01. Introduction to Indirect Tax

CCP 01.01.01.00

Differentiate between Direct and Indirect taxes. [ICAI Study Material]

Answer :

Particulars	Direct Taxes	Indirect Taxes
Levied on	It is levied on income earned by activities conducted.	It is levied on product or services
Incidence of tax	It is borne directly by person paying tax to Government.	It is shifted to other person as the person paying tax to Government collects the same from ultimate consumer.
Nature	It is progressive in nature i.e. high rate of taxes for people with higher ability to pay.	It is regressive in nature as all the consumers equally bear the burden, irrespective of their ability to pay.
When it is paid?	It is paid after the income reaches in the hands of tax payer.	It is paid before goods/services reaches the tax payer.
Collection	Tax collection is difficult and it is on yearly basis.	Tax collection is relatively easier and collected at the time of sale / purchase of goods or rendering of services.
Examples	Eg. Income tax, wealth tax, etc.	Eg. Custom Duty, GST, Excise Duty, Service tax, Sales tax, etc.

CCP 01.01.02.00

Explain the salient features of indirect taxes. [ICAI Study Material]

Answer :

S.No.	Feature	Explanation
1	An important & major source of revenue	Indirect tax is major source of revenue for all Govts. in the world. In India, it contributes more than 50% of the total tax revenues of Central & State Governments.

2	Tax on commodities & services	It is levied on commodities at the time of supply, manufacture or purchase or sale or import/export thereof. Hence, it is also known as commodity taxation. It is also levied on provision of services.
3	Shifting of burden	Indirect tax paid by supplier is recovered from buyer by including the tax in the cost of commodity/ service & shifting tax burden in this way.
4	No perception of direct pinch	Since, Indirect tax is generally inbuilt in the price of commodity/service, most of the time tax payer pays the same without actually knowing that he is paying tax to Government.
5	Inflationary	Tax imposed causes an all-round price spiral. In short, indirect taxation directly affects the prices of commodities & services & leads to inflationary trend.
6	Wider tax base	Majority of products or services are subject to indirect taxes with low thresholds.
7	Promotes social welfare	High taxes are imposed on consumption of harmful products/sin goods such as alcoholic products, tobacco products, etc. This not only checks their consumption but also enables the State to collect substantial revenue.
8	Regressive in nature	The rich & poor have to pay the same rate of indirect taxes. This further increases the income disparities between the rich and the poor.

Discuss the deficiencies in the existing indirect taxes which led to the need for ushering into GST regime. [ICAI Study Material]

Answer: Deficiencies in the erstwhile indirect tax regime:-

Feature	Explanation
1 Double taxation	Earlier some items were treated both as goods & Services that led to double taxation.
2 No set-off	CENVAT & State level VAT were value added taxes but cross credit i.e. set-off of those was not possible as CENVAT was central levy & the other one was a State levy.
3 Cascading of taxes	CENVAT did not include value addition chain in distributive trade after the stage of production & in state level VAT also, CENVAT load on goods was not removed leading to cascading of taxes.
4 Several taxes not subsumed in VAT	For a single transaction, multiple taxes in multiple forms were required to be paid like Luxury Tax, Entertainment Tax, etc. which were not subsumed in VAT.
5 Non-integration of VAT & Service Tax	VAT on goods was not integrated with service tax at the state level. So, the cascading effect of service tax was not removed.
6 Cascading nature of CST	CST was non-vatable (i.e. no credit was allowed) and an origin-based tax which had cascading effect.
7 High Compliance Cost	Large number of taxes created high compliance cost for the taxpayers in form of more returns, payments, etc.

02. Various Articles of The Constitution of India

Write a short note on various Lists provided under Seventh Schedule to the Constitution of India. [ICAI Study Material] [CA Inter MTP-Oct 21]

Answer: Seventh Schedule to Article 246 of the Constitution contains three lists which enumerate the matters under which the Union & the State Governments have the authority to make laws as follows:-

List-I (UNION LIST):-	It contains the matters in respect of which the Parliament (Central Government) has the exclusive right to make laws.
List-II (STATE LIST):-	It contains the matters in respect of which the State Government has the exclusive right to make laws.
List-III (CONCURRENT LIST):-	It contains the matters in respect of which both the Central & State Governments have power to make laws.

03. Introduction to Goods & Services Tax

Explain the concept & principle of GST? . [ICAI Material]

Answer: The Concept & Principles of GST are as under:-

1 Value Added Tax	GST is a Broad-based value added tax levied on value added to goods &/or services at each stage of supply chain.
2 Destination based tax on consumption	GST is the revenue of that state which has jurisdiction over the place of consumption of goods &/or services which is also termed as place of supply.
3 Tax on business activity	GST is a tax on the consumption of products/services from business sources, and not on personal/ hobby activities.
4 Continuous Chain of tax Credits	It is available from producer's/service provider's point up to the retailer's/ consumer's level thus taxing only the value added at each stage of supply chain.
5 Burden borne by final consumer	Only the final consumer bears the GST charged by the last supplier in supply chain as at all the previous stages- set off benefits are available to the suppliers.
6 No cascading of taxes	As GST is charged only on value added at each stage, there is no cascading of taxes in this system & it avoids double taxation.

CCP 01.03.06.00

GST is a simplified tax structure. Justify the statement. [ICAI Study Material] [CA Inter MTP-Nov 21]

Answer: GST is a simplified tax structure because of following reasons:-

i)	Multiple taxes are reduced under GST & this lead to simplification & uniformity in tax structure making it simpler.
ii)	Uniformity in laws, procedures and tax rates across the country makes doing business easier.
iii)	Common system of classification of goods and services across the country ensures certainty in tax administration across India.
(iv)	GST avoids cascading effect of taxes completely.

CCP 01.03.07.00

Discuss how GST resolved the double taxation dichotomy under previous indirect tax laws OR

Explain how GST is a cure for ills of existing indirect tax regime. [ICAI Study Material Content]

(Hint:- Dichotomy means contrast between 2 things)

Answer:

- ⇒ **Input Tax Credit (ITC):-** ITC of CGST/SGST/UTGST/IGST is available throughout the supply chain thus, taxing only the value added.
- ⇒ **A comprehensive tax structure:-** GST covers both goods and services which solved many issues.
 - GST removed the cascading effect of CENVAT, service tax & VAT as it is simultaneously introduced at both Centre and State levels.
 - Now, Set off is available at all level i.e. to manufacturer, retailer, service provider.
- ⇒ **One Single tax:-** Under GST regime, major indirect taxes have been subsumed in the ambit of GST reducing the multiplicity of taxes. The erstwhile concepts of manufacture/ sale of goods or rendering of services are no longer applicable since, GST is levied on "Supply of Goods and/or services".

CCP 01.03.08.00

List the advantages that GST accrues to the trade and industry. [ICAI Study Material]

Answer: GST accrues following advantages to the trade and industry:-

i) Benefits to industry:-

- ⇒ Several Central & State taxes are subsumed in GST giving relief to industry, trade and agriculture.
- ⇒ Under GST, wide and comprehensive set-off is available of input tax credit.
- ⇒ This resulted in widening of tax base and better tax compliance that lead to lowering of tax burden on an average dealer in trade and industry.

ii) Mitigation of ill effects of cascading:-

- ⇒ Under GST, most of the Central & State taxes are subsumed into a single tax and set-off of prior-stage taxes are also allowed for the transactions across the entire value chain.
- ⇒ This helps in mitigating the ill effects of cascading, improving competitiveness and improving liquidity of the businesses.

iii) Benefits to small traders and entrepreneurs:-

- ⇒ GST increased the threshold for GST registration for small businesses & also provided them the benefit of composition scheme.
- ⇒ Further, single registration is needed in one State. It has created a seamless national market across the country giving an opportunity to small enterprises to expand their national footprint with minimal investment.

CCP 01.03.09.00

CCP 01.04.10.00

Elaborate the principles that were borne in mind while subsuming various central, State and local levies, under GST. [ICAI Study Material]

Answer:

The various central, state & local taxes or levies were examined to identify their possibility of being subsumed under GST keeping the following principles in mind:-

i)	They should be primarily in the nature of indirect taxes, either on the supply of goods or on the supply of services.
ii)	They should be part of transaction chain which commences with import/ manufacture/ production of goods or provision of services at one end & the consumption of goods & services at the other.
iii)	Subsuming of taxes should result in free flow of tax credit in intra & inter-State levels. Taxes, levies & fees that are not specifically related to supply of goods & services should not be subsumed under GST.
iv)	Revenue fairness for both the Union and the States individually would need to be attempted.

"Exchange is a form of supply of goods or services or both, made or agreed to be made for a consideration by a person in the course or furtherance of business".

Explain it with help of example. [ICAI RTP Jun 2018]

Answer:

- When two persons mutually transfer the ownership of one thing for the ownership of another, neither thing nor both things being money only, the transaction is called an exchange.
- Exchange offers on products like televisions, mobile phones, refrigerators, etc. are leviable to GST.
- Example:- Mr. X is a dealer of new cars. He sells new cars for ₹ 8,25,000 & agrees to reduce ₹ 1,25,000 on surrendering of old car. Mr. Y who intends to buy new car worth ₹ 8,25,000 agreed to exchange his old car with new car. Under GST law, it will be treated as Mr. Y has made supply of old car to dealer Mr. X and Mr. X has made supply of new car to Mr. Y. If Mr. Y is registered person, he will be liable to pay GST on ₹ 1,25,000. Whereas, Mr. X will be liable to pay GST on ₹ 8,25,000 irrespective of fact that whether Mr. Y is a registered person or not.

'Consideration under GST law includes both monetary and non-monetary considerations.'

Discuss the correctness or otherwise of the statement with reference to the

definition of term 'consideration' provided under the CGST Act. [ICAI Study Material]

Answer:

- ⇒ The statement is correct.
- ⇒ As per the definition of 'consideration' provided under the CGST Act, "Consideration" in relation to supply of goods &/or services includes:-
 - a) Any payment in money or otherwise, in respect of, in response to, or for the inducement of, the supply of goods &/or services.

- ⇒ It excludes:-
 - a) Any subsidy given by the Central Government or a State Government.
 - b) Deposit given for the supply shall not be considered as payment made unless the supplier applies it as consideration for the said supply.
- ⇒ The consideration can be provided by the recipient or by any other person
- ⇒ The term money under GST law not only includes cash (Indian as well as foreign currency) but also cheque, promissory note, bill of exchange, letter of credit, draft, pay order, traveler's cheque, money order, postal/electronic remittance or any such similar instrument recognized by RBI.
- ⇒ Non-monetary consideration essentially means consideration in kind

CCP 02.05.11.00

Determine whether there is consideration in following cases & also state whether GST is chargeable:-

i)	Reliance J10 offers free mobile handset on payment of security deposit worth ₹ 1500/- which is fully refundable.
ii)	Isha, a customer purchases a gold necklace weighing 275 gms from PN Gadgil Jewel showroom. In exchange, she sells her old gold articles weighing 200 gms & pays differential amount in cash.
iii)	RC cricket association Chennai, gifts a motor bike to Rahul as inducement to join their cricket club.

iv)	XYZ Ltd. is manufacturing fertilizers used for agriculture purpose. State govt. has given 30% subsidy on sale of such fertilizer.
v)	ABC and Co., a trading concern, has supplied the product X to Mr. Y at subsidized rate of ₹ 30,000 (Open market value of such goods is ₹ 45,000). The supplier of ABC and Co. has given the subsidy to it to compensate for the price difference.

Answer:-

i)	No, as security deposit given in this case is not applied by the supplier towards the mobile handset provided by it. Hence, GST will not be charged as there is no supply in absence of consideration.
ii)	In this case, there are two supplies as follows:- <ul style="list-style-type: none"> a) <u>Sale of gold necklace by Jeweller to the customer:-</u> <ul style="list-style-type: none"> ➤ It falls under the ambit of 'supply' as the sale of Jewellery by the Jeweller is in the course of his business. ➤ Consideration paid by customer is partly in kind for 200 gms & partly in money for 75 gms. ➤ GST shall be charged on value determined as per open market value for 275 gms of gold necklace. b) <u>Sale of old gold articles by customer to Jeweller:-</u> <p>It is out of the purview of 'supply' as the sale by customer is not in the course of business. Hence, GST will not be charged.</p>
iii)	Yes, as supply of motor bike is in response to an offer to join (i.e. inducement to join) the cricket club & thus, GST shall be charged.
iv)	No, Section 2(31) of CGST Act clearly states that "consideration" excludes the value of subsidy given by State Government. Thus, in the given case, GST will be charged on value excluding subsidy.
v)	Yes, Section 2(31) of CGST Act clearly states that "consideration" excludes the value of subsidy given by Central Government or State Government. But, in given case, subsidy is given by the supplier and not by Government. Hence, subsidy is treated as consideration & GST will be charged on value including such subsidy.

The temple of ancestral deity of Mr. Aman Goel and his family is located at Beri, Haryana. The temple is run by a charitable organisation registered under section 12AA of the Income Tax Act, 1961. The family has got unshakeable faith in their ancestral deity. Mr. Aman is a big entrepreneur having flourishing business of tiles in Gurugram. Upon the birth of their first child, he donated ₹ 10 lakh to the said temple for construction of a sitting hall in the temple. On the main door of the sitting hall, a name plate was placed stating "Donated by Mr. Aman Goel upon birth of his first child".

You are required to examine the levability of GST on the donation received from Mr. Aman Goel? [CA Inter RTP May 2020].

Answer:-

Legal Provision:-

- ⇒ As per CBIC clarification, if a name plate or similar acknowledgement is placed in the premises of religious institution displaying donor's name just as an expression of gratitude and public recognition of donor's act of philanthropy, then there is no supply of service for a consideration (in the form of donation) & there is no GST liability on such consideration.
- ⇒ But the condition is that the displaying of name is not aimed at giving publicity to the donor to advertise or promote his business.
- ⇒ Here, Recipient of donation/ gift has no obligation (quid pro quo) to do anything i.e. supply a service.

Discussion & Conclusion:- In the given case,

- ⇒ The payment made to a charitable organization has the character of gift or donation.
- ⇒ As there is no reference or mention of any business activity of the donor so as to advertise it, the purpose is also philanthropic (i.e., it leads to no commercial gain) & thus, not leviable to GST.

Glory Ltd. is engaged in manufacturing and selling of cosmetic products. Seva Trust, a charitable organisation, approached Glory Ltd. to provide financial assistance for its charitable activities. Glory Ltd. donated a sum of ₹ 2 lakh to Seva Trust with a condition that Seva Trust will place a hoarding at the entrance of the trust premises displaying picture of products sold by Glory Ltd. Examine whether this activity would amount to "supply" under GST law? [CA Inter May 22 Exam]

Answer:-

Legal Provision:-

- ⇒ An activity qualifies as supply under GST only if it is for a consideration and is in course/furtherance of business.
- ⇒ Donations received by the charitable organizations are treated as consideration only when there's an obligation on part of the recipient of the donation to do anything.

Discussion & Conclusion:-

- ⇒ Since in the given case, the display of products sold by the donor - Glory Ltd. - in charitable organization's premises aims at advertising/promotion of its business, it is supply for consideration in course/furtherance of business and thus, qualifies as supply under GST law.

Answer:- Section 7(1)(a) of CGST Act stipulates that the supply of goods &/or services should be for a consideration and should be in the course or furtherance of business. Whether the following transactions are treated as supply?

- (a) A retailer of clothes gives clothes from his business stock (on which ITC is taken) to his friend free of cost permanently.
- (b) A dealer of air conditioners (on which ITC is not taken) permanently transfers an air conditioner from his stock in trade, for personal use at his residence.

Answer:- Legal Provision:-

- ⇒ As per **Section 7(1)(c)** read with para 1 of schedule I of CGST Act, permanent transfer or disposal of business assets where ITC has been availed on such assets shall be treated as supply under GST even when there is no consideration is involved.
- ⇒ So, if no ITC is availed on such business asset, then it will not be treated as supply under this para.

Discussion and Conclusion:-

- (a) Business assets also includes stock in trade. Hence, in this case, permanent

transfer of business stock free of cost shall be treated as supply under para 1 of schedule 1 as the retailer claimed input tax credit on his purchase of that business stock.

- (b) The transaction will not constitute a supply even though there is permanent transfer of stock in trade (business asset) as in this case, no input tax credit is taken on such stock in trade.

Therefore, he transfers 4 air-conditioners [on which ITC has already been availed by it] from its stock, for the said purpose. Examine whether the said activity amounts to supply u/s 7 of the CGST Act, 2017.

