13 Sept 2024	
In the morning revise Important questions list and go through all True & false and theoretical questions	
Do atleast 5 questions in writing or you can attempt 10+ marks questions in writing of any mock test paper	

Join the channel: https://t.me/CA_Success_Path

Other imp points:

If time permits then go through all the questions which we have done on daily basis in Telegram channel

Attempt complete 100 marks paper.

In Accounts you will get step marking so don't leave a single part.

Don't panic

Utilize the 15 min (Reading time) wisely and select your questions which you have to attempt

Don't leave the exam hall before 5PM

Start reading question paper from last

A message:

You have done so much hard work and I believe in you.

You've worked hard, stayed dedicated, and come a long way.

I have no doubt that you're going to rock your exams and achieve great results.

Stay confident, trust your preparation, and give it your best

All the very best ❤️
