01. Introduction to Indirect Tax

CCP 01.01.01.00

Differentiate between Direct and Indirect taxes.

Answer :

Particulars	Direct Taxes	Indirect Taxes
Levied on	It is levied on income earned by activities conducted.	It is levied on product or services .
Incidence of tax	It is borne directly by person paying tax to Government.	It is shifted to other person as the person paying tax to Government collects the same from ultimate consumer.
Nature	It is progressive in nature i.e. high rate of taxes for people with higher ability to pay.	It is regressive in nature as all the consumers equally bear the burden, irrespective of their ability to pay.
When it is paid?	It is paid after the income reaches in the hands of tax payer.	It is paid before goods/services reaches the tax payer.
Collection	Tax collection is difficult and it is on yearly basis.	Tax collection is relatively easier and collected at the time of sale /purchase of goods or rendering of services.
Examples	Eg. Income tax, wealth tax, etc.	Eg. Custom Duty, GST, Excise Duty, Service tax, Sales tax, etc.

CCP 01.01.02.00

Explain the salient features of indirect taxes.

Answer :

S.No.	Features	Explanation
1	An important & major source of revenue	Indirect tax is major source of revenue for all Govts. in the world. In India, it contributes more than 50% of the total tax revenues of Central & State Governments.
2	Tax on commodities & services	It is levied on commodities at the time of supply, manufacture or purchase or sale or import/export thereof. Hence, it is also known as commodity taxation. It is also levied on provision of services.
3	Shifting of burden	Indirect tax paid by supplier is recovered from buyer by including the tax in the cost of commodity/service & shifting tax burden in this way.
4	No perception of direct pinch	Since, Indirect tax is generally inbuilt in the price of commodity/service, most of the time tax payer pays the same without actually knowing that he is paying tax to Government.
5	Inflationary	Tax imposed causes an all-round price spiral. In short, indirect taxation directly affects the prices of commodities & services & leads to inflationary trend.
6	Wider tax base	Majority of products or services are subject to indirect taxes with low thresholds.

7	Promotes social welfare	High taxes are imposed on consumption of harmful products/sin goods such as alcoholic products, tobacco products, etc. This not only checks their consumption but also enables the State to collect substantial revenue.
8	Regressive in nature	The rich & poor have to pay the same rate of indirect taxes. This further increases the income disparities between the rich and the poor.

CCP 01.01.03.00

Discuss the deficiencies in the existing indirect taxes which led to the need for ushering into GST regime.

Answer : Deficiencies in the erstwhile indirect tax regime:-

	Feature	Explanation
1	Double taxation	Earlier some items were treated both as goods & Services that led to double taxation.
2	No set-off	CENVAT & State level VAT were value added taxes but cross credit i.e. set-off of those was not possible as CENVAT was central levy & the other one was a State levy.
3	Cascading of taxes	CENVAT did not include value addition chain in distributive trade after the stage of production & in state level VAT also, CENVAT load on goods was not removed leading to cascading of taxes.
4	Several taxes not subsumed in VAT	For a single transaction, multiple taxes in multiple forms were required to be paid like Luxury Tax, Entertainment Tax, etc. which were not subsumed in VAT.
5	Non-integration of VAT & Service Tax	VAT on goods was not integrated with service tax at the state level. So, the cascading effect of service tax was not removed.
6	Cascading nature of CST	CST was non-vatable (i.e. no credit was allowed) and an origin-based tax which had cascading effect.
7	High Compliance Cost	Large number of taxes created high compliance cost for the taxpayers in form of more returns, payments, etc.

02. Various Articles of The Constitution of India

CCP 01.02.04.00

Write a short note on various Lists provided under Seventh Schedule to the Constitution of India.

[CA Inter MTP-Oct 21]

Answer:

Seventh Schedule to Article 246 of the Constitution contains **three lists** which enumerate the matters under which the Union & the State Governments have the authority to make laws as follows:-

List-I (UNION LIST):-	It contains the matters in respect of which the Parliament (Central Government) has the exclusive right to make laws.
List-II (STATE LIST):-	It contains the matters in respect of which the State Government has the exclusive right to make laws.
List-III (CONCURRENT LIST):-	It contains the matters in respect of which both the Central & State Governments have power to make laws.

Discuss Article 269A pertaining to levy and collection of GST on inter-State supply. (Study Mat)

Answer:

- As per **Article 269A of the Constitution**, GST on supplies in the course of inter-State trade or commerce shall be levied and collected by the Government of India and such tax shall be **apportioned** between the Union and the States in the manner as may be provided by Parliament by law on the recommendations of the GST Council.
- Here, supply of goods or services or both in the course of import into the territory of India shall be as inter-State trade or commerce.
- The amount so apportioned to a State shall not form part of the Consolidated Fund of India. Where an amount collected as IGST has been used for payment of SGST or vice versa, such amount shall not form part of the Consolidated Fund of India/State respectively. This is to facilitate transfer of funds between the Centre and the States.
- Parliament is **empowered to formulate the principles** for determining the place of supply, and when a supply of goods, or of services, or both takes place in the course of inter-State trade or commerce.

Why was the need to amend the Constitution of India before introducing the GST? (Study Mat)

Answer:

- Earlier, the fiscal powers between the Centre and the States were clearly **demarcated** in the Constitution with almost no overlap between the respective domains.
- The **Centre had the powers to levy tax on the manufacture of goods** (except alcoholic liquor for human consumption, opium, narcotics etc.) while the States had the powers to levy tax on the sale of goods.
- In the case of inter-State sales, the Centre had the power to levy the Central Sales Tax, but the tax was collected and retained entirely by the States.
- As for services, it was the Centre alone that was empowered to levy service tax.
- **Introduction of the GST** necessitated the amendments in the Constitution so as to simultaneously empower the Centre and the States to levy and collect this tax.
- The Constitution of India was amended by the Constitution (101st Amendment) Act, 2016 for this purpose. **Article 246A of the Constitution** introduced thereby empowered the Centre and the States to simultaneously levy and collect the GST.

Discuss Article 246A which grants the power to make laws with respect to Goods and Services Tax. (Study Mat)

Answer:

- As per **Article 246A** of the constitution, Parliament & the Legislature of every State, have **power to make laws** for GST imposed by the Union or by such State.
- Parliament has exclusive power to make laws with respect to GST where the supply of goods or services or both takes place in the course of inter-State trade or commerce.
- However, in respect to petroleum crude, high speed diesel, motor spirit (commonly known as petrol), natural gas and aviation turbine fuel, the aforesaid provisions **shall apply from the date to be notified** by the Government on the recommendations by the GST Council.

Write a short note on Goods and Services Tax (GST) Council. [ICAI RTP]**Answer:**

➔ **Article 279A** of the Constitution empowers the President to constitute a **joint forum** of the Centre and States called GST Council.

➔ Constitution of Council:-

- The Union Finance Minister is the Chairman of this Council,
- Ministers in charge of Finance/ Taxation or any other Minister nominated by each of the States & UTs with Legislatures are members of council.
- The Union Minister of State in charge of Revenue or Finance is also a member of council.

➔ **Function of Council:-** To **make recommendations** to the Union and the States on important issues like tax rates, exemptions, threshold limits, dispute resolution, etc. The GST Council has decided the threshold exemption, composition threshold, GST rates, GST legislations including rules and notifications.

03. Introduction to Goods & Services Tax**Explain the concept & principle of GST?****Answer: The Concept & Principles of GST are as under:-**

1	Value Added Tax	GST is a Broad-based value added tax levied on value added to goods &/or services at each stage of supply chain.
2	Destination based tax on consumption	GST is the revenue of that state which has jurisdiction over the place of consumption of goods &/or services which is also termed as place of supply.
3	Tax on business activity	GST is a tax on the consumption of products/ services from business sources, and not on personal/ hobby activities.
4	Continuous Chain of tax Credits	It is available from producer's/ service provider's point up to the retailer's/ consumer's level thus taxing only the value added at each stage of supply chain.
5	Burden borne by final consumer	Only the final consumer bears the GST charged by the last supplier in supply chain as at all the previous stages- set off benefits are available to the suppliers.
6	No cascading of taxes	As GST is charged only on value added at each stage, there is no cascading of taxes in this system & it avoids double taxation.

List some of the benefits that GST may accrue to the economy. (Study Mat)**Answer: GST may accrue following benefits to the economy:****a) Creation of unified national market:**

GST aims to make India a common market with common tax rates and procedures and remove the economic barriers, thereby paving the way for an integrated economy at the national level.

b) Boost to 'Make in India' initiative:

GST may give a major boost to the 'Make in India' initiative of the Government of India by making goods and services produced in India competitive in the national as well as international market. This would make India a manufacturing hub.

c) Boost to investments, exports and employment:

- ➔ Under the GST regime, the principle of exporting only the cost of goods or services and not taxes is

being followed.

- This may boost Indian exports thereby improving the balance of payments position. Exporters are being facilitated by grant of provisional refund of 90% of their claims within 7 days of issue of acknowledgement of their application, thereby resulting in the easing of position with respect to cash flows.
- With a boost in exports and manufacturing activity, more employment would be generated and GDP would increase.

CCP 01.03.11.00

GST is a destination-based tax on consumption of goods or services or both. Discuss the validity of the statement. (Study Mat)

Answer :-

- The given statement is valid.
- GST is a destination-based tax on consumption of goods or services or both.
- GST is known as destination-based tax since the GST is the revenue of that state which has jurisdiction over the place of consumption of goods &/or services which is also termed as place of supply.

CCP 01.03.12.00

Under Goods and Services Tax (GST), only value addition is taxed, and burden of tax is to be borne by the final consumer. Examine the validity of the statement. (Study Mat)

Answer :-

- The statement is correct.
- GST is a destination-based tax on consumption of goods and services.
- It is levied at all stages right from manufacture up to final consumption with credit of taxes paid at previous stages available as setoff.
- Thus, only value addition is taxed, and burden of tax is to be borne by the final consumer.

CCP 01.03.13.00

Explain with the help of examples how a particular transaction of goods and services is taxed simultaneously under Central GST (CGST) and State GST (SGST)? (Study Mat)

Answer :-

- The CGST and the SGST is levied simultaneously on every intra-State supply of goods/ services or both made by registered persons **except** the exempted goods & services as well as goods & services which are outside the purview of GST.
- Further, both are levied on the same price or transaction value.
- **Example:** Suppose the rate of CGST & SGST is 10%. When a wholesaler of steel in Uttar Pradesh supplies steel bars and rods to a construction company which is also located within the same State for ₹100, the dealer would charge CGST of ₹10 and SGST of ₹10 in addition to the basic price of the goods. The CGST component will go into a Central Government account while the SGST portion into the account of the concerned State Government (ie U.P.).
He might not actually pay ₹20 (₹10 + ₹10) in cash as he would be entitled to set-off this liability against the CGST or SGST paid on his eligible purchases (inputs, input services and capital goods) assuming that all his purchases are intra-State. However, for paying CGST, he would be allowed to use only the

credit of CGST paid on his purchases while for SGST he can utilize the credit of SGST alone. CGST credit cannot be used for payment of SGST and vice versa.

04. Various Taxes Subsumed/ Not subsumed under GST:

CCP 01.04.14.00

List the taxes which are subsumed in GST? What are the taxes that will continue post GST?

Answer :-

Central levies subsumed	State levies subsumed
Central Excise Duty & Additional Excise Duties	Vat/ Sales Tax
Excise Duty levied under Medicinal & Toilet Preparation Act	Entertainment Tax (except those levied by local bodies)
Service Tax	Taxes on lottery, betting & gambling
ACD (Additional custom duty)	Entry Tax (All forms) & Purchase Tax
Central Sales Tax	Luxury Tax & Taxes on advertisements
Central Surcharges & Cesses related to supply of goods & services	State surcharges & Cesses related to supply of goods & services

The taxes that will continue after GST are:-

- a. Basic Customs Duty b. Export Duty c. Stamp Duties & Property Tax d. Electricity Duties
e. Entertainment tax levied by local bodies f. Excise duty/ VAT/ CST on Alcohol for human consumption & **un-denatured extra neutral alcohol or rectified spirit used for manufacture of alcoholic liquor, for human consumption** & Petroleum products.

Author's note:- Levy of excise duty, VAT & CST on ENA and rectified spirit is under dispute.

CCP 01.04.15.00

Which are the commodities which have been kept outside the purview of GST? Examine the status of taxation of such commodities after introduction of GST. (Study Mat)

Answer :-

⇒ Supplies of all goods &/or services are taxable under GST **except**

- alcoholic liquor for human consumption and
- un-denatured **Extra Neutral Alcohol (ENA)** or **rectified spirit** used for manufacture of alcoholic liquor, for human consumption.

⇒ Supply of following **would be taxable with effect from the date notified by Government** on recommendations of the GST Council:-

- a) petroleum crude,
- b) high speed diesel,
- c) motor spirit (petrol),
- d) natural gas &
- e) aviation turbine fuel.

⇒ The taxation system (CST/VAT & central excise) **still continues** for said commodities.

Author's note:- Levy of excise duty, VAT & CST on ENA and rectified spirit is under dispute.

ABC Liquors Ltd. is a well-known liquor manufacturer in India. It uses Extra Neutral Alcohol (ENA) & rectified spirit as raw materials to manufacture alcoholic liquor for human consumption, primarily whisky and vodka. It also supplies ENA to some industrial manufacturers for use in making perfumes & other industrial chemicals. Discuss the taxability on purchase of ENA & rectified spirit as well as on supply of ENA for other industrial uses by ABC Liquors Ltd.

Answer :-

1. Taxability of ENA & rectified spirit used in manufacture of alcoholic liquor:-

- As per **sec 9(1)**, alcoholic liquor for human consumption & un-denatured ENA or rectified spirit used for manufacture of alcoholic liquor, for human consumption, **falls outside the ambit of GST.**
- In given case, ABC Liquors Ltd. sources ENA & rectified spirit from a supplier & uses it to produce alcoholic beverages like whisky & vodka which can be consumed by humans.
- Thus, purchase of ENA & rectified spirit by ABC Liquors Ltd. is **not leviable to GST.**

2. Taxability of ENA supplied for industrial use:-

- Industrial use of ENA is treated differently under GST law because it is not intended for human consumption & hence, **it falls under the ambit of sec 9(1).**
- In this case, GST is **applicable** on the sale of ENA by ABC Liquors Ltd. since it is being used for industrial purposes.

Discuss the leviability of GST or otherwise on the following:

- 1) Alcoholic liquor for human consumption
- 2) Petroleum crude, diesel, petrol, Aviation Turbine Fuel (ATF) and natural gas
- 3) Tobacco
- 4) Opium, Indian hemp and other narcotic drugs and narcotics (Study Mat)

Answer :-

- 1) **Alcoholic liquor for human consumption:** It is outside the realm of GST. The manufacture/ production of alcoholic liquor continues to be subjected to State excise duty and inter-State/intra-State sale of the same is subject to CST/VAT respectively.
- 2) **Petroleum crude, diesel, petrol, Aviation Turbine Fuel (ATF) and natural gas:**
 - At present, Petroleum crude, diesel, petrol, ATF and natural gas are not leviable to GST.
 - GST will be levied on these products from a date to be notified on the recommendations of the GST Council.
 - But, there is a levy of:-
 - a) Central excise duty on manufacture/production of petroleum crude, diesel, petrol, ATF and natural gas &
 - b) CST/ VAT on inter-State/intra-State sale of the same respectively.
- 3) **Tobacco:** Tobacco is subject to GST as well as central excise duty as it is within the purview of GST i.e. GST is leviable on its' supply & Union Government has also retained the power to levy excise duties on tobacco and tobacco products manufactured in India.
- 4) **Opium, Indian hemp and other narcotic drugs and narcotics:**
 - Opium, Indian hemp and other narcotic drugs and narcotics are within the purview of GST, i.e. GST is leviable on them.
 - However, State Governments have also retained the power to levy excise duties on such products manufactured in India.

➔ **Resultantly** Opium, Indian hemp and other narcotic drugs and narcotics are subject to GST as well as State excise duties.

05. Dual GST Model in India:

CCP 01.05.17.00

A dual GST has been implemented in India. Elaborate.

(Study Mat)

Answer :-

- ➔ Centre has power to levy IGST on inter-state supplies of goods &/or services.
- ➔ Central & States/UTs with state legislature simultaneously have power to levy CGST & SGST on Intra State supplies of goods &/or services.
- ➔ UTs without legislature have power to levy UTGST on Intra state supplies of goods &/or services.

"Exchange is a form of supply of goods or services or both, made or agreed to be made for consideration by a person in the course or furtherance of business". Explain it with help of example.

[ICAI RTP Jun 2018]

Answer:-

- ⇒ When two persons **mutually transfer the ownership of one thing for the ownership of another**, neither thing nor both things being money only, the transaction is **called an exchange**.
- ⇒ Exchange offers on products like televisions, mobile phones, refrigerators, etc. **are leviable to GST**.
- ⇒ **Example:-** Mr. X is a dealer of new cars. He sells new cars for ₹ 8,25,000 & agrees to reduce ₹ 1,25,000 surrendering of old car. Mr. Y who intends to buy new car worth ₹ 8,25,000 agreed to exchange his old car with new car. Under GST law, it will be treated as Mr. Y has made supply of old car to dealer Mr. X and Mr. X has made supply of new car to Mr. Y. If Mr. Y is registered person, he will be liable to pay GST on ₹ 1,25,000. Whereas, Mr. X will be liable to pay GST on ₹ 8,25,000 irrespective of fact that whether Mr. Y is a registered person or not.

Answer :-

Determine whether there is consideration in following cases & also state whether GST is chargeable:-

i)	Reliance JIO offers free mobile handset on payment of security deposit worth ₹ 1,500/- which is fully refundable.
ii)	Isha, a customer purchases a gold necklace weighing 275 gms from PN Gadgil Jewel showroom. In exchange, she sells her old gold articles weighing 200 gms & pays differential amount in cash.
iii)	RC cricket association Chennai, gifts a motor bike to Rahul as inducement to join their cricket club.
iv)	XYZ Ltd. is manufacturing fertilizers used for agriculture purpose. State govt. has given 30% subsidy on sale of such fertilizer.
v)	ABC and Co., a trading concern, has supplied the product X to Mr. Y at subsidized rate of ₹ 30,000 (Open market value of such goods is ₹ 45,000). The supplier of ABC and Co. has given the subsidy to it to compensate for the price difference.

Determine whether there is consideration in following cases & also state whether GST is chargeable:-

Answer:-

i)	No, as security deposit given in this case is not applied by the supplier towards the mobile handset provided by it. Hence, GST will not be charged as there is no supply in absence of consideration.
ii)	In this case, there are two supplies as follows:- a) Sale of gold necklace by Jeweller to the customer:- ➤ It falls under the ambit of 'supply' as the sale of Jewellery by the Jeweller is in the course of his business. ➤ Consideration paid by customer is partly in kind for 200 gms & partly in money for 75 gms. ➤ GST shall be charged on value determined as per open market value for 275 gms of gold necklace. b) Sale of old gold articles by customer to Jeweller:- It is out of the purview of 'supply' as the sale by customer is not in the course of business. Hence, GST will not be charged.
iii)	Yes, as supply of motor bike is in response to an offer to join (i.e. inducement to join) the cricket club & thus, GST shall be charged.
iv)	No, Section 2(31) of CGST Act clearly states that 'consideration' excludes the value of subsidy given by State Government. Thus, in the given case, GST will be charged on value excluding subsidy.
v)	Yes, Section 2(31) of CGST Act clearly states that "consideration" excludes the value of subsidy given by Central Government or State Government. But, in given case, subsidy is given by the supplier and not by Government. Hence, subsidy is treated as consideration & GST will be charged on value including such subsidy.

The temple of ancestral deity of Mr. Aman Goel and his family is located at Beri, Haryana. The temple is run by a charitable organisation registered under section 12AA of the Income Tax Act, 1961. The family has got unshakeable faith in their ancestral deity. Mr. Aman is a big entrepreneur having flourishing business of tiles in Gurugram. Upon the birth of their first child, he donated ₹ 10 lakh to the said temple for construction of a sitting hall in the temple. On the main door of the sitting hall, a name plate was placed stating "Donated by Mr. Aman Goel upon birth of his first child".

You are required to examine the levability of GST on the donation received from Mr. Aman Goel? [CA Inter RTP May 2020].

Answer:-

Legal Provision:-

As per CBIC clarification, if a name plate or similar acknowledgement is placed in the premises of religious institution displaying donor's name just as an **expression of gratitude and public recognition of donor's act of philanthropy**, then there is no supply of service for a consideration (in the form of donation) & there is **no GST liability** on such consideration.

But the **condition** is that the displaying of name is not aimed at giving publicity to the donor to advertise or promote his business.