Further, a Janakpuri resident, Aakash, approached Sahab Sales. He sold an air conditioner to Sahab Sales for ₹ 5,000. Aakash had bought the said air conditioner six months before, for his residence. Does sale of the air conditioner by Aakash to Sahab Sales amount to supply u/s 7 of the CGST Act, 2017? [RTP 2018]

Answer:-

Legal Provision:-

- ⇒ Section 7(1)(a) of CGST Act states that the supply of goods and/or services should be for a consideration and should be in the course or furtherance of business.
- ⇒ As per Section 7(1)(c) read with Para 1 of Schedule 1 of CGST Act, 2017, Permanent transfer or disposal of business assets where input tax credit has been availed on such assets shall be treated as supply even when it is made without consideration.

Discussion & Conclusion:-

- ⇒ In the given case, permanent transfer of air conditioners by Sahab Sales from its stock for personal use at its residence would amount to supply even though it

is made without consideration as per para 1 discussed above.

- ⇒ But, sale of air conditioner by Aakash to Sahab Sales will not qualify as supply under section 7. Although it is made for a consideration, but it is not in the course or furtherance of business.

The factory and retail showroom of Raghubir Fabrics are registered in the States where they are located. Although no consideration is charged, supply of goods from factory to retail showroom constitutes supply. Justify. [ICAI Study Material Example]

Discussion & Conclusion:-

- ⇒ In given case, factory & retail showroom of Raghubir Fabrics are registered in the States where they are located. So, both are treated as establishments of distinct person u/s 25(4).

On occasion of Diwali, Daksh gold pvt. ltd. distributes gift hamper to its employee worth ₹ 3,00,000. Does it qualify as supply? Would your answer be different, if gifts of ₹ 42,000 have been given to a employee?

Answer:-

Legal Provision:-

- ⇒ As per section 7(1)(c) read with Para 2 of Schedule 1 of CGST Act, 2017, Supply of goods &/or services between related persons is treated as supply even if it is without consideration.
- ⇒ Proviso to para 2 of schedule 1 states that if gifts given by employer to an employee are not exceeding ₹ 50,000 in value in a financial year, then it shall not be treated as supply of goods &/or services.
- ⇒ As per explanation to section 15, employer and employee are deemed to be related persons.

Discussion & Conclusion:-

- 1) Diwali gift to employee worth ₹ 3,00,000 will qualify as supply and such supply would be leviable to GST as the employer & employee are related and value of gift exceeds Rs 50000 in a financial year.
- 2) If gift of ₹ 42,000 is given instead of ₹ 3,00,000, the same will not qualify as supply. This is because, the value of gift is not exceeding ₹ 50,000 in a financial year.

Discuss the leviability of GST on the inter-State movement of trucks from the workshop of Gagan Engineering Pvt. Ltd. in Haryana to its own repairing centres located in other States across India. [ICAI Study Material]

- ⇒ Section 25(4) of CGST Act, 2017 states that if more than one registration is obtained or is required to be obtained by a person in one or more State, then for each of such registration, he shall be treated as distinct persons.
- ⇒ Section 7(1)(c) read with Para 2 of schedule 1 of CGST Act, 2017 states that supply of goods and/or services between 'distinct persons' as specified in section 25, when made in the course or furtherance of business shall be treated as supply even if made without consideration.
- ⇒ As per CBIC circular,
 - The inter-State movement of various modes of conveyance including trucks, carrying goods &/or passengers or for repairs and maintenance, between 'distinct persons' as specified in section 25(4), not involving further supply of such conveyance, may be treated 'neither as a supply of goods nor supply of service' and therefore, will not be leviable to IGST.
 - But, the applicable CGST/SGST/IGST shall be leviable on repairs & maintenance done for such conveyance.

Discussion & conclusion:-

- ⇒ In the given case, inter-State movement of trucks from the workshop of Gagan Engineering Pvt. Ltd. located in Haryana to its repair centres located in other States is 'neither a supply of goods nor supply of service'.

Mr. Veer is a supplier of goods located in Mumbai has appointed Mr. Rudra to procure goods based on a specification given by him. As the same kind of goods are not available in the area of Mr. Veer, Mr. Rudra buys the specified goods on his behalf from M/s XYZ Ltd. For this activity, invoice is issued in the name of

principal.

i) Whether it is to be treated as a supply under GST?

ii) Would your answer differ if invoice is issued in name of an agent Mr. Rudra?

Answer:- Legal Provision:-

- ⇒ Section 7(1)(c) read with Para 3 of Schedule 1 of CGST Act, 2017 states that supply of goods by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal, shall be treated as supply even if made without consideration.
- ⇒ As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity is treated as supply under para 3 Schedule 1, otherwise not.

Discussion:-

- ⇒ In the given case, Mr. Rudra (Agent) is appointed just to procure the goods on behalf of Mr. Veer (Principal) and he is issuing invoice also in name of Mr. Veer (Principal).
- ⇒ He has not involved himself in the supply or receipt of goods in any way.
- ⇒ Hence, Mr. Rudra is not an agent of Mr. Veer for the purpose of para 3 of schedule 1.

Conclusion:-

- i) No, it is not to be treated as a supply as per para 3 of Schedule 1. This is because Mr. Rudra (Agent) is issuing invoice in name of the Mr. Veer (Principal).
- ii) Yes, if invoice is in the name Mr. Rudra (Agent), then this transaction will be treated as supply as per para 3 of Schedule 1.

- ⇒ As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity would be treated as supply under para 3 Schedule 1, otherwise not.

Discussion & Conclusion:-

- ⇒ Yes. Transfer of garments from M Ltd. to Mr. Ram is taxable supply under GST & GST will be levied.
- ⇒ This is because, Mr. Ram (Agent) is issuing invoice in his own name for further supply of goods on behalf of M/s M Ltd.
- ⇒ Thus, this transaction is getting covered under para 3 of schedule 1 as discussed above.

08. Section 7(1)(b):- Import of service for consideration read with para 4 of Schedule 1

CCP 02.08.23.00

With reference to provisions of the CGST Act, 2017, discuss in brief, when "importation of services" is to be considered as supply and when it is not to be considered as supply. [CA Inter Nov 20 Exams] OR

Discuss the taxability of import of services under GST. [ICAI- RTP]

Answer:-

- ⇒ As per section 7(1)(b) of CGST Act, 2017, Importation of services for a consideration whether or not in the course or furtherance of business is to be considered as supply.
- ⇒ Thus, if services are imported for a consideration, then they are taxable in both situations i.e. when importation is in the course or furtherance of business & even

when it is not.

⇒ **Para 4 of Schedule 1 of CGST Act** states that Importation of services by a person without consideration is deemed as supply provided the following two conditions are satisfied:-

(a) Such import is from related person or from his establishments located outside India &

(b) Such import is in the course or furtherance of business.

⇒ In case any or both of the above two conditions is/are not satisfied, the import of services without consideration shall not be deemed as supply.

Mrs. Pragati received legal advice for her personal problems & paid 1,000 pound as legal fees to Miss Unnati of U.K. (London).

Explain whether the above activity of import of service would amount to supply u/s 7 of the CGST Act, 2017?

If in above case, both of them are real sisters & no consideration is paid then will it change your answer?

Further in the above case, if both of them are real sisters & Mrs. Pragati receives legal advice for her business & she doesn't pay any consideration then what will be your answer?

[Note:- It has been most logically assumed that miss Unnati is wholly/mainly dependant on Miss Pragati] [CA IPCC May 18 Exam -Old] [Similar question in CA IPCC RTP Nov 18, ICAI Study Material & CAI May 22 Exam]

Answer:-

Legal Provision:-

⇒ As per **section 7(1)(b)** of CGST Act, Supply includes import of services for a consideration whether or not it is in the course or furtherance of business.

⇒ Further, as per **para 4 of schedule 1** of CGST Act, import of services by a person from a related person located outside India, without consideration is treated as supply if it is provided in course or furtherance of business.

Discussion & Conclusion:-

1) In the first case, Mrs. Pragati imported service for personal purpose for a consideration & thus, it would amount to supply u/s 7(1)(b) even though it is not in course or furtherance of business.

2) In second case, import of service without consideration by Mrs. Pragati from her real sister - Miss Unnati [real sister being member of the same family & wholly/mainly dependent is a related person] will not be treated as supply as it is not in course or furtherance of business.

3) In the third case, import of service without consideration by Mrs. Pragati from her sister - Miss Unnati (related person) will be treated as supply if she receives legal advice for her business, i.e. in course or furtherance of business.

Examine whether the following activities would amount to supply under section 7 of the CGST Act:-

(a) Damodar Charitable Trust, a trust, who gets the eye treatment of needy people done free of cost, donates clothes and toys to children living in slum area.

(b) i) Raman is an Electronic Commerce Operator in Chennai. His brother who is settled in London is a well-known lawyer. Raman has taken legal advice from him free of cost with regard to his family dispute.

ii) Would your answer be different in the above case, if Raman has taken advice in respect of his business unit in Chennai? [ICAI Study Material]

Answer:-

(a) **Section 7(1)(a)** of the CGST Act, states that supply
- must be made for a consideration except the activities specified in Schedule 1 and
- must be in the course or furtherance of business.

In the given case, since, both these elements are missing, donation of clothes and toys to children living in slum area would not amount to supply u/s 7 of CGST Act.

(b) i) legal provision:-

- ⇒ Section 7(1)(c) read with Para 4 of Schedule I of CGST Act, states that if services are imported by a person from a related person located outside India without consideration & that too in the course or furtherance of business, then it is treated as supply.
- ⇒ Explanation to section 15 states that members of the same family are deemed to be "related persons".
- ⇒ Further, as per section 2(49), brother is treated member of same family only when he is wholly or mainly dependent on the said person.

Discussion & Conclusion:-

- ⇒ In the given case, Raman has received free of cost legal services from his brother who is a well-known lawyer settled in London and is not wholly/mainly dependent on Raman.
 - ⇒ So, as per section 2(49) & Explanation to section 15 above, Raman & his brother are not related as they are not treated as family.
 - ⇒ Further, Raman has taken legal advice from him in personal matter & not in course or furtherance of business.
 - ⇒ Thus, the services provided by Raman's brother to him would not be treated as supply u/s 7 of the CGST Act read with para 4 of Schedule I.
- ii) No, if Raman has taken advice for his business unit, services provided by Raman's brother to him would still not be treated as supply. This is because, though services are provided in course or furtherance of business but it is not received from related person as discussed in answer i).

Sarvanna & Sons wishes to start supplying alcoholic liquor in the State of Tamil Nadu. Therefore, it applies for licence to the Tamil Nadu Government for selling liquor for which the State Government has charged specified fee from it. Examine whether the grant of alcoholic liquor licence by the Tamil Nadu Government to Sarvanna & Sons qualifies as supply. [ICAI Study Material]

Answer:-

- ⇒ Services of granting of alcoholic liquor license by the State Governments have been notified u/s 7(2)(b) of CGST Act which shall be neither treated as a supply of goods nor as a supply of service.
- ⇒ This licence is granted against consideration i.e. licence fee or application fee or or any other fee.

- ii) **Place of supply:-** Similarly Section 10, 11, 12 & 13 of IGST Act, 2017 provides different provision to determine place of supply for supply of goods & services. Therefore, distinction of supply between goods, services or both is required.

- ⇒ Such supplies are naturally bundled,
- ⇒ Such supplies are supplied in conjunction with each other,
- ⇒ They are supplied in the ordinary course of business &

Manikaran, a registered supplier of Delhi, has supplied 20,000 packages at ₹ 30 each to Mukhija Gift Shop in Punjab. Each package consists of 2 chocolates, 2 fruit juice bottles and a packet of toy balloons. Determine the rate(s) of GST applicable in the given case assuming the rates of GST to be as under:-

Goods/services supplied	GST Rate
Chocolates	18%
Fruit juice bottles	12%
Toy balloons	5%

[ICAI Study material]

Answer:-

Legal Provision:- As per section 2(74) of CGST Act, "Mixed supply"-

- ⇒ Consist of two or more individual supplies of goods &/or services,
- ⇒ They can be supplied independently, still supplied together by the taxable person,
- ⇒ Supplied for a single price &

⇒ Is not naturally bundled i.e. it is not a composite supply.

Discussion & Conclusion:-

⇒ Supply of a package containing chocolates, fruit juice bottles and a packet of toy balloons is a **mixed supply** as each of these items can be supplied separately and is not dependent on any other (i.e. **not naturally bundled**) & also a single price is charged for the package..

⇒ Further, as per section 8(b), the mixed supply is treated as a supply of that particular supply which attracts the highest rate of tax.

⇒ Thus, in the given case, supply of packages is treated as supply of chocolates as it attracts the highest rate of tax & the rate of GST applicable on the package of ₹ 6,00,000 (20,000 × ₹ 30) is 18%.

CCP 02.11.37.00

Dumdum Electronics has sold the following electronic items to Akbar Retail Store.

- (i) Refrigerator (500 litres) taxable @ 18%
- (ii) Stabilizer for refrigerator taxable @ 12%
- (iii) LED television (42 inches) taxable @ 12%
- (iv) Split air conditioner (2 Tons) taxable @ 28%
- (v) Stabilizer for air conditioner taxable @ 12%

Dumdum Electronics has issued a single invoice, indicating price of each of the above items separately in the same. Akbar Retail Store has given a single cheque of ₹ 1,00,000/- for all the items as a composite discounted price. State the type of supply and the tax rate applicable in this case. [ICAI Study Material]

Answer:-

- ⇒ In the given case, the items supplied by Dumdum Electronics are not naturally bundled in the ordinary course of business. Therefore, such supply is **not a composite supply**.
- ⇒ Further, Akbar Retail Store has paid a composite discounted price for these goods but Dumdum Electronics has **not charged a single price for the said supply**.

Therefore, said supply is also not a mixed supply.

⇒ Thus, there is **supply of individual items** which are taxable at the respective rates applicable to them.

[Author's Note:- if this question comes for more marks than it deserve, then you can write legal provision for what is composite supply and mixed supply at start of ans]

CCP 02.11.38.00

Explain the composite supply & mixed supply. If a trader launches a package sales for marriage containing double bed, refrigerator, washing machine, wooden wardrobe at a single rate. He is issuing invoice showing value of each goods separately. Whether this is case of mixed supply or composite supply. Explain.

[CA Inter Jul 21 Exams]

Answer:-

Legal Provision:-

⇒ As per section 2(30) of CGST Act, "Composite supply"-

- Consists of two or more taxable supplies of goods &/or services,
- Such supplies are naturally bundled,
- Such supplies are supplied in conjunction with each other,
- They are supplied in the ordinary course of business &
- Have one supply as principal supply.

⇒ As per section 2(74) of CGST Act, "Mixed supply"-

- Consist of two or more individual supplies of goods &/or services,
- They can be supplied independently, still supplied together by the taxable person,
- Supplied for a single price &
- Is not naturally bundled i.e. it is not a composite supply.

Discussion & Conclusion:-

⇒ Items such as double bed, refrigerator, washing machine & wooden wardrobe are not naturally bundled &

- ⇒ The invoice for the supply shows separate values for each item i.e., the package is not supplied for a single price.
- ⇒ Thus, supply of such items as a package will **neither constitute a composite supply nor a mixed supply.**
- ⇒ Thus, the various items of the package will be treated as being supplied **individually.**

01. General Questions on Reverse Charge

CCP 03.01.01.00

What does reverse charge mean & Who is responsible to pay taxes under the GST Law?

Law?

Answer:

Meaning of reverse charge:-

As per section 2(98) of CGST Act, 2017, "Reverse charge" means the recipient of supply of goods &/or services is liable to pay GST instead of supplier u/s 9(3) or 9(4) of CGST Act.

The person responsible to pay taxes under the GST Law:-

Generally, the supplier of Goods &/or Services is liable to pay taxes under the GST Law. However, the following are certain exceptions:-

- ⇒ Supply of goods &/or services notified by the Government on the recommendations of the GST Council u/s 9(3) of CGST Act
- ⇒ Supply of specified categories of goods &/or services by an unregistered supplier to specified class of registered persons, as notified by the Government on recommendation of GST Council u/s 9(4) of CGST.

(ii) Yes, as the government have notified supply of goods as well as services for payment of tax on reverse charge basis.

(iii) Yes, Supplier may not have paid the tax due to threshold benefit but this does not excuse recipient from the liability which is arising under reverse charge mechanism u/s 9(3)/9(4) of CGST Act.

02. Section 9(3):- RCM for notified supply of goods or services (RCM for notified supply of goods N.A. at inter level)

Legal Services by Advocates

CCP 03.02.03.00

V'Smart Pvt. Ltd., Pune had appointed a senior advocate Ms. Pooja for representation of company's legal matter at Delhi. Determine who is liable to pay the GST? Would your answer differ if V'Smart Pvt. Ltd. appoints local advocate Mr. Sagar who further appoints Ms. Pooja for representation?

Answer:

Legal Provision:-

- ⇒ As per section 9(3) of CGST Act, 2017, if legal services are provided by an individual advocate including a senior advocate to any business entity located in the taxable territory, then the GST is payable on reverse charge basis by recipient.
- ⇒ Legal services include representation made on legal matters.

