appear. Further, judicial decisions laying down the meaning of words in construing Statutes in 'pani matenia' will have greater weight than the meaning furnished by dictionaries. However, for technical terms reference may be made to technical dictionaries.

2. Statutory interpretation is a practice through which the courts break down the words of a legislation and give true intent to it. While the legislature makes the laws, the judiciary performs the art of interpretation to give meaning to the words of the law maker. It is correctly said that "The purpose of Interpretation of Statutes is to help the Judge to ascertain the intention of the Legislature – not to control that intention or to confine it within the limits, which the Judge may deem reasonable or expedient". For interpretation of statutes various tools are used, you are required to pick the option depicting correct sequence of tools in order their application.

Chapter XIV

LIMITED LIABILITY PARTNERSHIP ACT, 2008

INTRODUCTION

Enactment

- The Ministry of Law and Justice on **9th January 2009** notified the Act
- The LLP Act, 2008 has **81 sections** (of which section 81 is now omitted with effect from 1st April 2022) and **4 schedules**.

Schedule	Deals with
I	mutual rights and duties of partners and limited liability partnership and its partners where there is absence of a formal agreement amongst them
II	conversion of a firm into LLP.
III	conversion of a private company into LLP.
IV	conversion of unlisted public company into LLP.

Need

- A need has been felt for a new corporate form that would provide an **alternative to the traditional partnership** with **unlimited personal liability** on the one hand and the **statute-based governance structure of the limited liability company** on the other hand
- It provides the **benefits of limited liability** but allows its members the **flexibility of organizing their internal structure** as a partnership based on a **mutually arrived agreement**.

Meaning

- LLP as a **separate legal entity** and **business organisation** is an alternative corporate business form that gives the **benefits of limited liability** of a company and **the flexibility of a partnership**.
- Since LLP contains elements of both 'a corporate structure' as well as 'a partnership firm structure' LLP is called a **hybrid between a company and a partnership**.

1. "LLP is an alternative corporate business form that gives the benefits of limited liability of a company and the flexibility of a partnership". Explain.(module)

Ans - LLP is an alternative corporate business form that gives the benefits of limited liability of a company and the flexibility of a partnership

Limited Liability: Every partner of a LLP is, for the purpose of the business of LLP, the agent of the LLP, but not of other partners (Section 26 of the LLP Act, 2008). The liability of the partners will be limited to their agreed contribution in the LLP, while the LLP itself will be liable for the full extent of its assets.

Flexibility of a partnership: The LLP allows its members the flexibility of organizing their internal structure as a partnership based on a mutually arrived agreement. The LLP form enables entrepreneurs, professionals and enterprises providing services of any kind or engaged in scientific and technical disciplines, to form

commercially efficient vehicles suited to their requirements. Owing to flexibility in its structure and operation, the LLP is a suitable vehicle for small enterprises and for investment by venture capital.

Capital Account and Current Account Transactions - Meaning

"Current Account Transaction" [Sec. 2(j)] [Section 5]

Means	&	Includes
A transaction other than a Capital Account Transaction.		<ul style="list-style-type: none"> a) Payments due in connection with foreign trade, other current business, services, and short—term banking and credit facilities in the ordinary course of business, b) Payments due as interest on loans and as net income from investments, c) Remittances for living expenses of parents, spouse and children residing abroad, and d) Expenses in connection with foreign travel, education and medical care of parents, spouse and children.

Example : An Indian resident imports machinery from a vendor in UK for installing in his factory. As per accounts and income-tax law, machinery is a “capital expenditure”. However, under FEMA, it does not alter (create) an asset in India for the UK vendor. It does not create any liability to a UK vendor for the Indian importer. Once the payment is made, the Indian resident or the UK vendor neither owns nor is owed anything in the other country. Hence it is a Current Account Transaction.

Example : An Indian resident imports machinery from a vendor in UK for installing in his factory on a credit period of 3 months. As per accounts and income-tax law, for the credit period of 3 months, there is a liability of the Indian importer to the UK vendor. Technically under FEMA also, it is a liability outside India. However, under definition of Current Account Transaction [Section 2(j)(i)], “short-term banking and credit facilities in the ordinary course of business” are considered as a Current Account Transaction. Hence, import of machinery on credit terms is Current Account Transaction.