Here, Recipient of donation/ gift has **no obligation** (quid pro quo) to do anything i.e. supply a service.

Discussion & Conclusion:- In the given case,

The payment made to a charitable organization has the character of gift or donation.

As there is **no reference or mention of any business activity** of the donor so as to advertise it, the **purpose is also philanthropic** (i.e., it leads to no commercial gain) & thus, **not leviable to GST**.

Examine whether the following activities would be treated as supply under GST law?

- a) Glory Ltd. is engaged in manufacturing and selling of cosmetic products. Seva Trust, a charitable organisation, approached Glory Ltd. to provide financial assistance for its charitable activities. Glory Ltd. donated a sum of ₹ 2 lakh to Seva Trust with a condition that Seva Trust will place hoarding at the entrance of the trust premises displaying picture of products sold by Glory Ltd. [Inter May 22 Exam]
- b) Mr. Sonu from Chandigarh purchased a water cooler from Malhotra Bros. of Hoshiarpur for ₹ 25,000 to donate it to a temple situated in Hoshiarpur. Mr. Sonu directed Malhotra Bros. to engrave the words on the water cooler- "Donated by Mr. Sonu from Chandigarh" and dispatch the water cooler directly to the temple. [CA Inter Nov 23 Exam]

Answer:-

Legal Provision:-

- An activity qualifies as supply under GST only if it is for a consideration and is in course/furtherance of business.
- Donations received by the charitable organizations are treated as consideration only when there is **obligation on part of the recipient of the donation to do anything.**

Discussion & Conclusion:-

a)	Since in the given case, the display of products sold by the donor – Glory Ltd. – in charitable organization's premises aims at advertising/promotion of its business , it is supply for consideration in course/furtherance of business and thus, qualifies as supply under GST law.
b)	<ul style="list-style-type: none"> ➤ In the given case, the name of the donor, Mr. Sonu is displayed in temple as an expression of gratitude and public recognition of his act of philanthropy and is not aimed at advertising or promotion of his business. ➤ Hence, donation of water cooler by Mr. Sonu to temple is without quid pro quo and thus, not supply under GST law. ➤ However, supply of water cooler by Malhotra Bros. to Mr. Sonu is supply as it is made for consideration in course or furtherance of business.

04. Sec 7(1)(aa): Supply by person other than individual to its members

A Resident Welfare Association provides the service of depositing the electricity bills of the residents in lieu of some nominal charges. Whether this activity is treated as supply under the GST Act?

Answer:-

Legal Provision:-

- As per **section 2(17)** of CGST Act, 2017, Business includes provision of service by club or association or society to its members for a subscription or any other consideration.
- As per **Section 7(1)(aa)** of the said act, supply includes activity/ transaction supplied by a person other than an individual for its members for consideration. Explanation to this section states that such person and its members are deemed to be two separate persons & supply between them deemed to take place from one person to another.

Discussion & Conclusion:-

- In this case, Resident Welfare Association is a person other than an individual and it is providing service

its members by way of depositing the electricity bills of the residents in lieu of some nominal charges. Hence, this **transaction is treated as supply** u/s 7(1)(aa).

05. Sec 7(1)(c) read with Schedule I: Activities to be treated as supply even if made without consideration

CCP 02.05.08.00

Prithvi Associates is engaged in supply of taxable goods. It enquires from its tax advisor as to whether any activity can be treated as supply even if made without consideration in accordance with the provisions of the GST law. You are required to enumerate such activities, if any (Study Mat)

Answer :-

Section 7(1)(a) of CGST Act stipulates that the supply of goods &/or services should be for a consideration and should be in the course or furtherance of business. But, Section 7(1)(c) states the Activities to be treated as supply even if made without consideration which are given under Schedule I as follows:-

Para	Activity/ Transactions
1	Permanent transfer or disposal of business assets where input tax credit has been availed on such assets
2	Supply of goods &/or services between:- ➤ related persons or ➤ distinct persons as specified in section 25, when made in the course or furtherance of business. However, gifts not exceeding Rs. 50000 in value in a financial year by an employer to an employee shall not be treated as supply of goods &/or services
3	Supply of goods:- a) by a principal to his agent where the agent undertakes to supply such goods on behalf of the principal or b) by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal However, this para 3 is applicable only when agent issues invoice to customer in his own name.
4	Import of services by a person:- ➤ from a related person or ➤ from any of his other establishments outside India, in the course or furtherance of business

CCP 02.05.09.00

Whether the following transactions are treated as supply?

- a) A retailer of clothes gives clothes from his business stock (on which ITC is taken) to his friend free of cost permanently.
- b) A dealer of air conditioners (on which ITC is not taken) permanently transfers an air conditioner from his stock in trade, for personal use at his residence.

Answer:-

Legal Provision:-

As per Section 7(1)(c) read with para 1 of schedule I of CGST Act, **permanent** transfer or disposal of business assets where ITC has been availed on such assets shall be treated as supply under GST even when there is no consideration is involved.

➤ So, if no ITC is availed on such business asset, then it will not be treated as supply under this para.

Discussion and Conclusion:-

- (a) **Business assets also includes stock in trade.** Hence, in this case, permanent transfer of business stock free of cost **shall be treated as supply** under para 1 of schedule I as the retailer claimed input tax credit on his purchase of that business stock.
- (b) The transaction **will not constitute a supply** even though there is permanent transfer of stock in trade (business asset) as in this case, no input tax credit is taken on such stock in trade.

Sahab Sales, an air-conditioner dealer in Janakpuri, Delhi, needs 4 air conditioners for his newly constructed house in Safdarjung Enclave. Therefore, he transfers 4 air-conditioners [on which ITC already been availed by it] from its stock, for the said purpose. Examine whether the said act amounts to supply u/s 7 of the CGST Act, 2017.

Further, a Janakpuri resident, Aakash, approached Sahab Sales. He sold an air conditioner to Sahab Sales for ₹ 5,000. Aakash had bought the said air conditioner six months before, for his residence. Does sale of the air conditioner by Aakash to Sahab Sales amount to supply u/s 7 of the CGST Act, 2017? [RTP 2018]

Answer:-

Legal Provision:-

- **Section 7(1)(a)** of CGST Act states that the supply of goods and/or services should be for a **consideration** and should be **in the course or furtherance of business**.
- As per **Section 7(1)(c)** read with Para 1 of Schedule I of CGST Act, 2017, Permanent transfer or disposal of business assets where input tax credit has been availed on such assets shall be treated as supply even when it is made **without consideration**.

Discussion & Conclusion:-

- In the given case, **permanent transfer of air conditioners** by Sahab Sales from its stock for personal use in its residence **would amount to supply** even though it is made without consideration as per para 1 discussed above.
- But, sale of air conditioner by Aakash to Sahab Sales **will not qualify as supply** under section 7. Although it is made for a consideration, but it is **not in the course or furtherance of business**.

CCP 02.05.11.00

Legal Provision:

- As per **Schedule I** read with **section 7(1)(c)**, supply of goods or services or both between related persons or between distinct persons as specified in section 25, when made in the course or furtherance of business is **deemed as supply** even if made without consideration.

Discussion & Conclusion:

In the given case, since the Damodar Private Ltd. and its branch located in another State are distinct persons.

Thus, supply of goods between them would qualify as supply.

The factory and retail showroom of Raghubir Fabrics are registered in the States where they are located. Although no consideration is charged, supply of goods from factory to retail showroom constitutes supply. Justify. [Study Mat (Example)]

Answer:-

Legal provision:-

As per section 7(1)(c) read with para 2 of schedule I of CGST Act, 2017, Supply of goods &/or services between distinct person u/s 25 in the course or furtherance of business shall be treated as supply even when it is made without consideration.

Section 25(4) of CGST Act, 2017 states that if more than one registration is obtained or is required to be obtained by a person in one or more State, then for each of such registration, he shall be treated as distinct persons.

Discussion & Conclusion:-

In given case, factory & retail showroom of Raghubir Fabrics are registered in the States where they are located. So, both are treated as establishments of distinct person u/s 25(4).

Although, no consideration is charged, supply of goods from factory to retail showroom constitutes supply as per para 2 of schedule I stated above as it is in course or furtherance of business.

Daksh gold Pvt. Ltd. is an Indian subsidiary (in Mumbai) of Moksh Gold Inc. (Japan based company). On occasion of Diwali, Daksh gold Pvt. Ltd. distributes gift hamper to its employee worth ₹3,00,000.

Answer the following questions:-

Does it qualify as supply?

Would your answer be different, if gifts of ₹42,000 have been given to an employee?

What would be your answer if Daksh gold Pvt. Ltd. offers its employees ESPP as part of their compensation package. When an employee decides to purchase these stocks, Moksh Gold Inc. directly transfers the shares to the employee. Daksh gold Pvt. Ltd. reimburses Moksh Gold Inc. for the cost of these shares on a cost-to-cost basis & there is no separate commission charged by Moksh Gold Inc.

Answer:- Legal Provision:-

As per section 7(1)(c) read with Para 2 of Schedule I of CGST Act, 2017, Supply of goods &/or services between related persons is treated as supply even if it is without consideration.

Proviso to para 2 of schedule I states that if gifts given by employer to an employee are not exceeding ₹50,000 in value in a financial year, then it shall not be treated as supply of goods &/or services.

As per explanation to section 15, employer and employee are deemed to be related persons.

As per CBIC clarification, ESOP/ESPP/RSU is a part of employee's remuneration as per their contract & thus, it is not a supply as per para 1 of Schedule III.

Securities/shares are neither goods nor services as per the definitions in the GST Act & thus, its sale or

purchase is not a supply.

Discussion & Conclusion:-

- 1) **Diwali gift** to employee worth ₹ 3,00,000 will qualify as supply and such supply would be leviable to GST as the employer & employee are related and value of gift exceeds ₹50,000 in a financial year.
- 2) If gift of ₹ 42,000 is given instead of ₹3,00,000, the same will not qualify as supply. This is because, value of gift is not exceeding ₹50,000 in a financial year.
- 3) The reimbursement from Daksh gold Pvt. Ltd. to Moksh Gold Inc. for the shares transferred to employees, when done on a cost-to-cost basis, is **not subject to GST**. Also, the sale or purchase of shares is **not a supply** as these are not goods or services.

- ⇒ **Section 7(1)(c)** read with **Para 2 of schedule I** of CGST Act, 2017 states that supply of goods and services between 'distinct persons' as specified in section 25, when made in the course or furtherance of business shall be **treated as supply even if made without consideration**.
- ⇒ As per CBIC circular,
 - **The inter-State movement of various modes of conveyance** including trucks, carrying goods & passengers or for repairs and maintenance, between '**distinct persons**' as specified in section 25 not involving further supply of such conveyance, may be treated '**neither as a supply of goods nor supply of service**' and therefore, **will not be leviable to IGST**.
 - But, the applicable CGST/SGST/IGST shall be **leviable on repairs & maintenance** done for such conveyance.

Discussion & conclusion:-

- ⇒ In the given case, inter-State movement of trucks from the workshop of Gagan Engineering Pvt. Ltd. located in Haryana to its repair centres located in other States is '**neither a supply of goods nor supply of services**'.

Mr. Veer is a supplier of goods located in Mumbai has appointed Mr. Rudra to procure goods based on specification given by him. As the same kind of goods are not available in the area of Mr. Veer, Mr. Rudra buys the specified goods on his behalf from M/s XYZ Ltd. For this activity, invoice is issued in the name of principal.

Whether it is to be treated as a supply under GST?

Would your answer differ, if invoice is issued in name of an agent Mr. Rudra?

Answer:-

Legal Provision:-

Section 7(1)(c) read with Para 3 of Schedule I of CGST Act, 2017 states that supply of goods by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal, shall be treated as supply even if made without consideration.

As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity is treated as supply under para 3 Schedule I, otherwise not.

Discussion:-

In the given case, Mr. Rudra (Agent) is appointed just to procure the goods on behalf of Mr. Veer (Principal) and he is issuing invoice also in name of Mr. Veer (Principal).

He has not involved himself in the supply or receipt of goods in any way.

Hence, Mr. Rudra is not an agent of Mr. Veer for the purpose of para 3 of schedule I.

Conclusion:-

No, it is not to be treated as a supply as per para 3 of Schedule I. This is because Mr. Rudra (Agent) is issuing invoice in name of the Mr. Veer (Principal).

Yes, if invoice is in the name Mr. Rudra (Agent), then this transaction will be treated as supply as per para 3 of Schedule I.

M/s M Ltd. being a garment manufacturer, appoints Mr. Ram as an agent, who stores garments manufactured by M Ltd. and sends to dealers whenever M Ltd. asks Mr. Ram to do so. Mr. Ram issues his own invoice. Is it a supply? Justify. [ICAI RTP Jun 2018]

Answer:-

Legal Provision:-

Section 7(1)(c) read with Para 3 of Schedule I of CGST Act, 2017 states that supply of goods by a principal to his agent where the agent undertakes to supply such goods on behalf of the principal shall be treated as supply even if made without consideration.

As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity would be treated as supply under para 3 Schedule I, otherwise not.

Discussion & Conclusion:-

Yes. Transfer of garments from M Ltd. to Mr. Ram is taxable supply under GST & GST will be levied.

This is because, Mr. Ram (Agent) is issuing invoice in his own name for further supply of goods on behalf of M/s M Ltd.

Thus, this transaction is getting covered under para 3 of schedule I as discussed above.

Add: Interest earned for short term credit facility provided to above customers	20,000		[3,00,000	[3,00,000
	3,00,000		*9%]	*9%]

Answer:-

Legal Provision: As per **Para 4 of schedule I**, in case of **import of services** by a person from a related person or from his establishments located outside India, **without consideration**, in the course or furtherance of business shall be treated as **"supply"**.

CCP 02.06.19.00

Examine whether the activity of import of service in the following independent cases would amount to supply under section 7:

- 1) Miss Shriniti Kaushik received interior decoration services for her residence located at Bandra, Mumbai from Mr. Racheal of Sydney (Australia). The amount paid for the said service is 5,000 Australian dollar.
- 2) Miss Shriniti Kaushik received interior decoration services for her residence located at Bandra, Mumbai from her brother, Mr. Varun residing in Sydney (Australia) [wholly dependent on Miss Shriniti]. Further, Miss Shriniti did not pay any consideration for the said service.
- 3) Will your answer change if in the above case, if Miss Shriniti has taken interior decoration services with regard to her business premises and not her residence? (Study Mat)

Answer :-

Legal Provision:

- As per **section 7(1)(b)** of CGST Act, Supply includes import of services for a consideration whether or not it is in the course or furtherance of business.
- Section 7(1)(c) read with Para 4 of Schedule I** of CGST Act, states that if services are imported by a person from a related person located outside India without consideration & that too in the course or furtherance of business, then it is **treated as supply**.
- Explanation to section 15** states that **members of the same family** are deemed to be "related persons".
- Further, **as per section 2(49)**, brother is treated member of same family only when he is wholly or mainly dependent on the said person.

Discussion & Conclusion:

1)	In the given case, although the import of service for consideration by Miss. Shriniti Kaushik is not in course or furtherance of business , it would be treated as supply .
2)	As in the given case, Miss Shriniti Kaushik has received interior decoration services from her brother.

	<p>⇒ Miss Shriniti and her brother shall be considered to be related as Miss Shriniti's brother is wholly dependent on her.</p> <p>⇒ However, Miss Shriniti has taken interior decoration services for her residence and not in course of furtherance of business. Consequently, services provided by Miss Shriniti's brother to her would not be treated as supply under section 7 read with Schedule I.</p>
3)	<p>If Miss Shriniti has taken interior decoration services for her business premises, services provided by Miss Shriniti's brother to her would be treated as supply u/s 7 read with Schedule I, as the same are provided in course or furtherance of business.</p>

Examine whether the following activities would amount to supply under section 7 read with Schedule I

- Sulekha Manufacturers have a factory in Delhi and a depot in Mumbai. Both these establishments are registered in respective States. Finished goods are sent from factory in Delhi to the Mumbai depot without consideration so that the same can be sold from the depot.
- Raman is an architect in Chennai. His brother who is settled in London is a well-known lawyer. Raman has taken legal advice from him free of cost with regard to his family dispute.
- Would your answer be different if in the above case, Raman has taken advice in respect of his business unit in Chennai? [Study Mat]

Answer :-

a)	<p>Legal Provision:</p> <p>⇒ Section 25(4) of CGST Act, 2017 states that if more than one registration is obtained or is required to be obtained by a person in one or more State, then for each of such registration, he shall be treated as distinct persons.</p> <p>⇒ Section 7(1)(c) read with Para 2 of schedule I of CGST Act, 2017 states that supply of goods and/or services between 'distinct persons' as specified in section 25, when made in the course or furtherance of business shall be treated as supply even if made without consideration.</p> <p>Discussion & Conclusion:</p> <p>⇒ In the given case, factory and depot of Sulekha Manufacturers are distinct persons.</p> <p>⇒ Therefore, supply of goods from Delhi factory of Sulekha Manufacturers to Mumbai Depot without consideration, but in course/furtherance of business, is treated as supply.</p>
b)	<p>Legal Provision:</p> <p>⇒ Section 7(1)(c) read with Para 4 of Schedule I of CGST Act, states that if services are imported by a person from a related person located outside India without consideration & that too in the course or furtherance of business, then it is treated as supply.</p> <p>⇒ Explanation to section 15 states that members of the same family are deemed to be "related persons".</p> <p>⇒ Further, as per section 2(49), brother is treated member of same family only when he is wholly or mainly dependent on the said person.</p> <p>Discussion & Conclusion:</p> <p>⇒ In the given case, Raman has received free of cost legal services from his brother who is a well-known lawyer settled in London and is not wholly/mainly dependent on Raman.</p> <p>⇒ So, as per section 2(49) & Explanation to section 15 above, Raman & his brother are not related as they are not treated as family.</p>

	<p>➤ Further, Raman has taken legal advice from him in personal matter & not in course or furtherance of business.</p> <p>➤ Thus, the services provided by Raman's brother to him would not be treated as supply u/s 7 of the CGST Act read with para 4 of Schedule I.</p> <p>➤ No, if Raman has taken advice for his business unit, services provided by Raman's brother to him would still not be treated as supply. This is because, though services are provided in course or furtherance of business, but it is not received from related person.</p>

Happy Constructions Ltd., a registered builder under GST in Bengaluru, Karnataka has got permission to build five floors from the Municipal Projects for one of its projects at Suraj Nagar. Aditya Constructions, a neighbouring housing project approached Happy Constructions Limited to discuss regarding blockage of sun light issue arising out of construction of five floors and asked it to build only three floors for which ₹ 20 lakh was offered as compensation. Happy Constructions Limited agreed to the offer. It may be noted that Aditya Constructions is not ready to pay any further amount to Happy Constructions Ltd. in addition to the amount already agreed.

And if considered as taxable, then calculate the total GST payable by Happy Constructions Ltd. Assume the applicable rate of CGST and SGST is 9% each. Also state the conditions to be complied with. [CA Inter RTP May 24]

Answer:-

Legal Provision: As per **para 5(e) of Schedule II** of the CGST Act 2017, Agreeing to obligation to refrain from an act, or to tolerate an act or situation, or to do an act has been specifically declared to be a **supply of service** if the same constitutes a supply as per the said Act.

Discussion & Conclusion:

- ➔ In the given case, Happy Constructions Limited has agreed to build only three floors, even though it is permitted to construct five floors by the Municipal Authorities, for a compensation of ₹ 20 lakh. This results in **supply of service**.
- ➔ The **conditions** to be complied with for the above supply will be
 - a) There must be an expressed or implied agreement or contract must exist.
 - b) Consideration must flow in return to this contract/ agreement.
- ➔ Since Aditya Constructions is not ready to pay any further amount to Happy Constructions Limited in addition to the amount already agreed, the amount received ₹ 20 lakh shall be treated as **inclusive** of GST.
- ➔ Thus, the GST payable will be $\text{₹}20,00,000 \times 9/118 = \text{₹}1,52,542$ (rounded off) as CGST & SGST each.

09. Section 8: Composite Supply & Mixed Supply

CCP 02.09.29.00

(a) A hotel provides 4 days-3 nights package wherein the facility of breakfast and dinner is provided along with the room accommodation.

(b) A toothpaste company has offered the scheme of free Soap along with the toothpaste.

Answer:-

- Consists of two or more taxable supplies of goods &/or services,
- Such supplies are naturally bundled,
- Such supplies are supplied in conjunction with each other,
- They are supplied in the ordinary course of business &
- Have one supply as principal supply.