Discussion & Conclusion:-

- 1) In the given case, Pooja is a senior advocate providing representational service to a business entity i.e., V'Smart Pvt. Ltd., Pune. Therefore, V'Smart Pvt. Ltd. is be liable to pay GST under reverse charge for services provided by Ms. Pooja.
- ii) No because the liability to pay GST will be on V'Smart Pvt. Ltd. only eventhough Ms. Pooja is appointed through another local advocate Mr. Sagar.

Services by Government

CCP 03.02.04.00

"Under the GST law, taxes on taxable services supplied by the Central Government or the State Government to a business entity in India are payable by recipient of services".

State the exceptions of the above statement (CA Inter May 22 Exam)

Answer:-

As per section 9(3) of CGST Act, Services supplied by the Central Government or State Government to a business entity in India are payable by the Recipient of services except:

- 1) Services of renting of immovable property provided to an unregistered business entity.
- 2) Services in relation to an aircraft or a vessel, inside or outside the precincts of a port or an airport.
- 3) Services of transport of goods or passengers

Services by Director

CCP 03.02.05.00

Mr. Priyam, director of Sun Moon Company Private Limited, provided service to the company for remuneration of ₹ 1,25,000. Briefly answer whether GST is applicable in the below mentioned independent cases? If yes, who is liable to pay GST?

- (i) Mr. Priyam is an independent director of Sun Moon Company Private Limited and not an employee of the company.
- (ii) Mr. Priyam is an executive director, i.e. an employee of Sun Moon Company Private Limited. Out of total remuneration amounting to ₹ 1,25,000, ₹ 60,000 has been declared as salaries in the books of Sun Moon Company Private Limited and subjected to TDS under section 192 of the Income-Tax Act (IT Act). However, ₹ 65,000 has been declared separately other than salaries in

the Sun Moon Company Private Limited's accounts and subjected to TDS under section 194J of the IT Act as professional services. [CA Inter RTP May 21]

Answer -

i. Legal Provision:-

- ⇒ As per Para 1 of Schedule III of the CGST Act, services by an employee to the employer in the course of or in relation to his employment are non-supplies, i.e. they are neither supply of goods nor supply of services.
- ⇒ As per section 9(3) of CGST Act, if services are provided by director to the company located in taxable territory, then the company is liable to pay tax under reverse charge.

Discussion & Conclusion:-

- ⇒ Mr. Priyam, being an Independent director, is not an employee of the company.
- ⇒ Hence, remuneration paid to them as consideration for providing services are clearly outside the scope of Schedule III of the CGST Act and are therefore taxable.
- ⇒ Thus, GST is applicable in this case and Sun Moon Company Private Limited is liable to pay GST.

ii. Legal Provision:-

- ⇒ As per section 9(3) of CGST Act, if services are provided by director to the company located in taxable territory, then the company is liable to pay tax under reverse charge.
- ⇒ As per CBIC Clarification, if director's remuneration is declared as salaries in books of a company and subjected to TDS u/s 192 of the Income-tax Act (IT Act), then that is not taxable being consideration for services by an employee to employer in course of or in relation to his employment as per para 1 of Schedule III.

CH 3

Reverse Charge & ECO

- Further, **director's remuneration** which is declared separately other than salaries in company's accounts and subjected to **TDS u/s 194J** of IT Act as fees for professional or technical services are **outside the scope of Schedule III** and is therefore, taxable.

Discussion & Conclusion:-

- In this case, **salary of Rs. 60000** is not taxable as it gets covered under para 1 of Schedule III.
- Further, **Rs. 65,000** declared separately other than salaries by Sun Moon Company Private Limited's is a consideration for professional services which is **outside the scope of Schedule III** and is therefore, taxable.
- The **recipient** of services i.e. the Sun Moon Company Private Limited, is liable to discharge the applicable GST on it on **reverse charge basis**.

is payable on reverse charge basis by recipient.

Discussion & Conclusion:-

i) Sitting Fee paid to director:-

- Here, Narayan Limited (i.e. Company) paid sitting fee ₹ 25,000 to its director-Arpan Singhania.
- Thus, Narayan Limited is liable to pay GST under reverse charge

ii) Salary paid to director:-

- As per CBIC circular, if director's remuneration is declared as Salaries in books of company & subjected to TDS u/s 192 of Income-tax Act, then that is not taxable under GST because it is the consideration for services by an employee to employer in the course of or in relation to his employment as per Para 1 of Schedule III.
- Therefore, the salary received by Arpan Singhania of ₹ 1.5 lakh is **not liable to GST**.

iii) Services provided by Tapasya & Associates:-

- In this case, the fact that Arpan Singhania is a partner in Tapasya & Associates and also a director in Narayan Limited **does not have any impact on the taxability** of professional services supplied by Tapasya & Associates to Narayan Limited.
- Therefore, Tapasya & Associates (i.e. the supplier) is liable to pay GST on such services under forward charge.

[CA Inter RTP May 2020] [CA Inter Jan 21 Exam -similar Question]

Discussion & Conclusion:-

- ⇒ In the given case, Mr. Vicky temporarily transferred copyright relating to original literary works of his new book to the publisher – SBP.
- ⇒ Therefore, the publisher – SBP is liable to pay tax under reverse charge.
- ⇒ However, since SBP has completely refused to deposit the tax on the given transaction, Mr. Vicky Frankyn has an option to pay tax under forward charge provided he fulfils the following conditions:-
 - (i) He has taken registration under the GST law.
 - (ii) He has filed a declaration, in the prescribed form,

04. Section 9(5) - Liability of Electronic Commerce Operator (ECO)

CCP 03.04.17.00

Does the tax liability u/s 9(5) comes within the scope of reverse charge? Can any person other than the supplier or recipient be liable to pay tax under GST?

Answer:-

⇒ No, this is because:-

- The definition of reverse charge given in section 2(98) of CGST Act refers only to section 9(3) and 9(4) of the said act.
 - It has no reference to section 9(5).
 - Tax payment by ecommerce operator in case of specified services under section 9(5) would not be a case of reverse charge as the ecommerce operator facilitates the supply through the digital network and collects payment from recipient and passes it on to supplier.
- ⇒ Yes, E-Commerce Operator is not a supplier / recipient but he is liable to pay tax u/s 9(5) for the supply of notified categories of services.

- b) Renting of flat -2 to XYZ Ltd. a registered person for use of guesthouse is liable to GST under reverse charge & XYZ Ltd. is liable to pay tax.
- c) Exemption is available only if flat is given on rent only for residence purpose. In given case, eventhough Mr. C is un-registered person but he is using flat for official purpose hence renting service is taxable under forward charge & Mr. Ram is liable to pay tax.

You are required to answer the following:-

- (1) Is Mr. X eligible for composition scheme?
- (2) Is it possible for Mr. X to opt for composition scheme only for showroom?

[CA Inter Suggested Nov 18 Old]

Answer:-

Legal Provision:-

⇒ As per section 10(1) of CGST Act, a registered person can opt to pay tax under composition scheme, if aggregate turnover in preceding financial year was not exceeding Rs. 1.5 Crore other than special category states but including Assam, Himachal Pradesh & Jammu & Kashmir

⇒ As per Second proviso to section 10(1), A person who opts to pay tax u/s 10(1) may supply services (other than Restaurant service), of value not exceeding the higher of:-

- 10% of turnover in a State or Union territory in the preceding financial year or
- Rs. 5 Lakhs.

Discussion & Conclusion for (1):-

⇒ In given case, as Mr. X is engaged in supply of consultancy service along with sale of goods with the Aggregate turnover of preceding financial year is Rs. 85 lakhs which does not exceed Rs. 1.5 Crore.

⇒ Thus, Mr. X is eligible to opt for composition scheme u/s 10(1), if value of supply of service to be provided in current financial year does not exceeds marginal limit allowed of Rs. 8.5 lakhs [i.e. higher of 10% * (₹70 lakhs + ₹15 lakhs) or ₹5 lakhs].

Discussion & Conclusion for (2):-

No, it is not possible for Mr. X to opt for composition scheme only for showroom as all the registrations under the same PAN have to opt for composition scheme & here, the person is ineligible to opt for composition levy as discussed above.

It has started providing intra-State event management services in the current financial year 20YY-22 and discontinued rendering restaurant services.

(i) With reference to the provisions of the CGST Act, 2017, examine whether Vansh Traders can opt for the composition scheme under section 10 of the CGST Act, 2017 in the current financial year?

(ii) Is Vansh Traders eligible to avail benefit of concessional payment of tax

under Sec 10(2A)? [CA IPC Jan 21 Exam] [ICAI Study Material with some variation]

Answer:-

Legal Provision:-

- ⇒ A registered person who is exclusively engaged in providing services other than restaurant services is not eligible for the composition scheme u/s 10(1) & 10(2) of the CGST Act, 2017.
- ⇒ Such person is eligible for composition scheme u/s 10(2A) of the CGST Act, 2017, provided his aggregate turnover in the preceding financial year does not exceed ₹ 50 lakh.

Discussion & Conclusion:-

- ⇒ In the given case, Since Vansh Traders is engaged exclusively in supply of services other than restaurant services (viz. event management services) in the current financial year 20YY-22, it is not eligible for composition scheme u/s 10(1) & 10(2) in said FY.
- ⇒ Further, since its aggregate turnover in the preceding financial year 20XX-YY exceeds ₹ 50 lakh, it cannot opt for the composition scheme u/s 10(2A) also in the current financial year 20YY-22.

Mr. Ajay has a registered repair centre where electronic goods are repaired/serviced. His repair centre is located in State of Rajasthan and he is not engaged in making any inter-State supply of services. His aggregate turnover in the preceding financial year (FY) is ₹ 45 lakh.

With reference to the provisions of the CGST Act, 2017, examine whether Mr. Ajay can opt for the composition scheme under section 10(1) & 10(2) in the current financial year?

Or whether he is eligible to avail benefit of composition scheme under section 10(2A)?

Considering the option of payment of tax available to Mr. Ajay, compute the amount of tax payable by him assuming that his aggregate turnover in the current financial year is ₹ 35 lakh.

Will your answer be different if Mr. Ajay procures few items required for providing repair services from neighbouring State of Madhya Pradesh?

Answer:-

Legal Provision:-

- ⇒ A registered person who is exclusively engaged in providing services other than restaurant services is not eligible for the composition scheme u/s 10(1) & 10(2) of the CGST Act, 2017.
- ⇒ As per section 10(2A) of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) & has aggregate turnover in preceding financial year not exceeding ₹ 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).
- ⇒ Then, supplies are liable to GST @6% (i.e. CGST @3% & SGST @3%) of the turnover in state till the aggregate turnover reaches Rs. 50 lakhs.
- ⇒ As per the conditions given u/s 10(2A), he should not be engaged in outward inter-state supply of goods or services.

Discussion & Conclusion:-

- ⇒ In the given case, since Mr. Ajay is an exclusive supplier of services (i.e. repair services) other than restaurant services, he is not eligible for composition scheme under section 10(1) & 10(2).
- ⇒ However, Mr. Ajay is eligible to avail the composition scheme under section 10(2A) as his aggregate turnover in the preceding FY was ₹ 45 lakhs which does not exceed ₹ 50 lakh and he is not eligible to opt for the composition scheme under section 10(1) & 10(2).
- ⇒ Thus, the amount of tax payable by him as per the composition scheme under section 10(2A) is ₹ 2,10,000 [6% of ₹ 35 lakh].
- ⇒ There is restriction on making inter-state outward supply and not on inter-State procurement of goods. Hence, answer will remain the same even if Mr. Ajay procures few items from neighbouring State of Madhya Pradesh.

Discussion & Conclusion (i):-

⇒ In the given case, Hyundai Service Centre is not eligible to opt for composition scheme u/s 10(1) as it is predominantly supplying car servicing along with goods.

⇒ The aggregate turnover is Rs. 45 lakhs in preceding financial year which does not exceed ₹ 50 lakhs & thus, it is eligible to opt for composition scheme in current financial year u/s 10(2A).

Discussion & Answer for (ii):-

⇒ As the aggregate turnover of Hyundai Service Centre in 1st quarter of current financial year was ₹ 48 lakhs, it is eligible for levying GST @6 % on entire turnover of ₹ 48 lakhs as there is no restriction on supply of goods as per section 10(2A) along with supply of services.

- b) If instead of consulting agency, Mr. Amar is running a Restaurant, whether he is eligible for composition?
- c) If the turnover of Garment showroom is ₹ 1.5 Cr in the preceding financial year and there is no consultancy firm, whether he is eligible for Composition?

Answer:-

Legal Provision:-

- ⇒ As per **section 10(1)** read with second proviso thereto,
 - a person providing Restaurant service can opt for composition scheme without any limit for supplying such service &
 - person who opts to pay tax u/s 10(1) may supply services (other than Restaurant

service) in current financial year, of value **not exceeding higher of:-**

- 10% of turnover in a State or UT in the preceding financial year or
- Rs. 5 Lakhs.

⇒ As per **section 10(2)(a)** of CGST Act, if any person is engaged in supply of services except as allowed above, then such person is ineligible for composition levy u/s 10(1).

⇒ As per **section 10(2A)** of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) & has aggregate turnover in preceding financial year not exceeding Rs. 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).

Discussion & Conclusion:-

a) No, Mr. Amar is **not eligible** for composition scheme u/s 10(1) because:-

- he is supplying consultancy service of Rs 15 lakhs in current financial year
- which is more than the limit allowed Rs. 5 Lakhs (i.e., 10% of Rs. 10 lakhs or Rs. 5 lakhs, whichever is higher)

But, Mr. Amar can opt for composition scheme u/s 10(2A) as his aggregate turnover in preceding financial year Rs. 10 Lakhs which is not exceeding Rs. 50 Lakhs.

b) Yes, as Mr. Amar is providing Restaurant services which are **eligible** for composition scheme u/s 10(1) read with second proviso to section 10(1) without any limit for providing such service and hence, not becoming ineligible u/s 10(2)(a) also.

[CA Final Nov 18 exam] [ICAI Material].

Answer:-

The action taken by proper officer is valid in law.

Legal Provision:-

- ⇒ As per section 10(1) of CGST Act, a registered person can opt to pay tax under composition scheme, if aggregate turnover in preceding financial year was not exceeding Rs. 1.5 Crore in other than special category states but including Assam, Himachal Pradesh & Jammu & Kashmir.
- ⇒ Further, as per section 10(2)(c), a registered person is eligible to opt for composition levy if he is not engaged in making any inter-state outward supplies of goods or services.

Discussion:-

- ⇒ In the given case, Mr. Zaid is engaged in making inter-State outward supplies of goods.
- ⇒ So, he is not eligible to opt for composition levy u/s 10(2)(c) irrespective of aggregate turnover in the preceding financial year. Still, he paid tax for quarter ending June, 20YY under composition levy.

Conclusion:-

- ⇒ So, the action taken by proper officer to levy penalty u/s 10(5) on Mr. Zaid in addition to tax payable by him is valid in law.

08 Procedural Questions on composition levy

CCP 04.08.21.00

The due date for payment of tax by a person paying tax under section 10 of the CGST Act, 2017, i.e., a composition supplier is aligned with the due date of return to be filed by the said person. Discuss the correctness or otherwise of the statement. [CA Inter RTP Nov 2020]

Answer:-

- ⇒ The statement is not correct.
- ⇒ Every registered person who is paying tax u/s 10 of CGST Act (i.e., a composition supplier) is required to file a return in Form GSTR-4 annually by 30th April of the succeeding financial year
- ⇒ However, a composition supplier is required to pay tax on a quarterly basis.
- ⇒ A quarterly statement for payment of self-assessed tax in GST CMP-08 is required to be furnished by 18th day of the month succeeding such quarter.
- ⇒ Therefore, though the return is to be furnished annually, payment of tax needs to be made on a quarterly basis, by a composition supplier.

CCP 04.08.22.00

A person availing composition scheme, under sub-sections (1) & (2) of section 10, in Haryana during a financial year crosses the turnover of Rs. 1.5 Crore in the month of December. Will he be allowed to pay tax under composition scheme for the remainder of the year, i.e. till 31st March? [CA Inter MTP Oct 21] [ICAI

Study Material]

Answer:-

- ⇒ No. As per section 10(3) of CGST Act, the option availed of by a registered person u/s 10(1) lapses with effect from the day on which his aggregate turnover during a financial year exceeds the threshold limit as specified u/s 10(1) of Rs. 1.5 Crore.
- ⇒ Once he crosses the threshold, he is required to file an intimation for withdrawal from the scheme in prescribed form within 7 days of the occurrence of such event.
- ⇒ After filing such intimation, he may furnish a statement in prescribed form within a period of 30 days from the date from which the option is withdrawn containing details of:-
- stock of inputs and
 - inputs contained in semi-finished or finished goods held in stock by him
- on the date on which the option is withdrawn.