Example : A Person Resident in India transfers US\$ 1,000 to his NRI brother in New York as “gift”. The funds are sent from the PRII’s Indian bank account to the NRI brother’s bank account in New York. Under accounts and income-tax law, gift is a “capital receipt”. However, under FEMA, once the gift is accepted by the NRI, no one owns or owes anything to anyone in India or USA. The transaction is over. Hence, it is a Current Account Transaction.

The general rule regarding permissibility of the above transactions is —

- Capital Account Transactions are prohibited unless specifically permitted.
- Current Account Transactions are permitted, unless they are specifically prohibited.

Permissibility of Current Account Transactions [Sec.5]

1. Any person may sell or draw foreign exchange to or from an authorised person if such sale or drawal is a **Current Account Transaction**. The Central Government may, in public interest and in consultation with the RBI, impose such **reasonable restrictions** for Current Account Transactions as may be prescribed.
2. **Current Account Rules:** The permissibility of Current Account Transactions are provided in Foreign Exchange Management (Current Account Transactions) Rules, 2000 —

Answer to Descriptive Questions

1. Printex Computer being a Singapore based company would be person resident outside India [(Section 2(w)). Section 2 (u) defines 'person' under clause (viii) thereof, as person would include any agency, office or branch owned or controlled by such person. The term such person appears to refer to a person who is included in clause (i) to (vi). Accordingly, Printex unit in Pune, being a branch of a company would be a 'person'.

Section 2(v) defines a person resident in India. Under clause (iii) thereof person resident in India would include an office, branch or agency in India owned or controlled by a person resident outside India. Printex unit in Pune is owned or controlled by a person resident outside India, and hence it, would be a 'person resident in India.'

However, Dubai Branch though not owned is controlled by the Printer unit in Pune which is a person resident in India. Hence, the Dubai Branch is a person resident in India.

2. Under provisions of section 5 of the Foreign Exchange Management Act, 1999 certain Rules have been made for drawal of Foreign Exchange for Current Account transactions. As per these Rules, Foreign Exchange for some of the Current Account transactions is prohibited. As regards some other Current Account transactions, Foreign Exchange can be drawn with prior permission of the Central Government while in case of some Current Account transactions, prior permission of Reserve Bank of India is required.

(i) In respect of item No.(i), i.e., remittance out of lottery winnings, such remittance is prohibited and the same is included in First Schedule to the Foreign Exchange Management (Current Account Transactions) Rules, 2000. Hence, Mr. Sane cannot withdraw Foreign Exchange for this purpose.

(ii) Foreign Exchange for meeting expenses of cultural tour can be withdrawn by any person after obtaining permission from Government of India, Ministry of Human Resources Development, (Department of Education and Culture) as prescribed in Second Schedule to the Foreign Exchange Management (Current Account Transactions) Rules, 2000. Hence, in respect of item (ii), Mr. Sane can withdraw the Foreign Exchange after obtaining such permission.

In all the cases, where remittance of Foreign Exchange is allowed, either by general or specific permission, the remitter has to obtain the Foreign Exchange from an Authorised Person as defined in Section 2(c).

3. Approval to the following transactions under FEMA, 1999:

- (i) Foreign Exchange drawals for cultural tours require prior permission/approval of the Ministry of Human Resources Development (Department of Education and Culture) irrespective of the amount of foreign exchange required. Therefore, in the given case X, the Film Star is required to seek permission of the said Ministry of the Government of India.
- (ii) Individuals can avail of foreign exchange facility within the limit of USD 2,50,000 only. Any additional

remittance in excess of the said limit for the expenses requires an approval from RBI. However, in connection with medical treatment abroad, no approval of the Reserve Bank of India is required. Therefore, R can draw foreign exchange up to amount estimated by a medical institute offering treatment.

4. Under section 5 of the Foreign Exchange Management Act, 1999, and Rules relating thereto, some current account transactions require prior approval of the Central Government, some others require the prior approval of the Reserve Bank of India, some are freely permitted transactions and some others are prohibited transactions. Accordingly,
 - (i) It is a current account transaction, where M is required to take approval of the Central Government for drawal of foreign exchange for remittance of hire charges of transponders.
 - (ii) Withdrawal of foreign exchange for payment related to call back services of telephone is a prohibited transaction. Hence, Mr. P cannot obtain US \$ 2,000 for the said purpose.
5. **Residential Status:** According to section 2(v) of the Foreign Exchange Management Act, 1999, 'Person resident in India' means a person residing in India for more than 182 days during the course of preceding financial year [Section 2(v)(i)]. However, it does not include a person who has gone out of India or who stays outside India for employment outside India or for any other purpose in such circumstances as would indicate his intention to stay outside India for an uncertain period.