Goods/services supplied	GST Rate
Chocolates	18%
Fruit juice bottles	12%
Toy balloons	5%

[Study Mat]

Answer:-

Legal Provision:-

As per section 2(74) of CGST Act, “Mixed supply”-

- Consist of two or more individual supplies of goods &/or services,
- They can be supplied independently, still supplied together by the taxable person,

- ⇒ Supplied for a single price &
- ⇒ Is not naturally bundled i.e. it is not a composite supply.

Discussion & Conclusion:-

- ⇒ Supply of a package containing chocolates, fruit juice bottles and a packet of toy balloons **is a mixed supply** as each of these items can be supplied separately and is not dependent on any other (i.e. **not naturally bundled**) & also a single price is charged for the package.
- ⇒ Further, as per section 8(b), the mixed supply is treated as a supply of that particular supply **which attracts the highest rate of tax.**
- ⇒ Thus, in the given case, supply of packages is treated as supply of chocolates as it attracts the highest rate of tax & the rate of GST applicable on the package of ₹6,00,000 ($20,000 \times ₹30$) is **18%.**

- ⇒ Thus, there is **supply of individual items** which are **taxable at the respective** rates applicable to them.

Explain the composite supply & mixed supply. If a trader launches a package sales for marriage containing double bed, refrigerator, washing machine, wooden wardrobe at a single rate. He is issuing invoice showing value of each goods separately. Whether this is case of mixed supply or composite supply. Explain. [CA Inter Jul 21 Exams]

Answer:-

Legal Provision:-

- ⇒ As per **section 2(30)** of CGST Act, **“Composite supply”-**
 - Consists of two or more taxable supplies of goods &/or services,
 - Such supplies are naturally bundled,
 - Such supplies are supplied in conjunction with each other,
 - They are supplied in the ordinary course of business &
 - Have one supply as principal supply.

➤ As per **section 2(74)** of CGST Act, “**Mixed supply**” –

- Consist of two or more individual supplies of goods &/or services,
- They can be supplied independently, still supplied together by the taxable person,
- Supplied for a single price &
- Is not naturally bundled i.e. it is not a composite supply.

Discussion & Conclusion:-

- Items such as double bed, refrigerator, washing machine & wooden wardrobe are not naturally bundled &
- The invoice for the supply shows separate values for each item i.e., the package is not supplied for a single price.
- Thus, supply of such items as a package will **neither constitute a composite supply nor a mixed supply.**
- Thus, the various items of the package will be **treated as being supplied individually.**

Note by ICAI:

- The question specifies that the various items are supplied at a ‘single rate’. The “single rate” expression construed as single rate of tax in the above answer.
Further, the “single rate” may also be construed as single price as given in the below mentioned answer.
- Items such as double bed, refrigerator, washing machine and wooden wardrobe are not naturally bundled. Therefore, supply of such items as a package will not constitute composite supply. Further, a single price has been charged for the package.
- Consequently, supply of such items as a package will be treated as mixed supply.

Discuss taxability of shares held in a subsidiary company by holding company? (CA Inter MTP Mar 24)

Answer:-

It has been **clarified** vide a circular that securities are considered neither as goods nor as services as per definition of goods and services.

Further, **securities include 'shares'** as per definition of securities.

This implies that the securities held by the holding company in the subsidiary company are neither goods nor services & thus, **purchase or sale of shares or securities, in itself is neither a supply of goods nor a supply of services.**

For a transaction/activity to be treated as supply of services, there must be a supply as per under section 7 of CGST Act.

It cannot be said that a service is being provided by the holding company to the subsidiary company, solely on the basis that there is a specific SAC entry in the scheme of classification of services, unless there is a supply of services by the holding company to the subsidiary company in accordance with section 7 of the CGST Act, 2017.

Therefore, the activity of holding of shares of subsidiary company by the holding company **cannot be treated as a supply of services** by a holding company to the said subsidiary company and **cannot be taxed under GST.**

Arpan Singhania is a director in Narayan Limited.

ii) Salary paid to director:-

- As per CBIC circular, if director's remuneration is declared as Salaries in books of company & subjected to TDS u/s 192 of Income-tax Act, then that is not taxable under GST because it is the consideration for services by an employee to employer in the course of or **in relation to his employment as per Para 1 of Schedule III**.
- Therefore, the salary received by Arpan Singhania of ₹1.5 lakh is **not liable to GST**.

iii) Services provided by Tapasya & Associates:-

- In this case, the fact that Arpan Singhania is a partner in Tapasya & Associates and also a director in Narayan Limited **does not have any impact on the taxability** of professional services supplied by

Tapasya & Associates to Narayan Limited.

- ➔ Therefore, **Tapasya & Associates** (i.e. the supplier) is liable to pay GST on **such services** under **forward charge**.

Note:- Assume that Sultan & Sons is not engaged in manufacture of goods as notified under section 10(2)(e). [\[Study Mat\]](#)

Answer:-

The **view taken by the accountant** of Sultan & Sons is **not valid in law**.

[\[Study Mat\]](#) [\[CA Inter MTP Oct 21\]](#)

Answer:-

Legal Provision:-

- As per **section 10(1)** of CGST Act, a registered person can opt to pay tax under composition scheme, if **aggregate turnover in preceding financial year was not exceeding:-**
 - Rs. 1.5 Crore in other than special category states but including Assam, Himachal Pradesh & Jammu & Kashmir.
- As per **proviso to section 10(2)**, all registered persons having the same Permanent Account Number (PAN) have to opt for composition scheme u/s 10(1). If any of them opts for normal scheme, then all such other persons also become ineligible for composition scheme.

Discussion & Conclusion:-

- In the given case, the aggregate turnover of Subramanian Enterprises for both the places of business in Delhi is Rs. 120 Lakhs which is not exceeding Rs. 1.5 Cr in the preceding financial year.
- Thus, it is eligible for composition levy in the current financial year **u/s 10(1) & 10(2)**.

You are required to answer the following:-

- (1) Is Mr. X eligible for composition scheme?
- (2) Is it possible for Mr. X to opt for composition scheme only for showroom?

[CA Inter Suggested Nov 18 Old]

Answer:-

Legal Provision:-

- As per **section 10(1)** of CGST Act, a registered person can opt to pay tax under composition scheme, **aggregate turnover in preceding financial year was not exceeding ₹ 1.5 Crore other than special category states** but including Assam, Himachal Pradesh & Jammu & Kashmir
- As per **Second proviso to section 10(1)**, A person who opts to pay tax u/s 10(1) may supply services (other than Restaurant service), of value **not exceeding the higher of:-**
 - 10% of turnover in a State or Union territory in the preceding financial year or
 - Rs. 5 Lakhs.

Discussion & Conclusion for (1):-

- In given case, as Mr. X is engaged in supply of consultancy service along with sale of goods with the same PAN. **Aggregate turnover** of preceding financial year is **Rs. 85 lakhs** which does not exceed ₹ 1.5 Crore.
- Thus, Mr. X is **eligible** to opt for composition scheme u/s 10(1), if value of supply of service to be provided in current financial year does not exceeds marginal limit allowed of ₹ 8.5 lakhs [i.e. higher of 10% * (₹ 70 lakhs + ₹ 15 lakhs) or ₹ 5 lakhs].

Discussion & Conclusion for (2):-

- **No**, it is not possible for Mr. X to opt for composition scheme only for showroom as all the registrations under the same PAN have to opt for composition scheme & here, the person is **ineligible** to opt for composition levy as discussed above.

- (ii) Is Vansh Traders eligible to avail benefit of concessional payment of tax under Sec 10(2A)? [CA IPC Jan 21 Exam]

Answer:-

Legal Provision:-

- A registered person who is **exclusively** engaged in providing services **other than restaurant services** is **not eligible** for the composition scheme u/s 10(1) & 10(2) of the CGST Act, 2017.
- Such person is **eligible for composition scheme u/s 10(2A)** of the CGST Act, 2017, provided his aggregate turnover in the preceding financial year does not exceed ₹ 50 lakh.

Discussion & Conclusion:-

- In the given case, Since Vansh Traders is engaged **exclusively in supply of services other than restaurant services** (viz. event management services) in the **current financial year 20YY-ZZ**, it is not eligible for composition scheme **u/s 10(1) & 10(2)** in said FY.

With reference to the provisions of the CGST Act, 2017, examine whether Mr. Ajay can opt for the composition scheme under section 10(1) & 10(2) in the current financial year?

Or whether he is eligible to avail benefit of composition scheme under section 10(2A)? Considering the option of payment of tax available to Mr. Ajay, compute the amount of tax payable by him assuming that his aggregate turnover in the current financial year is ₹ 35 lakh.

Will your answer be different if Mr. Ajay procures few items required for providing repair services from neighbouring State of Madhya Pradesh? [Study Mat]

Answer:-

Legal Provision:-

- ➔ A registered person who is **exclusively** engaged in providing services **other than restaurant services** **not eligible** for the composition scheme u/s 10(1) & 10(2) of the CGST Act, 2017.
- ➔ As per **section 10(2A)** of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) has aggregate turnover in preceding financial year not exceeding 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).
- ➔ Then, supplies are liable to **GST @6% (i.e. CGST @3% & SGST @3%)** of the turnover in state till the aggregate turnover reaches Rs. 50 lakhs.
- ➔ As per the conditions given u/s 10(2A), he should not be engaged in outward inter-state supply of goods & services.

Discussion & Conclusion:-

- ➔ In the given case, since Mr. Ajay is **an exclusive supplier of services** (i.e. repair services) other than restaurant services, he is not eligible for composition scheme under **section 10(1) & 10(2)**.
- ➔ However, Mr. Ajay is **eligible to avail the composition scheme** under section **10(2A)** as his aggregate turnover in the preceding FY was ₹ 45 lakhs which does not exceed ₹ 50 lakh and he is not eligible to opt for the composition scheme under **section 10(1) & 10(2)**.
- ➔ Thus, the amount of **tax payable** by him as per the composition scheme under section 10(2A) is ₹ 2,10,000 [6% of ₹ 35 lakh].
- ➔ There is restriction on making inter-state outward supply and not on inter-State procurement of goods. Hence, **answer will remain the same** even if Mr. Ajay procures few items from neighbouring State, Madhya Pradesh.

Answer:-

(a) Legal Provision:-

- ➔ A registered person who is **exclusively** engaged in providing services **other than restaurant services** **not eligible** for the composition scheme u/s 10(1) & 10(2) of the CGST Act, 2017.
- ➔ As per **section 10(2A)** of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) has aggregate turnover in preceding financial year not exceeding Rs. 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).
- ➔ Such supplies will be liable to GST @6% (i.e. CGST @3% & SGST @3%) of the turnover in state from April in current financial year **upto the time when the aggregate turnover of current financial year**

reaches ₹ 50 Lakhs & thereafter at normal tax rates.

➔ As per **explanation 2 to Sec 10**, to determine tax payable u/s 10, 'turnover in State or Union territory' shall **not include** supplies from 1st April of a financial year upto the date when such person becomes liable for registration under GST Act.

Calculation:-

Computation of the total tax liability of Care & Care Beauty Centre by the end of October, 20XX:-

Period	Tax Rate	Turnover(₹)	Tax Liability (₹)
Quarter I	Since, aggregate turnover did not exceed ₹ 20 lakh, it was not required to obtain registration u/s 22 of CGST Act. Hence, no tax was required to be paid.	20 Lakhs	Nil
Quarter II	Effective rate is 6% (CGST @3% + SGST/ UTGST @3%)	30 Lakhs [50L-20L]	1,80,000
October 20XX	Normal rate of GST of 18% is to be applied.	20 Lakhs [70L-50L]	3,60,000
Total Tax Payable			5,40,000

(b) **No**, Care & Care Beauty Centre cannot opt for composition scheme u/s 10(2A) from the next financial year as the aggregate turnover in the current financial year is exceeding ₹ 50 lakhs.

Hyundai Service Centre, registered under GST in the state of Maharashtra, provides car servicing to various customers at intra-state level. The turnover of preceding financial year (PFY) was ₹ 45 lakhs and turnover of 1st quarter of current financial year (CFY) was ₹ 48 lakhs which includes ₹ 30 lakhs from provision of service and ₹ 18 lakhs from sale of goods (spare parts).

i) State whether Hyundai Service Centre can opt for composition scheme in CFY.

ii) Determine the tax liability under Section 10(2A).

(Normal tax rates for goods - 12%, for services - 18%, & tax rate under composition scheme - 6%).

Answer:-

Legal Provision:-

➔ As per **section 10(1)** of CGST Act, if a registered person is solely/dominantly engaged in providing services other than restaurant services, such person is not eligible for composition levy u/s 10(1).

➔ As per **section 10(2A)** of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) & has aggregate turnover in preceding financial year not exceeding ₹ 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).

➔ U/s 10(2A) scheme, supplies will be liable to GST @6% (i.e. CGST @3% & SGST @3%) of the turnover in state from 1st April in current financial year upto the time when the aggregate turnover of current financial year reaches ₹ 50 Lakhs & thereafter at normal tax rates.

Discussion & Conclusion (i):-

➔ In the given case, Hyundai Service Centre is **not eligible** to opt for composition scheme u/s 10(1) as it is predominantly supplying car servicing along with goods.

➔ The aggregate turnover is ₹ 45 lakhs in preceding financial year which does not exceed ₹ 50 lakhs & thus, **it is eligible** to opt for composition scheme in current financial year u/s 10(2A).

Discussion & Answer for (ii):-

➔ As the aggregate turnover of Hyundai Service Centre in 1st quarter of current financial year was ₹ 48 lakhs,

it is eligible for levying GST @6 % on entire turnover of ₹ 48 lakhs as there is no restriction on supply of goods as per section 10(2A) along with supply of services.

⇒ The Tax Liability of Hyundai Service Centre for the 1st quarter of CFY is as follows:-

Particulars	Turnover of goods (₹)	Turnover of Service (₹)
Value of Supply	18,00,000	30,00,000
CGST@3%	54,000	90,000
SGST@3%	54,000	90,000
Total GST Payable	1,08,000	1,80,000

- a) Whether Mr. Amar is eligible for Composition Scheme u/s 10 of CGST Act (Assume turnover in state of preceding financial year is ₹ 10 Lakhs)?
- b) If instead of consulting agency, Mr. Amar is running a Restaurant, whether he is eligible for composition?
- c) If the turnover of Garment showroom is ₹ 1.5 Cr in the preceding financial year and there is no consultancy firm, whether he is eligible for Composition?

Answer:-

Legal Provision:-

- As per **section 10(1)** read with second proviso thereto,
- a person providing Restaurant service can opt for composition scheme without any limit for supplying such service &
 - person who opts to pay tax u/s 10(1) may supply services (other than Restaurant service) in current financial year, of value **not exceeding higher of:-**
 - 10% of turnover in a State or UT in the preceding financial year or
 - ₹ 5 Lakhs.
- As per **section 10(2)(a)** of CGST Act, if any person is engaged in supply of services except as allowed above, then such person is ineligible for composition levy u/s 10(1).
- As per **section 10(2A)** of CGST Act, if a registered person is not eligible to opt to pay tax u/s 10(1) & (2) & has aggregate turnover in preceding financial year not exceeding ₹ 50 Lakhs, then such person can opt to pay tax under composition scheme under section 10(2A).

Discussion & Conclusion:-

- a) **No**, Mr. Amar is **not eligible** for composition scheme u/s 10(1) because:-
- he is supplying consultancy service of ₹ 15 lakhs in current financial year
 - which is more than the limit allowed ₹ 5 Lakhs (i.e., 10% of Rs. 10 lakhs or Rs. 5 lakhs, whichever is higher)

But, Mr. Amar **can opt** for composition scheme u/s 10(2A) as his aggregate turnover in preceding financial year ₹ 10 Lakhs which is not exceeding ₹ 50 Lakhs.

- b) **Yes**, as Mr. Amar is providing Restaurant services which **are eligible** for **composition scheme u/s 10(1)** read with second proviso to section 10(1) without any limit for providing such service and hence, not becoming ineligible u/s 10(2)(a) also.

The proper officer has levied penalty on Mr. Zaid in addition to the tax payable by him. You are required to examine the validity of the action taken by proper officer. [CA Final Nov 18 exam]

Answer:-

The action taken by proper officer is valid in law.

Legal Provision:-

- ⇒ As per **section 10(1)** of CGST Act, a registered person can opt to pay tax under composition scheme, **aggregate turnover in preceding financial year was not exceeding ₹ 1.5 Crore** in other than specified category states but **including Assam, Himachal Pradesh & Jammu & Kashmir**.
- ⇒ Further, as per **section 10(2)(c)**, a registered person is eligible to opt for composition levy if he is not engaged in making any inter-state outward supplies of goods or services.
- ⇒ As per **Section 10(5)**, if a taxable person has paid tax under the composition scheme though he was not eligible for the scheme, then the person would be liable to penalty in addition to tax payable by him to **determined as per section 73 or 74 or 74A** of CGST Act.

Discussion:-

- ⇒ In the given case, Mr. Zaid is engaged in **making inter-State outward supplies of goods**.
- ⇒ So, **he is not eligible** to opt for composition levy u/s 10(2)(c) irrespective of aggregate turnover in the preceding financial year. Still, he paid tax for quarter ending June, 20YY under composition levy.

Conclusion:-

- ⇒ So, the action taken by proper officer to levy penalty u/s 10(5) on Mr. Zaid in addition to tax payable by him **is valid in law**.

01. Sec 15(2):- Additions to Transaction Value

CCP 05.01.01.00

Can any addition be made to the contracted price when 'Transaction Value' is acceptable?

Answer:

Yes, As per **section 15(2)** of CGST Act, 2017, the following **inclusions** shall be made to the transaction value determined as per section 15(1):-

- any taxes, duties, cesses, fees and charges levied under any law other than the GST law, if charged separately by the supplier.
- any amount that the supplier is liable to pay in relation to such supply but which has been incurred by the recipient & also not included in the price actually paid or payable for the goods &/or services.
- incidental expenses, including commission and packing, charged by the supplier to the recipient, and any amount charged for anything done by the supplier in respect of the supply until delivery of goods or supply of services.
- interest or late fee or penalty for delayed payment of any consideration for any supply &
- subsidies directly linked to the price excluding subsidies provided by the Central Government & State Government.

Sec 15(2)(a): Taxes, duties, Cess, Fees and Charges other than GST

CCP 05.01.02.00

Determine whether the following taxes and their value shall be included in the value of supply as per section 15 of CGST Act for levy of GST:-

- Mr. R recovers rent for premises of ₹15,000 and a house tax of ₹1000 per month.
- Contract price of supply of goods is 14,000 inclusive of GST is 18%.
- An Indian company is required to pay ₹ 1,00,000 to a German company for technical knowhow. The company has deducted ₹ 10,000 as income tax at source and paid ₹ 90,000 to the German company.

Answer:

Legal Provision:- As per **section 15(2)(a)** of CGST Act, 2017, the value of supply shall **include** any taxes, duties, cesses, fees and charges levied under any law **other than the GST law (i.e. other than CGST, SGST, UTGST, IGST & GST Compensation Cess)**, if charged separately by the supplier.

Discussion & Conclusion:- Thus, the treatment and valuation in various cases asked shall be as under:-

i)	The Value of supply shall be ₹16,000 which is including the house tax (i.e. Rent ₹ 15,000 + House tax ₹ 1,000).
ii)	Contract Value is ₹ 14,000 including GST @18%. GST charged shall be worked out as per Rule 35 of CGST Rules i.e. $₹14,000 \times 18/118 = ₹2,1366$. Thus, the value of supply for GST will be ₹11,864. Author's Note:- we can show value of supply excluding GST as $₹14,000 \times 100/118 = ₹11,864$
iii)	The value of taxable supplies on which the Indian company will pay GST under reverse charge shall be ₹1,00,000 which is including TDS under income tax act.

Sec 15(2)(b): Payment made to third party

CCP 05.01.03.00

XYZ Ltd. sells plant & machinery installed at its factory on 'as is where as' basis at ₹2,00,000. In order to remove machinery from the factory, the buyer incurs dismantling charges of ₹3000, which are paid to a third party. Determine the value of supply as per GST Act.

Answer:

Legal Provision:-

As per **section 15(2)(b)** of **CGST Act, 2017**, the value of supply shall include any amount that the supplier is liable to pay in relation to such supply but-

- which has been incurred by the recipient of the supply and
- not included in the price actually paid or payable for the goods &/or services.

Discussion & Conclusion:-

- In given case, XYZ Ltd. sells the plant & machinery on 'as is where as basis' where the dismantling charges are directly incurred by buyer without the supplier having any liability of the same.
- Thus, dismantling charges shall not be included in transaction value ₹ 2,00,000 of XYZ Ltd.
- Thus, the value of supply shall be ₹ 2,00,000 in this case & the dismantling charges ₹ 3,000 shall be **separately treated** in the invoice of third party and not in the invoice of supplier.