Answer:-

- | | |
|----|---|

⇒ Thus, the registered person making purchases from a composition supplier cannot avail credit of tax paid as no tax is charged to him by the said person.
⇒ As per section 17(5) also, the input tax credit is blocked for inward supply from the person paying tax under composition scheme u/s 10. |
| 4) | No, as per section 10(4) of CGST Act, any taxable person opting to pay tax under the composition scheme u/s cannot avail any input tax credit on his inward supplies. |

01. General Questions on Time of Supply (TOS)

CCP 05.01.01.00

Explain the significance of time of supply under GST law. [ICAI Material]

Answer:-

- ⇒ GST is leviable on supply of goods &/or services.
- ⇒ Time of supply indicates the point in time when the liability to pay tax arises.
- ⇒ Though, the liability to pay the tax arises at the time of supply, the payment of the same can be paid to Government by the due date prescribed with reference to the said 'time of supply'.
- ⇒ There are separate provisions for time of supply for goods and services under section 12 and 13 of the CGST Act respectively.

CCP 05.01.02.00

The time of liability to pay GST is independent of the time of supply of goods/ services. Discuss the correctness of the statement?

Answer:

- ⇒ The said statement is not correct.
- ⇒ Liability to pay GST arises at the time of supply of goods as explained in Section 12 and at the time of supply of services as explained in Section 13 of CGST Act.
- ⇒ The time of supply is generally the earliest of one of the three events, namely receiving payment, issuance of invoice or completion of supply.
- ⇒ Different situations are envisaged and different tax points have been explained in the aforesaid sections.

02. Sec 12(2):- TOS of goods under Forward Charge read with N/No. 66/2017

CCP 05.02.03.00

What will be the time of supply of goods, generally?

Answer:

- ⇒ As per section 12(2) of the CGST Act, 2017 read with notification 66/2017, the time of supply of goods shall be earlier of the following dates:-

- a) Date of issue of invoice or
- b) last date to issue the invoice u/s 31. (i.e. Date of removal or Date of delivery or Date of making goods available).

- ⇒ As per notification 66/2017, the time of supply of goods is not on advanced received & this is applicable to all registered persons except composition supplier.

CCP 05.02.04.00

An order is placed on Ram & Co. on 18th August for supply of a consignment of customized shoes. Ram & Co. gets the consignment ready and informs the customer and issues the invoice on 2nd December. The customer collects the consignment from the premises of Ram & Co. on 7th December and electronically transfers the payment on the same date, which is entered in the accounts on the next day, 8th December.

What is the time of supply of the shoes for the purpose of payment of tax? [ICAI Study Material]

Answer: Legal Provision:-

- ⇒ As per section 12(2) of the CGST Act, 2017 read with notification 66/2017, the time of supply of goods shall be earlier of the following dates:-
 - a) Date of issue of invoice or
 - b) last date to issue the invoice u/s 31.
- ⇒ As per N/N 66/2017, the time of supply of goods is not on advanced received & this is applicable to all registered persons except composition supplier.
- ⇒ Further, u/s 31(1), if supply involves movement of goods, a registered person is required to issue a tax invoice before or at the time of removal of goods for supply to the recipient.

Discussion & Conclusion:-

- ⇒ In this case, invoice is issued before the removal of the goods (i.e. collection of goods by customer) & is thus, within the time limit prescribed u/s 31(1).
- ⇒ Therefore, the time of supply for payment of tax is date of issue of invoice, which is 2nd December.

CCP 05.02.05.00

Investigation shows that 150 cartons of ceramic capacitors were dispatched on 2nd August but no invoice was raised and the transaction (dispatch of cartons) were not entered in the accounts. - a) Date of issue of invoice or
- b) last date to issue the invoice u/s 31.

Discussion & Conclusion:-

- The invoice for supply of goods must be issued on or before dispatch of goods, i.e. on 2nd August.
- Therefore, the time of supply of goods will be 2nd August.

The payment was made in December. What is the method to fix the time of supply of the service? [ICAI Study Material] [CA Inter MTP Oct 2020]

Answer:

Legal Provision:-

⇒ As per section 13(2)(b) of CGST Act, 2017, if invoice is not issued within the time prescribed u/s 31 for supply of services, then the time of supply of such services shall be earlier of:-

CCP 05.04.13.00

Determine the time of supply from the following particulars: (ICAI Material)

6th May	Booking of convention hall, sum agreed ₹15000, advance of ₹3000 received
15th September	Function held in convention hall
27th October	Invoice issued for ₹ 15000, indicating balance of ₹ 12000 payable
3rd November	Balance payment of ₹ 12000 received

Answer: Legal Provision:-

- ⇒ As per section 13(2)(b) of CGST Act, 2017, if invoice is not issued within the time prescribed u/s 31 for supply of services, then the time of supply of such services shall be earlier of:-
 - the date of provision of service or
 - the date of receipt of payment.
- ⇒ As per section 31(2), generally, the tax invoice shall be issued within 30 days of supply of service & in case of banking & FI, it should be within 45 days.

Discussion & Conclusion:-

- ⇒ In given case, invoice is not issued within the prescribed time limit of 30 days of supply of services
- ⇒ Therefore, as per section 13(2)(b), the time of supply of service is:-
 - 6th May for advance received ₹ 3,000 because this date of advance payment of ₹ 3000 is earlier than the date of provision of service i.e. 15th September.
 - 15th September for the balance ₹ 12,000 because this date of provision of service is earlier than the date of payment of balance amount i.e. 3rd November.

The dates of the work are not clear from the records of ABC & Co. ABC & Co have not issued invoice or entered the payment in their books of account. [ICAI Study Material]

Answer:

Legal Provision -

- ⇒ As per section 13(2)(c) of CGST Act, 2017 if time of supply of service cannot be determined u/s 13(2)(a) & 13(2)(b), then the time of supply shall be:-
 - date on which the recipient shows the receipt of services in his books of account.

Discussion & Conclusion:-

- ⇒ In the given case, time of supply cannot be determined as per section 13(2)(a)/(b) as neither the invoice has been issued nor the date of provision of service is available & the date of receipt of payment in the books of the supplier is also not available.
- ⇒ Now, the time of supply as per section 13(2)(c) shall be the date on which the recipient of service shows receipt of the service in his books of account.
- ⇒ Thus, the time of supply will be 4th April which is the date on which the Apartment Owners' Association records the receipt of service in its books of account

- ⇒ In the given case, excess amount paid is ₹ 500 (which is not exceeding ₹ 1000) as the January, 20XX bill was for ₹ 5000 & payment made ₹ 5500.
- ⇒ Therefore, time of supply of such excess amount is 05/03/20XX i.e. date of invoice for such excess as per proviso to section 13(2).

(ii) If Mr. X makes the payment of ₹ 6,500:-

- ⇒ Here, the excess payment is ₹ 1500 which exceeds Rs. 1000.
- ⇒ In such case, above proviso is not applicable.
- ⇒ Therefore, as per section 13(2), the time of supply shall be the date of receipt of such excess advance amount.

Kabira Industries Ltd engaged the services of a transporter for road transport of a consignment on 17th June and made advance payment for the transport on the same date, i.e., 17th June. However, the consignment could not be sent immediately on account of a strike in the factory, and instead was sent on 20th July. Invoice was received from the transporter on 22nd July.

What is the time of supply of the transporter's service? (ICAI Material)

Answer:

Legal Provision:-

⇒ As per section 9(3) of CGST Act, if services are provided by Goods Transport Agency (GTA) for transportation of goods by road to any Body Corporate (which includes company) established by or under any law, then GST is payable on reverse charge basis by such Body Corporate.

⇒ As per section 13(3) of CGST Act, 2017, the time of supply of service taxable under reverse charge is earlier of the following:-

a) Date of payment made by the recipient.

b) Date immediately following 60 days from date of issue of invoice by the supplier.

(Here, date of invoice is relevant only for calculating sixty days from that date)

Discussion & Conclusion:-

⇒ In the given case, the date of payment (i.e. 17th June) precedes 61st day (i.e. 21st September) from the date of issue of invoice by the supplier of service.

⇒ Hence, the time of supply of service as per section 13(3) shall be 17th June which is the date of payment in this case.

Assumption:- It is assumed that GTA has not paid GST @12% i.e. GST is payable @ 5%.

You are required to examine and determine the time and value of supply under forward charge w.r.t. job work and supply of goods under the provisions of CGST Act, 2017. [CA IPC Dec 21 Exam]

Answer:-

a) Time and value of supply in case of job work:-

- ⇒ Job work is treated as supply of services.
- ⇒ As per section 13(2)(a) of CGST Act, 2017, if invoice is issued within the time prescribed u/s 31 (i.e. within 30 days) for supply of services, then the time of supply of such services shall be earlier of:-

- a) the date of issue of invoice by the supplier or
- b) the date of receipt of payment (to the extent the invoice/payment covers the supply of services).

- ⇒ Thus, the time of supply for advance of ₹ 1,50,000 received for the supply of job work services is **03.03.20XX** and for balance payment of ₹ 1,00,000 is **11.03.20XX**.
- ⇒ Value of supply is ₹ 2,50,000.

June, 20XX and payment was made on 25th August, 20XX.

What is the time of supply of the transporter's service? [CA Inter Dec 21 Exam]

Answer:

- (i) **Legal Provision:-**
- ⇒ As per **section 12(2)** of CGST Act, 2017 read with **notification 66/2017**, the time of supply of goods shall be **earlier** of the following dates:-
 - a) Date of issue of invoice or
 - b) last date to issue the invoice u/s 31.(As per **notification 66/2017**, the time of supply of goods is **not on advanced received**).
 - ⇒ As per **section 31(1)**, the registered person is required to issue invoice before or at the time of delivery of goods or making goods available to the recipient.
- Discussion & Conclusion:-**
- ⇒ In given case, last date to issue invoice is the date of delivery of fabrics i.e. 4th September, 20XX which precedes the date of invoice i.e. 15th September, 20XX.
 - ⇒ Thus, the **time of supply is 4th September, 20XX.**
- (ii) **Alternative 1:-** Assuming that services of transportation of goods by road have been provided by a GTA which has not paid GST @ 12%; i.e. GST is payable @ 5%.
- Legal Provision:-**
- ⇒ As per **section 9(3)** of CGST Act, 2017, if service of transportation of goods by road is provided by GTA to a body corporate (which includes company), then GST is payable under reverse charge by body corporate.
 - ⇒ As per **section 13(3)** of CGST Act, 2017, the time of supply of service taxable under reverse charge is earlier of the following:-
 - a) **Date of payment** made by the recipient.
 - b) Date immediately **following 60 days** from date of issue of invoice by the supplier.

Discussion & Conclusion:-

- ⇒ Thus, in the given case, time of supply is earlier of:-
- ⇒ 25th August, 20XX i.e. the date of payment or
- ⇒ 20th August, 20XX (61st day from 20th June which is the date of invoice)
- ⇒ Therefore, the time of supply is 20th August, 20XX.

Alternative 2:- Assuming that services of transportation of goods by road have been provided by a GTA which has paid GST @ 12%. Thus, GST is payable under forward charge.

Legal Provision:-

- ⇒ As per **section 9(3)** of CGST Act, 2017, if GTA pays GST @ 12%, then RCM is not applicable, then GTA is liable **forward charge** to pay tax.
- ⇒ As per **section 13(2)(a)** of CGST Act, 2017, if invoice is issued within the time prescribed u/s 31 (i.e. within 30 days) for supply of services, then the **time of supply** of such services shall be **earlier** of:
 - a) the date of issue of invoice by the supplier or
 - b) the date of receipt of payment.

Discussion & Conclusion:-

- ⇒ In the given case, the date of invoice is 20th June, 20XX which is before provision of services and the date of receipt of payment is 25th August, 20XX.
- ⇒ Therefore, the **time of supply is 20th June, 20XX.**

CCP 05.07.21.00

GST is payable on advance received for supply of goods and services taxable under forward charge.

Do you agree with the statement? Support your answer with legal provisions.

[ICAI Study Material]

Answer:-

- ⇒ The statement is not correct.
- ⇒ While GST is payable on advance received for supply of services taxable under forward charge, the same is not payable in case of advance received for

supply of goods taxable under forward charge.

- ⇒ As per **section 13(2)** of CGST Act, 2017, the **time of supply of services** under forward charge is:-

	Cases	Time of Supply
a	If the invoice is issued within the period prescribed u/s 31:-	Time of supply shall be earlier of:- ⇨ the date of issue of invoice by the supplier or ⇨ the date of receipt of Payment.
b	If the invoice is not issued within the period prescribed u/s 31:-	Time of supply shall be earlier of:- ⇨ the date of provision of service or ⇨ the date of receipt of payment.

- ⇒ Thus, if supplier of services receives any payment before the provision of service or before the issue of invoice for the same, time of supply gets fixed at that point in time & liability to pay tax arises on such payment which can be paid by the due date prescribed with reference to such time of supply.
- ⇒ As per **section 12(2)** of CGST Act, 2017 read with notification 66/2017, the **time of supply of goods** taxable under forward charge shall be **earlier** of following dates:-
- Date of issue of invoice or
 - last date to issue the invoice u/s 31.
- ⇒ Therefore, in case of goods, tax is not payable on receipt of advance payment.

Meal coupons are sold to a company on 9th August for being distributed to the employees of the said company. The coupons are valid for six months and can be used against purchase of food items. The employees use them in various stores for purchases of various edible items on different dates throughout the six months. What is the date of supply of the coupons? [CA IPC MTP Aug 2018] [ICAI Study material]

Answer: Legal Provision:-

As per **section 12(4)** of CGST Act, 2017, time of supply of **vouchers** issued by supplier of goods shall be:-

- the date of issue of voucher, if the supply is identifiable at that point; or
- the date of redemption of voucher, in all other cases.

Discussion & Conclusion:-

- ⇒ In the given case, **supply is not identifiable** at the time of issue of coupon.
- ⇒ This is because coupons can be used for a variety of food items, which are taxed at different rates & thus, supply cannot be identified at the time of purchase of the coupons.
- ⇒ Therefore, the **time of supply** of coupons shall be **date of redemption** of coupons by employees.

CCP 05.08.23.00

From the following information, determine the time of supply of services where supply is by issue of voucher valid for one year and are issued after supply of first service:-

Date of Redemption of Voucher: 31.8.20XX

Last date for acceptance of voucher: 31.12.20XX [ICAI Study Material]

Answer: Legal Provision:-

As per **section 13(4)** of CGST Act, 2017, time of supply of **vouchers** issued by supplier of services shall be:-

- the date of issue of voucher, if the supply is identifiable at that point; or
- the date of redemption of voucher, in all other cases.

Discussion & Conclusion:-

- ⇒ In the given case, voucher is issued after supply of first service & therefore, it is assumed that supply is identifiable at that point.
- ⇒ Thus, as the supply is identifiable at the time of issue of voucher, the **time of supply is the date of issue of voucher i.e. 01.01.20XX.**

CCP 05.09.24.00

An income-tax and money laundering case against Mr. XYZ, working in a multinational company, reveals a large volume of undisclosed assets, which he claims as service income. On this basis, the GST authorities investigate the GST liability. Dates of provision of service, whether in the first half or the second half of the financial year being scrutinised by income-tax authorities, are not known. Mr. XYZ voluntarily pays GST during the investigation. What is the time of supply of the services?

Answer:

Legal Provision:-

⇒ As per section 13(5) of CGST Act, 2017, where it is **not possible** to determine the time of supply under section 13(2), 13(3) and 13(4), then:-

- In a case where a periodical return has to be filed:- Time of supply shall be the date on which such return is to be filed (i.e. Due date for filing of periodical return) or
- In any other case:- The time of supply shall be the date on which the tax is paid.

Discussion & Conclusion:-

- ⇒ In the given case, it is **not possible** to determine the time of supply using:-
- date of invoice,
 - date of provision of service,
 - date of receipt of payment &
 - date of receipt of services in the books of account of the recipient.
- ⇒ On the other hand, Mr. XYZ, being an employee in a multi-national company, is **not a registered person** and hence, the **periodical return is also not to be filed**.
- ⇒ Therefore, the **date of payment of GST** by Mr. XYZ will be the **time of supply** u/s 13(5).

However, Miss Diyana made payment for the said goods on 2nd February and thus, paid interest amounting to ₹ 2,000. What is the time of supply with regard to addition in the value by way of interest in lieu of delayed payment of consideration?

Answer:

Legal Provision:-

⇒ As per section 12(6) of CGST Act, 2017, the time of supply for the **addition in value of supply** by way of interest, late fee or penalty for delayed payment of any consideration shall be the date of receipt of such addition in value by supplier.

Discussion & Conclusion:-

⇒ Thus, in the given case, the **time of supply of interest** would be the date on which the supplier has received such additional consideration, i.e. **2nd February**.

