Never count the number of pages when the chapter is as important as director!

**Board or "Board of Directors" [Sec 2(10)]** means the collective body of the directors of the company.

**Why do we need Board of Directors (BOD)?**

1. Company is an artificial person having separate legal existence but no body or mind of its own.
2. Huge numbers of shareholders (especially in case of listed companies)
3. Requirement of Sec 149

**Directors are both agent as well as trustee of the company.**

1. Agent - They bind co. as their principal as soon as they enter into various transactions on its behalf
2. Trustee - They are required to take care of properties, moneys, trade secrets, etc. of company

**Sec 149- Company to have BOD** >>>

1. Company to have BOD:
  - > Consists of individuals
  - > Minimum - Public (3), Private (2) and OPC (1)
  - > Max - 15 directors (To appoint > 15 directors - Pass SR)

[N.A. to Govt co and Sec 8 companies provided compliance with Sec 92 (AR) and 137(F.S.)]

AOA may provide for a lower limit of maximum directors.

Companies as may be prescribed shall have at least one woman director.

**Rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014**

1. Provision of Woman Directors applies to following companies:
  - > Listed company, or
  - > Any other public company
    - PUSC  $\geq$  Rs. 100 crores OR
    - Turnover (T/O)  $\geq$  Rs. 300 crores

**Concept clarity check:**

# Prevention of Oppression and Mismanagement

In this chapter, we are going to talk about two things:  
 (a) Prevention of Oppression and (b) Prevention of Mismanagement

## SUMMARY OF CASE LAWS:

Name of the case law	Summary of decision
Foss V. Harbottle	Two principals were established based on this judgement: 1. Proper Plaintiff Rule - Co. and shareholders are two separate identity and individual shareholder cannot sue for wrong doings against the co. 2. Majority Rule which laid down that if the alleged wrong can be confirmed or ratified by a simple majority of members in GM, then in those cases the court will not interfere.
Elder v. Elder & Watson Ltd	Oppression should, at the lowest, involve visible departure from the standards of fair dealing, on which every shareholder who entrust his money to the company is entitled to rely.
Rao (V.M) v. Rajeshwari Ramakrishna	Oppression complained of must affect a person in his capacity as a member. Harsh or unfair treatment in other capacity, (a director or creditor is o/s purview of this chapter)
Ashok Betelnut Pvt Ltd vs. M K Chandrakanth	Continuous losses by company is not oppression against members
Thoman Veddon v. Kuttanad Robber Ltd.	Failure to declare dividend does not amount to oppression
Rajamundhry Electric Corporation Vs. V. Nageswar Rao A.I.R	Consent to be given by a SH is reckoned at the beginning of proceedings. Withdrawal of consent during course of proceeding shall not affect the maintainability of petition
Worldwide Agencies Pvt. Ltd. and another vs. Margaret T. Desor and others	The legal heir of a deceased member is entitled to file a petition under Section 241 of the Act for relief against oppression and mismanagement, even though the name of the deceased member is still recorded in the register of members
Sudha M Singh vs Eagle Cones Pvt Ltd	Decision relating to operation of company's bank A/c is a part of managerial power of director & mere fact that director is not being associated with operation of a company bank a/cs does not constitute oppression
Lalita Rajya Lakshmi vs Indian Motor co	Mere Denial of inspection of documents/ books of accounts - whether during the pendency of petition or before it, does not amount to oppression

### Sec 241 - Application to Tribunal for Relief in Cases of Oppression, etc.

- Any member (not director) of company who complains that either:
 

Affairs of company have been/are being conducted in manner prejudicial to: <ol style="list-style-type: none"> <li>Public interest</li> <li>Member himself or other members</li> <li>Interest of company, or</li> </ol>	Material change (not in interest of Crs/DH or members) in the mgt/control of company has taken place by alteration of: <ol style="list-style-type: none"> <li>BOD/Manager</li> <li>Ownership of company's share</li> <li>Membership (if no share capital)</li> </ol> and as a result of such change - Affairs are likely to be prejudicial to interest of members.
--	--
- Such member may apply to Tribunal for order under this chapter subject to Section 244

2. CG may apply to Tribunal if opinion-Affairs of co. is conducted in manner prejudicial to public intt.
3. Where in opinion of CG: [Boring GIF]
- Person concerned with management of affairs of company is guilty of fraud, misfeasance or breach of trust
  - Business of the company is NOT conducted by such person with sound business principle & prudent commerce practices
  - Company is managed by such person in manner likely to cause serious injury to interests of trade/ industry/business
  - Business is conducted (by such person):
 

With intent to defraud creditors/ members/other person	For fraudulent or unlawful purpose	In manner prejudicial to public interest
---	---------------------------------------	---
- CG may initiate a case against such person and refer such to Tribunal.
- Tribunal to then inquire and decide whether such person is fit and proper to hold office of director/ other office connected with management of affairs of company
4. Such person u/ss (3) shall be "respondent" to the application
5. Application u/ss (3) shall:
- Include concise statement of circumstance and relevant materials for inquiry as per CG
  - Be signed and verified as per Code of Civil Procedure, 1908