AKJ Foods Pvt. Ltd. gets an order for supply of processed food from a customer. The customer wants the consignment tested for gluten or specified chemical residues. AKJ Foods Pvt. Ltd. does the testing and charges a testing fee for the same from the customer. AKJ Foods Pvt Ltd. argues that such testing fees should not form part of the consideration for the sale as it is a separate activity. Is the argument correct in light of section 15? [\[Study Mat\]](#)

Answer:

No. The argument of AKJ Foods Pvt. Ltd. is **not correct**.

Legal Provision:-

- **Section 15(2)(c)** of CGST Act, specifies that amount charged for anything done by supplier in respect of supply at the time of or before delivery of goods or supply of services shall be **included** in value of supply.

Discussion & Conclusion:-

- In the given case, Since AKJ Foods Pvt. Ltd. does the testing on customer's request before the delivery of goods, the charges therefore will be included in the value of the consignment.
- The **testing fee should be added to the price** to arrive at value of the consignment.

Furniture Wala is a chain of retail showrooms selling both modern and classic furniture. In order to build strong customer association, the showroom provides free delivery of the furniture at the premises of the customers if the distance between the showroom and the customer's premises is upto 20 kms. Where the distance is more than 20 kms, the showroom charges a concessional freight of ₹ 10 for every additional km.

Ms. Leena Kapoor purchases a double bed, a dressing table and a centre table for ₹ 2,00,000 from Furniture Wala. Ms. Leena gets free delivery of the furniture as her residence is located at a distance of 8 km from the showroom. The showroom incurs an expenditure of ₹ 1000 for delivering the furniture at Ms. Leena's residence. Determine the value of taxable supply made by Furniture Wala.

Will your answer change if residence of Ms. Leena is 50 km away from showroom?

[Study Mat](#)

Answer:

Legal Provision:-

As per **section 15(2)(c)** of the CGST Act, the value of supply **includes:-**

- incidental expenses, including commission and packing, charged by supplier to recipient &
- any amount charged for anything done by the supplier in respect of the supply **until delivery of goods & supply of services.**

Discussion & Conclusion:-

- In the given case, the showroom is not charging any amount towards freight from Ms. Leena but incurring the same out of its own pocket.
- Thus, the same shall **not be added to value** & the **value of supply will be ₹ 2,00,000** in this case.
- However, the answer will change in the second case when the showroom will charge ₹ 300 for freight [(50km – 20 km) x ₹ 10] from Ms. Leena.
- In this second case, the supply will be a **composite supply where the principal supply being the supply of furniture** and **value** thereof will be **₹ 2,00,300.**

CCP 05.01.06.00

Mezda Banners, an advertising firm, gives an interest-free credit period of 30 days for payment by its customer. Its customer ABC paid for the supply 32 days after the supply of service. Mezda Banners waived the interest payable for delay of two days. The Department wants to add interest for two days as per contract. Should notional interest be added to the taxable value? [Study Mat]

Answer:

The **Contention** of Department to add notional interest is **not valid in the eyes of law.**

Legal Provision:-

- As per **section 15(1)** of CGST Act, 2017, value of supply is the transaction value (i.e. price actually paid or payable) where price is sole consideration for supply & supply is made to unrelated person.
- As per **section 15(2)(d)** of CGST Act, 2017, the value of supply shall include **Interest or late fee or penalty for delayed payment** of any consideration for supply.
- Such interest is added to transaction value on receipt basis & **not on notional basis.**

Discussion & Conclusion:-

- In given case, Mezda Banners waived the interest payable for delay of two days & thus, it did not actually receive that notional interest.
- **Once waived**, the interest is not payable and is therefore, **not to be added to the value.**

M/s. Chand is a manufacturer of Paper products having factory at Pune, Maharashtra. M/s. Kela and M/s. Bela of Mumbai, Maharashtra are appointed as agents to sell the products on behalf of M/s. Chand with the conditions that both of them guarantee the realization of payment from buyers. Both M/s. Kela and M/s. Bela provide short-term borrowing facilities to buyers for timely payment of dues against supplies made to them and for this they charge interest from the ultimate buyer. While M/s. Kela raises invoices in the name of M/s. Chand and M/s. Bela raises invoices in its own name.

In light of provisions contained in Para 3 of Schedule I of CGST Act, kindly explain treatment of interest charged by M/s. Kela and M/s. Bela in above mentioned cases. [CA IPC July 21 Exam]

Answer:-

- ⇒ M/s. Kela and M/s. Bela are del credere agents (DCA) of M/s. Chand as they guarantee payment to supplier.
- ⇒ A DCA falls under the ambit of 'agent' under **Para 3 of Schedule I** of the CGST Act, 2017, if the **invoice** for supply of goods is **issued by the DCA in its own name**.
- ⇒ However, if the invoice for supply of goods is issued by the supplier to the customer, either himself or through DCA, the DCA is not an 'agent' in terms of Para 3 of Schedule I.
- ⇒ Thus, **M/s. Bela is an agent of M/s. Chand** in terms of Para 3 of Schedule I, **M/s. Kela is not**.
- ⇒ **Where the DCA is not an agent under Para 3 of Schedule I:-**
 - the temporary short-term loan being provided by DCA to the buyer is a supply of service by the DCA to the recipient on principal-to-principal basis and is an independent supply.
 - Said supply is specifically exempt from tax.
 - Thus, interest charged by M/s. Kela is an independent supply and is exempt from tax.
- ⇒ **Where the DCA is an agent under Para 3 of Schedule I:-**
 - the temporary short-term credit being provided by DCA to the buyer no longer retains its character of an independent supply and is subsumed in the supply of the goods by the DCA to recipient.
 - Interest charged for such credit is also included in value of supply of goods by DCA to recipient.
 - Thus, interest charged by M/s. Bela will be included in the value of goods supplied by it.

Sec 15(2)(e): Subsidies by private enterprises

CCP 05.01.08.00

A philanthropic association makes a substantial donation each year to a reputed private management institution to subsidize the education of low income group students who have gained admission there. The fee for these individuals is reduced thereby, coming to ₹ 3 lakh a year compared to ₹ 5 lakh a year for other students. What would be the taxable value of the service of coaching and instruction provided by the institution? [Study Mat]

Answer:

Legal Provision:-

- ⇒ As per **section 15(2)(e)** of CGST Act, 2017, the value of supply shall **include** Subsidies directly linked to the price **excluding** subsidies provided by the Central Government & State Government.

Discussion & Conclusion:-

- ⇒ In this case, the subsidy is **not given by Government** but by a philanthropic association to subsidize the education & is **directly linked** to the fee charged.
- ⇒ Thus, **subsidy is to be added back to the price** to arrive at the taxable value, i.e. ₹5 lakh in a year.

[Study Mat]

Answer:

Legal Provision:-

- As per **section 15(2)(e)** of CGST Act, 2017, the value of a supply includes subsidies directly linked to the price, excluding subsidies provided by the State Governments and the Central Government.

Discussion & Conclusion:-

- In the given case, though the subsidy is given by a **non-Government body**, the same is **not includible** in the value as it is given **in lumpsum and not directly linked to the price** of the supply being valued.
- Therefore, the **value of supply** made by Sharp Minds during the month is **₹ 3,00,000**.

When goods remain unsold with the dealer, it offers additional discounts on the stock as an incentive to push the sales. Can this additional discount be reduced from the price at which the goods were sold and concomitant tax adjustments made? [Study Material]

Answer:

Legal Provision:- As per **section 15(3)** of CGST Act, 2017, the **discount given after effecting Supply shall not be deducted from transaction value if:-**

- such discount is given as per **agreement** entered into at or before the time of such supply,
- it is specifically **linked to relevant invoices &**
- the recipient of supply **reverses the Input tax credit** on such discount on the basis of document issued by the supplier.

Discussion & Conclusion:-

- In the given case, Crunch bakery products Ltd. has given additional discount **after** supply of goods which was not agreed at the time of supply.
- Therefore, such discounts **cannot be reduced** from the price on which tax had been paid.

03 . Explanation to section 15:- Related Persons

Kamal Book Depot, a wholesaler of stationery items, registered in Mumbai, has received order for supply of stationery items worth ₹ 2,00,000/- on 12th November, 20XX from another local registered dealer, Mr. Mehta, Mumbai. Kamal Book Depot charged the following additional expenses from Mr. Mehta:-

Sr. No.	Particulars	Amount in ₹
(i)	Packing charges	5,000
(ii)	Freight & Cartage	2,000
(iii)	Transit Insurance	1,500
(iv)	Extra designing charges	6,000
(v)	Taxes by Municipal Authority	500

The goods were delivered to Mr. Mehta on 14th November, 20XX. Since Mr. Mehta was satisfied with the quality of the goods, he made the payment of goods the same day and simultaneously placed another order on Kamal Book Depot of stationery items amounting to ₹ 10,00,000 to be delivered in the month of December, 20XX**. On receipt of second order, Kamal Book Depot allowed a discount of ₹20,000 on the first order placed by Mr. Mehta.

Compute the GST liability of Kamal Book Depot for the month of November, 20XX assuming the rates of GST on the goods supplied as CGST 9% & SGST 9%.

Would your answer be different if expenses (i) to (v) given in above table are already included in the price of ₹ 2,00,000?

Note:- (i) All the amounts given above are exclusive of GST.

(ii) Kamal Book Depot and Mr. Mehta are not related persons and price is the sole consideration of the supply.

** Payment and invoice for the second order will also be made in the month of December, 20XX only.

Answer:-

i) Computation of value of taxable supply & GST liability of Kamal Book Depot for November, 20XX:-

Particulars	Amount (₹)	Refer Note
Price of the goods	2,00,000	[Note 1]
Add:-		
i. Packing Charges	5,000	[Note 2]
ii. Freight & Cartage	2,000	[Note 2]
iii. Transit Insurance	1,500	[Note 2]
iv. Extra Designing charges	6,000	[Note 2]
v. Taxes by Municipal Authority	500	[Note 3]
Value of taxable supply	2,15,000	[Note 4]
CGST @ 9%	19,350	
SGST @ 9%	19,350	
Total GST Liability	38,700	

Notes:-

1. As per **section 15(1)** of CGST Act, 2017, **value of a supply** of **Transaction** value (i.e. price actually paid or payable) where price is sole consideration for supply & supply is made to unrelated person.

2. As per **section 15(2)(c)** of the CGST Act,

➔ the value of supply **includes:-**

- incidental expenses, including commission and packing, charged by supplier to recipient &
- any amount charged for anything done by the supplier in respect of the supply until delivery of goods or supply of services.

➔ Thus, Packing Charges, Freight & Cartage, Transit Insurance & Extra designing charges are **includible in value**.

➔ The given **supply is a composite supply** where the **principal supply is supply of goods** (stationery items) & the above services are incidental. Thus, entire composite supply is treated as a supply of goods only & charged to tax accordingly **u/s 8(a)** of CGST Act.

3. As per **section 15(2)(a)** of CGST Act, Taxes other than those levied under GST law are Includible in value.

4. As per **section 15(3)** of CGST Act, **discount given after effecting Supply/ Post-Supply Discount** will be allowed as a **deduction** from value if:-

- ➔ such discount is given as per **agreement** entered into at or before the time of such supply,
- ➔ it is specifically **linked to relevant invoices &**
- ➔ the recipient of supply **reverses the Input tax credit** which is attributable to such discount on the basis of document issued by the supplier.

In given case, **discount of ₹ 20,000** is a **post-supply discount** as goods are already delivered by Kamal Book Depot. It will **not be allowed as a deduction** from value since the discount policy was not known or before the time of such supply although the discount can be specifically linked to relevant invoice (invoice pertaining to stationery items supplied to Mr. Mehta in November, 20XX).

ii) In case, the expenses (i) to (v) given in above table are already included in price of ₹ 2,00,000:-

- ➔ Since, these **expenses are includible** in value of supply as per the reasons mentioned in explanatory notes above, **no further addition will be required**.
- ➔ Resultantly, the **value of taxable supply will be ₹ 2,00,000** and **CGST and SGST will be ₹ 18,000 and ₹ 18,000** respectively.

01. General Questions on Time of Supply (TOS)

CCP 06.01.01.00

Explain the significance of time of supply under GST law. [Study Mat]

Answer :-

- ⇒ GST is **payable** on supply of goods &/or services.
- ⇒ Time of supply indicates the **point in time when the liability to pay tax arises**.
- ⇒ Though, the liability to pay the tax arises at the time of supply, the payment of the same can be paid to Government by the due date prescribed with reference to the said 'time of supply'.
- ⇒ There are **separate provisions** for time of supply for **goods and services under section 12 and 13** of the CGST Act respectively.

CCP 06.01.02.00

The time of liability to pay GST is independent of the time of supply of goods/services. Discuss the correctness of the statement?

Answer :-

- ⇒ The said statement is **not correct**.
- ⇒ **Liability to pay GST arises at the time of supply** of goods as explained in Section 12 and at the time of supply of services as explained in Section 13 of CGST Act.
- ⇒ The time of supply is generally the **earliest** of one of the three events, namely receiving payment, issuance of invoice or completion of supply.
- ⇒ Different situations are envisaged and different tax points have been explained in the aforesaid sections.

02. Sec 12(2): TOS of goods under Forward Charge with N/n. 66/2017

CCP 06.02.03.00

Mansh & Vansh Trading Company, a registered supplier, is liable to pay GST under forward charge. It has furnished the following information:

- 1) Goods were supplied on 3rd October
- 2) Invoice was issued on 5th October
- 3) Payment received on 9th October

Determine the time of supply of goods for the purpose of payment of tax.

[Study Mat]

Answer :-

Legal Provision:

- ⇒ As per **section 12(2)** of the CGST Act, 2017 **read with notification 66/2017**, the time of supply of goods shall be **earlier** of the following dates.
 - a) Date of issue of invoice or
 - b) last date to issue the invoice u/s 31. (i.e. Date of removal or Date of delivery or Date of making goods available).
- ⇒ As per **notification 66/2017**, the time of supply of goods is **not on advance received** & this is applicable to all registered persons **except** composition supplier & Supplier of Specified actionable claim.
- ⇒ Further, u/s 31(1), if supply **involves movement of goods**, a registered person is required to issue a tax invoice before or at the time of removal of goods for supply to the recipient.

Discussion & Conclusion:

- ⇒ In the given case, the invoice for supply of goods should have been issued on or before the removal of goods, i.e., on 3rd October.

➤ However, since the invoice **has not been issued within the prescribed time**, the time of supply for the purpose of payment of tax will be the last date on which the invoice is required to be issued i.e., **3rd October**.

CCP 06.02.04.00

An order is placed on Ram & Co. on 18th August for supply of a consignment of customized shoes. Ram & Co. gets the consignment ready and informs the customer and issues the invoice on 2nd December. The customer collects the consignment from the premises of Ram & Co. on 7th December and electronically transfers the payment on the same date, which is entered in the accounts on the next day, 8th December.

What is the time of supply of the shoes for the purpose of payment of tax? [Study Mat]

Answer :-

Legal Provision:-

➤ As per **section 12(2)** of the CGST Act, 2017 read with notification 66/2017, the time of supply of goods shall be **earlier** of the following dates:-

- a) Date of issue of invoice or
- b) last date to issue the invoice u/s 31.

➤ As per **notification 66/2017**, the time of supply of goods is **not on advance received** & this is applicable to **all registered persons except** composition supplier & Supplier of Specified actionable claim.

➤ Further, u/s 31(1), if supply **involves movement of goods**, a registered person is required to issue a tax invoice before or at the time of removal of goods for supply to the recipient.

Discussion & Conclusion:-

➤ In this case, invoice is issued before the removal of the goods (i.e. collection of goods by customer) & is thus, within the time limit prescribed u/s 31(1).

➤ Therefore, **the time of supply** for payment of tax is date of issue of invoice, which is **2nd December**.

CCP 06.02.05.00

Investigation shows that 150 cartons of ceramic capacitors were dispatched on 2nd August but no invoice was raised and the transaction (dispatch of cartons) were not entered in the accounts. There was no evidence of receipt of payment.

What is the time of supply of 150 cartons for the purpose of payment of tax? [Study Mat]

Answer :-

Legal Provision:-

➤ As per **section 12(2)** of the CGST Act, 2017 read with notification 66/2017, the time of supply of goods shall be **earlier** of the following dates:-

- a) Date of issue of invoice or
- b) last date to issue the invoice u/s 31.

Discussion & Conclusion:-

➤ In this case, since the invoice has not been issued, the time of supply for the purpose of payment of tax will be the last date on which the invoice is required to be issued.

The invoice for supply of goods must be issued on or before dispatch of goods, i.e. on 2nd August.

Therefore, **the time of supply of goods will be 2nd August**.

By oversight, no invoice is issued at that time, and it is issued much later, after the expiry of prescribed period for issue of invoice. When is the time of supply of service? [\[Study Mat\]](#)

Answer :-

Legal Provision:-

- As per **section 13(2)(b)** of **CGST Act, 2017**, if invoice is not issued within the time prescribed u/s 31 for supply of services, then the **time of supply** of such services shall be **earlier** of:-
 - the date of provision of service or
 - the date of receipt of payment.

- As per **section 31(2)**, generally, the tax invoice shall be issued within 30 days of supply of service & in case banking & FI, it should be within 45 days.

Discussion & Conclusion:-

- In the given case, the advance payment was received on 5th January and the service was provided on 23rd April.
- However, **no invoice was issued** even after the expiry of prescribed period for issue of invoice.
- Therefore, the **time of supply of service** is **5th January** which is the **date of receipt of payment**.

Answer :-

Legal Provision:-

- As per **section 13(2)(b)** of **CGST Act, 2017**, if invoice is not issued within the time prescribed u/s 31 for supply of services, then the **time of supply** of such services shall be **earlier** of:-

- As per **section 31(2)**, generally, the tax invoice shall be issued within 30 days of supply of service & in case banking & FI, it should be within 45 days.

Discussion & Conclusion:-

- In this case, the service is provided on 5th September but the invoice is not issued within the prescribed time limit of 30 days of supply of service.
- Therefore, **5th September** will be the **time of supply which is the date of provision of service**, being **earlier than the date of payment**.

15th September	Function held in convention hall
27th October	Invoice issued for ₹ 15,000, indicating balance of ₹ 12,000 payable
3rd November	Balance payment of ₹ 12,000 received

Answer:

Legal Provision:-

- As per **section 13(2)(b)** of **CGST Act, 2017**, if invoice is not issued within the time prescribed u/s 31 for supply of services, then the **time of supply** of such services shall be **earlier** of:-
 - the date of provision of service or

➤ the date of receipt of payment.

➡ As per **section 31(2)**, generally, the tax invoice shall be issued within 30 days of supply of service & in case of banking & FI, it should be within 45 days.

Discussion & Conclusion:-

➡ In given case, invoice is not issued within the prescribed time limit of 30 days of supply of services

➡ Therefore, as per **section 13(2)(b)**, the time of supply of service is:-

➤ **6th May** for **advance received ₹ 3,000** because this date of advance payment of ₹ 3,000 is **earlier** than the date of provision of service i.e. 15th September.

➤ **15th September** for the **balance ₹ 12,000** because this date of provision of service is **earlier** than the date of payment of balance amount i.e. 3rd November.

The dates of the work are not clear from the records of ABC & Co. ABC & Co have not issued invoice or entered the payment in their books of account. [Study Mat (Example)]

Answer:-

Legal Provision -

➡ As per **section 13(2)(c)** of CGST Act, 2017 if time of supply of service cannot be determined u/s **13(2)(a) & 13(2)(b)**, then the time of supply shall be:-

➤ date on which the recipient shows the receipt of services in his books of account.

Discussion & Conclusion:-

➡ In the given case, time of supply **cannot be determined as per section 13(2)(a)/(b)** as neither the invoice has been issued nor the date of provision of service is available & the date of receipt of payment in the books of the supplier is also not available.

➡ Now, the time of supply as per **section 13(2)(c)** shall be the **date on which the recipient of service shows receipt of the service in his books of account.**

➡ Thus, the **time of supply will be 4th April** which is the date on which the Apartment Owners' Association records the receipt of service in its books of account.

Mr. X took telecommunication service from BSNL. For the month of January, 20XX, the bill amount was ₹ 5,000. He made a payment of ₹ 5,500 with an instruction to adjust the excess payment against next month's bill, and hence the same was adjusted by BSNL in case of his next month bill payable on 05/03/20XX (invoice issued on same date). Determine the time of supply with regard to such excess payment in light of the GST law. What would be your answer, if Mr. X make payment of ₹ 6,500?

Answer:-

Legal Provision:-

➡ As per proviso to **section 13(2)** of CGST Act, if supplier of taxable services receives upto Rs 1,000/- in excess of the **amount indicated in the tax invoice**, then the supplier has the option to take the date of issue of invoice for such excess amount as the time of supply for such excess.