01. Sec 15(2):- Additions to Transaction Value

CCP 06.01.01.00

Can any addition be made to the contracted price when 'Transaction Value' is acceptable?

Answer: Yes, As per section 15(2) of CGST Act, 2017, the following inclusions shall be made to the transaction value determined as per section 15(1):-

- any taxes, duties, cesses, fees and charges levied under any law other than the GST law, if charged separately by the supplier.
- any amount that the supplier is liable to pay in relation to such supply but which has been incurred by the recipient & also not included in the price actually paid or payable for the goods &/or services.
- incidental expenses, including commission and packing, charged by the supplier to the recipient, and any amount charged for anything done by the supplier in respect of the supply until delivery of goods or supply of services.
- interest or late fee or penalty for delayed payment of any consideration for any supply &
- subsidies directly linked to the price excluding subsidies provided by the Central Government & State Government.

Sec 15(2)(a): Taxes, duties, Cess, Fees and Charges other than GST

CCP 06.01.02.00

Determine whether the following taxes and their value shall be included in the value of supply as per section 15 of CGST Act for levy of GST:-

- Mr. R recovers rent for premises of ₹15,000 and a house tax of ₹1000 per month.

ii) Contract price of supply of goods is ₹14,000 inclusive of GST is 18%.

iii) An Indian company is required to pay ₹ 1,00,000 to a German company for technical knowhow. It deducted ₹ 10,000 as income tax at source and paid ₹ 90,000 to the German company.

Answer:

Legal Provision:- As per section 15(2)(a) of CGST Act, 2017, the value of supply shall include any taxes, duties, cesses, fees and charges levied under any law other than the GST law (i.e. other than CGST, SGST, UTGST, IGST & GST Compensation Cess), if charged separately by the supplier.

Discussion & Conclusion:- Thus, the treatment and valuation in various cases asked shall be as under:-

i)	The Value of supply shall be Rs. 16000 which is including the house tax (i.e. Rent ₹ 15,000 + House tax ₹ 1000).
ii)	Contract Value is ₹ 14,000 including GST @18%. GST charged shall be worked out as per Rule 35 of CGST Rules i.e. ₹14,000 * 18/118 = ₹2136. Thus, the value of supply for GST will be ₹11864. Author's Note:- we can show value of supply excluding GST as Rs. 14,000 * 100/118 = Rs.11,864
iii)	The value of taxable supplies on which the Indian company will pay GST under reverse charge shall be ₹ 100000 which is including TDS under income tax act.

Sec 15(2)(b): Payment made to third party

CCP 06.01.03.00

XYZ Ltd. sells plant & machinery installed at its factory on 'as is where as basis at ₹ 2,00,000. In order to remove machinery from the factory, the buyer incurs dismantling charges of ₹ 3000, which are paid to third party. Determine the value of supply as per GST Act.

Answer:

Legal Provision:-

As per section 15(2)(b) of CGST Act, 2017, the value of supply shall include any

- amount that the supplier is liable to pay in relation to such supply but
- which has been incurred by the recipient of the supply and
- not included in the price actually paid or payable for the goods &/or services.

Discussion & Conclusion:-

- ⇒ In given case, XYZ Ltd. sells the plant & machinery on 'as is where as basis' where the dismantling charges are directly incurred by buyer without the supplier having any liability of the same.
- ⇒ Thus, dismantling charges shall not be included in transaction value ₹ 2,00,000 of XYZ Ltd.
- ⇒ Thus, the value of supply shall be ₹ 200000 in this case & the dismantling charges ₹ 3,000 shall be separately treated in the invoice of third party and not in the invoice of supplier.

AKJ Foods Pvt. Ltd. gets an order for supply of processed food from a customer. The customer wants the consignment tested for gluten or specified chemical residues. AKJ Foods Pvt. AKJ Foods Pvt Ltd. argues that such testing fees should not form part of the consideration for the sale as it is a separate activity. Is the argument correct in light of section 15? [ICAI Study Material]

Answer: No. The argument of AKJ Foods Pvt. Ltd. is not correct.

Legal Provision:-

- ⇒ Section 15(2)(c) of CGST Act, specifies that amount charged for anything done by supplier in respect of supply at the time of or before delivery of goods or supply of services shall be included in value of supply.

Discussion & Conclusion:-

- ⇒ In the given case, Since AKJ Foods Pvt. Ltd. does the testing on customer's request before the delivery of goods, the charges therefore will be included in the value of the consignment.
- ⇒ The testing fee should be added to the price to arrive at value of the consignment.

Furniture Wala is a chain of retail showrooms selling both modern and classic furniture. In order to build strong customer association, the showroom provides free delivery of the furniture at the premises of the customers if the distance between the showroom and the customer's premises is upto 20 kms. Where the distance is more than 20 kms, the showroom charges a concessional freight of ₹ 10 for every additional km.

Ms. Leena Kapoor purchases a double bed, a dressing table and a centre table for ₹ 2,00,000 from Furniture Wala. Ms. Leena gets free delivery of the furniture as her residence is located at a distance of 18 km from the showroom. The showroom incurs an expenditure of ₹ 1000 for delivering the furniture at Ms. Leena's residence. Determine the value of taxable supply made by Furniture Wala. Will your answer change if residence of Ms. Leena is 50 km away from showroom?

[ICAI Study Material]

Answer:

Legal Provision:-

As per section 15(2)(c) of the CGST Act, the value of supply includes:-

- incidental expenses, including commission and packing, charged by supplier to recipient &
- any amount charged for anything done by the supplier in respect of the supply until delivery of goods or supply of services.

Discussion & Conclusion:-

- ⇒ In the given case, the showroom is not charging any amount towards freight from Ms. Leena but incurring the same out of its own pocket.
- ⇒ Thus, the same shall **not be added to value** & the value of supply will be ₹ 2,00,000 in this case.
- ⇒ However, the answer will change in the second case when the showroom will charge ₹ 300 for freight $[(50\text{km} - 20\text{ km}) \times ₹ 10]$ from Ms. Leena.
- ⇒ In this second case, the supply will be a **composite supply** where the principal supply being the supply of furniture and value thereof will be ₹ 2,00,300.

CCP 06.01.06.00

Mezda Banners, an advertising firm, gives an interest-free credit period of 30 days for payment by the customer. Its customer ABC paid for the supply 32 days after the supply of service. Mezda Banners waived the interest payable for delay of two days. The Department wants to add interest for two days as per contract. Should notional interest be added to the taxable value? [ICAI Study Material]

Answer:

The Contention of Department to add notional interest is not valid in the eyes of law.

Legal Provision:-

- As per section 15(1) of CGST Act, 2017, value of supply is the transaction value (i.e. price actually paid or payable) where price is sole consideration for supply & supply is made to unrelated person.
- As per section 15(2)(d) of CGST Act, 2017, the value of supply shall include interest or late fee or penalty for delayed payment of any consideration for supply.
- Such interest is added to transaction value on receipt basis & not on notional basis.

Discussion & Conclusion:-

- In given case, Mezda Banners waived the interest payable for delay of two days & thus, it did not actually receive that notional interest.

M/s. Chand is a manufacturer of Paper products having factory at Pune, Maharashtra. M/s. Kela and M/s. Bela of Mumbai, Maharashtra are appointed as agents to sell the products on behalf of M/s. Chand with the conditions that

both of them guarantee the realization of payment from buyers. Both M/s. Kela and M/s. Bela provide short-term borrowing facilities to buyers for timely payment of dues against supplies made to them and for this they charge interest from the ultimate buyer. While M/s. Kela raises invoices in the name of M/s. Chand and M/s. Bela raises invoices in its own name.

In light of provisions contained in Para 3 of Schedule I of CGST Act, kindly explain treatment of interest charged by M/s. Kela and M/s. Bela in above mentioned cases. [CA IPC July 21 Exam]

Answer:-

- M/s. Kela and M/s. Bela are del credere agents (DCA) of M/s. Chand as they guarantee payment to supplier.
- A DCA falls under the ambit of 'agent' under Para 3 of Schedule I of the CGST Act, 2017, if the invoice for supply of goods is issued by the DCA in its own name.
- However, if the invoice for supply of goods is issued by the supplier to the customer, either himself or through DCA, the DCA is not an 'agent' in terms of Para 3 of Schedule I.
- Thus, M/s. Bela is an agent of M/s. Chand in terms of Para 3 of Schedule I, M/s. Kela is not.
- Where the DCA is not an agent under Para 3 of Schedule I:-
 - the temporary short-term loan being provided by DCA to the buyer is a supply of service by the DCA to the recipient on principal-to-principal basis and is an independent supply.
 - Said supply is specifically exempt from tax.
 - Thus, interest charged by M/s. Kela is an independent supply and is exempt from tax.
- Where the DCA is an agent under Para 3 of Schedule I:-
 - the temporary short-term credit being provided by DCA to the buyer no longer retains its character of an independent supply and is subsumed in the supply of the goods by the DCA to recipient.
 - Interest charged for such credit is also included in value of supply of goods by DCA to recipient.

- Thus, interest charged by M/s. Bela will be included in the value of goods supplied by it.

Sec 15(2)(e): Subsidies by private enterprises

CCP 06.01.08.00

A philanthropic association makes a substantial donation each year to a reputed private management institution to subsidize the education of low income group students who have gained admission there. The fee for these individuals is reduced thereby, coming to ₹ 3 lakh a year compared to ₹ 5 lakh a year for other students. What would be the taxable value of the service of coaching and instruction provided by the institution? [ICAI Study Material]

Answer:

Legal Provision:-

➤ As per section 15(2)(e) of CGST Act, 2017, the value of supply shall include Subsidies directly linked to the price excluding subsidies provided by the Central Government & State Government.

Discussion & Conclusion:-

- In this case, the subsidy is not given by Government but by a philanthropic association to subsidize the education & is directly linked to the fee charged.
- Thus, subsidy is to be added back to the price to arrive at the taxable value, i.e. ₹ 5 lakh in a year.

Answer:

Legal Provision:-

➤ As per section 15(2)(e) of CGST Act, 2017, the value of a supply includes subsidies directly linked to the price, excluding subsidies provided by the State Governments and the Central Government.

Discussion & Conclusion:-

- In the given case, though the subsidy is given by a non-Government body, the same is not includible in the value as it is given in lumpsum and not directly linked to the price of the supply being valued.
- Therefore, the value of supply made by Sharp Minds during the month is ₹ 3,00,000.

02. Sec 15(3): Deduction of Discount

CCP 06.02.10.00

Whether discounts given to a customer be allowed as a deduction from transaction value?

i) **Discount given before or at the time of Supply:-**

It is allowed as a deduction if such discount has been duly recorded in the invoice issued in respect of such supply.

ii) **Discount given after effecting Supply/ Post-Supply Discount:-**

When goods remain unsold with the dealers, it offers additional discounts on the stock as an incentive to push the sales. Can this additional discount be reduced from the price at which the goods were sold and concomitant tax adjustments made? [ICAI Study Material]

The goods were delivered to Mr. Mehta on 14th November, 20XX. Since Mr. Mehta was satisfied with the quality of the goods, he made the payment of goods the same day and simultaneously placed another order on Kamal Book Depot of stationery items amounting to ₹ 10,00,000 to be delivered in the month of December, 20XX**. On receipt of second order, Kamal Book Depot allowed a discount of ₹ 20,000 on the first order placed by Mr. Mehta.

Answer:-

i) Computation of value of taxable supply & GST liability of Kamal Book Depot for November, 20XX:-

Particulars	Amount (₹)	Refer Note
Price of the goods	2,00,000	[Note 1]
Add:-		
i. Packing Charges	5,000	[Note 2]
ii. Freight & Cartage	2,000	[Note 2]
iii. Transit Insurance	1,500	[Note 2]
iv. Extra Designing charges	6,000	[Note 2]
v. Taxes by Municipal Authority	500	[Note 3]

CGST @ 9%	19,350	
SGST @ 9%	19,350	
Total GST Liability	38,700	

Notes:-

- As per section 15(1) of CGST Act, 2017, value of a supply of Transaction value (i.e. price actually paid or payable) where price is sole consideration for supply & supply is made to unrelated person.
- As per section 15(2)(c) of the CGST Act,
 - the value of supply includes:-
 - incidental expenses, including commission and packing, charged by supplier to recipient &
 - any amount charged for anything done by the supplier in respect of the

supply until delivery of goods or supply of services.

- Thus, Packing Charges, Freight & Cartage, Transit Insurance & Extra designing charges are **includible in value**.
- The given supply is a **composite supply** where the **principal supply is supply of goods** (stationery items) & the above services are incidental. Thus, entire composite supply is treated as a supply of goods only & charged to tax accordingly **u/s 8(a)** of CGST Act.

3. As per section 15(2)(a) of CGST Act, Taxes other than those levied under GST law are **Includible in value**.

4. As per section 15(3) of CGST Act, discount given after effecting Supply/ Post-Supply Discount will be allowed as a deduction from value if:-

- such discount is given as per agreement entered into at or before the time of such supply,
- it is specifically linked to relevant invoices &
- the recipient of supply reverses the Input tax credit which is attributable to such discount on the basis of document issued by the supplier.

In given case, discount of ₹ 20,000 is a **post-supply discount** as goods are already delivered by Kamal Book Depot. It will **not be allowed as a deduction** from value since the discount policy was not known on or before the time of such supply although the discount can be specifically linked to relevant invoice (invoice pertaining to stationery items supplied to Mr. Mehta in November, 20XX).

ii) In case, the expenses (i) to (v) given in above table are already included in price of ₹ 2,00,000:-

- Since, these expenses are **includible in value** of supply as per the reasons mentioned in explanatory notes above, **no further addition will be required**.
- Resultantly, the **value of taxable supply will be ₹ 2,00,000 and CGST and SGST will be ₹ 18,000 and ₹ 18,000 respectively**.

CCP 08.04.08.00

Answer the following Questions:

- (a) Can one use electronic credit ledger for payment of interest, penalty, and payment under reverse charge?
- (b) Suhasini is a registered software consultant. On account of her ill health, she could not provide any services during the month of October. However, she had to incur all the expenses relating to her office. She paid ₹ 75,000 to various vendors. Total GST involved on the goods and services procured by her is ₹ 13,500. Out of the total bills paid by her, one bill for ₹ 15,000 relates to

security services availed for security of her office, tax on which is payable under reverse charge. GST involved in such bill is ₹ 2,700

Suhasini is of the opinion that for the month of October, no GST is payable from electronic cash ledger as she has sufficient balance of ITC for payment of GST under reverse charge on security services. Do you think Suhasini is right? Explain with reasons. [CA Inter RTP Nov 2020] [ICAI study Material]

Answer: Legal Provision:-

- ⇒ As per section 49(4) of the CGST Act, 2017, the amount available in the electronic credit ledger may be used for making any payment towards 'output tax'.
- ⇒ As per section 2(82) of the CGST Act, 2017, output tax is the tax chargeable on taxable supply of goods and/or services made by a taxable person or by his agent but
 - excludes tax payable by him on reverse charge basis.

Discussion and conclusion:-

(a)	<ul style="list-style-type: none"> ⇒ Therefore, input tax credit balance available in electronic credit ledger cannot be used for payment of interest, penalty, and also for payment of tax under reverse charge. ⇒ The same is always required to be paid through electronic cash ledger and not electronic credit ledger.
(b)	<ul style="list-style-type: none"> ⇒ In the given case, input tax credit cannot be used to pay the tax liability under reverse charge. ⇒ The same is always required to be paid through electronic cash ledger and not electronic credit ledger. ⇒ Thus, Suhasini is wrong and she will need to pay GST of ₹ 2,700 on security service through electronic cash ledger.

09. Sec 49(10) read with Rule 87(13):- Transfer of any amount of E-cash ledger among minor & major heads

CCP 08.09.1500

Mr. A has deposited a sum of ₹ 30,000 under minor head of "Interest" column for the major head "IGST". At the time of filing GSTR-3B for a particular tax period, he noticed that there is no sufficient amount under the minor head 'Tax' towards payment of ₹ 30,000. When approached with the Jurisdictional Tax officer, Mr. A was guided to deposit the tax amount under proper head of account and claim a refund for the remittance of amount deposited under head "interest". Examine the relevant provisions of CGST Act, 2017 towards payment of tax and compliance with the law. [CA Inter MTP Nov 21] [ICAI Study Material]

Answer: Legal provision:-

As per Section 49(10) of CGST Act, 2017, a registered person can transfer the amount deposited under any of the minor head i.e. tax, interest, penalty, fees or others to any of the heads under IGST/ CGST/ SGST/ UTGST and make the payment of taxes there upon.

Discussion and Conclusion:-

Accordingly, Mr. A need not deposit the tax amount under head "tax" and claim a refund for the remittance of amount deposited under head "interest".

Rather, using the Form GST PMT 09, such amount can be transferred suo-moto on the common portal from "interest" to "tax" head and tax liability be paid.

