SA 200	QUESTIONS
	Meaning of Audit?
	Relationship of Audit with diverse subjects?
	Benefits of Audit?
	Audit- mandatory / voluntary?
	To whom report is submitted?- Reporting in EL
	Scope of Audit includes?
SA 210	Not very important for Jan25 exams
SA 220 & SQC 1	EQCR partner?
	Leadership/ Acceptance & continuance of client/ Ethical requirements / Assignment of Engagement teams /
Febica	Engagament performance / Monitoring = SQC1 & SA220
Ethics	Threats to independence? Professional Skepticism?
	Independence of mind and Appearance
SA 230	Definition
JA 230	Objective & Purpose of SA230
	Audit documentation includes and excludes?
	Audit file?
	Changes to Audit work papers?
	Time limit for changes and Retention period?
	SQC1 combo question with SA 230 - Completion memorandum/ Time limit/ Ownership?
	Form, content and extent of Audit documentation
SA 260 & 265	Not very important for Jan25 exams
SA 299	Audit reporting in case of common opinion & difference of opinion
	Responsibility of JA - Individual & joint resp
	Advantages & Disadvantages of JA
	Spl considerations regarding JA
	Work divided based on?
SA 300	Benefits of planning an audit
	What is Audit planning?
	How is establishing an overall audit strategy an assistance for the auditor?
	The factors of nature, timing and extent of direction and supervision of ET members and review of their work?
	Advantages and disadvantages of an audit programme?  Make a sample audit programme.
	Characteristics of engagements that define its scope?
	Reporting objectives of engagement to plan timing of audit and nature of communications required.
	Examples of considering results of preliminary engagement activities and knowledge gained in other engagements is
	relevant?
	Documentation for SA300?
SA 315	Not very important for Jan25 exams
SA 330	What should the auditor consider for determining the extent of Test of controls?
	What are the specific enquiries by the auditor when deviation in controls are detected?
	Miles to be said the second term of a subscript in the first of EADO
	What should the auditor do when he is designing FAP?
	What should the auditor do when he is designing FAP?  What should the auditor consider when he is using the AE reg controls from previous audits?
Automated Environment	What should the auditor consider when he is using the AE reg controls from previous audits?

	The second secon
SA 505	Not very important for Jan25 exams
SA 510	What are the procedures adopted by the auditor to obtain AE reg Op balances?
	Opinion that the auditor has to give if accounting policies are not consistent?  Reporting regarding Op balance if there is no AE/ There is misstatement in the Op balance?
	How to get Audit evidences regarding the op bal of Current assets (Inventory) & Non current assets and liabilities?
SA 520	Factors to be considered for substantive AP?
CA 020	Techniques available for AP?
	Reasonableness test - examples
	How will auditor design the AP?
	Suitability of AP for assertions?
	How to determine whether data is reliable for purposes of designing
	substantive analytical procedures
	whether the expectation can be developed to identify a misstatement that, when aggregated with other misstatements
	may cause the financial statements to be materially misstated
SA 530	Not very important for Jan25 exams
SA 550	Examples of relationships indicating a presence of Control or significant influence?
	When will a RPT give rise to higher risk of material misstatement?
	How can an auditor verify the existence of related party relationships and transactions
	What are Special purpose entities?
	What will auditor enquire the management?
SA 560	Not very important for Jan25 exams
	Examples of events or conditions that may cast significant doubt on the entity's ability to continue as a going concern
SA 570	(Financial, operational and others)
	Factors which management will consider for assessing the entity as Going concern?
	What should the auditor do- when the FS are as per Going Concern and auditor feels its inappropriate?
	What should the auditor do- when the FS are as per Going Concern and there is a material uncertainty?
	What should the auditor do- when the management is unwilling to extend any support
SA 580	Date of Written representation?
	WR about management responsibilities?
	Other written representations?
	How does auditor respond to a provided Written Representation?
04.000	How does auditor respond if Written Representation is not provided?
SA 600	Sec 128(1), Sec 128(2), Sec 143(8)
SA 610	Definitions  EA shall not use Direct assistance when?
34610	Written agreement from whom prior to using direct Assistance?
	Examples of work of IA function that EA can use?
	How to evaluate Internal Audit function?
SA 700	Basic standards Study fully
SA 701	What are KAM?
5,1701	How to determine KAM?
	Scope of KAM- V imp. Not a substitute for 705, 570, disclosure, separate opinion.
SA 705	Basic standards Study fully
SA 706	What is EMP/ What is OMP?
	When corresponding figures are presented, the auditor's opinion shall not
SA 710	refer to the corresponding figures except in the following circumstances- 3 circumstances
	When reporting on prior period financial statements, the auditor's opinion differs of that of the auditor of the prior
	period, what to do?
	When prior period FS are auditted by predecessor auditor- what should the current auditor do?
	When prior period FS are not auditted, what should the auditor do?
	Difference between Corresponding and Comparative figures. Definition?
Audit of cooperative societies	Not very important for Jan25 exams
Audit of government company	Roles, Duties and Powers of CAG
	Audit of Commercial Accounts?
	How to Audit stores and Inventories?
	How to audit taxes, fees, fines (Receipts)?
	Objective of Government audit?
	Audit of expenses?
	Effeciency audit? Performance audit?
Audit of banks	Learn the concepts of Mortgage, Pledge, Hypothecation, Assignment, Lien, Set off
	What happens if there is erosion in the value of security?
	Regulatory frameworks for bank audit?
	Accounting if bills discounted is for a 2 year period?
	Is netting allowed if there is Rediscounting?
Audit of other entities	Local Body
0 1 11	Partnership firm
Company Audit	This is v small now. Pls study fully
Audit of items of FS	CSR- Section 135
	Benami Property held
	Crypto or Virtual currency
	Relationship with struck off companies