Discussion & Conclusion:-

(i) If Mr. X makes the payment of ₹5,500:-

- ⇒ In the given case, **excess amount paid is ₹500** (which is not exceeding ₹1,000) as the January, 20XX was for ₹5,000 & payment made ₹5,500.
- ⇒ Therefore, **time of supply** of such excess amount is **05/03/20XX i.e. date of invoice for such excess as per proviso to section 13(2)**.

(ii) If Mr. X makes the payment of ₹6,500:-

- ⇒ Here, the excess payment is ₹1,500 which exceeds ₹1,000.
- ⇒ In such case, above **proviso is not applicable**.
- ⇒ Therefore, as per section 13(2), the **time of supply shall be the date of receipt (ie January 20XX)** such excess advance amount.

GST is payable on advance received for supply of goods and services taxable under forward charge.

Do you agree with the statement? Support your answer with legal provisions. [Study Mat] [CA Inter MTP Sep 23]

Answer:

⇒ **The statement is not correct.**

⇒ While GST is payable on advance received for supply of services taxable under forward charge, the same is not payable in case of advance received for supply of goods taxable under forward charge.

⇒ As per **section 13(2)** of CGST Act, 2017, the **time of supply of services** under forward charge is:-

	Cases	Time of Supply
a	If the invoice is issued within the period prescribed u/s 31:-	Time of supply shall be earlier of:- ⇒ the date of issue of invoice by the supplier or ⇒ the date of receipt of Payment.
b	If the invoice is not issued within the period prescribed u/s 31:-	Time of supply shall be earlier of:- ⇒ the date of provision of service or ⇒ the date of receipt of payment.

- Thus, if supplier of services receives any payment before the provision of service or before the issue of invoice for the same, time of supply gets fixed at that point in time & liability to pay tax arises on such payment which can be paid by the due date prescribed with reference to such time of supply.
- As per **section 12(2)** of CGST Act, 2017 **read with notification 66/2017**, the **time of supply of goods** taxable under forward charge shall be **earlier** of following dates:-
 - a) Date of issue of invoice or
 - b) last date to issue the invoice u/s 31.
- Therefore, in case of goods, tax is not payable on receipt of advance payment.

Answer :-

Legal Provision:-

- As per **section 12(2)** of CGST Act, 2017, the time of supply of goods shall be the **earlier** of the following:-
 - Date of issue of invoice or
 - Last date to issue invoice or
 - Date of receipt of payment.
- As per **N/no. 66/2017** under CGST Act, the registered person other than following person:-
 - A composition supplier and
 - **registered person making supply of specified actionable claims as defined in clause (102A) section 2 of the said Act,**
 shall pay CGST on the outward supply of goods at the time of supply as specified section 12(2)(a).

 - the date of provision of service or
 - the date of receipt of payment.

Discussion & Conclusion:-

1. In given case, notification 66/2017 applies to Mr. A and he shall be liable to pay tax on invoice basis only.

not on advance received. Accordingly, the time of supply shall be **2nd May** i.e. the last date to issue invoice as per section 12(2) read with notification 66/2017.

2. In case of Mehmaan Nawaazi Hotel, notification 66/2017 is not applicable as this notification applies only to supply of goods and not services. Even if this firm was dealing in goods, this notification would still not apply as it is covered under the exception to notification 66/2017 (being a composition supplier) & hence, it is liable to pay tax on advance receipt also. The time of supply in this is **6th May** because invoice is issued after 30 days of supply of service & also the consideration is received in advance.
3. Lakhpati Casino is also covered under the exception to notification 66/2017 as it is dealing in specified actionable claim i.e. casino. Hence, it is liable to pay tax on advance receipt also. The time of supply is **9th May for ₹5,000 & 10th May for balance ₹5,000** as per section 12(2) read with notification 66/2017.

Meal coupons are sold to a company on 9th August for being distributed to the employees of the said company. The coupons are valid for six months and can be used against purchase of food items. The employees use them in various stores for purchases of various edible items on different dates throughout the six months. What is the date of time of supply of the coupons? [CA IPC MTP Aug 2018][Study Mat]

Answer :-

Legal Provision:-

As per **section 12(4)** of CGST Act, 2017, time of supply of **vouchers** issued by supplier of **goods** shall be:-

- a) the date of issue of voucher, if the supply is identifiable at that point; or
- b) the date of redemption of voucher, in all other cases.

Discussion & Conclusion:-

- In the given case, **supply is not identifiable** at the time of issue of coupon.
- This is because coupons can be used for a variety of food items, which are taxed at different rates & thus, supply cannot be identified at the time of purchase of the coupons.
- Therefore, the **time of supply** of coupons shall be **date of redemption of coupons** by employees.

CCP 06.08.24.00

From the following information, determine the time of supply of services where supply is by issue of voucher valid for one year and are issued after supply of first service:-

Date of First Service: 01.01.20XX

Date of Issue of Voucher: 01.01.20XX

Date of Redemption of Voucher: 31.8.20XX

Last date for acceptance of voucher: 31.12.20XX

Answer :-

Legal Provision:-

As per **section 13(4)** of CGST Act, 2017, time of supply of **vouchers** issued by supplier of **services** shall be:-

- a) the date of issue of voucher, if the supply is identifiable at that point; or
- b) the date of redemption of voucher, in all other cases.

Discussion & Conclusion:-

identifiable at that point.

⇒ Thus, as the supply is identifiable at the time of issue of voucher, the **time of supply is the date of issue of voucher i.e. 01.01.20XX.**

09. Sec 12(5)/13(5): TOS in Residual Cases

CCP 06.09.25.00

An income-tax and money laundering case against Mr. XYZ, working in a multinational company reveals a large volume of undisclosed assets, which he claims as service income. Dates of provision of service, whether in the first half or the second half of the financial year being scrutinised by income-tax authorities, are not known.

Mr. XYZ voluntarily pays GST during the investigation. What is the time of supply of the services?

Answer :-

Legal Provision:-

⇒ As per **section 13(5)** of CGST Act, 2017, where it is **not possible** to determine the time of supply under **section 13(2), 13(3) and 13(4)**, then:-

a) **In a case where a periodical return has to be filed:-** Time of supply shall be the date on which such return is to be filed (i.e. Due date for filing of periodical return) or

b) **In any other case:-** The time of supply shall be the date on which the tax is paid.

Discussion & Conclusion:-

⇒ In the given case, it is **not possible to determine the time of supply using:-**

- date of invoice,
- date of provision of service,
- date of receipt of payment &
- date of receipt of services in the books of account of the recipient.

⇒ On the other hand, Mr. XYZ, being an employee in a multi-national company, is **not a registered person** and hence, the **periodical return is also not to be filed.**

⇒ Therefore, the **date of payment of GST** by Mr. XYZ will be the **time of supply u/s 13(5).**

What is the time of supply with regard to addition in the value by way of interest in lieu of delayed payment of consideration?

[Study Mat]

Answer:

Legal Provision:-

⇒ As per **section 12(6)** of CGST Act, 2017, the time of supply for the **addition in value** of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date of receipt of such addition in value by supplier.

Discussion & Conclusion:-

01. General Questions on Place of Supply

CCP 07.01.01.00

Explain the significance of the place of supply of goods and services under GST.

Answer :

- The basic principle of GST is that it is a **destination-based consumption tax**, i.e. the tax is levied on the consumption of supply at the destination thereof or at the point of consumption of such supply.
- In short, place of supply means the place where supply is consumed & thus, determines the **jurisdiction** where the **tax revenue should reach**.
- It helps to determine whether a **transaction is intra-state or inter-state** & accordingly, CGST & SGST/UTGST is charged on intra-state transaction & IGST is charged on inter-state transaction.

02. Section 7 of IGST Act:- Inter-State Supply

CCP 07.02.02.00

Mention the cases where a supply is treated as inter-state supply as per section 7 of IGST Act?

Answer :-

Following are the cases where a supply is treated as inter-state supply as per section 7 of IGST Act:-

- a) The location of supplier and the place of supply are in two different States/Union Territories or in a State and a Union Territory respectively.
- b) Supply of goods imported into the territory of India, till they cross the customs frontiers of India.
- c) Supply of services imported into the territory of India.
- d) Supplier is located in India and the place of supply is outside India.
- e) Supply to or by a Special Economic Zone developer or a Special Economic Zone unit.
- f) Supply is in taxable territory, but it is not an intra-State supply & also not covered in above cases.

03. Section 9 of IGST Act:- LOS & POS in the Territorial Waters

CCP 07.03.03.00

How to Fix Location of Supplier & Place of supply in the Territorial Waters?

Answer :-

Section 9 of IGST Act overrides the entire Act and states that:-

If the location of the supplier or place of supply is in the territorial waters, then the location of such supplier or the place of supply, as the case may be, shall be deemed to be in the **coastal State or Union territory** where the nearest point of the appropriate baseline is located.

04. Section 10 of IGST Act:- POS of Goods other than those imported Into or exported from India

Section 10(1)(a):- POS of Goods if supply involves movement of Goods

CCP 07.04.04.00

In case of a domestic supply, what is the place of supply where goods are removed? [\[Study Mat\]](#)

Answer :-

As per **section 10(1)(a)** of IGST Act, if **supply involves movement** of goods by supplier or recipient or any other person, then place of supply of such goods shall be the location of goods at the time at which the **movement of goods terminates** for delivery to the recipient.

Section 10(1)(b):- POS of Goods in case of Bill to-Ship To Transaction

CCP 07.04.05.00

What will be the place of supply if the goods are delivered by the supplier to another person on the direction of a third person? [Study Mat]

Answer : As per **section 10(1)(b)** of IGST Act, if goods are delivered by supplier to any person on direction of a third person, before or during movement of goods, then:-

- it shall be deemed that the said third person has received the goods and
- Place of supply of such goods shall be the **principal place of business of such third person.**

Section 10(1)(c):- POS of Goods if supply does not involve movement of Goods

CCP 07.04.06.00

Newton Pvt. Ltd. (New Delhi) has leased its machine (cost ₹ 8,00,000) to Gravity Pvt. Ltd. (Noida, Uttar Pradesh) for production of goods on a monthly rent of ₹ 35,000. After 12 months, Gravity Pvt. Ltd. requested Newton Pvt. Ltd. to sell the machine to it for ₹ 5,00,000, which is agreed to by Newton Pvt. Ltd. Determine the place of supply & the nature of transaction. [Study Mat (Example)]

Answer :

Legal Provision: As per **section 10(1)(c)** of IGST Act, if the supply does not involve movement of goods by supplier or recipient, the place of supply shall be the location of goods at the time of the delivery to recipient.

Discussion & Conclusion:

- In this case, there will be **no movement** of goods and the same will be sold on as is where is basis.
- Thus, location of machine at the time of sale will be the place of supply i.e., Noida, Uttar Pradesh.
- Since the location of Supplier and the place of supply are in different States, it is an **inter-state supply & thus, liable to IGST.**

Sec 10(1)(ca): Supply made to Unregistered Person

CCP 07.04.06.01

XYZ Pvt. Ltd., a furniture manufacturer based in Rajasthan, receives an order from Mr. Sharma, an individual (unregistered person) residing in Delhi. Mr. Sharma purchases a dining table and requests delivery to his residence in Delhi. XYZ Pvt. Ltd. issues an invoice with Mr. Sharma's Delhi address and arranges for the delivery of the dining table through a third-party logistics provider. Determine Place of Supply and GST implications. Will the place of supply still be same, if Mr. Sharma instructs XYZ Pvt. Ltd. to deliver the dining table to another address located in Punjab which is recorded in invoice as address of delivery whereas the billing is done at Delhi's address?

Answer :- Legal Provision :-

- As per **section 10(1)(ca)** of IGST Act, if the supply of goods is made to unregistered person, the place of supply shall be the **location as per the address of the said person recorded in the invoice.**
- However, If the address of the unregistered person is not recorded in the invoice, the place of supply shall be the **location of the supplier.**
- As per **CBIC clarification**, if billing address differs from delivery address in invoice in case of supply of goods to unregistered person, **POS shall be address of delivery of goods recorded on invoice.**

Discussion & Conclusion:

- In the given case, the invoice issued by XYZ Pvt. Ltd. records Mr. Sharma's address in Delhi. Therefore, the place of supply for this transaction will be **Delhi.**
- Since the place of supply (Delhi) is different from the location of the supplier (Rajasthan), this

transaction constitutes an **interstate supply**. Thus, liable to **IGST**.

➔ **Yes**, in second case, if billing address differs from the delivery address in invoice, **POS** shall be the **address of delivery** of dining table recorded on invoice i.e. **Punjab**.

A customer books a room for 95 continuous days in it. Building B is a residential building named as i.e Greenwood Hostel in which, 1st floor flat is given on rent to college student for 3 months whose rent is ₹ 25,000 per person per month i.e. ₹ 75,000. Building C is also residential which is given on rent as student residences to students & each

residence in it is given on rent to each student for 60 days where rent is ₹18,000 per person per month i.e. ₹36,000. Under the GST law, determine the taxability or exemption, if any, for each case?

Answer:-

Legal Provision:-

- Accommodation services with a value of supply **less than or equal to ₹20,000** per person per month, provided for a minimum continuous period of 90 days, are **exempt** from GST.
- Services by way of renting of residential dwelling for use as residence except where the residential dwelling is rented to a registered person is **exempted**. However, accommodation services for students in student residences & accommodation services provided by Hostels, Camps, Paying Guest accommodations & the like **are not covered** in this exemption.

Discussion & Conclusion:-

(i)	<ul style="list-style-type: none"> ➤ Building A hotel offers accommodation at ₹18,000 per person per month, and the customer books the room for 95 continuous days. ➤ Since both conditions are met i.e. value of supply is less than ₹20,000 per person per month and the accommodation is for more than 90 days. Therefore, this service is exempt from GST.
(ii)	Renting of 1st floor of Hostel B to student is taxable under GST as value exceeds ₹20,000 per person per month & also forms part of exception to other exemption .
(iii)	Renting of each residence in building C to student is taxable under GST as here, the value is not exceeding ₹20,000 per person per month but it is for a period of 60 days (i.e. less than 90 days) & also forms part of exception to other exemption .

Answer the following Questions:

- (a) Can one use electronic credit ledger for payment of interest, penalty, and payment under reverse charge?
- (b) Suhasini is a registered software consultant. On account of her ill health, she could not provide any services during the month of October. However, she had to incur all the expenses relating to her office. She paid ₹ 75,000 to various vendors. Total GST involved on the goods and services procured by her is ₹ 13,500. Out of the total bills paid by her, one bill for ₹ 15,000 relates to security services availed for security of her office, tax on which is payable under reverse charge. GST involved in such bill is ₹ 2,700

Suhasini is of the opinion that for the month of October, no GST is payable from electronic cash ledger as she has sufficient balance of ITC for payment of GST under reverse charge on security services. Do you think Suhasini is right? Explain with reasons assuming provisions of rule 86B are not applicable. [CA Inter RTP Nov 2020] [Study Mat]

Answer:

Legal Provision:-

- ⇒ As per **section 49(4)** of the CGST Act, 2017, the amount available in the electronic credit ledger may be used for making any payment towards 'output tax'.
- ⇒ As per **section 2(82)** of the CGST Act, 2017, output tax is the tax chargeable on taxable supply of goods and/or services made by a taxable person or by his agent but
- **excludes** tax payable by him on reverse charge basis.

M/s ABC & Co. have defaulted in filing the return under Section 39 of CGST Act, 2017 i.e. GSTR-3B for the month of March within the specified due date. Reason for such delay is attributable to delay in closure of books for March, which have been finalised during May. The GST Common portal prompted for payment of late fees payable under Section 47 of CGST Act, 2017 for a sum of ₹ 2,000 under CGST and SGST each. Accountant, of M/s ABC & Co., sought your confirmation for payment of such late fees through the balance available in Electronic Credit Ledger. Give your guidance in this regard. [Study Mat]

Answer :-

Legal Provision:

- As per **Section 49(3)** of the CGST Act 2017, the amount available in the electronic cash ledger may be used for making any payment towards tax, interest, penalty, fees or any other amount payable under the provisions of this Act or the rules made there under in prescribed manner.
- As per **section 49(4)**, the amount available in the electronic credit ledger may be used for making any payment towards **output tax**.

Discussion & Conclusion:

- As per the above-mentioned provisions, late fees shall be **paid only through electronic cash ledger and not through electronic credit ledger**.
- Hence, the sum of ₹ 2,000 shown on the common portal has to be deposited in Electronic Cash Ledger under appropriate minor head, through any of the specified modes.
- Thus, contention of the accountant of M/s ABC & Co. is **not correct**.

Answer:

(i)	As per section 49(5), 49A, 49B of CGST Act read with rule 88A of CGST Rules, 2017 , the manner of utilization of input tax credit under GST is as follows:- <ul style="list-style-type: none">➤ Credit of:-<ul style="list-style-type: none">➤ IGST shall be used for paying IGST first & then CGST or SGST/UTGST in any order and in any proportion.➤ CGST shall be used for paying CGST first & then to pay IGST➤ SGST/UTGST shall be used for paying SGST/UTGST first & then to pay IGST➤ However, IGST credit is to be fully utilized first as above & then the CGST/ SGST/ UTGST credit can be utilized & SGST/UTGST can be used to pay IGST only after CGST balance is not available to pay IGST
(ii)	No. Input tax credit of IGST/CGST/SGST/UTGST cannot be utilised for payment of outward compensation cess.
(iii)	No. There is no such restriction . <ul style="list-style-type: none">➤ the taxable person himself or any other person can make payment on behalf of the taxable person by using the GSTIN of that taxable person.

(iv)	<p>⇒ The amount available in the electronic credit ledger of IGST may be used for making any payment towards tax under the CGST Act or the SGST Act or the IGST Act other than tax payable under reverse charge .</p> <p>⇒ It is clarified that any payment towards output tax, payable as a consequence of any proceeding instituted under the provisions of GST laws, can be made by utilization of the amount available in the electronic credit ledger of a registered person.</p> <p>⇒ Thus, Mr. Atul is allowed to use the credit of IGST in electronic credit ledger for making payment of tax liability of ₹80,000, payable as a consequence of the legal proceeding.</p>

09. Sec 49(10) read with Rule 87(13):- Transfer of any amount of E-cash ledger among minor & major heads

CCP 09.09.15.00

Mr. A has deposited a sum of ₹ 30,000 under minor head of "Interest" column for the major head "IGST". At the time of filing GSTR-3B for a particular tax period, he noticed that there is no sufficient amount under the minor head 'Tax' towards payment of ₹30,000. When approached with the Jurisdictional Tax officer, Mr. A was guided to deposit the tax amount under proper head of account and claim a refund for the remittance of amount deposited under head "interest". Examine the relevant provisions of CGST Act, 2017 towards payment of tax and compliance with the law. [CA Inter MTP Nov 21] [Study Mat]

Answer:

Legal provision:-

➤ As per **Section 49(10) of CGST Act, 2017**, a registered person can transfer the amount deposited under any of the minor head i.e. tax, interest, penalty, fees or others to any of the heads under IGST/ CGST/ SGST/ UTGST and make the payment of taxes there upon.

Discussion and Conclusion:-

➤ Accordingly, **Mr. A need not deposit the tax amount under head "tax"** and claim a refund for the remittance of amount deposited under head interest.

➤ Rather, **using the Form GST PMT 09**, such **amount can be transferred** suo-moto on the common portal from "interest" to "tax" head and tax liability be paid.

CCP 09.09.16.00

Pranesh has deposited a sum of ₹ 5,000 under the head of 'Fee' column of Cess and ₹ 4,000 was lying unutilized under the head of 'Penalty' column of IGST. Both the deposits were made wrongly instead of depositing under the head of Fee column under SGST.

In the light of the provisions of section 49(10) & 49(11) of the CGST Act, 2017, briefly explain the relevant provisions as how can Pranesh rectify these errors? [CA Inter Nov 22 Exam]

Answer:

➤ As per **section 49(10)** of CGST Act, 2017, registered person is allowed to make intra-head or inter-head transfer of amount, as available in electronic cash ledger, using specified form (i.e. Form GST PMT-09).

➤ It can **transfer** any amount of tax, interest, penalty, fee or others, under one (major or minor) head to another (major or minor) head, as available in the electronic cash ledger.

Discussion & Conclusion:-

➤ Therefore, in given case, amount of

- ₹ 5,000 available under minor head 'fee' of major head 'cess' and
- ₹ 4,000 available under minor head 'penalty' of major head 'IGST'

can be transferred to minor head 'fee' of major head 'SGST' using specified form (i.e. Form GST PMT-09).

10. Sec 50:- Interest on delayed payment of tax

CCP 09.10.17.00

What are the provisions in relation to interest under GST?