10. Sec 50:- Interest on delayed payment of tax

CCP 08.10.16.06

What are the provisions in relation to interest under GST?

If there is default in payment of tax and filing of returns, interest is payable on gross tax payable or net tax payable?

Answer:

- As per section 50 of CGST Act, 2017, Interest is payable on delayed payment of tax at the rate 18% from the day succeeding the due date of payment till the date of payment.
- As per proviso to section 50, the interest is payable on net tax payable when the return is not furnished within due date and also payment is not made within due date.
- Such interest is payable on that portion of tax which is paid by debiting the electronic cash ledger.
- Therefore, Interest is payable on net tax payable, if there is default in payment of tax and filing of returns.

CCP 08.10.17.00

ABC Ltd., have filed their GSTR3B for the month of July, 2021 within the due date prescribed under Section 39 i.e. 20.08.2021. Post filing of the return, the registered person has noticed during September 2021 that tax dues for the month of July, 2021 have been short paid for ₹ 40,000. ABC Ltd., has paid the above shortfall of ₹ 40,000, through GSTR3B of September 2021, filed on 20.10.2021 [payment through Cash ledger - ₹ 30,000 and Credit ledger ₹ 10,000]. Examine the Interest payable under the CGST Act, 2017.

What would be your answer if, GSTR3B for the month of July 2021 has been filed belatedly on 20.10.2021 and the self-assessed tax of ₹ 40,000/- has been paid on 20.10.2021 [payment through electronic cash ledger - ₹ 30,000 and electronic credit ledger ₹ 10,000]

Notes:

- There exists adequate balance in Electronic Cash & Credit ledger as on 31.07.2021 for the above short fall
- No other supply has been made nor tax payable for the month of July, 2021 other than ₹ 40,000/- missed out to be paid on forward charge basis
- Ignore the effect of leap year, if applicable in this case. [Similar to CA Inter Dec 21 Exam & ICAI Material]

Answer: Interest is payable under Section 50 of the CGST Act, 2017 in case of delayed payment of tax @ 18% per annum from the date following the due date of payment to the actual date of payment of tax.

As per proviso to sub-section (1) of Section 50, interest is payable on the net tax liability paid in cash, only if the return to be filed for a tax period under Section 39, has been filed after the due date to furnish such return.

In the above scenario, ABC Ltd., has defaulted in making the payment for ₹ 40,000 on self-assessment basis in the return for the month of July, 2021.

Accordingly, interest is payable on the gross liability and proviso of sub-section 50(1) shall not be applicable.

Thus, the amount of interest payable by ABC Ltd., is as under:-

Period of delay = 21st August, 2021 to 20th October, 2021 = 61 days

Hence, amount of interest = ₹ 40,000 × 18% × 61/365 = ₹ 1,203

Alternatively, if ABC Ltd., have filed the return for the month of July, 2021 on 20.10.2021, beyond the stipulated due date of 20.08.2021 and if the self-assessed tax for July, 2021 has been paid on 20.10.2021, Interest under proviso to Section 50(1) shall be payable on the tax paid through Electronic Cash Ledger only.

Hence Interest is payable from 21st August 2021 till 20th October 2021 = 61 days

Amount of Interest = ₹ 30,000 × 18% × 61/365 = ₹ 902

They seek your opinion regarding whether,

- (i) They are liable to pay interest u/s 50 of the CGST Act.
- (ii) If they had filed return of January 20XX on 20-04-20XX (Self assessed tax also paid on 20-04-20XX of ₹ 50,000 (payment through cash ledger was ₹ 30,000 and payment through credit ledger was ₹ 20,000), then also they are liable to pay interest u/s 50 of the CGST Act. [CA IPC July 21 Exam]

Answer:

Legal provision:-

- ⇒ As per section 50 of the CGST Act, 2017, Interest is payable on delayed payment of tax at the rate 18% from the day succeeding the due date of payment till the date of payment.
- ⇒ Further, the interest on tax payable in respect of supplies made during a tax period and declared in the return for the said period furnished after the due date is payable on the net tax liability paid through electronic cash ledger.

Discussion and conclusion:-

i	<ul style="list-style-type: none"> ⇒ In the given case, MNI Ltd. has defaulted in making the payment of ₹ 50,000 in the return of January 20XX. ⇒ Therefore, it will be liable to pay interest @ 18% p.a. from 21.02.20XX till the date of payment. ⇒ Further, since the return for the month of January, 20XX has been filed on the due date, MNI Ltd. will be liable to pay interest on the gross tax liability i.e., ₹ 50,000 and not on net tax liability paid in cash.

Minimum net GST payable in cash (C) (Note-5)	Nil	Nil	15000

Notes:-

- Supply of detergent and bucket together with a single price of ₹ 400 is a mixed supply & it shall be treated as supply of that particular supply that attracts highest rate of tax (28%).
- Supply of online educational journal to an educational institution which provides a qualification recognised by law in India is exempt. Since, private coaching centre does not provide any recognised qualification, supply of online educational journals to the same will be taxable.
- ITC can be taken only on basis of a valid tax paying document u/s 16(2)(a) of CGST Act. Thus, ITC will not be available on goods of Rs. 20000 for which the

invoice is missing.

4. ITC is not blocked u/s 17(5)(a) of CGST Act on motor vehicles for transportation of persons with seating capacity more than 13 persons (including driver) & thus, ITC is not blocked on its repair also u/s 17(5)(ab).

5. IGST credit shall be first used fully to pay IGST & then to pay CGST and SGST in any order and in any proportion. Thus, there cannot be one answer for minimum net CGST and SGST payable in cash.

Answer:- (i) Computation of net GST payable for the financial year 20XX-XY:-

Particular	Value(₹)	CGST (₹)	SGST (₹)

Intra-State supplies made to registered persons	10,00,000	90,000	90,000
Intra-State supplies made to unregistered persons	2,00,000	18,000	18,000

Supply of IT engineering service [Note-2]	11,00,000	99,000	99,000
Total (B)		99,000	99,000
Net GST payable (A)-(B)		9,000	9000

Notes:-

1) 1st proviso to section 16(2) of CGST Act states that if goods against an invoice are received in lots or instalments, the registered person is entitled to take credit upon receipt of last lot or instalment. Although 900 MT of iron are received in financial year 20XX-XY, last lot is received after FY 20XX-XY only, i.e. on 5 April, 20XY & thus ITC is not available in FY 20XX-XY.

2) As per section 16 of CGST Act, registered person can take credit of input tax charged on his inward supplies which are used in the course of business on receipt of said services. Thus, full ITC Rs. 1,98,000 (i.e. Rs 99000 CGST + Rs 99000 SGST) can be claimed in financial year 20XX-XY.

(ii) Input tax credit to be reversed in Financial Year 20XY-YZ:-

Particulars	Amount (₹)
Total value of procurement of IT engineering service	11,00,000
Add: Total GST on the above value @18% [CGST + SGST]	1,98,000
Value including GST	12,98,000
Amount paid for the said service including GST [Rs. 4,13,000 + Rs. 2,95,000]	7,08,000
Amount [value along with tax payable thereon] not paid for the said service	5,90,000
ITC to be reversed [Rs. 5,90,000 x 18/118]	90,000

Explanation:-

⇒ Proviso to section 16(2) of CGST Act states that recipient is required to pay the consideration along with tax within 180 days from the date of issue of invoice. This condition is not applicable where tax is payable on reverse charge basis. If recipient fails to do so, then corresponding credits availed by him will be added to his output tax liability, with interest.

⇒ If part payment is made against an invoice, proportionate ITC is available for the tax involved.

⇒ In given case, proportionate ITC availed needs to be reversed on the value along with

tax payable thereon which has not been paid by M/s Comfortable (P) Ltd. to M/s Dynamic Infotech (P) Ltd. within 180 days from invoice date.

- ⇒ This reversal will be done in financial year 20XY-YZ when 180 days from invoice date expires.
- ⇒ There is no time limit to re-avail the credit when the payment is made later on.

- ⇒ The person becomes eligible to avail various other benefits & privileges under the GST laws.

02. Explanation to Sec 22:- Inclusion/ Exclusion in Aggregate Turnover

CCP 10.02.02.00

What is "Aggregate Turnover" under the GST Law?

Answer:

⇒ As per section 2(6) of CGST Act, 2017, "Aggregate Turnover":-

Includes	Excludes
Value of all outward supplies of goods &/or services in following 4 categories:- <ul style="list-style-type: none"> - Taxable supplies - Exempt supplies (wholly exempt, nil rated & Non-taxable) - Exports - Inter-State supplies 	CGST/ SGST/ UTGST/ IGST/ Compensation Cess

For persons having same PAN, aggregate turnover is to be computed on all India basis.

Value of inward supplies on which tax is payable by a person under reverse charge.

03. Sec 22(1) read with Proviso (i.e. N/No. 10/2019) & Explanation thereto:- Threshold limit for registration

CCP 10.03.03.00

Happy Trader, a sole proprietorship firm, started a business of dealing in supply of both exempted as well as taxable goods in Assam. Happy Trader has furnished the following details relating to the sales made for the month of April, 20XX. All amounts are exclusive of GST.

Sr. No.	Particulars	RS
1	Intra-State sale of goods chargeable with GST@ 12%	15,00,000
2	Intra-State sale of non-taxable goods	5,00,000
3	Intra-State sale of alcoholic liquor for human consumption	2,00,000
	Intra-State sale of Tobacco	3,00,000

With reference to the above and provisions of CGST Act, 2017,

- (i) Compute the aggregate turnover.
- (ii) Examine whether Happy Trader is liable to be registered under the Act, with reasons for the same.
- (iii) What is the threshold limit for taking registration in this case? [CA IPC Jan 21 Exam]

Answer: Legal Provision:-

- ⇒ As per section 2(6) of CGST Act, 2017, "aggregate turnover" means the aggregate value of all:-
- taxable supplies,
 - exempt supplies (wholly exempt, nil rated & Non-taxable)
 - exports &
 - inter-State supplies

of persons having the same Permanent Account Number, to be computed on all India basis

but excludes:-

- central tax, State tax, Union territory tax, integrated tax and cess &
- the value of inward supplies on which tax is payable by a person on reverse charge basis

➤ As per section 22(1) read with proviso to section 22(1) of the CGST Act, 2017, Every person engaged in making a taxable supply is required to obtain registration if his aggregate turnover exceeds the threshold limit in a financial year.

➤ The threshold limit for a person making exclusive intra-state supplies of goods is as under:-

- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
- ₹ 40 lakh for rest of India.

➤ However, the higher threshold limit of ₹ 40 lakh is not available to persons engaged in making supplies of Tobacco and manufactured tobacco substitutes & other notified goods.

Discussion & Conclusion :-

Particulars	Amount in RS
Intra-State sale of goods chargeable with GST @ 12% [Aggregate turnover includes value of all outward taxable supplies.]	15,00,000
Intra-State sale of non-taxable goods [Non-taxable supply, being an exempt supply is included in aggregate turnover.]	5,00,000
Intra-State sale of alcoholic liquor for human consumption [Sale of alcoholic liquor for human consumption, being a non-taxable supply, is an exempt supply and is therefore, included in aggregate turnover.]	2,00,000

Intra-State sale of tobacco [Aggregate turnover includes value of all outward taxable supplies.]	3,00,000
Aggregate turnover	25,00,000

(ii) & (iii)

- In view of the same, the applicable threshold limit of registration for Happy Traders is ₹ 20 lakh the person is supplying tobacco and thus, is ineligible for higher threshold.
- Thus, it is **liable to be registered** under the CGST Act as its aggregate turnover exceeds the said threshold limit.

CCP 10.03.04.00

Explain the registration requirements under GST law in the following case:-

Mr. Lepcha of Mizoram is engaged in the supply of papers with an aggregate turnover of ₹ 13 lacs. Will your answer be different if Mr. Lepcha is located in Meghalaya? [CA Inter Nov 19 Exam New]

Answer: Legal Provision:-

- The higher threshold limit of ₹ 40 lakh as applicable to a person engaged exclusively in intra-State supply of goods is **not applicable to Mizoram** [a specified Special Category State].
- Instead, a lower threshold limit of ₹ 10 lakh for registration is applicable for Mizoram.

Discussion & Conclusion:-

(i)	In the given case, Mr. Lepcha of Mizoram, is liable to register since his aggregate turnover (₹ 13 lakh) exceeds the applicable threshold limit for registration of ₹ 10 lakh.
(ii)	<ul style="list-style-type: none"> ➤ The enhanced threshold limit of ₹ 40 lakh is also specifically not applicable in the State of Meghalaya. ➤ Instead, the normal threshold limit of ₹ 20 lakh for registration is applicable to it. ➤ Therefore, if Mr. Lepcha is located in Meghalaya, he is not liable to register since his aggregate turnover (₹ 13 lakh) does not exceed the applicable threshold limit for registration of ₹ 20 lakh.

Examine whether the supplier of goods is liable to get registered in the following independent cases:-

(i) Raghav of Assam is exclusively engaged in intra-State taxable supply of readymade garments. His turnover in the current financial year (FY) from Assam showroom is ₹ 33 lakh. He has another showroom in Tripura with a turnover of ₹ 11 lakh in the current FY.

(ii) Pulkit of Panjim, Goa is exclusively engaged in intra-State taxable supply of shoes. His aggregate turnover in the current financial year is ₹ 22 lakh. . [CA Inter MTP Nov 21] [ICAI Study Material]

Answer: Legal Provision:-

➤ As per section 22(1) read with proviso to section 22(1) of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.

➤ The threshold limit for a person making exclusive intra-state supplies of goods is as under:-

- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
- ₹ 40 lakh for rest of India.

Discussion & Conclusion:- In the light of the afore-mentioned provisions, the answer to the independent cases is as under:-

- (1) ➤ Raghav is eligible for higher threshold limit of turnover for registration, i.e. ₹ 40 lakh as he is exclusively engaged in intra-State supply of goods.
- However, since Raghav is engaged in supplying readymade garments from a Special Category State i.e. Tripura, the threshold limit gets reduced to ₹10 lakh.
- Thus, Raghav is liable to get registered under GST as his turnover exceeds ₹10 lakh.

➤ Further, he is required to obtain registration in both Assam and Tripura as he is making taxable supplies from both the States.

- (ii) ➤ The applicable threshold limit for registration for Pulkit in the given case is ₹ 40 lakh as he is exclusively engaged in intra-State taxable supply of goods in Goa.
- Thus, he is not liable to get registered under GST as his turnover is less than the threshold limit.

Q Ltd. is engaged exclusively in supply of taxable goods from the following states. The particulars of intra-state supplies for the month of May 20XX are as follows:

State	Turnover

(i) Q Ltd. seeks to know whether it is liable for registration under GST. Give your explanation.

(ii) Will your answer be different if Q Ltd. supplies only petrol & diesel from Tripura instead of any other taxable goods? [CA Inter Dec 21 Exam]

Answer:

Legal Provision:-

➤ As per section 22(1) read with proviso to section 22(1) of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.

➤ The threshold limit for a person making exclusive intra-state supplies of goods is as under:-

- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.

- ₹ 40 lakh for rest of India.

Discussion & Conclusion:-

- (1) > Since Q Ltd. is making supply of taxable goods from Tripura, a specified Special Category State, the applicable threshold limit will get reduced to ₹ 10 lakh.
 > Thus, it is liable to be registered under GST as its aggregate turnover [₹ 31 lakh] exceeds the said threshold limit.

Assumption:-

It has been assumed that Q Ltd. is not engaged in making supplies of notified goods that makes it ineligible for threshold of Rs. 40 Lakhs.

- (1i) > In case Q Ltd. is making supply of non-taxable goods [petrol and diesel] from Tripura, the applicable threshold limit will not be reduced to ₹ 10 lakh.
 > The enhanced threshold limit of ₹ 40 lakh will be applicable.
 > Thus, it is not liable to be registered under GST as its aggregate turnover [₹ 31 lakh] does not exceed the said threshold limit.

Answer:

Legal Provision:-

- ⇒ As per section 22(1) read with proviso to section 22(1) of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.
- ⇒ The threshold limit for a person making exclusive intra-state supplies of goods is as under:-
- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - ₹ 40 lakh for rest of India.
- ⇒ However, the higher threshold limit of ₹ 40 lakh is not available to persons engaged in making supplies of notified goods, one of which is Building bricks.
- ⇒ The threshold limit for a person making exclusive supply of services or supply of both goods and services is as under:-
- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹ 20 lakh for the rest of India

Discussion & Conclusion:-

- (i) ∅ Though the enhanced threshold limit for registration of ₹ 40 lakh is available to Delhi, the same will not be applicable if the person is engaged in supply of notified goods, one of which is Building Bricks.
 ∅ In view of the same, the applicable threshold limit for Rudra builders is ₹ 20 lakh.