#### Concept Clarity Check :

- Can application be made for oppression that had happened in the past? - Yes.
- A dir. cannot make application under this section. But in his capacity as shareholders, he can.
- Shareholder cannot claim that 1 director being paid < the other dir. is an oppression on them.
- Matter of selection and appt. of dealers of cos. product is not within ambit of Sec 241
- Oppression does not include mere domestic disputes between dir. and members.
- Where a person w/o being so appointed, was acting as MD & discharging functions with or w/o knowledge of members, can member file appln. to Tribunal claiming as act of Oppression? - No!
- Mere Lack of confidence among members themselves resulting in certain acts of irregularities or illegalities can't be held to be oppressive.
- Writing off bad debts is commercial decision - does not require judicial interference.
- Power to issue shares should be exercised bonafide in the interest of the company and not benefiting the directors/ any other group. If exercised solely for personal benefits- Tribunal may interfere and prevent directors from doing so. Issue of further shares by the directors for purpose of converting a majority to minority is grave act of oppression

Now go and read Sec 241, then come back to Sec 242

**Author's Note**

This chapter is newly added in Self-Paced Online Module. This chapter is too procedural, and it is not practically possible to summarise the same as it adds no value. Hence, students are advised to glance through the topic once from the ICAI module.

Please be informed that, ICAI has released section wise weightage of each topic and in that here's a screenshot of weightage that they have assigned to the chapter e-filing:

10. E-filing*	-	-
---------------	---	---

**\* Since the question will be based on any of the chapters pertaining to the Companies Act, 2013, so no separate section-wise weightage is assigned to this chapter.**

Hence, keep this chapter as your last priority and refer to the ICAI module only after you are done with all the other chapters.

Still, I have added a few MCQs below which you can refer.

a BOA outside India owned or controlled by a person resident in India

- "Person Resident outside India" [Sec 2(w)] means a person who is not Resident in India.

**Concept Clarity Check:**

1. Citizenship is not relevant for determining PRI or PROI
2. If in FY 2019-20, a person resides in India for 200 days. On 1st June 2020, the person leaves India for employment outside India. Determine whether PRI or PROI? - For the period 1st April 2020 to 1st June 2020, such person shall be PRI and from 2nd June 2020 onwards, he will be a PROI (irrespective of the fact that he resides for more than 182 days in preceding FY).

3. Mr. S comes to India on 1st June 2019 for visiting his parents. However, his parents fall sick and he is certain that he will not be able to return for an year. He ends up staying with them till 31st July 2020. Is he a PRI in FY 20-21? - No, in FY 20-21, Mr. S will be considered as PROI. Even though he resided in India for more than 182 days in FY 19-20, he has not come for any of the 3 purpose (employment, business or uncertain period) and hence he is not a PRI in FY 20-21.
4. Residential status is not for a year. It is on a particular date. (Unlike Income Tax Act, 1961)
5. Is it mandatory for a person to reside in India for more than 182 days in the previous FY to be considered as PRI? - No. If he resides for  $\leq 182$  days in preceding FY, but comes to India in the current year for the 3 purpose, he will become PRI in current year.
6. Where a student is leaving India for higher studies, RBI has clarified that they shall be treated as PROI majorly because of their intention to stay outside India for an uncertain period and the fact that they start working there to take care of their expenses.

## Question:8 [FEMA LRS Limit]

In September, 2020, Mr. Purshottam Saha visited Atlanta as well as Athens and thereafter, London and Berlin on a month-long business trip, for which he withdrew forex to the extent of US\$ 50,000 from his banker State Bank of India, New Delhi branch. In December, 2020 he further, withdrew US\$ 50,000 from SBI and remitted the same to his son Raviyansh Saha who was studying in Toronto, Canada. In the first week of January, 2021, he sent his ailing mother Mrs. Savita Saha for a specialized treatment along with his wife Mrs. Rashmi Saha to Seattle where his younger brother Pranav Saha, holder of Green Card, is residing. For the purpose of his mother's treatment and to help Pranav Saha to meet increased expenses, he requested his banker SBI to remit US\$ 75,000 to Pranav Saha's account maintained with Citibank, Seattle. In February, 2021, Mr. Purshottam Saha's daughter Devanshi Saha got engaged and she opted for a 'destination marriage' to be held in August, 2021 in Zurich, Switzerland. While on a trip to Dubai in the last week of March, 2021, he again withdrew US\$ 35,000 to be used by him and Devanshi Saha for meeting various trip expenses including shopping in Dubai. Later, the event manager gave an estimate of US\$ 2,50,000 for the wedding of Devanshi Saha at Zurich, Switzerland. Which option do you think is the correct one in the light of applicable provisions of FEMA, 1999 including obtaining of prior approval, if any, from Reserve Bank of India since Mr. Purshottam Saha withdrew forex on various occasions from his banker SBI.

- In respect of withdrawal of forex on various occasions from his banker State Bank of India and remitting the same outside India during the FY 2020-21, Mr. Purshottam Saha is not required to obtain any prior approval.
- In respect of withdrawal of US\$ 35,000 in the last week of March, 2021, for a trip to Dubai, Mr. Purshottam Saha must have obtained prior approval of Reserve Bank of India since the maximum amount of forex that can be withdrawn in a FY is US\$ 1,75,000.
- After withdrawing US\$ 1,00,000, Mr. Purshottam Saha must have obtained prior approval of Reserve Bank of India for the remaining remittances made during the FY 2020-21, otherwise SBI would not have permitted further withdrawals.
- After withdrawing US\$ 50,000, Mr. Purshottam Saha must have obtained prior approval of Reserve Bank of India for the remaining remittances made during the FY 2020-21, otherwise SBI would not have permitted further withdrawals
