

INDIAN REGULATORY

FRAMEWORK

HISTORY OF LAW

'Code of Hammurabi' is known for oldest law in written.

→ by King Hammurabi

→ carved the code on bulky stone slabs.

→ ordered to place the stones on different places all over the city.

→ so that public may have the knowledge of codes.

→ appointed judges to check whether public is following laws or not.

'Twelve Tables'

→ In 450 BC, a set of laws - engraved on 12 bronze tablets in Rome

→ first most detailed code of any civilization.

→ purpose - to protect the rights of public.

- to provide remedy for wrong.

WHAT IS LAW?

Law is a set of obligations & duties imposed by the government for securing welfare & providing justice to society.

SOURCES OF LAW

→ 'Constitution' is basis & source for all laws.

→ Law passed by parliament may apply throughout all or a portion of India, whereas the laws passed by state legislatures apply only within the border of the states concerned.

→ 'Constitution of India, 1950' is the foremost law that deals with framework within which our democratic system works and our laws are made for the people, by the people.

→ The people who wrote the constitution decided to divide the law-making power between the Central govt. & the various state govt. So, the Indian Constitution has three lists viz., Central list, state list & Joint list.

TYPES OF LAW

Criminal Law

Civil Law

Common Law

Principles of Natural Justice

(1) Criminal Law

- governed under Indian Penal Code, 1860 and the Code of Criminal Procedure, 1973 (CrPC).
- Example - Murder, rape, theft, fraud, cheating & assault.

(2) Civil Law

- focuses on dispute resolution rather than punishment.
- act of process & administration of civil law are governed by the Code of Civil Procedure, 1908 (CPC).
- can be further classified into Law of Contract, Family Law, Property Law and Law of Tort.
- Examples - breach of contract, non-delivery of goods, non-payment of dues to lender or seller, defamation, disputes between landlord and tenant.

(3) Common Law

- It is a judicial precedent or a case law.
- 'Doctrine of stare decisis' which means 'to stand by that which is decided'. - reinforces obligation of courts to follow the same principle or judgement established by previous decisions while ruling a case where the facts are similar or 'on all four legs' with the earlier decision.

(4) Principles of Natural Justice

- Jus naturalis deals with certain fundamental principles of justice going beyond written law.
- Nemo judex in causa sua means no one should be made a judge in his own cause.
- Audi alteram partem means hear the other party first or give the other party a fair hearing and reasoned decision.
- A judgement can override or alter a common law, but it cannot override or change the statute.

• ENFORCING THE LAW

- Somebody should monitor whether the law is being followed. This is the job of executive.
- For this purpose, govt. functions are distributed to various ministries.
- Popular ministries - Ministry of Finance, Ministry of Corporate Affairs, Ministry of Home Affairs, Ministry of Law & Justice etc.
- A ministry is composed of employed officials, known as civil servants, and is politically accountable through a minister.
- Example:- Income Tax Act is implemented and enforced by the Ministry of Finance through the Central Board for Direct Taxes coming under the Dept. of Revenue and is administered by the officers of Indian Revenue Service.

(1) Ministry of Finance

- Vitra Mantralaya is a ministry within the govt. of India concerned with the economy of India, serving as the Treasury of India.
- Importance - ministers have preferred to hold the portfolio of Finance Minister.
- Presentation of the Union Budget.