If there is default in payment of tax and filing of returns, interest is payable on gross tax payable or net tax payable?

Answer:

- As per **section 50** of CGST Act, 2017, Interest is payable on delayed payment of tax at the rate **18%** from the day succeeding the due date of payment till the date of payment.
- As per **proviso to section 50**, the interest is payable on net tax payable when the return is not furnished within due date and also payment is not made within due date.
- Such interest is payable on that portion of tax which is paid by debiting the electronic cash ledger.
- Therefore, **Interest is payable on net tax payable**, if there is default in payment of tax and filing of returns.

CCP 09.10.18.00

GSTR 3B for the month of January 20XX has been filed by M/s Avisha Limited, a registered person, within the due date prescribed by the CGST Act 2017 which is on February 20th 20XX. It came to the notice of the Co. that tax due for the month of January 20XX has been paid short by ₹ 16,000. The short fall of ₹ 16,000 has been paid through cash ledger and credit ledger at the time of filing GSTR 3B for the month of February 20XX on March 20th 20XX in the following manner:

Particulars	Cash Ledger	Credit Ledger
Shortfall	₹ 12,000	₹ 4000

Assume that electronic cash ledger and credit ledger carry sufficient balance for the above short fall.

- 1) You are required to calculate the amount of interest payable if any under section 50 of the CGST Act 2017 and rule 88B of the CGST rules 2017.
- 2) Give the effect if GSTR-3B for the month of January 20XX had been filed belatedly on March 20, 20XX and all other conditions remaining same.

Calculation should be rounded off to nearest rupee. As 2024 is leap year, give effect of same.

[CA Inter May 24 Exam][Study Mat (Example), CA Inter Dec 21 Exam (Similar)]

Answer :-

Legal Provision:

- As per **Section 50**, Interest is payable on delayed payment of tax @**18% p.a** from next day of due date till the date of payment of tax.
- As per **proviso to section 50**, if delay payment of tax is due to delay filing of return, then interest is payable on **Net tax liability paid through Electronic Cash ledger**.
- If return is filed within due date, but short payment of tax is found subsequently for same tax period, then Interest is payable on **Gross tax liability**.

Discussion and Conclusion :-

- 1) Since Avisha Limited has furnished Form GSTR-3B for the month **within the prescribed due date**, interest is payable on the **Gross tax liability** deposited with a delay of 29 days [21.02.20XX - 20.03.20XX (both inclusive)] as under:
Interest: $16,000 \times 18\% \times 29/366 = ₹ 228$ (rounded off)
- 2) If Avisha Limited has filed Form GSTR-3B for the month **after the due date, i.e. on 20.03.20XX**, interest is payable on the **Net tax liability** paid through Electronic Cash Ledger only, for a delay of 29 days, as under:
Interest: $₹ 12,000 \times 18\% \times 29/366 = ₹ 171$ (rounded off)

MNI Ltd. provides following details for the month of March 20XX:

- (1) While filling GST return of March 20XX on 20-04-20XX (within the prescribed due date), they came to know that one bill of January 20XX consisting tax amount of ₹ 50,000 was not considered while filling return for the month of January 20XX (Return was filed on 20-02-20XX, within the prescribed due date).
- (2) MNI Ltd. has paid the above shortfall of ₹ 50,000 of January 20XX, through GSTR-3B for the month of March 20XX (payment through cash ledger was ₹ 30,000 and payment through credit ledger was ₹ 20,000).
- (3) MNI Ltd. got a notice regarding interest payment u/s 50 of the CGST Act, 2017. MNI Ltd. assumed that they paid self-assessed tax and both returns were also filed timely so they were not liable for payment of interest.

They seek your opinion regarding whether,

- (i) They are liable to pay interest u/s 50 of the CGST Act.
- (ii) If they had filed return of January 20XX on 20-04-20XX (Self assessed tax also paid on 20-04-20XX of ₹ 50,000 (payment through cash ledger was ₹ 30,000 and payment through credit ledger was ₹ 20,000), then also they are liable to pay interest u/s 50 of the CGST Act. [CA IPC July 21 Exam]

Answer: Legal provision:-

- As per **Section 50**, Interest is payable on delayed payment of tax @18% p.a from next day of due date till the date of payment of tax.
- As per proviso to **section 50**, if delay payment of tax is due to delay filing of return, then interest is payable on **Net tax liability paid through Electronic Cash ledger**.
- If return is filed within due date, but short payment of tax is found subsequently for same tax period, then Interest is payable on **Gross tax liability**.

Discussion and conclusion:-

i)	<ul style="list-style-type: none"> ➤ In the given case, MNI Ltd. has defaulted in making the payment of ₹ 50,000 in the return of January 20XX. ➤ Therefore, it will be liable to pay interest @ 18% p.a. from 21.02.20XX till the date of payment. ➤ Further, since the return for the month of January, 20XX has been filed on the due date, MNI Ltd. will be liable to pay interest on the gross tax liability i.e., ₹ 50,000 and not on net tax liability paid in cash.
ii)	If MNI Ltd. had filed the return for the month of January, 20XX on 20.04.20XX, i.e. after the prescribed due date and the tax of ₹ 50,000 is also paid on 20.04.20XX, interest will be payable on net tax liability paid through electronic cash ledger i.e., ₹ 30,000.

Mr. Broker wrongly availed ₹ 1,25,000 as input tax credit (CGST + SGST) at the time of furnishing return under section 39 of the CGST Act, 2017 for the month of October 20XX. This ITC was not utilized against the output tax liability for the month of October 20XX. Mr. Broker utilised ITC of ₹ 75,000 from the above wrongly availed ITC of ₹ 1,25,000 against output tax liability for the month of November 20XX.

Mr. Broker paid the amount of ITC wrongly utilised of ₹ 75,000 on 10th March, 20YY and reversed the unutilized amount of ₹ 50,000 on 20th March 20YY. Calculate the total interest payable (CGST

+ SGST) rounded off to nearest rupee under GST law if Mr. Broker files:

(i) Form GSTR-3B for the month of October on 18th November 20XX, and

(ii) Form GSTR-3B for the month of November on 25th December 20XX.

Note: Assume there is no extension of due date of filing of Form GSTR-3B, and no other transactions were undertaken during the year 20XX-YY. [CA Final Nov 23 Exam]

Answer:-

Legal Provision:

- As per **Sec 50 read with Rule 88B**, if ITC has been wrongly availed and utilised, the registered person shall pay **interest** on the same
 - for the period starting from the date of utilisation of such wrongly availed ITC
 - till the date of reversal of ITC or payment of tax in respect of such amount
 - @ 18% per annum.
- Where date of utilisation of ITC will be **Earlier** of Due date of furnishing returns or Actual date of filing return.

Discussion & Conclusion:

- In the given case, Since wrongly availed ITC of ₹ 50,000 has been reversed without utilizing the same, interest is not payable on the same.
- However, Interest is payable on wrongly availed and utilised ITC of ₹ 75,000.
- Date of utilisation of said ITC will be:
 - Due date of furnishing return for Nov 20XX [20th December, 20XX] or
 - Actual date of filing of the return for Nov 20XX [25th December 20XX] whichever is **earlier**.

Thus, date of utilisation of said ITC will be **20th December, 20XX**.

- Interest (CGST + SGST) will be payable for **80 days** [21st December 20XX to 10th March, 20YY (both days inclusive)] as follows:
 - = ₹ 75,000 × 80 / 365 × 18%
 - = **₹ 2,959** [CGST+SGST] (rounded off)

Authors Note:

ICAI has calculated interest from next day of Date of utilisation, but the provision says it should be from the date of utilisation, So Answer may vary in some cases & Student has to follow ICAI Approach.

Answer :

Legal Provision:

- As per **section 51** of the CGST Act, Government departments, agencies, local authority and notified persons are required to deduct tax @ 2% (1% CGST + 1% SGST/UTGST) or IGST @ 2% from payment made to the supplier of taxable goods or services where the total value of such supply [excluding GST & Cess in the invoice] under a contract, **exceeds ₹2,50,000**.

- As per **section 12(3)** of IGST Act, the place of supply of services directly in relation to an immovable property including services provided by interior decorators is the **location of immovable property**.

Discussion & Conclusion:

- In given case, the **place of supply** of the interior decoration of Andhra Bhawan shall be **Delhi**.
- Since the location of the supplier (Ramlala Enterprises) and the place of supply is Delhi and the State of registration of the recipient i.e. Government of Andhra Pradesh is Andhra Pradesh, **no tax** is liable to be deducted in the given case.
- The answer will remain **unchanged** even if Ramlala Enterprises is registered under composition scheme.

13. Combined Questions on TDS & TCS

CCP 09.12.26.00

From the following information of independent cases, your expert advice, with appropriate reasoning, is sought on the applicability of TDS/TCS provisions of the CGST Act, 2017. You shall also quantify the amount of TDS/TCS, as the case be, if the same is applicable.

- 1) Top Fashions, a designer cloth dealer and registered in the State of West Bengal, effected supply through 'QUICK DEAL', an electronic commerce operator. Net value of taxable intra-State supplies effected for the month of October 20XX was ₹1,50,000.
- 2) M/s Super Builders, a registered supplier in Tamil Nadu, was awarded a works contract by Government of Tamil Nadu amounting to ₹4,30,000. Of this, value of exempt supply was ₹1,00,000.
- 3) Tasty Caterers, a registered supplier of Kerala, provided catering services in Kochi, Kerala to Government of Andhra Pradesh for its annual training camp held for its staff. Value of said services was ₹4,50,000.

Answer :

1)	<p>➔ As per Section 52, in case where supplies is made through ECO, where the consideration for such supplies is collected by ECO, then ECO has to deduct TCS @0.5% (0.25% CGST & 0.25% SGST) of the Net value of taxable supplies (i.e Gross sales less Sales returns) made through ECO.</p> <p>➔ In given case, QUICKDEAL and ECO has to deduct TCS as follows: $TCS = ₹1,50,000 \times 0.25\%$ $= ₹375 \text{ (CGST)} \text{ \& } ₹375 \text{ (SGST)}$</p>
2)	<p>➔ As per Section 51, if any supply of goods or services is made to the government, where Total contract value of Taxable supplies exceeds ₹2,50,000, then Government has to deduct TDS @2% (CGST 1% & SGST 1%) on such contract Value.</p> <p>➔ Taxable value does not includes Value of Exempt supply</p> <p>➔ In given case, taxable value = ₹4,30,000 - ₹1,00,000 Hence, Tamilnadu State Government need to deduct TDS $TDS = ₹3,30,000 \times 1\%$ $= ₹3,300 \text{ (CGST)} \text{ \& } ₹3,300 \text{ (SGST)}$</p>
3)	<p>➔ As per Sec 12 of IGST Act, in case of catering services, the place of supply is the place where the services is actually performed.</p> <p>➔ As per proviso the Sec 51, if location of supplier & Place of supply is in a state & recipient is located in another state, then in such case, TDS is not deductible.</p> <p>➔ In given case, Location of supplier & place of supply is in Kerala & recipient is in another state, hence provision of TDS is not applicable.</p>

Intra-state supply of 500 packets of detergent along with plastic basket (Note-1)	2,00,000 (500*400)	-	28,000 (2,00,000*14%)	28,000 (2,00,000*14%)
Supply of online educational journal to private coaching centre (Note-2)	50,000	-	4,500 (50,000*9%)	4,500 (50,000*9%)
Total Tax Liability (A)		18,000	32,500	32,500

(B) Calculation of Total Input Tax Credit (ITC):-

Particulars	Value (₹)	IGST (₹)	CGST (₹)	SGST (₹)
Brought forward ITC (Given)		40,000	5,000	5,000
Inter-State purchase of goods (Note-3)	50,000 (50,000*18%)	9,000

3. ITC can be taken only on basis of a valid tax paying document u/s 16(2)(a) of CGST Act. Thus, ITC **will not be available** on goods of Rs. 20000 for which the invoice is missing.
4. ITC is not blocked u/s 17(5)(a) of CGST Act on motor vehicles for transportation of persons with seating capacity more than 13 persons (including driver) & thus, ITC is not blocked on its repair also u/s 17(5)(ab).
5. IGST credit shall be first used fully to pay IGST & then to pay CGST and SGST in any order and in any proportion. Thus, **there cannot be one answer** for minimum net CGST and SGST payable in cash.

- (ii) Ignore interest, if any [CA Inter MTP Mar 19]

Answer:-

(i) Computation of net GST payable for the financial year 20XX-XY:-

Particulars	Value(₹)	CGST (₹)	SGST (₹)
Tax Liability			
Intra-State supplies made to registered persons	10,00,000	90,000	90,000
Intra-State supplies made to unregistered persons	2,00,000	18,000	18,000
Total (A)		1,08,000	1,08,000
Input Tax Credit			
Supply of iron in lots by M/s. Hard Limited [Note-1]	10,00,000	-	-
Supply of IT engineering service [Note-2]	11,00,000	99,000	99,000
Total (B)		99,000	99,000
Net GST payable (A)-(B)		9,000	9,000

Notes:-

1) 1st proviso to section 16(2) of CGST Act states that if goods against an invoice are received in lots or instalments, the registered person is entitled to take credit upon receipt of last lot or instalment. Although 900 MT of iron are received in financial year 20XX-XY, last lot is received after FY 20XX-XY only, i.e. on 5 April, 20XY & thus ITC is not available in FY 20XX-XY.

2) As per section 16 of CGST Act, registered person can take credit of input tax charged on his inward supplies which are used in the course of business on receipt of said services. Thus, full ITC ₹1,98,000 (i.e. ₹99,000 CGST + ₹99,000 SGST) can be claimed in financial year 20XX-XY.

(ii) Input tax credit to be reversed in Financial Year 20XY-YZ:-

Particulars	Amount (₹)
Total value of procurement of IT engineering service	11,00,000
Add: Total GST on the above value @18% [CGST + SGST]	1,98,000
Value including GST	12,98,000
Amount paid for the said service including GST [Rs. 4,13,000 + Rs. 2,95,000]	7,08,000
Amount [value along with tax payable thereon] not paid for the said service	5,90,000
ITC to be reversed [Rs. 5,90,000 x 18/118]	90,000

Explanation:-

➤ Proviso to section 16(2) of CGST Act read with rule 37 of CGST rules states that recipient is required to pay the **Full** consideration along with tax within 180 days from the date of issue of invoice. This condition is not applicable where tax is payable on reverse charge basis. If recipient fails to do so, then corresponding credits availed **in respect of such supply, proportionate to the amount not paid to the supplier**, by him will be added to his output tax liability **or it shall be reversed** along with interest.

➤ If part payment is made against an invoice, proportionate ITC is available for the tax involved.

➤ In given case, proportionate ITC availed needs to be reversed on the value along with tax payable thereon which has not been paid by M/s Comfortable (P) Ltd. to M/s Dynamic Infotech (P) Ltd. within 180 days from invoice date.

➤ This reversal will be done in financial year 20XY-YZ when 180 days from invoice date expires.

➤ There is no time limit to re-avail the credit when the payment is made later on.

5	Inward supply of services on which tax is payable under RCM (Intra- State)	2,00,000

From the information given above, compute the aggregate turnover of Nesamani and also decide whether he is required to get registration under GST. Assume that the amounts given above are exclusive of taxes. [CA Inter Nov 22 Exam]

Answer:

Legal Provision:-

- As per **section 22** of CGST Act, 2017, for a supplier engaged in **supply of goods & services** from states of Orissa & Uttar Pradesh, threshold limit of aggregate turnover to obtain registration is **₹ 20 lakh**.
- However, as per **section 24** of said Act, person required to pay tax under reverse charge has to obtain registration compulsorily irrespective of the quantum of turnover.

Discussion & Conclusion:-

➤ **Computation of aggregate turnover of Nesamani:-**

Particulars	Amount in ₹	Explanation
Outward supply of petrol	4,00,000	Supply of petrol being a non-taxable supply is an exempt supply. Value of exempt supply is includible in aggregate turnover.
Inter-State stock transfer of exempt goods	2,00,000	Supply of taxable/exempt goods between distinct persons is includible.
Outward supply of taxable goods from Uttar Pradesh branch	5,00,000	Value of outward supplies under same PAN are includible.
Outward supply of services taxable under reverse charge	6,00,000	Includible in aggregate turnover.
Inward supply of services taxable under reverse charge	-	Excludible from the aggregate turnover.
Aggregate Turnover	17,00,000	

- In the given case, Nesamani is making **inter-state supply** to its DDP and also liable to pay GST under **Reverse charge Mechanism**, thus he is required to take **compulsory registration** under section 24.

Happy Trader, a sole proprietorship firm, started a business of dealing in supply of both exempted as well as taxable goods in Assam. Happy Trader has furnished the following details relating to the sales made for the month of April, 20XX. All amounts are exclusive of GST.

Sr.No.	Particulars	Amount (₹)
1	Intra-State sale of goods chargeable with GST@ 12%	15,00,000
2	Intra-State sale of non-taxable goods	5,00,000
3	Intra-State sale of alcoholic liquor for human consumption	2,00,000
4	Intra-State sale of Tobacco	3,00,000

With reference to the above and provisions of CGST Act 2017,

- (i) Compute the aggregate turnover.
- (ii) Examine whether Happy Trader is liable to be registered under the Act, with reasons for the same.
- (iii) What is the threshold limit for taking registration in this case? [CA IPC Jan 21 Exam]

Answer:

Legal Provision:-

- As per **section 2(6)** of CGST Act, 2017, 'aggregate turnover' means the aggregate value of all:-
- taxable supplies,
 - exempt supplies (wholly exempt, nil rated & Non-taxable)

➤ exports &

➤ inter-State supplies

of persons having the same Permanent Account Number, to be computed on all India basis

but **excludes:-**

➤ central tax, State tax, Union territory tax, integrated tax and cess &

➤ the value of inward supplies on which tax is payable by a person on reverse charge basis

⇒ **Proviso to section 22(1)** of the CGST Act, 2017, Every person engaged in making a taxable supply is required to obtain registration if his aggregate turnover exceeds the threshold limit in a financial year.

⇒ As per section 22, every supplier is liable to get registered from a place where he makes taxable supply where **aggregate turnover exceeds ₹20 lakhs**

⇒ Extended threshold of ₹ 40 lakh is available, if a person exclusively engaged in Supply of goods & not located in Notified states & not supplying notified goods i.e tobacco etc.

Discussion & Conclusion :-

(i) Calculation of Aggregate Turnover:-

Particulars	Amount in ₹
Intra-State sale of goods chargeable with GST @ 12% [Aggregate turnover includes value of all outward taxable supplies.]	15,00,000
Intra-State sale of non-taxable goods [Non-taxable supply, being an exempt supply is included in aggregate turnover.]	5,00,000
Intra-State sale of alcoholic liquor for human consumption [Sale of alcoholic liquor for human consumption, being a non-taxable supply, is an exempt supply and is therefore, included in aggregate turnover.]	2,00,000
Intra-State sale of tobacco [Aggregate turnover includes value of all outward taxable supplies.]	3,00,000
Aggregate turnover	25,00,000

(ii) & (iii)

➤ In given case, happy trader is supplying tobacco, a notified goods, hence extended threshold of ₹ 40 lakh is not available but the normal threshold of ₹20 lakh is applicable.

➤ Thus, in given case aggregate turnover is ₹25,00,000, hence it is **liable to get registered** under GST.

Mr. Lepcha of Mizoram is engaged in the supply of papers with an aggregate turnover of ₹ 13 lacs. Will your answer be different if Mr. Lepcha is located in Meghalaya? [CA Inter Nov 19 Exam New]

Answer:

Legal Provision:-

⇒ The **higher threshold limit of ₹ 40 lakh** as applicable to a person engaged exclusively in intra-State supply of goods is **not applicable to Mizoram** [a specified Special Category State].

⇒ Instead, a lower **threshold limit of ₹ 10 lakh** for registration is **applicable for Mizoram**.

Discussion & Conclusion:-

(i)	In the given case, Mr. Lepcha of Mizoram , is liable to register since his aggregate turnover (₹13 lakh) exceeds the applicable threshold limit for registration of ₹ 10 lakh.
-----	---

(ii)	<p>➤ The enhanced threshold limit of ₹ 40 lakh is also specifically not applicable in the State of Meghalaya.</p> <p>➤ Instead, the normal threshold limit of ₹ 20 lakh for registration is applicable to it.</p> <p>➤ Therefore, if Mr. Lepcha is located in Meghalaya, he is not liable to register since his aggregate turnover (₹ 13 lakh) does not exceed the applicable threshold limit for registration of ₹ 20 lakh.</p>

Answer:

Legal Provision:-

 - ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - ₹ 40 lakh for rest of India.

