GST implications on vouchers [Cir. No. 243/37/2024]	
Issue	Clarification
Are voucher transactions taxable under GST?	➤ RBI-approved vouchers (like gift cards) are treated as money: Not taxable. ➤ Other vouchers are actionable claims: Not taxable. Conclusion: Vouchers aren't taxed under GST, but the goods/services bought with them are taxable at redemption.
GST on voucher transactions by distributors/ agents:	➤ P2P Basis: Distributors buy and sell vouchers on their own - treated as trading in money/actionable claims, so no GST. ➤ Commission Basis: Distributors act for the issuer - GST applies on commission as it's a supply of service. Conclusion: GST is charged only on services like distribution or promotion, not on voucher trading.
GST on Additional Services Related to Vouchers:	Distributors or others providing extra services (like ads, co-branding, tech or customer support) to the voucher issuer for a fee must pay GST , as these are separate taxable services.
GST on Unredeemed Vouchers (Breakage):	Unredeemed vouchers (breakage) involve no supply of goods or services and no agreement to act or refrain from acting. Conclusion: Breakage is not a taxable supply, so no GST is payable.