	<p>∅ Thus, it is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit.</p>
(ii)	<p>∅ Since Heera is making taxable supply from Nagaland – a Special Category State, the applicable threshold limit will get reduced to ₹ 10 lakh.</p> <p>∅ Thus, it is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit</p> <p>∅ Further, he is required to obtain registration in both Himachal Pradesh and Nagaland as he is making taxable supplies from both the States</p>
(iii)	<p>➤ Since Ankit is exclusively engaged in intra-State supply of goods in Telangana, which is not a specified State for enhanced threshold limit, the applicable threshold limit for registration is ₹ 20 lakh.</p> <p>➤ Thus, Ankit is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit.</p>
(iv)	<p>➤ Akki Ltd. is not entitled for higher threshold limit for registration as the same is applicable only in case of exclusive supply of goods and not services.</p> <p>➤ Thus, applicable threshold limit for registration for making supply in Assam is ₹ 20 lakh.</p> <p>➤ Hence, Akki Ltd. is liable to get registered under GST as its turnover is more than the threshold limit.</p>
(v)	<p>➤ Aaru Ltd. is not entitled for higher threshold limit for registration as the same is applicable only in case of exclusive supply of goods and here, there is supply of both goods as well as services.</p> <p>➤ Since Aaru Ltd. is engaged in supply of both taxable goods and services, the applicable threshold limit for registration in this case is ₹ 20 lakh.</p> <p>➤ Thus, Aaru Ltd. is liable to get registered under GST as its turnover is more than the threshold limit.</p>

Answer:

Legal provision:-

- As per **section 22(1)** of CGST Act, a supplier is liable to register under GST Act in the State or Union territory from where he makes a taxable supply of goods &/or services, if his aggregate turnover in a financial year exceeds:-
 - ☛ ₹20 lakhs where person makes taxable supply from **other than special category states of Manipur, Mizoram, Tripura & Nagaland.**
 - ☛ ₹10 lakhs where person makes taxable supply from **Manipur, Mizoram, Tripura & Nagaland.**
- As per proviso to **section 22(1)** of CGST Act, 2017, any person, who is engaged in exclusive intra-state supply of goods and whose aggregate turnover in the financial year does not exceed 40 lakh rupees are exempt from registration, subject to some conditions to be fulfilled.

➤ As per **section 2(6)** of CGST Act, 2017, “**aggregate turnover**”

means the aggregate value of all:-

- taxable supplies,
- exempt supplies (wholly exempt, nil rated & Non-taxable)
- exports &
- inter-State supplies

of persons having the same Permanent Account Number, to be computed on all India basis

but excludes:-

- central tax, State tax, Union territory tax, integrated tax and cess &
- the value of inward supplies on which tax is payable by a person on reverse charge basis.

Explanation:-

- In the given case, since Rishabh Enterprises is engaged in making taxable supplies of goods and services from Maharashtra which is not a specified Special Category State, the threshold limit applicable for obtaining registration is ₹ 20 lakh.
- Supply of alcoholic liquor are non-taxable supplies in terms of **section 9(1)** of CGST Act, 2017.
- Computation of aggregate turnover of Rishabh Enterprises:-

Particulars	Refer	Turnover of February (₹)	Cumulative Turnover of February & March (₹)
Serving of cooked food and cold drinks/non-alcoholic beverages in restaurant in Maharashtra		5,50,000	12,00,000 [₹ 5,50,000 + ₹ 6,50,000]
Add: Sale of alcoholic liquor for human consumption in Uttarakhand	exempt supply includes non-taxable supply u/s 2(47)	-	5,00,000

Add: Interest received from banks on the Fixed Deposits	It is exempt supply & thus, included	1,00,000	2,00,000 [₹ 1,00,000 + ₹ 1,00,000]
Add: Export of packed food items from restaurant in Maharashtra		1,50,000	3,50,000 [₹ 1,50,000 + ₹ 2,00,000]
Aggregate Turnover		8,00,000	22,50,000

Conclusion:-

- In the given case, Rishabh Enterprises was **not liable to be registered in the month of February** since its aggregate turnover did not exceed ₹ 20 lakh in that month.
- However, since its aggregate turnover **exceeds ₹ 20 lakh in the month of March**, it should **apply for registration within 30 days** from the date on which it becomes liable to registration.
- Further as per **section 23**, he is **not liable to be registered in Uttarakhand** since he is not making any taxable supply from Uttarakhand.

Author Note:- Above answer is given as per ICAI material, but according to author, Rishabh Enterprises has made export supply in the month of Feb (Inter-state Supply). So, as per sec 24, registration is required within 30 days of such supply.

Answer:

- Legal Provision:-**

 - As per section 24 of CGST Act, 2017, person making interstate taxable supply of goods (other than taxable supply of handicraft goods) are compulsorily required to obtain registration irrespective of the quantum of aggregate turnover.

Discussion & Conclusion:-

 - Here, Raghav is making inter-state taxable supply of goods.
 - Thus, he is required to obtain registration compulsorily under GST laws even though his aggregate turnover does not exceed the threshold limit applicable u/s 22.
- Legal Provision:-**

 - As per section 24 of CGST Act, 2017, Persons making taxable supply of goods on behalf of other taxable persons whether as an agent or otherwise are required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.
 - As per Explanation to section 22 of CGST Act, 2017, aggregate turnover includes all supplies made by the taxable person,

- made on behalf of all his principals.

➤ If agent issues invoice in his own name, then section 24 gets attracted, otherwise he is liable to register u/s 22 if his aggregate turnover crosses the threshold limit for registration.

Discussion & Conclusion:-

➤ In the given case, since Mr. S.N Gupta is also acting as an agent of Mr. Rishi of Delhi, he is required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.

Assumption:- it is assumed that agent is issuing invoice for further supply in his own name.

(i) Explain the provisions of registration for casual taxable person under GST.

Examine whether Mr. Q is liable for registration or not?

(ii) What will be the answer if Mr. Q makes trading in taxable notified products instead of taxable notified handicraft goods which involves 75% making on machine and 25% by hand? [CA Inter Dec 21 Exam]

Answer:-

(1) **Legal Provision:-**

➤ As per section 24 of CGST Act, 2017, a casual taxable person is required to obtain compulsory registration under GST irrespective of the quantum of its aggregate turnover.

➤ However, a threshold limit of ₹ 20 lakh (₹ 10 lakh in case of specified Special Category States of Manipur, Mizoram, Tripura & Nagaland) is available for registration to a casual taxable person who:-

(i) is making inter-State taxable supplies of notified handicraft goods & notified hand-made goods,

(ii) is availing the benefit of exemption from registration available to inter-State supply of above-mentioned goods upto the aggregate turnover of ₹ 20 lakh

(₹ 10 lakh in case of specified Special Category States), and

(iii) has obtained a PAN and

(iv) has generated an e-way bill.

Discussion & Conclusion:-

In the given case, since Mr. Q is engaged in supplying notified handicraft goods and its aggregate turnover does not exceed ₹ 20 lakh, he will not be liable to registration provided he fulfills other conditions specified herein.

Assumption:-

It has been assumed that Mr. Q has started supply of goods in October 20XX itself.

(ii) In case Mr. Q is engaged in trading of notified products which are predominantly made by machine, he will not be eligible for the exemption from registration under aforesaid provisions and needs to take compulsory (mandatory) registration.

However, Mr. Ashwin also supplies plastic bags worth of ₹ 5,50,000 being a taxable supply along with his crop and charges separately for this. Is Mr. Ashwin required to register under GST? Advise.

Advise:-

- ⇒ In the given case, Mr. Ashwin is exclusively engaged in supply of goods & thus, his threshold limit will be ₹ 40 Lakhs.
- ⇒ Aggregate Turnover (inclusive of exempt supply) of Ashwin is ₹21 Lakhs.
- ⇒ Since, it is below the threshold limit applicable, he is not liable to register under GST.
- ⇒ Section 23 will not be applicable here, as Mr. Ashwin is not exclusively engaged in exempt supplies, but also engaged in taxable supplies & therefore, no exemption from registration is available for Mr. Ashwin.

BBD Pvt. Ltd. of Gujarat exclusively manufactures and sells product 'Z' which is exempt from GST vide notifications issued under relevant GST legislations. The company sells 'Z' only within Gujarat and is not registered under GST laws. The turnover of the company in the previous year 20XX-YY was ₹ 50 lakh. The company expects the sales to grow by 10% in the current year 20YY-22.

However, effective 01.01.2022, exemption available on 'Z' was withdrawn by the Central Government and GST@ 5% was imposed thereon. The turnover of the company for the nine months ended on 31.12.20YY was ₹ 42 lakh. BBD Pvt. Ltd. is of the opinion that it is not required to get registered under GST for current financial year 20YY-22.

Examine the above scenario and advise BBD Pvt. Ltd. whether it needs to get registered under GST or not. [CA Inter Nov 20 Exam]

Answer:- Legal Provision:-

- ⇒ As per section 22(1) of CGST Act, 2017 read with proviso thereto, for a supplier exclusively engaged in intra-State supply of goods, the threshold limit of turnover to obtain registration in the State of Gujarat is ₹ 40 lakh.
- ⇒ However, as per section 23, a person exclusively engaged in the business of supplying goods and/or services that are not liable to tax or are wholly exempt from tax is not liable to registration.

- As per **section 2(6)**, aggregate turnover includes exempt supply also along with taxable supply.

Discussion & Conclusion:-

- In the given case, since BBD Pvt. Ltd. was engaged exclusively in supplying exempted goods till **31.12.2019**, it was **not required to be registered** till that day, though voluntary registration was allowed.
- This position will change from **01.01.2022** as the supply of goods become taxable from that day and the turnover of BBD Pvt. Ltd. is **more than ₹ 40 lakh**.
- Since the aggregate turnover limit of ₹ 40 lakh includes **exempt turnover** also, turnover of 'Z' till 31.12.2019 will be considered for determining the threshold limit even though the same was exempt from GST.
- Therefore, BBD Pvt. Ltd. needs to register within **30 days from 01.01.2022**.

ii	Supply of high diesel in Delhi	10,00,000
iii	Supply of machine oil made in Panjab by pure oils from its branch located in Panjab	10,00,000

*excluding GST

- Determine whether Pure Oils is liable for registration. [ICAI Study Material]
- What will be your answer if Pure Oils supplies the high speed diesel in Delhi in the capacity of an agent of Mixed Oils Ltd.? [ICAI Study Material]

Answer:- Legal Provision:-

- As per **section 22(1)** read with proviso to **section 22(1)** of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a

financial year exceeds the threshold limit.

- The **threshold limit** for a person making **exclusive intra-state supplies of goods** is as under:-

- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
- ₹ 40 lakh for rest of India.

- As per **section 2(6)** of CGST Act, 2017, aggregate turnover means the aggregate value of all **taxable supplies as well as exempt supplies**

- excluding central tax, State tax, Union territory tax, integrated tax and cess &
- it shall be computed for persons having same Permanent Account Number on all India basis.

- As per **section 2(47)**, exempt supply includes non-taxable supply.

Discussion & Conclusion :-

- In the given case, supply of high speed diesel in Delhi, being a non-taxable supply, is an exempt supply and Machine oil is taxable supply
 - Therefore, both are includible while computing the aggregate turnover.
 - In the backdrop of the above-mentioned discussion, the aggregate turnover of Pure Oils for the month of April is computed as under:-

SlNo.	Particulars	Rs.*
i	Supply of machine oils in Delhi	15,00,000
ii	Add: Supply of high speed diesel in Delhi	10,00,000
iii	Add: Supply of machine oil made by Pure Oils from its branch located in Punjab	10,00,000
	Aggregate Turnover	35,00,000

- Pure Oils is making exclusive supply of goods and hence, the threshold limit for registration would be ₹ 40,00,000. Since the aggregate turnover does not exceed ₹ 40,00,000, Pure Oils is not liable to be registered.

- (2) In case Pure Oils makes the supply in capacity of an agent of Mixed Oils Ltd.:-
- As per section 24 of CGST Act, 2017, Persons making taxable supply of goods on behalf of other taxable persons whether as an agent or otherwise are required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.
 - However, in the present case, if Pure Oils supply high speed diesel on behalf of Mixed Oil Ltd. in Delhi as its agent, it shall still not be liable to obtain registration in Delhi since section 24 comes into play only when agent is making taxable supply of goods on behalf of principal whereas in the given case, Pure Oils is supplying non-taxable goods on behalf of Mixed Oils Ltd.

He is of the opinion that his aggregate turnover is within the limit so he is not required to get registered. Advise him. [CA IPC July 21 Exam]

Answers:-**(1) Legal Provision:-**

- As per section 24 of CGST Act, 2017, Persons making interstate taxable supply of goods (other than taxable supply of handicraft goods) are compulsorily required to obtain registration irrespective of quantum of aggregate turnover.
- However, as per section 23 of the said act states that an agriculturist, to the extent of supply of produce out of cultivation of land, is not liable to registration.
- Section 23 will prevail over section 24.

Discussion & Conclusion:-

- Assuming that Meenu is engaged in cultivation and supply of potatoes, she is not liable to registration irrespective of the fact that she is engaged in making interstate supply and her turnover exceeds the threshold limit.

Note:-

- Any person engaged exclusively in the business of supplying exempted goods is not liable to registration.
- Since potatoes are exempted goods, Meenu is not liable to obtain registration irrespective of the fact that she is engaged in making interstate supply and her turnover exceeds the threshold limit.

- (ii) ➤ As per section 24 of CGST Act, 2017, a commission agent under APMC Act is not liable to be compulsorily registered since it provides exempt services of sale/purchase of agricultural produce on behalf of an agriculturist being a non-taxable person as he supplies produce out of cultivation of land.
- Moreover, such commission agents are otherwise also exempt from registration since any person engaged exclusively in the business of supplying exempt services is not liable to registration as per section 23.
- Therefore, Manu is not liable to get registered under GST law.

- (iii) ➤ As per **section 22** of CGST Act, 2017, A supplier who is supplying both goods and services is required to obtain registration in the State from where he is making taxable supply if his aggregate turnover exceeds the threshold limit in a financial year as under:-
- ₹ 10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹ 20 lakh for the rest of India.
- As per **section 24** of the said act, threshold limit of Rs. 20/10 Lakhs is allowed to a person making inter-state supply of taxable services.
- In the given case, the aggregate turnover of goods and services supplied by Anubhav (₹ 38 lakh) exceeds the threshold limit and thus, he is required to obtain registration.

18. Sec 29 & 30:-Combined Question

CCP 10.18.35.00

Mr. X of Haryana intends to start business of supply of building material to various construction sites in Haryana. He has taken voluntary registration under GST in the month of April. However, he has not commenced the business till December due to lack of working capital. The proper officer suo-motu cancelled the registration of Mr. X. You are required to examine whether the action taken by proper officer is valid in law?

Mr. X has applied for revocation of cancellation of registration after 40 days from the date of service of the order of cancellation of registration. Department contends that application for revocation of cancellation of registration can only be made within 30 days from the date of service of the order of cancellation of registration. However, Mr. X contends that the period of submission of application may be extended on sufficient grounds being shown. You are required to comment upon the validity of contentions raised by Department and Mr. X.

[CA Inter RTP -May 22]

Answer:- Legal Provision:-

As per section 29 of CGST Act, 2017, if any person who has taken voluntary registration u/s 25(3) has not commenced business within 6 months from the date of registration, then the proper officer may cancel the registration of such person from such date, including any retrospective date, as he may deem fit.

- In this case, such registered person may (subject to the provision of Rule 10B) apply for **revocation of the cancellation to such proper officer within 30 days from the date of service of the order of cancellation of registration.**
- On sufficient cause being shown and for reasons to be recorded in writing, the said

period of 30 days may be extended

- for a period not exceeding 30 days by Additional/Joint Commissioner &
 - by further period not exceeding 30 days by Commissioner.
- Thus, the contention of Department is not valid in law as extension can be sought in the prescribed time limit for revocation of cancellation of registration.

- ii) M/s Indian Oil Corporation issued statement for the month of August on 5th September, 20XX, the payment of which not received till 30th September, 20XX.*

(b) State the time of supply for goods sent for approval.

Answer:

a) Legal Provision :-

⇒ As per section 12(2) of the CGST Act, 2017 read with notification 66/2017, the time of supply of goods shall be earlier of the following dates:-

- a) Date of issue of invoice or

Therefore, **31st July, 20XX will be the time of supply in this case.**

ii) In the given case, date of issue of statement is 5th September, 20XX which itself is the last date to issue invoice as the payment date is not known.

Therefore, **5th September, 20XX will be the time of supply in this case.**

- Expiry of Six months from the date of removal.

Discussion & Conclusion:

⇒ In the given case, 500 units of transmitters have been sent for exhibition on sale or return basis out of which 300 units are sold before 6 months from the date of removal

⇒ Thus, tax invoice for 300 units needs to be issued before or at the time of supply of such goods, i.e. upto 28/07/20XX.