Discussion & Conclusion:-

In the light of the afore-mentioned provisions, the answer to the independent cases is as under:-

(i)	<p>➤ Raghav is eligible for higher threshold limit of turnover for registration, i.e. ₹ 40 lakh as he is exclusively engaged in intra-State supply of garments and located in Assam.</p> <p>➤ but one of its branch also supplying the goods from Tripura where applicable threshold is ₹ 10L.</p> <p>➤ If he is liable to registered in any state, then aggregate turnover limit for all states will be ₹ 10 lakhs.</p> <p>➤ Therefore, he is required to obtain registration in both Assam & Tripura.</p>
(ii)	<p>➤ The applicable threshold limit for registration for Pulkit in the given case is ₹ 40 lakh as he is exclusively engaged in intra-State taxable supply of goods in Goa.</p> <p>➤ Thus, he is not liable to get registered under GST as his turnover is less than the threshold limit.</p>

Tripura	12,00,000

- (i) Q Ltd. seeks to know whether it is liable for registration under GST. Give your explanation.
- (ii) Will your answer be different if Q Ltd. supplies only petrol & diesel from Tripura instead of any other taxable goods? [CA Inter Dec 21 Exam]

Answer:

Legal Provision:-

- As per **section 22(1) read with proviso to section 22(1)** of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.
- The **threshold limit for a person making exclusive intra-state supplies of goods** is as under:-
 - ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - ₹40 lakh for rest of India.
- Further a person exclusively supplying non-taxable goods or services in a state is not required to take registration, irrespective of his threshold limit

Discussion & Conclusion:-

(i)	➤ Since Q Ltd. is making supply of taxable goods from Tripura, a specified Special Category State, the applicable threshold limit will get reduced to ₹10 lakh.
	➤ Thus, it is liable to be registered under GST as its aggregate turnover [₹31 lakh] exceeds the said threshold limit.
	Assumption:- It has been assumed that Q Ltd. is not engaged in making supplies of notified goods that makes it ineligible for threshold of Rs. 40 Lakhs.
(ii)	➤ In case Q Ltd. is making supply of non-taxable goods [petrol and diesel] from Tripura, the applicable threshold limit will not be reduced to ₹10 lakh.
	➤ The enhanced threshold limit of ₹40 lakh will be applicable.
	➤ Thus, it is not liable to be registered under GST as its aggregate turnover [₹31 lakh] does not exceed the said threshold limit.

- The **threshold limit** for a person making **exclusive intra-state supplies of goods** is as under:-
 - ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹ 20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.

 - ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹20 lakh for the rest of India

Discussion & Conclusion:-

- | | |
|-------|---|
| (i) | ➤ Though the enhanced threshold limit for registration of ₹ 40 lakh is available to Delhi, the same will not be applicable if the person is engaged in supply of notified goods, one of which is Building Bricks.
➤ In view of the same, the applicable threshold limit for Rudra builders is ₹ 20 lakh.
➤ Thus, it is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit. |
| (ii) | ➤ Since Heera is making taxable supply from Nagaland – a Special Category State, the applicable threshold limit will get reduced to ₹ 10 lakh.
➤ Thus, it is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit
➤ Further, he is required to obtain registration in both Himachal Pradesh and Nagaland as he is making taxable supplies from both the States |
| (iii) | ➤ Since Ankit is exclusively engaged in intra-State supply of goods in Telangana, which is not a specified State for enhanced threshold limit, the applicable threshold limit for registration is ₹ 20 lakh.
➤ Thus, Ankit is liable to be registered under GST as its aggregate turnover exceeds the said threshold limit. |
| (iv) | ➤ Ankit is not entitled for higher threshold limit for registration as the same is applicable only in case of exclusive supply of goods and not services.
➤ Thus, applicable threshold limit for registration for making supply in Assam is ₹ 20 lakh.
➤ Hence, Ankit is liable to get registered under GST as it's turnover is more than the threshold limit. |
| (v) | ➤ Aaru Ltd. is not entitled for higher threshold limit for registration as the same is applicable only in case of exclusive supply of goods and here, there is supply of both goods as well as services.
➤ Since Aaru Ltd. is engaged in supply of both taxable goods and services, the applicable threshold limit for registration in this case is ₹ 20 lakh.
➤ Thus, Aaru Ltd. is liable to get registered under GST as it's turnover is more than the threshold limit. |

[Study Mat (Final)]

Answer:

Legal Provision:-

➤ As per **section 22** of CGST Act, a supplier is liable to be registered in the State/ Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.

➤ **The threshold limit for a person making exclusive taxable supply of services or supply of both goods and services is as under:-**

- (i) ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
- (ii) ₹20 lakh for the rest of India.

➤ As per **section 2(6)** of CGST Act, 2017, “**aggregate turnover**” means the aggregate value of all:-

- taxable supplies,
- exempt supplies (wholly exempt, nil rated & Non-taxable)
- exports &
- inter-State supplies of persons having the same Permanent Account Number, to be computed on all India basis.

but excludes:-

- central tax, State tax, Union territory tax, integrated tax and cess &
- the value of inward supplies on which tax is payable by a person on reverse charge basis.

Discussion:-

➤ In given case, since Rishabh Enterprises is engaged in making taxable supplies of goods and services from Maharashtra and non-taxable supplies from Uttarakhand, the threshold limit for obtaining registration is ₹20 lakh.

➤ **Computation of aggregate turnover of Rishabh Enterprises is as under:-**

Particulars	Turnover of February (₹)	Cumulative Turnover of February & March (₹)
Serving of cooked food and cold drinks/non-alcoholic beverages in restaurant in Maharashtra	5,50,000	12,00,000 [₹ 5,50,000 + ₹ 6,50,000]
Add: Sale of alcoholic liquor for human consumption in Uttarakhand [Note]	-	5,00,000

Add: Supply of packed food items from restaurant in Maharashtra	1,50,000	3,50,000 [₹1,50,000 + ₹2,00,000]
Aggregate Turnover	7,00,000	20,50,000

Note:- As per **section 2(47)**, **exempt supply includes non-taxable supply**. Thus, supply of alcoholic liquor for human consumption in Uttarakhand, being a non-taxable supply, is an exempt supply and is therefore, **includible** while computing the aggregate turnover.

Conclusion:-

- Rishabh Enterprises **was not liable to be registered in February** since its aggregate turnover did not exceed ₹20 lakh in that month.
- However, since its aggregate turnover exceeds ₹20 lakh in March, it **shall apply for registration in Maharashtra within 30 days** from the date on which it becomes liable to registration.
- Further, he is **not liable to be registered in Uttarakhand** since he is not making any taxable supply from Uttarakhand.

Discussion & Conclusion:-

- ⇒ In the given case, since BBD Pvt. Ltd. was engaged exclusively in supplying exempted goods **till 31.12.20YY**, it was **not required to be registered** till that day, though voluntary registration was allowed.
- ⇒ This position will change **from 01.01.2022** as the supply of goods become **taxable** from that day and the **turnover** of BBD Pvt. Ltd. is **more than ₹ 40 lakh**.
- ⇒ Since the aggregate turnover limit of ₹ 40 lakh includes **exempt turnover** also, turnover of 'Z' till 31.12.2019 **will be considered** for determining the threshold limit even though the same was exempt from GST.
- ⇒ Therefore, BBD Pvt. Ltd. **needs to register within 30 days from 01.01.2022.**

Pure Oils, Delhi has supplied machine oil and high-speed diesel in the month of April as per the details given in table below. Pure Oils is not yet registered.

S.No.	Particulars	₹*
i	Supply of machine oils in Delhi	15,00,000
ii	Supply of high diesel in Delhi	10,00,000
iii	Supply of machine oil made in Panjab by pure oils from its branch located in Panjab	10,00,000

1) Determine whether Pure Oils is liable for registration.

2) What will be your answer if Pure Oils supplies the high speed diesel in Delhi in the capacity of an agent of Mixed Oils Ltd., where invoices to customers are issued in name of Pure Oils?

[Study Mat]

Answer:- Legal Provision:-

- As per **section 22(1)** read with proviso to **section 22(1)** of the CGST Act, 2017, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.
- The **threshold limit** for a person making **exclusive intra-state supplies of goods** is as under:-
 - ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - ₹40 lakh for rest of India.
- As per **section 2(6)** of CGST Act, 2017, aggregate turnover means the aggregate value of all **taxable supplies as well as exempt supplies**
 - excluding central tax, State tax, Union territory tax, integrated tax and cess &
 - it shall be computed for persons having same Permanent Account Number on all India basis.
- As per **section 2(47)**, exempt supply includes non-taxable supply.

Discussion & Conclusion :-

(1)

➤ In the given case, supply of high speed diesel in Delhi, being a non- taxable supply, is an exempt supply and Machine oil is taxable supply

➤ Therefore, both are includible while computing the aggregate turnover.

➤ In the backdrop of the above-mentioned discussion, the aggregate turnover of Pure Oils for the month of April is computed as under:-

S.No.	Particulars	₹*
i	Supply of machine oils in Delhi	15,00,000
ii	Add: Supply of high speed diesel in Delhi	10,00,000
iii	Add: Supply of machine oil made by Pure Oils from its branch located in Punjab	10,00,000
	Aggregate Turnover	35,00,000

➤ Pure Oils is making exclusive supply of goods and hence, the threshold limit for registration would be ₹ 40,00,000. Since the aggregate turnover does not exceed ₹ 40,00,000, Pure Oils is **not liable** to be registered.

(2)

In case Pure Oils makes the supply in **capacity of an agent** of Mixed Oils Ltd.:-

➤ As per **section 24** of CGST Act, 2017, Persons making taxable supply of goods on behalf of other taxable persons whether as an agent or otherwise are required to obtain registration **compulsorily** under GST laws irrespective of the quantum of aggregate turnover.

- However, in the present case, if Pure Oils supply high speed diesel on behalf of Mixed Oil Ltd. in Delhi as its agent, it shall still not be liable to obtain registration in Delhi since section 24 comes into play only when agent is making **taxable supply** of goods on behalf of principal whereas in the given case, Pure Oils is supplying non-taxable goods on behalf of Mixed Oils Ltd.

You are required to comment upon the validity of contentions raised by Department and Mr. X. [CA Inter RTP -May 22][CA Inter MTP April 24]

Answer:-

Legal Provision:-

- As per **section 29** of CGST Act, 2017, if any person who has taken voluntary registration u/s 25(3) has not commenced business within 6 months from the date of registration, then the proper officer **may cancel** the registration of such person from such date, including any retrospective date, as he may deem fit.

- As per **section 30** of CGST Act, 2017 read with **Rule 23** of CGST Rules, 2017, where the **registration is cancelled suo-motu** by the appropriate officer, the registrant seeking revocation of the order, **has to apply for the revocation of cancellation within 90 days** from the date of service of the order of cancellation of registration.
- However, such period can be **further extended upto 180 days**, if sufficient cause has been shown by registrant.

Discussion & Conclusion:

- In view of the above-mentioned provisions, **suo-motu cancellation of registration** of Mr. X by proper officer is **valid in law**.
 - since Mr. X, a voluntarily registered person, has not commenced his business within 6 months from the date of registration.
- In this case, such registered person may apply for revocation of the cancellation to such proper officer **within 90 days** from the date of service of the order of cancellation of registration.
- On sufficient cause being shown and for reasons to be recorded in writing, the said period of 90 days may be extended for a period not exceeding 180 days.
- In the given case, Mr X. has applied for revocation of cancellation within 40 days of an order, thus he has made the application within time & revocation can be obtained.
- Hence Department contention is not correct in law.
- The **contention raised by Mr. X is valid in law** as extension in time limit is allowed on sufficient cause being shown and for reasons to be recorded in writing.

(Assumption:- Supplier is not exclusively engaged in supply of goods)

[Study Mat (Example)] [CA IPCC Dec 21 Exam (Similar)]

Answer :

Legal Provision:-

- As per **section 22(1)** of CGST Act, 2017, if aggregate turnover exceeds ₹ 20 lakhs, then supplier of goods or service need to take registration under GST.
- As per **section 25**, if person applied for registration within 30 days from the date when he becomes liable for registration, then effective date of registration is the date when he becomes liable.
- As per **section 31(3)(a)** A person is required to issue revised invoice for the supplies made during the period from the date when he becomes liable for registration till the date of registration certificate and shall be issued within 1 month from the date of issue of registration certificate.

Discussion & Conclusion:-

- 1) In the given case, Sangri Services Ltd. has to issue the **Revised Tax Invoices** for the taxable supplies made between effective date of registration (12th August) till the date of issuance of certificate of registration (6th September) within 1 month from 6th September, i.e. on or before 6th October.

 - Since Luv & Kush Pvt. Ltd. has made the **application for registration within 30 days** of becoming liable for registration, the **effective date of registration** is the date when it becomes liable to registration i.e. **05.09.20XX**.

- Only a registered person can collect tax & hence till the time of granting of registration, no tax invoice could be issued to collect tax.
- It may issue revised tax invoices against the invoices already issued to collect tax for supplies made between effective date of registration (05.09.20XX) & the date of issuance of registration certificate (06.10.20XX), within 1 month from 06.10.20XX (i.e. on or before 06.11.20XX).
- It may issue a **consolidated revised tax invoice** for all taxable supplies made to a unregistered recipient during such period.
- But, if the value of a supply does not exceed ₹2,50,000 for inter-state supplies, a consolidated revised tax invoice may be issued separately for all the unregistered recipients located a state.

Answer :

(i)	E-invoicing is reporting of business to business (B2B) invoices to GST system for certain notified category of taxpayers
(ii)	The threshold limit for mandatory issuance of e-invoice for all registered businesses is ₹ 5 Crores .

Auto-reporting of invoices into GST return & auto-generation of e-way bill (wherever required):- Once B2B invoice data is reported in e-invoice form, the same is reported in multiple forms (GSTR-1, e-way bill etc.). 2. Substantial reduction in transcription errors & Reconciliation:- This is because same data will get reported to tax department & to buyer to prepare his inward supplies register. Buyer can reconcile with his Purchase Order. 3. Matching of ITC & output tax by Dept.:- A complete trail of B2B invoices is available with Department which enables the system-level matching of ITC & output tax thereby reducing the tax evasion. 4. Eliminates fake invoices:- Claiming fictitious ITC by raising fake invoices is one of the biggest challenges currently faced by tax-authorities. The e-invoice system will help to curb the actions of unscrupulous taxpayers & reduce the number of fraud cases as the tax authorities will have access to data in real-time. 5. Other Advantages:- <ul style="list-style-type: none"> - Facilitate standardisation & inter-operability, - Reduction of disputes among transacting parties, - Better relationship, - Improve payment cycles, - Eco-friendly as it eliminates paper, - Internal controls, - Reduction of processing costs & - Improving overall business efficiency greatly - Eco-friendly as it eliminates paper

Q All registered businesses with an aggregate turnover (based on PAN) in any preceding financial year from 2017-18 onwards **greater than ₹ 5 crore** are required to issue e-invoices **for B2B supplies** (supply of goods and/or services to a registered person) or **for exports** or **for B2G** (Government Departments or establishments/ Government agencies/ local authorities/ PSUs) supplies which are registered solely for the purpose of TDS u/s 51 of the CGST Act

Q Further, following entities are exempt from the mandatory requirement of e-invoicing i.e. not required to issue e-invoices even if their turnover **exceeds ₹ 5 crore** in the preceding financial year from 2017-18 onwards:-

- A Government Department,
- A Local Authority,

- Insurer or banking company or financial institution including NBFC,
- GTA supplying services in relation to transportation of goods by road in a goods carriage,

- Person supplying services by way of admission to exhibition of cinematograph films in multiplex screens.

As per **CBIC clarification**, the said exemption from generation of e-invoices is for the entity as a whole and is not restricted by the nature of supply being made by the said entity.

a)	<p>➤ The advice given by tax consultant of Eden Ltd. for issuance of e-invoices mandatorily in the current financial year is valid in law.</p> <p>➤ The aggregate turnover of Eden Ltd. exceeds the threshold limit (i.e ₹ 5 crore) of aggregate turnover applicable for e-invoicing & thus, it is mandatorily required to issue e-invoices in respect of supplies made to registered persons.</p>
b)	Government Department is specifically exempt from mandatory requirement of e-invoicing even if the turnover exceeds ₹ 5 crore in the preceding financial year & thus, e-invoicing is not applicable to Government department.

- 2) M/s Sakura Enterprises made an inter-State supply of taxable goods valued at ₹ 47,500 and exempt goods valued at ₹ 2,000. Rate of IGST for taxable supply was 6%. - 3) Dhananjay Associates registered in Gujarat deals in industrial grade iron and steel products. The proprietor of Dhananjay Associates sold TMT Iron bars (GST applicable @18%) to a retailer in Maharashtra at a value of ₹ 40,000 (excluding GST). As per the agreement of sale, goods are to be delivered at the premises of retailer. The transportation cost of ₹ 7,000 has been charged separately to deliver the same to the retailer in Maharashtra. In the above scenario, determine whether an e-way bill is required to be issued under GST? [Study Mat]

Answer:

Legal Provision:-

- As per **Rule 138(1)** of CGST Rules, a registered person is mandatorily required to generate e-way bill if he causes movement of goods of consignment value **exceeding ₹ 50,000** in relation to a supply.
- The consignment value shall be the value as per section 15 as declared in an invoice
 - ⇒ **including** CGST, SGST, UTGST, IGST and cess charged, if any, in the document but
 - ⇒ it **excludes** the value of exempt supply of goods where the invoice is issued in respect of both exempt and taxable supply of goods.

Discussion & Conclusion:-

1)	<ul style="list-style-type: none"> ⇒ In given case, the consignment value of goods will be ₹ 50,740 [i.e., ₹ 43,000 + (₹ 43,000 × 18%)]. ⇒ Since the movement of goods is in relation to supply of goods and the consignment value exceeds ₹ 50,000, the e-way bill is mandatorily required to be generated for movement of goods from Maharashtra to Punjab.
2)	<ul style="list-style-type: none"> ⇒ In the given case, consignment value of goods (including GST and excluding value of exempt supply) is ₹ 50,350 (47,500 × 106%). ⇒ Since there is a movement of goods of consignment value exceeding ₹ 50,000, M/s Sakura Enterprises is mandatorily required to issue e-way bill.
3)	<ul style="list-style-type: none"> ⇒ Since arranging freight is the liability of supplier, it is a case of composite supply and thus, freight charges are to be added in the value of principal supply. ⇒ Accordingly, the consignment value of goods will be ₹ 55,460 [(₹ 40,000 + ₹ 7000) * 118%] ⇒ Since there is a movement of goods of consignment value exceeding ₹ 50,000, Dhananjay Associates is mandatorily required to issue e-way bill.

Comment on the validity of the above statement with reference to provisions of E-Way Bill under CGST Rules, 2017. [CA Inter Nov 20 Exam]

Answer:

- The given statement is **partially valid**.
- Generally, e-way bill is valid for movement of goods by road only when the information is furnished in Part-B of the same which includes details of conveyance.
- However, the details of conveyance may not be furnished in Part-B of e-way bill, if the goods are transported for a distance upto 50 km within the State or Union territory:-
 - a) from the place of business of the consignor to the place of business of transporter for further transportation or
 - b) from the place of business of the transporter finally to the place of business of the consignee.

Explain the provisions relating to generation of E-way bill in case of 'Transshipment'.

Answer:-

- Goods may be transferred from original conveyance to another due to unforeseen exigencies like break down of vehicle or sometimes consignments are transported by transporter through transshipment using multiple vehicles.
- **Before such transfer & further movement of goods**, details of conveyance in Part-B of E-way Bill shall be updated by the consignor or recipient who provided information in Part A, or transporter.
- User can update Part-B (Vehicle details) **any number of times** to move goods to destination **within validity period** of E-way Bill.

Mr. Shah, a consignor, is required to move goods from Ahmedabad (Gujarat) to Nadiad (Gujarat). He appoints Mehta Transporter for movement of goods. Mehta Transporter moves the goods from Ahmedabad (Gujarat) to Kheda (Gujarat). Explain the procedure regarding e-way bill to be followed by consignor and transporter as per provisions of GST law and rules made thereunder. [CA Inter Nov 19 Exam New]

Answer:- Legal Provision:-

- **Before such transfer and further movement of goods**, the following persons shall update the details of conveyance in Part-B of E-way Bill:-
 - the consignor or the recipient, who has provided information in Part A, or
 - the transporter.
- Further, the consignor or the recipient, who has furnished the information in Part A, or the transporter, **may assign** the e-way bill number to another registered or enrolled transporter for updating the information in Part B for further movement of the consignment.
- But, Once the transporter updates details of conveyance in Part B, then consignor/recipient shall not be allowed to assign the e way bill number to another transporter.

