		<b>For Deposit refer QB</b>

**Disclaimer** - Based on the assessment of previous RTPs, MTPs and Question papers of the past 5 years, I have shortlisted these sections which have the highest chances of coming in exam. But these is merely an effort to highlight important sections. It may happen that the whole paper is outside these 50 sections. It is advisable to not at all skip the remaining 98 sections. Just give a little extra attention to these section.