⇒ Remaining 200 (150+ 50) units have neither been sold nor brought back till the expiry of 6 months from the date of removal goods, i.e. 20/11/20XX.

(Assumption:- Supplier is not exclusively engaged in supply of goods) [Similar Questions : CA IPCC Dec 21 Exam] [ICAI Study Material]

Answer : Legal Provision:-

- ⇒ As per section 22(1) of CGST Act, 2017, a supplier is liable to register under GST Act, if his aggregate turnover in a financial year for other than special category states of Manipur, Mizoram, Tripura & Nagaland exceeds ₹20 lakhs.
- ⇒ Where the application is submitted within 30 days from the date of becoming liable to registration, the effective date of registration is the date on which the person becomes liable to registration, otherwise it is the date of grant of registration.
- ⇒ As per section 31(3)(a) of CGST Act, 2017 of CGST Rules, 2017, if a registered person is granted registration with effect from a date earlier than the date of issuance of registration certificate, then
 - he may issue revised tax invoices for taxable supplies effected
 - during the period between effective date of registration and date of issue of registration certificate.
 - within 1 month from the date of issue of registration certificate.

Discussion & Conclusion:-

- ⇒ In the given case, the threshold limit applicable for registration is Rs. 20 Lakhs.
- ⇒ Since Luv & Kush Pvt. Ltd. has made the application for registration within 30 days of becoming liable for registration, the effective date of registration is the date when it becomes liable to registration i.e. 05.09.20XX.
- ⇒ Only a registered person can collect tax & hence till the time of granting of registration, no tax invoice could be issued to collect tax.
- ⇒ It may issue revised tax invoices against the invoices already issued to collect tax for supplies made between effective date of registration (05.09.20XX) & the date of issuance of registration certificate (06.10.20XX), within 1 month from 06.10.20XX (i.e. on or before 06.11.20XX).
- ⇒ It may issue a consolidated revised tax invoice for all taxable supplies made to a unregistered recipient during such period.
- ⇒ But, if the value of a supply does not exceed Rs. 250000 for inter-state supplies, a consolidated revised tax invoice may be issued separately for all the unregistered recipients located a state.

Jain & Sons is a trader dealing in stationery items. It is registered under GST and has undertaken following sales during the day:

Sr.No	Recipient of supply	Amount (₹)
1	Raghav Traders - a registered retail dealer	190
2	Dhruv Enterprises - an unregistered trader	358
3	Gaurav - a Painter [unregistered]	500
4	Oberoi Orphanage - an unregistered entity	188
5	Aaradhya - a Student [unregistered]	158

None of the recipients require a tax invoice [Raghav Traders being a composition dealer].

Determine in respect of which of the above supplies, Jain & Sons may issue a Consolidated Tax Invoice instead of Tax Invoice at the end of the day? [ICAI Study Material]

Answer: Legal Provision:-

- ⇒ As per section 31(3)(b) of CGST Act, 2017 read with proviso to rule 46 of CGST Rules, 2017, a registered person is not required to issue a tax invoice, if
 - ⇨ the value of supply of good &/or services is less than Rs. 200,
 - ⇨ the recipient is unregistered person &
 - ⇨ the recipient does not require tax invoice.
- ⇒ Such person shall issue a consolidated tax invoice at the close of each day for all such supplies.

Discussion:-

- ⇒ In the given case, Jain & Sons can issue a Consolidated Tax Invoice only with respect to supplies made to Oberoi Orphanage [worth ₹ 188] and Aaradhya [worth ₹ 158] as:-
 - the value of goods supplied to these recipients is less than ₹ 200,
 - these recipients are unregistered persons and
 - do not require a tax invoice.
- ⇒ In case of Raghav Traders, although the value of goods supplied to it is less than 200, Raghav Traders is registered under GST & so, Consolidated Tax Invoice cannot be issued.
- ⇒ Consolidated Tax Invoice cannot be issued for supply of goods to Dhruv Enterprises and Gaurav although both of them are unregistered because value of goods supplied is not less than ₹200.

Conclusion:-

Therefore, Jain & Sons may issue one Consolidated Tax Invoice instead of Tax Invoice at the end of the day only in respect of supply of goods made to Oberoi Orphanage [worth ₹ 188] and Aaradhya [worth ₹ 158] together.

Answer :

(i)	E-invoicing is reporting of business to business (B2B) invoices to GST system for certain notified category of taxpayers

(iii)	<ul style="list-style-type: none"> ➤ Mandatory e-invoicing is applicable to all notified registered businesses (except specified class of persons) with an aggregate turnover exceeds ₹ 10 crore (based on PAN) in any preceding financial year from 2017-18 onwards. ➤ The following entities are exempt from mandatory requirement of e-invoicing:- <ol style="list-style-type: none"> a. Auto-reporting of invoices into GST return & auto-generation of e-way bill (wherever required):- Once B2B invoice data is reported in e-invoice form, the same is reported in multiple forms (GSTR-1, e-way bill etc.). 2. Substantial reduction in transcription errors & Reconciliation:- This is because same data will get reported to tax department & to buyer to prepare his inward supplies register. Buyer can reconcile with his Purchase Order. 3. Matching of ITC & output tax by Dept.:- A complete trail of B2B invoices is available with Department which enables the system-level matching of ITC & output tax thereby reducing the tax evasion. 4. Eliminates fake invoices:- Claiming fictitious ITC by raising fake invoices is one of the biggest challenges currently faced by tax-authorities. The e-invoice system will help to curb the actions of unscrupulous taxpayers & reduce the number of fraud cases as the tax authorities will have access to data

in real-time.

5. Other Advantages:-

- Facilitate standardisation & inter-operability,
- Reduction of disputes among transacting parties,
- Better relationship,
- Improve payment cycles,
- Eco-friendly as it eliminates paper,
- Internal controls,
- Reduction of processing costs &
- Improving overall business efficiency greatly
- Eco-friendly as it eliminates paper

(v) Legal Provision:-

- As per **Rule 48(4)** of CGST Rules, 2017, **E-Invoice** is required to be prepared by a registered person having aggregate turnover in any preceding financial year from 2017-18 onwards **exceeding ₹ 10 Crore.**

➤ Exception to generating E-Invoices:-

However, Goods Transport Agency (GTA) supplying services of **transportation of goods by road** in a goods carriage is exempted from the requirement of preparing E-Invoice.

Discussion & Conclusion:-

- In the present case, GTA is providing **services by air.**
- But the **exemption** from preparing E-Invoice is given to GTA only if it provides goods transportation **services by road** and not by air.
- Since the aggregate turnover of GTA **also exceeds ₹ 10 Crore** in previous year 20XX-XY and it makes supplies to registered person only, the **GTA is required to prepare E-invoice.**

Therefore, **the view taken by accountant is not correct.**

- 3) A consignor hands over his goods for transportation on Friday to the transporter. However, assigned transporter starts the movement of goods from consignor's warehouse to its depot located at distance of 600 Km. on Monday. When will the e-way bill be generated and for how many

	For every 200 Km or part thereof thereafter	1 day additional
Over Dimensional Cargo or multimodal shipment in which at least one leg involves transport by ship	Upto 20 km	1 day
	For every 20 km or part thereof thereafter	1 day additional

- **Relevant date:-** It is the date on which e-way bill has been generated.

b) **If it is a cargo other than over dimensional cargo:-**

The validity period of e-way bill is 1 day from relevant date upto 200 km and 1 additional day for every 200 km or part thereof thereafter.

Discussion & Conclusion:

Mr. Shambhu, a trader registered under GST in Delhi, is engaged in wholesale business of toys for kids. Mr. Nandi registered under GST in Patiala, a regular return filer supplies toys in bulk to Mr. Shambhu for selling to end consumers. Mr. Shambhu paying tax in regular scheme in Delhi, has not filed GSTR-3B for last 2 months. Mr. Nandi wants to generate e-way bill for toys amounting to ₹ 5,00,000 to be supplied to Mr. Shambhu. Also, Mr. Narayan from Jammu approached Mr. Shambhu for purchasing toys amounting to ₹ 75,000 for the purpose of return gift on his son's first birthday party. Shambhu wants to generate an e-way bill in respect of an outward supply of goods to Mr. Narayan. Examine with reference to the provisions under GST law, whether Mr. Nandi and Mr. Shambhu can generate e-way bill? [CA Inter RTP-May 22]

Answer:-

Legal Provision:-

- As per Rule 138E of CGST Rules, 2017, a taxpayer (consignor or consignee) shall be disabled from generating the e-way bill, if the GSTIN is not eligible for e-way bill generation.
- Under this rule, GSTIN is blocked only for the defaulting supplier for e-way bill generation and not for the defaulting Recipient or Transporter.
- A person paying tax under regular scheme who has not furnished the returns for a consecutive period of two tax periods is considered as a defaulting person.
- The suspended GSTIN cannot generate e-way bill as a supplier. However, it can get e-way bill generated as recipient or as transporter.
- In other words, e-way bill generation facility is blocked only for any outward movement of goods of registered person & not for his inward supplies.

Discussion & Conclusion:-

- In the given case, there will be no restriction in generating e-way Bill by Mr. Nandi as Mr. Nandi who is making outward movement of goods is a regular return filer.
- But, E-way bill generation is blocked for movement of goods by Mr.

Shambhu to Mr. Narayan as it is an outward movement of goods of Mr. Shambhu who has not filed GSTR-3B for past 2 months.

Answer:-

- ⇒ The e-invoice issued under rule 48(4) of CGST Rules have an embedded Invoice Reference Number (IRN) in the Quick Reference (QR) code.
- ⇒ It can be produced electronically for verification by proper officer in lieu of physical copy of such tax invoice.

You are required to advise M/s Cavenon Enterprises on the same. [ICAI RTP May 19 New] [ICAI Study Material]

Answer:

Legal Provision:-

- ⇒ As per section 37 of CGST Act, GSTR-1 for a particular month is filed on or before the 10th day (now extended to 11th day) of immediately succeeding month i.e. on monthly basis.

05. Questions of QRMP Scheme

CCP 13.05.13.00

Explain the following questions on the basis of QRMP scheme

1) Benefits of QRMP Scheme.

2) Eligibility for QRMP scheme under GST? [CA Inter MTP Oct 21]

3) Manner of exercising option of QRMP scheme.

Answer:-

1)	<p>⇒ The QRMP Scheme is best suitable for both the Small Tax Payers as well as the Big Tax Payers who are losing a lot of credits due to non-reflection of invoice entries.</p> <p>⇒ This is because many suppliers are filling GSTR-1 quarterly which eventually saves both time & money.</p> <p>⇒ Also, as per the Government Perspective, this scheme is expected to reconnect the revenue leakages and frauds as it would be surely decreasing the fake invoicing and fake input tax credit.</p> <p>⇒ Hence, it can be said that after the successful implementation of this scheme, it would be a win-win situation for all.</p>
2)	<p>⇒ Registered persons (other than online information & database access or retrieval (OIDAR) service supplier located in non-taxable territory and providing such services to a non-taxable online recipient), whose aggregate turnover is up to ₹ 5 crore in the preceding financial year, and who have opted to furnish quarterly return under QRMP scheme are eligible for QRMP scheme as the class of persons who shall furnish a return for every quarter from January, 2021 onwards, and pay the tax due every month.</p> <p>⇒ Thus, the taxpayers whose aggregate turnover is up to ₹ 5 crore in the preceding financial year are eligible for QRMP scheme.</p> <p>⇒ For computing aggregate turnover, details furnished in returns for tax periods in the preceding financial year shall be taken into account.</p>

- 2) ⇒ A registered person intending to opt for QRMP scheme for any quarter shall indicate his preference for furnishing of return on a quarterly basis from 1st day of the 2nd month of the preceding quarter till the last day of the 1st month of the quarter for which the option is being exercised.
- ⇒ Example:- A registered person intending to opt for QRMP scheme for the quarter 'July to September' can exercise his option from 1st May to 31st July.
- ⇒ However, where such option has been exercised once, the said registered person shall continue to furnish the return on a quarterly basis for future tax periods, unless he-
- becomes ineligible for this scheme as per the conditions & restrictions notified in this regard or
 - opts for furnishing of return on a monthly basis, electronically, on the common portal.

CCP 13.05.14.00

Answer the following questions:

- 1) What is the Due date for filing return & due dates of payment in case of a taxpayer opting for QRMP scheme?
- 2) Sangam Ltd., obtains registration for paying taxes under section 9 of CGST Act. He asked his tax manager to pay taxes on quarterly basis. However, Sangam Ltd.'s tax manager advised the Company to pay taxes on monthly basis. You are required to examine the validity of the advice given by tax manager? [CA IPC MTP 2018]

Answer:-

- 1) **Due date of Filing return:-**
 ⇒ Under QRMP scheme, a registered person is required to furnish GSTR-3B on quarterly basis on or before 22nd or 24th (depending upon the principal place of business of such registered person) of the month

succeeding the quarter for which return is furnished.

Due dates of Payment:- Every registered person opting for QRMP Scheme shall pay the tax due-

- for each of the first 2 months of the quarter: by **25th day** of the month succeeding such month in Form GST PMT-06 &
- for 3rd month of quarter:- on or before the due date of filing return in GSTR -3B i.e. before 22nd or 24th of succeeding month, as the case may be, in Form GST PMT-06.

Authors note (Not part of answer):

Students need not to remember the states only can write the due dates ie 22nd & 24th of the month succeeding such quarter

2) **Legal Provision:-**

- ⇒ If Registered person is **not** availing QRMP Scheme, then tax is payable on monthly basis within 20th of subsequent month.
- ⇒ If Registered person is opting for QRMP Scheme, then tax is payable on monthly basis but Return is to be filed on Quarterly basis (payment to be made by 25th of next month for 1st 2 month and within due date of Return for 3rd month).
- ⇒ In case of composition scheme, the tax is payable on quarterly basis by 18th of next month and Return is to be filed on yearly basis.

Discussion & Conclusion:-

- ⇒ So, in given case, the advice given by manager is **correct & valid**.
- ⇒ If Mr. Sangam is not opting for Composition Scheme, then the tax is payable on monthly basis.

CCP 13.05.15.00

When does the option of QRMP scheme lapses?

Answer :-

- 1) If the aggregate turnover crosses ₹ 5 crore during a quarter in a financial year,

then the registered person shall not be eligible to furnish return on quarterly basis

⇒ from the first month of the succeeding quarter.

2) He shall opt for furnishing of return on a monthly basis from the 1st month of the quarter, succeeding the quarter during which his aggregate turnover exceeds ₹ 5 crore.

3) The facility for opting out of the scheme for a quarter will be available

⇒ from 1st day of 2nd month of preceding quarter

⇒ to the last day of the 1st month of the quarter

CCP 13.05.16.00

Explain the different payment methods under the QRMP Scheme?

Answer : The different payment methods under the QRMP Scheme are as under:-

1. Fixed Sum Method (FSM):-

Sr. No.	Type of Taxpayer	Tax to be paid in each of 1st 2 months
1.	Who furnished GSTR-3B quarterly for the last quarter	35% of tax paid in cash in the preceding quarter.
2	Who furnished GSTR-3B monthly during the last quarter	100% of tax paid in cash in the last month of the immediately preceding quarter.

The balancing amount of tax as per return is to be paid in the 3rd month.

There are certain situations where no such tax needs to be deposited:-

⇒ 1st Month of Quarter: The tax liability is Nil. **OR** The balance in the electronic cash ledger is adequate for the tax liability for the same month.

⇒ 2nd Month of Quarter: The tax liability is Nil or the balance in the electronic cash ledger/ electronic credit ledger is adequate for the cumulative tax liability for the first two months of the quarter.

2. Self-Assessment Method (SAM):-

Under this method, taxpayer can pay the tax by considering the tax liabilities on

inward & outward supplies as per the ITC available for which GSTR-2B can be used for each month.

Notes:-

- Taxable supplies made by a registered person are liable to tax irrespective of whether they are made to a registered person or to an unregistered person.
- Supply of calculator and diary as a combo pack with a single price of ₹ 800 is a mixed supply. Being a mixed supply comprising of two supplies, it shall be treated as supply of that particular supply which attracts highest rate of tax.
- Services provided by a business facilitator/ business correspondent to a banking company only with respect to accounts in its rural area branch are exempt and not with respect to accounts in its urban area branch.
- ITC can be taken only on the basis of a valid tax paying document. Thus, ITC will not be available on goods for which the invoice is missing.
- ITC on motor vehicles used for transportation of goods is allowed & Further, ITC is allowed on repair and maintenance services relating to motor vehicles on which ITC is allowed.

Author's Note :-

- IGST credit, after being set off against IGST liability, can be utilised against CGST and SGST liability in any order and in any proportion.
- Thus, there cannot be one answer for the minimum net CGST and SGST payable in cash as amount of CGST and SGST liabilities are the same as also the amount of ITC for CGST & SGST is also the same.