Discussion & Conclusion:-

- ⇒ In given case, **only one e-way bill** is required to be issued.
- ⇒ Part A of e-way bill can be filled by either Mr. Shah or recipient of goods or Mehta Transporter on the appropriate authorisation.
- ⇒ Thus, on reaching Kheda, Mr. Shah or the recipient of the goods who has filled Part A of e-way bill, or Mehta Transporter can, before the transfer and further movement of goods, **update the details of conveyance in Part B of e-way bill.**
- ⇒ Further, on reaching Kheda, Mr. Shah or recipient of goods, or Mehta Transporter **can assign the said e-way bill** to Parikh Transporter who will thereafter update details of conveyance in Part B.
- ⇒ Once the details of conveyance are updated by Parikh transporter in Part B, Mr. Shah or recipient shall not be allowed to assign e-way bill number to another transporter.

Mr. Shambhu, a trader registered under GST in Delhi, is engaged in wholesale business of toys for kids. Mr. Nandi registered under GST in Patiala, a regular return filer supplies toys in bulk to Mr. Shambhu for selling to end consumers. Mr. Shambhu paying tax in regular scheme in Delhi, has not filed GSTR-3B for last 2 months. Mr. Nandi wants to generate e-way bill for toys amounting to ₹ 5,00,000 to be supplied to Mr. Shambhu. Also, Mr. Narayan from Jammu approached Mr. Shambhu for purchasing toys amounting to ₹ 75,000 for the purpose of return gift on his son's first birthday party. Shambhu wants to generate an e-way bill in respect of an outward supply of goods to Mr. Narayan. Examine with reference to the provisions under GST law, whether Mr. Nandi and Mr. Shambhu can generate e-way bill? [CA Inter RTP-May 22] [CA Inter MTP April 24]

Answer:-

Legal Provision:-

⇒ As per **Rule 138E** of CGST Rules, 2017, a taxpayer (consignor or consignee) shall be disabled from generating the e-way bill, if the GSTIN is not eligible for e-way bill generation.

⇒ Under this rule, **GSTIN is blocked only for the defaulting supplier** for e-way bill generation and not for the defaulting Recipient or Transporter.

⇒ A person paying tax under regular scheme who has **not furnished the returns for a consecutive period of two tax periods** is considered as a defaulting person.

⇒ The suspended GSTIN cannot generate e-way bill as a supplier. However, it can get e-way bill generated

as recipient or as transporter.

- ⇒ In other words, e-way bill generation facility is blocked only for any outward movement of goods of registered person & not for his inward supplies.

Discussion & Conclusion:-

- ⇒ In the given case, there will be **no restriction** in generating e-way Bill by **Mr. Nandi as Mr. Nandi** who is making outward movement of goods is a regular return filer.
- ⇒ But, E-way bill generation **is blocked** for movement of goods by **Mr. Shambhu** to Mr. Narayan as it is an outward movement of goods of Mr. Shambhu who has not filed GSTR-3B for past 2 months.

Mr. Venaram proprietor of M/s. Lalit Kirana Stores is registered as a composition dealer in the Jodhpur district of Rajasthan. He has not furnished the statement for payment of self - assessed tax in the form GST CMP-08 for two consecutive quarters. He placed an order for purchase of taxable goods worth ₹ 5,50,000 with M/s. Bob & Sons (a partnership firm), a registered dealer in the Bikaner district of Rajasthan. M/s. Bob & Sons has been regularly filing its GST returns. M/s. Bob & Sons wants to generate E-way bill with respect to intra- state supply to be made to M/s. Lalit Kirana Stores. Whether M/s. Bob & Sons is allowed to generate E-way bill as per the provisions of CGST Act, 2017? Answer with proper reasoning. [CA Inter Nov 23 Exam]

Answer:-

Legal Provision:

- ⇒ As per **Rule 138E of CGST Rules 2017**, if a person paying tax under composition scheme has not furnished the statement for payment of self-assessed tax for **2 consecutive quarters**, e-way bill shall not be allowed to be generated in respect of **any outward movement** of goods by such person.
- ⇒ However, this **restriction does not apply** to generation of e-way bill in respect of **inward movement** of goods by the defaulter.

Conclusion:

- ⇒ Hence, in the given case, M/s. Bob & Sons is **allowed to generate e-way bill** with respect to supply to be made to M/s Lalit Kirana Stores since M/s. Bob & Sons, who is making the outward movement of goods, is a regular return filer.

02. Sec 37 read with Rule 59: Furnishing details of Outward Supplies

M/s Cavenon Enterprises, a registered supplier of designer wedding dresses under regular scheme, has aggregate annual turnover of ₹ 30 lakh in the preceding financial year. It is of the view that in the current financial year, it is permitted to file its monthly statement of outward supplies – GSTR-1 on a quarterly basis while its accountant advises it to file the same on a monthly basis. You are required to advise M/s Cavenon Enterprises on the same. [CA Inter RTP May 19 New]

Answer:

Legal Provision:-

- ⇒ As per **section 37** of CGST Act, GSTR-1 for a particular month is filed **on or before the 11th day of** immediately succeeding month i.e. on monthly basis.
- ⇒ However, to ease the compliance requirement, GSTR-1 is can be filed quarterly by small taxpayers with aggregate annual turnover upto Rs 5 crore in preceding financial year under QRMP Scheme.
- ⇒ Under QRMP Scheme, for the first and second months of a quarter, the details of outward supplies can be furnished up to a cumulative value of Rs 50 Lakhs in each of the months using invoice furnishing facility (IFF) electronically on common portal from the 1st day of the month succeeding such month **till the 13th day of the said month.**

Discussion & Conclusion:-

- ⇒ In view of the same, M/s Cavenon Enterprises **can file its GSTR-1 on quarterly basis** if it has opted to furnish the outward supply related details on quarterly basis and filing IFF on monthly basis as its aggregate turnover does not exceed ₹ 5 crore in the preceding financial year.

05. Questions of QRMP Scheme

CCP 14.05.13.00

Explain the following questions on the basis of QRMP scheme

1) Benefits of QRMP Scheme.

2) Eligibility for QRMP scheme under GST? [CA Inter MTP Oct 21]

3) Manner of exercising option of QRMP scheme. [CA Inter May 23 Exam]

4) Conditions and restrictions of QRMP scheme. [CA Inter May 23 Exam]

Answer:-

1)	<p>⇒ The QRMP Scheme is best suitable for both the Small Tax Payers as well as the Big Tax Payers who are losing a lot of credits due to non-reflection of invoice entries.</p> <p>⇒ This is because many suppliers are filing GSTR-1 quarterly which eventually saves both time & money.</p> <p>⇒ Also, as per the Government Perspective, this scheme is expected to reconnect the revenue leakages and frauds as it would be surely decreasing the fake invoicing and fake input tax credit.</p> <p>⇒ Hence, it can be said that after the successful implementation of this scheme, it would be a win-win situation for all.</p>
2)	<p>⇒ Registered persons (other than online information & database access or retrieval (OIDAR) service supplier located in non-taxable territory and providing such services to a non-taxable online recipient), whose aggregate turnover is up to ₹ 5 crore in the preceding financial year, and who have opted to furnish quarterly return under QRMP scheme are eligible for QRMP scheme as the class of persons who shall furnish a return for every quarter from January, 2021 onwards, and pay the tax due every month.</p> <p>⇒ Thus, the taxpayers whose aggregate turnover is up to ₹ 5 crore in the preceding financial year are eligible for QRMP scheme.</p> <p>⇒ For computing aggregate turnover, details furnished in returns for tax periods in the preceding financial year shall be taken into account.</p>
3)	<p>⇒ A registered person intending to opt for QRMP scheme for any quarter shall indicate his preference for furnishing of return on a quarterly basis from 1st day of the 2nd month of the preceding quarter till the last day of the 1st month of the quarter for which the option is being exercised.</p> <p>⇒ Example:- A registered person intending to opt for QRMP scheme for the quarter 'July to September' can exercise his option from 1st May to 31st July.</p> <p>⇒ However, where such option has been exercised once, the said registered person shall continue to furnish the return on a quarterly basis for future tax periods, unless he—</p> <p>a) becomes ineligible for this scheme as per the conditions & restrictions notified in this regard or b) opts for furnishing of return on a monthly basis, electronically, on the common portal.</p>
4)	<p>Conditions and restrictions of QRMP scheme:</p> <p>⇒ Aggregate annual turnover (PAN based) is up to ₹ 5 crore in the preceding financial year.</p> <p>⇒ Registered person has furnished the return for the preceding month, as due on the date of exercising such option.</p> <p>⇒ Registered person is not required to exercise the option every quarter.</p>

Answer the following questions:

What is the Due date for filing return & due dates of payment in case of a taxpayer opting for QRMP scheme?

Sangam Ltd., obtains registration for paying taxes under section 9 of CGST Act. He asked his tax manager to pay taxes on quarterly basis. When does the option of QRMP scheme lapses?

Answer :-

If the aggregate turnover **crosses ₹ 5 crore** during a quarter in a financial year, then the registered person **shall not be eligible** to furnish return on quarterly basis

⇒ from the first month of the succeeding quarter.

He shall opt for furnishing of return on a monthly basis from the 1st month of the quarter, succeeding the quarter during which his aggregate turnover exceeds ₹ 5 crore.

The facility for opting out of the scheme for a quarter will be available

⇒ from 1st day of 2nd month of preceding quarter

⇒ to the last day of the 1st month of the quarter.

Explain the different payment methods under the QRMP Scheme?**Answer :****The different payment methods under the QRMP Scheme are as under:-****1. Fixed Sum Method (FSM):-**

Sr.No.	Type of Taxpayer	Tax to be paid in each of 1st 2 months
1.	Who furnished GSTR-3B quarterly for the last quarter:	35% of tax paid in cash in the preceding quarter.
2	Who furnished GSTR-3B monthly during the last quarter:	100% of tax paid in cash in the last month of the immediately preceding quarter.
The balancing amount of tax as per return is to be paid in the 3rd month.		

There are certain situations where no such tax needs to be deposited:-

⇒ **1st Month of Quarter:** The tax liability is Nil. **OR** The balance in the electronic cash ledger is adequate for the tax liability for the same month.

⇒ **2nd Month of Quarter:** The tax liability is Nil or the balance in the electronic cash ledger/ electronic credit ledger is adequate for the cumulative tax liability for the first two months of the quarter.

2. Self-Assessment Method (SAM):-

Under this method, taxpayer can pay the tax by considering the tax liabilities on inward & outward supplies as per the ITC available for which GSTR-2B can be used for each month.

A is of the view that since he is a qualified chartered accountant with a GST registration in the name of his proprietorship firm he also qualifies as GST practitioner.

Is the understanding of A correct? Discuss. [\[Study Mat\]](#)

Answer:-

- No, the understanding of A is not correct.
- A chartered accountant can become a GST practitioner (GSTP). However, holding a certificate of practice as a chartered accountant and having GST registration **does not imply** that such chartered accountant is a GST practitioner as well.
- For becoming a GSTP, even a chartered accountant in practice **has to follow the enrolment process** of GSTP as provided under the GST law and only upon approval of such enrolment, a chartered accountant can represent himself as a GSTP.

2)	Interest on delayed payment collected is assumed to be inclusive of GST.
	⇒ Further, the invoice value has been taken as inclusive of GST for computing said penal interest.
	⇒ It is includible in value as per section 15(2)(d) of the CGST Act 2017.

3)	<p>As per section 9(3) of CGST Act, Tax on legal services provided by Partnership firm of advocate to a business entity, is payable under reverse charge by the business entity.</p> <p>Further, tax payable under reverse charge, being not an output tax, cannot be set off against ITC and thus, will have to be paid in cash.</p>
4)	<p>As per 1st proviso to section 16(2) of CGST Act, In case of goods received in lots, ITC can be taken only upon receipt of the last lot.</p> <p>Hence, ITC on tools received will not be available in February, 20XX</p>
5)	Since discount given by ABC Ltd. on the packets of tools was not known at the time of supply, it shall not be excluded from its value of supply.

Assumptions taken by ICAI:

- It is assumed that the aggregate turnover of ABC Ltd. in the preceding FY was above the threshold limit for registration under GST law.

CGST: 21,000		-	(21,000)	X
SGST: 21,000		-	X	(21,000)
Minimum net GST payable in cash		Nil	17,000	17,000

Working Note:-

Computation of ITC available:

Particulars	IGST (₹)	CGST (₹)	SGST (₹)
Purchase of business class air tickets for travel from Assam [Note 5]	-	1,000	1,000
		(40,000	(40,000

Invoices relating to FY 20XX-YY [Note 6]	80,000	20,000	20,000
Total ITC available	80,000	21,000	21,000

Notes:

1)	➤ Since goods are agreed to be delivered at customer's doorsteps, supply of air- conditioners along with transportation thereof is a composite supply which is treated as the supply of the principal supply. ➤ Accordingly, rate of principal supply , i.e. air-conditioners will be charged.
2)	Since parts/ spares and repair services are not naturally bundled , they are taxable separately at the applicable rates.
3)	➤ Since supplies are not naturally bundled and a single price is being charged, it is a mixed supply. ➤ It is treated as supply of that particular supply which attracts highest tax rate (i.e., stabilizers)
4)	➤ IGST credit is first utilized for payment of IGST liability. Remaining IGST credit has been utilised for payment of CGST and SGST in such proportion to keep the liability at its minimum. ➤ After exhausting IGST credit, CGST and SGST credits have been utilized. CGST credit is utilized for payment of CGST and SGST credit is utilised for the payment of SGST. ➤ ITC of CGST cannot be utilized for payment of SGST and vice versa.
5)	➤ Not exempt , since air travel embarking from Assam is not being undertaken in economy class. ➤ Further, ITC is available since service is used in the course/furtherance of business.
6)	ITC in respect of any invoice can be taken upto 30th November following the end of FY to which such invoice relates or furnishing of the relevant annual return, whichever is earlier .

(v)	Discount of 2% is offered to BP Ltd. on the price mentioned at S. No. (i) above and recorded in the invoice	

Note: Price of the machine is net of the subsidy received.

M/s. Flow Pro has supplied one such machine in the month of October. It also provided the following details pertaining to the purchases made/ services availed during said month:

S.No.	Inward supplies	IGST (₹)	Remarks
(i)	Inputs 'A'	1,00,000	One invoice on which IGST payable was ₹ 10,000, is missing.

------	----------------	----------	---

Compute the net GST payable in cash by M/s. Flow Pro for October assuming that all the inward supplies are inter-State supplies, and all outward supplies are intra-State supplies. Assume the rate of taxes to be as under:

Particulars	Rate of tax
CGST	9%
SGST	9%
IGST	18%

Make suitable assumptions, wherever necessary. All the conditions necessary for availing the ITC have been fulfilled. Opening balance of the input tax credit for the relevant period is Nil. The annual return for the previous financial year was filed on 15th September of the current year. [CA Inter MTP Mar 23]

Answer :-

Computation of net GST payable by M/s Flow Pro for the month of July:

Particulars	CGST (₹)	SGST (₹)
GST payable on outward supplies (Refer Working Note 1)	2,83,500	2,83,500
Less: ITC (Refer Working Note 2) (Note)		
IGST: 2,65,000	1,32,500	1,32,500
Net GST payable in cash	1,51,000	1,51,000

Working Notes:

1) Computation of GST payable on outward supply made by M/s. Flow Pro for the month of July:

Particulars	ITC (₹)	Remark
Price of the machine	25,00,000	Since the subsidy is received from the State Government, the same is not includible in the value of supply as per section 15(2)(e) .
Third party inspection charges	5,00,000	Any amount that the supplier is liable to pay in relation to the supply but has been incurred by the recipient and not included in the price actually paid or payable for the goods is includible in the value of supply as per section 15(2)(e) .
Freight charges for delivery of the machine	2,00,000	Since arranging freight is the liability of supplier, it is a part of composite supply and thus, freight charges are added to the value of principal supply.
Total	32,00,000	
Less: Discount @ 2% on ₹ 25,00,000 being price charged to BP Ltd.	50,000	Discount given before or at the time of supply if duly recorded in the invoice is deductible from the value of supply as per section 15(3)(a) .
Value of taxable supply	31,50,000	
GST payable on outward supplies		Since all the outward supplies are intra-State supplies, CGST and SGST are payable on the same.
CGST @ 9%	2,83,500	
SGST @ 9%	2,83,500	

) Computation of ITC available with M/s Flow Pro for the month of July:

S.No.	Inward Supplies	ITC (₹)	Remarks
(i)	Inputs 'A'	90,000	ITC cannot be taken on missing invoice. The registered person should have the invoice in its possession to claim ITC.
(ii)	Inputs 'B'	Nil	When inputs are received in lots, ITC can be availed only on receipt of last lot .
(iii)	Capital Goods	Nil	Input tax paid on capital goods cannot be availed as ITC, if depreciation has been claimed on such tax component.
(iv)	Input services	1,75,000	ITC on an invoice cannot be availed after 30th November following the end of financial year to which such invoice pertains or the date of filing annual return, whichever is earlier. Since the annual return for the previous financial year has been filed on 15th September, ITC on the invoice pertaining to previous financial year cannot be availed after 15th September.
Total ITC (IGST)		2,65,000	

Note:

ITC of IGST can be utilised towards payment of CGST and SGST in any proportion and in any order.

Therefore, there can be multiple ways of setting off of IGST credit against CGST and SGST liability and accordingly, in the given case, amount of net GST payable in cash under the heads of CGST and SGST will vary.

However, total amount of net GST payable in cash will be ₹3,02,000 in each case.

Compute the minimum net GST [CGST, SGST or IGST, as the case may be] payable in cash by 'XY' for the month of July. [CA Inter RTP Nov 2020]

Answer:-

Computation of minimum net GST payable in cash by 'XY' for the month of July:-

Particulars	Value (₹)	IGST (₹)	CGST (₹)	SGST (₹)
(i) Calculation of Total tax liability:-				
Inter -State supply of office stationery [Note 1]	2,00,000	36,000 (2,00,000X18%)	-	-
Intra-State supply of 500 combo pack of calculators and diaries [Note 2]	4,00,000 (500 X 800)	-	56,000 (4,00,000 X 14%)	56,000 (4,00,000 X 14%)
Intra-State supply of services of business correspondent to Shubhvidhi Bank with respect to accounts in its urban area branch (Note 3)	1,00,000	-	9,000 (1,00,000 X 9%)	9,000 (1,00,000 X 9%)
Total tax liability		36,000	65,000	65,000
(ii) Calculation of total Input Tax Credit (ITC):				
Brought forward ITC [Given]		80,000	5,000	5,000
Inter-State purchase of office stationery [Note 4]	1,00,000	18,000 (1,00,000X 18%)		
Intra-State repairing of lorry used for transportation of goods [Note 5]	1,00,000		9,000 (1,00,000 X 9%)	9,000 (1,00,000 X 9%)
Total ITC		98,000	14,000	14,000
(iii) Calculation of Minimum net GST payable in cash:-				
Total tax liability [from (i)]		36,000	65,000	65,000
Less ITC [Note 6]				
IGST - 98,000		(36,000)	(11,000)	(51,000)
CGST - 14,000		-	(14,000)	X
SGST - 14,000		-	X	(14,000)
Minimum net GST payable in cash		Nil	40,000	Nil

Notes:-

1)	Taxable supplies made by a registered person are liable to tax irrespective of whether they are made to a registered person or to an unregistered person.
2)	➤ Supply of calculator and diary as a combo pack with a single price of ₹800 is a mixed supply. ➤ Being a mixed supply comprising of two supplies, it shall be treated as supply of that particular supply which attracts highest rate of tax.
3)	Services provided by a business facilitator/ business correspondent to a banking company only with respect to accounts in its rural area branch are exempt but not with respect to accounts in its urban area branch.
4)	➤ ITC can be taken only on the basis of a valid tax paying document. ➤ Thus, ITC will not be available on goods for which the invoice is missing.
5)	ITC on motor vehicles used for transportation of goods is allowed & Further, ITC is allowed on repair and maintenance services relating to motor vehicles on which ITC is allowed.

6)	<p>⇒ IGST credit, after being set off against IGST liability, can be utilised against CGST and SGST liability in any order and in any proportion.</p> <p>⇒ Thus, there cannot be one answer for the minimum net CGST and SGST payable in cash as amount of CGST and SGST liabilities are the same as also the amount of ITC for CGST & SGST is also the same.</p>

Working Note:

Computation of ITC available:

Cars taken on rental basis from Mr. Mukesh [Note 6]	-	-	-
Total output tax	-	45,000	45,000

3)	Supply of goods between distinct persons in course or furtherance of business qualifies as supply even if made without consideration.
4)	⇒ CGST credit should be utilized for payment of CGST & IGST in that order. Similarly, SGST credit should be utilized for payment of SGST & IGST in that order. ⇒ ITC of CGST cannot be utilized for payment of SGST & vice versa.