Generally, a student goes out of India for a certain period. In this case, Mr. Suresh who resided in India during the financial year 2020-2021 left on 15.7.2021 for Switzerland for pursuing higher studies in Biotechnology for 2 years, he will be resident as he has gone to stay outside India for a 'certain period'. RBI has however clarified in its AP circular no. 45 dated 8th December 2003, that students will be considered as non-residents. This is because usually students start working there to take care of their stay and cost of studies.

Mr. Suresh will be treated as person resident in India for Financial Year 2021-2022 till 16th July 2021 and from 17th July 2021, he will be considered as person resident outside India.

However, during the Financial Year 2022-2023, Mr. Suresh will be considered as person resident outside India as he left India on 15th July 2021.

Foreign Exchange for studies abroad: According to Para I of Schedule III to Foreign Exchange Management (Current Account Transactions), Amendment Rule, 2015 dated 26th May, 2015, individuals can avail of foreign exchange facility for the studies abroad within the limit of USD 2,50,000 only. Any additional remittance in excess of the said limit shall require prior approval of the RBI. Further proviso to Para I of Schedule III states that individual may be allowed remittances (without seeking prior approval of the RBI) exceeding USD 2,50,000 based on the estimate received from the institution abroad. In this case the foreign exchange required is only USD 55,000 per academic year and hence approval of RBI is not required.

6. **Remittance of Foreign Exchange (Section 5 of the Foreign Exchange Management Act, 1999):** According to section 5 of the FEMA, 1999, any person may sell or draw foreign exchange to or from an authorized person if such a sale or drawal is a current account transaction. Provided that Central Government may, in public interest and in consultation with the reserve bank, impose such reasonable restrictions for current account transactions as may be prescribed.

As per the rules, drawal of foreign exchange for current account transactions are categorized under three headings-

- 1) Transactions for which drawal of foreign exchange is prohibited,
- 2) Transactions which need prior approval of appropriate government of India for drawal of foreign exchange, and
- 3) Transactions which require RBI's prior approval for drawl of foreign exchange.

(i) Mr. P wanted to remit US Dollar 20,000 out of his lottery winningsto his son residing in USA. Such remittance is prohibited and the same is included in the Foreign Exchange Management (Current Account Transactions) Rules, 2000.

Hence Mr. P cannot withdraw foreign exchange for this purpose.

(ii) "Remittance of foreign exchange for medical treatment abroad" requires prior permission or approval of RBI where the individual requires withdrawal of foreign exchange exceeding USD 250,000. The Schedule also prescribes that for the purpose of expenses in connection with medical treatment, the individual may avail of exchange facility for an amount in excess of the limit prescribed under the Liberalized Remittance Scheme, if so required by a medical institute offering treatment.

Therefore, Mr. Z can draw foreign exchange up to the USD 250,000 and no prior permission/ approval of RBI will be required. For amount exceeding the above limit, authorised dealers may release foreign exchange based on the estimate from the doctor in India or hospital or doctor abroad.

7. **(A) Remittance of Foreign Exchange for studies abroad:** Foreign exchange may be released for studies abroad up to a limit of US \$ 250,000 for the studies abroad without any permission from the RBI. Above this limit, RBI's prior approval is required. Further proviso to Para I of Schedule III states that individual may be allowed remittances exceeding USD 250,000 based on the estimate received from the institution abroad. In this case since US \$ 120,000 is the drawal of foreign exchange, so permission of the RBI is not required.

(B) Gift remittance exceeding US \$ 10,000: Under the provisions of section 5 of FEMA 1999, certain Rules have been made for drawal of foreign exchange for current account transactions. Gift remittance is a current account transaction. Gift remittance exceeding US \$ 250,000 can be made after obtaining prior approval of the RBI. In the present case, since the amount to be gifted by an individual, Mr. Rohan is USD 10,000, there is no need for any permission from the RBI.
